Call our friendly team to book

Let’s explore together...

There’s no question that river cruising is one of the best ways to explore the world, whether it’s sailing between iconic European big hitters like Budapest, Vienna and Bratislava; cruising through some of Europe’s prettiest scenery, visiting charming towns and villages you might otherwise never see; or gliding down the Nile, stopping in to visit Egypt’s eternally popular ancient cultural sites.

Every single one of our itineraries is carefully created by our team of travel specialists who know these destinations inside and out. They have handpicked included experiences that really showcase the beauty of each place, but throughout the journey you are also looked after by a Cruise Director or Tour Manager who’s on hand with insider insights and support to help you get the best of your trip. And between all of this exploration, you’re on board your floating boutique hotel sailing serenely to your next new favourite destination, enjoying excellent service and food on board as you go. It really couldn’t be better.

To help you explore even further afield, in 2027, we’ve launched three brand new worldwide river cruises. Experience the serenity and beauty of India with a journey along the Ganges, marvel at the timeless beauty of China’s Yangtze River, or feel the pulse of Vietnam and Cambodia on our new Mekong cruise, where we’re launching a brand-new ship – the Riviera Alba. This is the first time we’re launching a Riviera ship outside of Europe, so it’s an incredibly special moment for us, allowing us to blend Riviera’s top-notch quality and service with the magic of the Mekong.

So whether you’re looking for your first foray into river cruising, or have travelled the world with us onboard one of our ships, we’re confident that there’s a holiday for you to indulge your curiosity.

We look forward to seeing you on board.

The Riviera difference

Your time away is precious and should never be compromised. Nobody knows that better than us. It's a privilege that our guests trust us time and time again to look after their holiday plans, and that's why we never take anything for granted.

Unrivalled holidays, created by our Masters of Travel

At Riviera, we are totally obsessed about travel. Holidays can be where some of the best memories of our lives are made. It's no small feat to create our tours and cruises, and we are proud to call ourselves 'Masters of Travel', curators of the finest holidays. A bold claim, but one we really believe in. Our specialists go the extra mile when creating our itineraries, and they are genuinely passionate about the destinations we visit, so when you book one of our holidays, you know you are getting decades of experience in every detail.

This also shows in how we've thoughtfully balanced out seeing the iconic sites each destination is known for, with time to tread the paths less travelled and get a new perspective away from the tourist trail.

And we're so confident in the quality of our itineraries that we offer a 'Happiness Guarantee': If you're not completely happy by the second day of your holiday, we'll bring you straight home and give you a full refund.

We'll look after you like family

When you book with Riviera Travel, you are not just booking a holiday, you are joining our family. That may seem extreme for a travel company, but we really mean it – we'll take care of you as one of our own. But the proof is in the pudding. That's why we've been awarded the esteemed 'Recommended Provider' accreditation by Which? for 13 years, and why 96% of our guests would book with us again. Our knowledgeable and friendly team are committed to making every step easy and enjoyable – from the moment you first contact us, to the very end of your journey when you arrive home happy and with a camera full of memories.

While you travel, our experienced Cruise Directors and Concierges will go above and beyond to ensure every aspect of your holiday runs smoothly. So, with every detail taken care of, all you need to worry about is your packing!

Luxury travel, without the price tag

One thing we will never compromise on is quality. It's at the heart of every Riviera Travel holiday. It's not just the finest ships that are a given when booking a cruise, but it's also the small-but-important details, such as all of the included experiences with passionate local guides and an expert Riviera Cruise Director looking after you throughout.

We believe that luxury travel shouldn't cost the earth and we offer the best value for money – we're so confident you won't find the same quality of experience for less elsewhere that if you do, we'll refund you the difference.

We know it's normally rude to discuss age, but we're incredibly proud to have over 40 years of experience as the UK's leading tour operator. It's this history, the scale of our business and the strong relationships we've built with our suppliers (which enables us to negotiate exceptional rates) that means we can offer such remarkable value – and we pass those savings straight back to you. Our prices are fair and straightforward, with no hidden extras.

You make the choices, we do the hard work

Variety is the spice of life, and there's no 'one size fits all' when it comes to the perfect travel experience. To make sure you can tailor your holiday to suit you, we've built choice into every aspect of our holidays, putting you in control. Choose from our extensive collection of holidays, then customise your experience to your exact requirements. Whether you want to upgrade your travel, or add additional excursions or visits to suit your interests, we give you the flexibility to choose. But freedom and flexibility doesn't mean a lack of support. You'll be looked after by our award-winning team every step of the way, and if anything goes awry, we'll take care of it so you can enjoy every single moment.

Burgundy, the River Rhône & Provence

Enjoy the many splendours of the scenic wine regions in the south of France. From lush, terraced vineyards and sun-baked hills, to dramatic rugged gorges, pretty villages and medieval towns, with their delightful streets, charming architecture and atmospheric wine cellars.

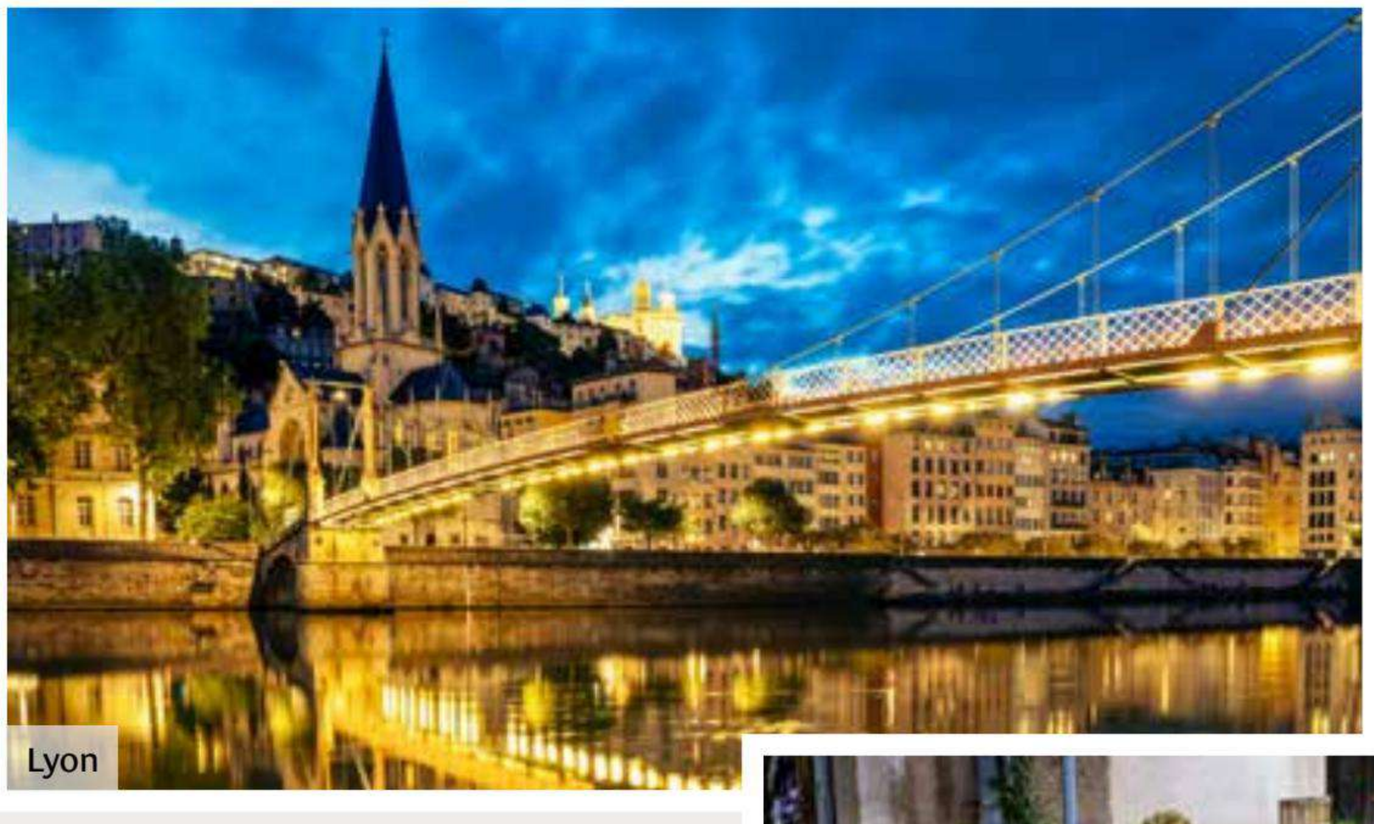
Beaune

Your Itinerary

DAY 1 – Arrival in Lyon
Arrive for your flight to Lyon, Marseille or Montpellier, or take the Eurostar and travel via Lille, where you'll board a high-speed TGV to Lyon. On arrival, we transfer by coach to our ship moored in Lyon's historic centre. (D)

DAY 2 – Lyon
After our first splendid breakfast, we've a leisurely start enjoying a guided tour of Lyon, one of France's most fascinating cities. The Rhône Valley had been the route of choice for marauding armies and peaceful traders for centuries, and Lyon's current site, at the confluence of the Rhône and Saône Rivers, cried out to be fortified. The Old Town, a UNESCO World Heritage Site, is crammed with antique shops and intriguing traboules – narrow covered passageways enabling silk merchants to transport their wares to the river without getting wet – that today are a joy to amble through. As well as its glorious architecture, Lyon is generally acknowledged as France's (and to locals the world's) gastronomic capital. While you enjoy your first lunch the ship quietly slips its mooring. Cruising upstream, we catch the first glimpses of the vine-clad slopes of the hazy green Beaujolais hills as we approach one of the world's most revered red-wine producing regions. As the afternoon drifts into evening and we cruise past the town that gives them their name, the white wines of Mâcon hold sway – and what could be better than a cool, crisp glass in the lounge before enjoying this evening's culinary delights in the restaurant, prepared by our outstanding chef. (B,L,D)
Included Experience – Guided tour of Lyon

DAY 3 – Beaune
Rising this morning we're berthed in Chalon, gateway to Burgundy and home of Nicéphore Niépce, the inventor of photography. On this morning's tour we see some of the pretty yet surprisingly small villages that produce some of the world's most sublime wines – Meursault, Volnay, Pommard, Gevrey-Chambertin and many more. Nearby is medieval Beaune, Burgundy's wine capital, which is wonderful to wander around. At its centre is the Hospices de Beaune, also known as the Hôtel-Dieu. Originally built in the 15th century as a hospital for the disadvantaged, it's a jewel of High Gothic architecture, instantly recognisable for its colourful glazed roof tiles arranged in dazzling geometric patterns. After a guided tour you are free to explore as you wish before returning to the ship for lunch and enjoying an afternoon sailing. (B,L,D)
Included Experience – Guided tour of Beaune with Hotel Dieu



Lyon

DAY 4 – Vienne & Tain l'Hermitage
Overnight the ship has cruised almost imperceptibly downstream and we enjoy breakfast in Vienne before you are free to explore at leisure. Strikingly located in a narrow section of the Rhône where the river meanders dramatically around a steep bluff, Vienne is a treasure trove of historic remains, including the stunning Roman Temple of Augustus and Livia, one of only two edifices of this type in the whole of the country. From the ship, maybe head to the top of the city, the Mont Pipet hill, where the view onto the Rhône will inspire keen photographers. As the train weaves through the charming, narrow streets of the old town, soak up the history of this fascinating place. Wander back to the ship for another superb lunch, during which we enter perhaps the most picturesque section of the Rhône as the river squeezes and twists past Condrieu, Saint-Rambert d'Albon and Saint- Vallier, with wooded cliffs rising high on both sides. Later we moor in Tain l'Hermitage, where another of the world's most revered wines is produced: Syrah. To find out more about the history and production of wine here, we will enjoy an onboard wine-tasting. (B,L,D)
Included Experiences – Visit to Vienne and wine-tasting on board

The region's sunflowers follow the sun, a phenomenon known as heliotropism

Ardèche Gorges

DAY 5 – Ardèche Gorges
This morning, we cruise effortlessly downstream. In the distance you'll catch glimpses of the Alps and, as we approach Valence, the landscape gradually becomes less green with more ochres and magentas, the houses have sloping terracotta roofs typical of the Mediterranean and the air carries heady aromas of pine and cypress. After lunch we explore one of France's most outstanding landscapes – the Ardèche Gorges, whose scale is a fitting reminder of Mother Nature's awesome power. During your tour of the Ardèche, you have two exciting options to choose from: You could explore a Lavender farm, which includes a fascinating museum where you can learn all about the process of cultivating lavender and the distillation of essential oils. Or, if you're more mobile, you can visit the Grotte de la Madeleine. A prehistoric cave composed of limestone, with a complex network of chambers and passages that contains a collection of fascinating art, dating back to around 17,000 years ago. After dinner delight in a ballroom dancing performance in the lounge with the opportunity to learn some basic steps of a French madison line dance!
Included Experiences – Option 1: Tour of the Ardèche Gorges with visit to the Grotte de la Madeleine. Option 2: Tour of the Ardèche Gorges with visit to the Lavender Museum. Live ballroom dancing performance

DAY 6 – Arles & Pont du Gard

You awake under the azure skies of deepest Provence and amid the warm stone colours of Arles, many of whose historic monuments are UNESCO World Heritage Sites. Although small in size, it was the key stronghold on the Roman road to Spain, one of the empire's richest possessions. Seagoing ships could reach here and the city became a regional capital, briefly ruling over Gaul, Spain and Britain. Our guided tour will help you appreciate the finer points of Arles's magnificent Roman remains, including the splendid amphitheatre, one of the best preserved in the world, the earlier theatre built during the reign of Augustus and the Alyscamps, the ancient necropolis with its extraordinary atmosphere. Alternatively, if you are interested in art – especially Van Gogh – you can opt for a tour of Arles, where you learn about his life and work. The disturbed but great genius of an artist Van Gogh lived in Arles for just over a year, from February 1888. It was his most prolific period and, inspired by Arles and the light and beauty of the Provençal countryside.

After lunch we visit the amazing Pont du Gard Roman aqueduct, one of the wonders of the ancient world. No amount of fame can diminish the first sight of this 2,000-year-old structure, which was the highest bridge built in the Empire – the Romans themselves considered it the most important testimony to their greatness. Its statistics are staggering: over 900 feet long and almost 160 feet high, with its stones each weighing up to six tons. Rejoining the ship, we cruise along the Rhône and, during dinner, pass the imposing 15th-century castle at Tarascon standing guard on the river bank. (B,L,D)

Included Experiences – Morning option 1: Guided tour of Arles, focussing on its Roman history. Morning option 2: Guided tour of Arles, focussing on Van Gogh's life and work in Arles. Visit to the Pont du Gard

DAY 7 – Avignon

The city is immaculately preserved, nestling behind its almost-intact 14th-century walls and boasting more remarkable monuments, superbly decorated buildings, churches, chapels and convents than you can possibly count. Most important is the stunning Popes' Palace, made up of two buildings that together form the largest Gothic palace in the world. With turrets, towers, parapets and other fortifications, its exterior resembles a mighty fortress, while the interior is a tour de force of medieval architecture and ornamentation, adorned with priceless frescoes, Gobelin tapestries and graceful sculptures. This morning, you'll have a couple of exciting options to choose from. World-class crew

The crew look after you as if you were family. Once they're done checking every tiny detail, they'll be there to welcome you on board, and to help throughout. All our ships have an excellent ratio of crew to guests, so you are guaranteed that personal touch. Working closely with the Riviera Cruise Director, the English-speaking crew will anticipate your every need in a manner which is intuitive and efficient yet discreet and friendly.

World-class facilities

Fully air-conditioned decks, all easily accessed via lift or stairs, offer different vantage points of the scenery. Take in views from a panoramic observation lounge and bar, or seek out a quiet spot on deck and enjoy life on the river from a sun lounger. Please refer to the ship information pages.

Exclusive cruises

All our European river cruises are exclusive to guests of Riviera Travel and we personally select every aspect of the cruise itinerary. We want to ensure that you enjoy the outstanding service we are renowned for.

Fine culinary experiences

Fine dining experiences await on board your next river cruise. From buffet breakfasts, delicious lunches and four course dinners.

Local Flavours

Across our fleet, your chef will prepare a range of dishes every evening, inspired by the regions that you cruise through. Whether it's a traditional Hungarian soup flavoured with smoky paprika, a French cassoulet or indulgent Dutch dessert.

Additionally, our expert sommeliers have carefully selected a choice of wines which showcase popular and lesser known grape varieties. Some wines will have been produced from vineyards just a few yards away from the restaurant.

Look out for 'Local Flavours' on your menu every evening.

First-class flexible dining

Start your day with a bountiful breakfast buffet in our main restaurant, featuring over 60 delicious options. At lunch choose your main course, including a chance to try some local dishes, of course. Crispy salads from the buffet or hard-to-resist dishes at the pasta station are also on offer. And at the end of the day, sit down to a four-course à la carte dinner featuring the dishes you know and some soon-to-be favourites. You'll be begging our chefs for the recipe. And if you want more, double portions are available on request.

Vegetarian, vegan and many other special dietary requests are catered for by our experienced team of chefs.

Alternative dining in La Brasserie, Riverview Kitchen and our Mosaic and Rio Restaurants

In addition to the ship's main restaurant, our ships offer alternative dining experiences, still all included in the price.

La Brasserie, on board the Jane Austen and Lord Byron is where you can enjoy an informal light dinner. A tasteful experience, notably charcuterie and local cheese platters and freshly baked breads, paired with French wines. Located at the stern of the ship and featuring full length windows offering a beautiful river view experience.

Riverview Kitchen, located at the stern on our Rhine and Danube cruises, as well as Thomas Hardy on the Rhone, is available for lunch and dinner. It offers a more intimate dining experience with an open kitchen, large panoramic windows and al fresco seating so you can admire the fantastic views. Here in the evenings, you can enjoy a more informal experience that takes its inspiration from a traditional Grill restaurant.

Mosaic restaurant – which offers breakfast lunch and dinner – on board the Radiance and Resplendence, offers a unique food and wine pairing menu. Each course features a number of elements inspired by the rivers of Europe. Showcasing the finest local ingredients from these regions – one delectable bite at a time.

Rio Restaurant aboard the Riviera Rose offers a relaxed and airy setting with beautiful views of the Douro. Enjoy an authentic taste of Portugal, with fresh seafood buffet, a variety of salads, and choice of local cheeses, as well as some hearty local dishes.

Please note: Due to low bridges, lunch and dinner service are restricted as the restaurant collapses to allow the ship to navigate safely under bridges. Please talk to your Cruise Director to make your reservation.

Exceptional on-board facilities

Our fleet of cruise ships are one of the youngest in Europe and also one of the most advanced, so an unforgettable experience is assured.

Riverview Kitchen

For a more intimate setting the Stern Bar transforms into our 'chef's restaurant', with seating for 28 diners. Take in panoramic views as the chefs present their signature dishes.

Deluxe balcony suites

Enjoy even more generous space and comfort with a deluxe balcony suite. Located on the upper deck, and measuring up to a staggering 312 square feet – 50% larger than our standard suites. What's more, there is a private full balcony with table and chairs – perfect for an al fresco breakfast.

Gaze upon the temple of Hathor in the Dendera complex, one of the best-preserved temples in Egypt. Savour a leisurely lunch back on board as your ship sails to Edfu via Esna. Enjoy an afternoon at leisure. You could relax on a lounger, cool off with a dip in the pool or find a quiet corner with a book from the library. Perhaps, you'll simply relax and enjoy the Nile views from your cabin before indulging in afternoon tea on the top deck – it's completely up to you. (B,L,D)

Relax with a morning sailing. Later, we'll arrive in Kom Ombo and visit the magnificent temple. Unusually it's dedicated to two gods, Horus (the falcon-headed god) and Sobek (the local crocodile god). After your visit, sail to the city of Aswan where your ship will moor overnight. (B,L,D)

DAY 7 – Aswan
This morning, we'll visit one of modern Egypt's greatest achievements – the Aswan High Dam. Measuring more than 2 miles long at its crest, it was completed in 1970 after 11 years of construction.

We'll continue to the tiny island of Philae – a mere 450m long and less than 150m wide, and home to the Temple of Philae. We'll visit the Nubian Village of Gharb Soheil where we will be greeted by the sight of its majestic domed mud-brick houses. As we wander through the village on foot, we'll experience the bustling energy of local life and see local artisans, who craft exquisite textiles, jewellery and pottery, while families go about their everyday lives. You'll also see the Unfinished Obelisk. Despite not being completed, it is without a doubt the largest obelisk ever constructed and offers a valuable insight on how such structures were created in ancient Egypt.

Following lunch back on board, we'll hop on a traditional Egyptian wooden sailing boat for a tranquil felucca cruise, crewed by a friendly local sailor. (B,L,D)

Your Itinerary

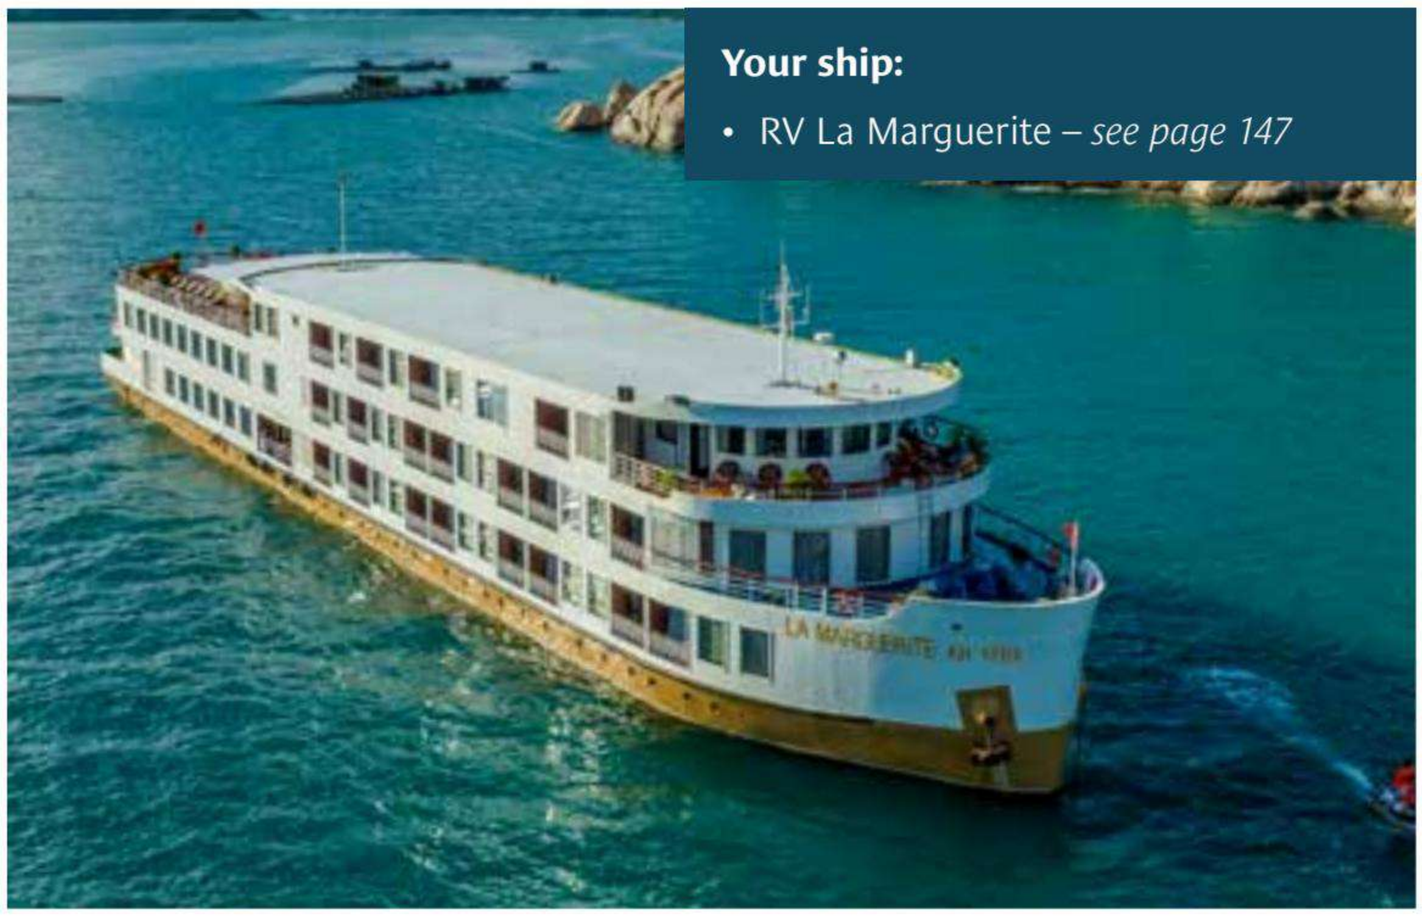
Upstream Cruise: From Saigon to Siem Reap

DAY 1 – Travel to Ho Chi Minh City
Arrive at the airport for your overnight flight to Ho Chi Minh City (Saigon).

DAY 2 – Arrival in Saigon
After your morning arrival with early check in and breakfast at your hotel (subject to flight times) we'll take an introductory tour of the city. Highlights include the Reunification Palace where famously in 1975, a tank burst through its gates in the final defining moment of the Vietnam War. We also see the War Remnants Museum and the lively Ben Thanh market – a fascinating insight into Saigon's daily life, you can find anything here, all at extremely good prices! (B)
Included Experience – Guided tour of Saigon

DAY 3 – Cu Chi Tunnels
We visit the famous Cu Chi tunnels, a complex underground network stretching for 124 miles, which included hospitals, meeting rooms, sleeping quarters and kitchens. Begun during the last years of French rule and vastly expanded during the 1960s, the tunnels provided a base for the Vietcong from which to attack US forces within just 30 miles of Saigon. Our visit here is a fascinating insight into these troubled times: we see the tunnels themselves and examples of the many mantraps and stake pits which protected them. Despite being carpet-bombed, the tunnels were never really penetrated and should you wish, you may even try out real period weapons on a firing range. We continue through rural farming communities back to Saigon in the afternoon. (B)
Included Experience – Visit the Cu Chi Tunnels

DAY 4 – Board the ship
After a stop at the picturesque Cholon market and a lacquer workshop, you board the superb four-star RV La Marguerite. Your highly professional crew, imbibed by the unique service ethic you find everywhere here, ensure you settle in to your spacious and beautifully appointed cabin. After an excellent lunch, your journey begins, as darkness gently falls, take your seat in the restaurant for your first dinner. The day ends with a lovely performance of traditional Mekong music and perhaps a nightcap in the balmy late evening air, bathed by the unmistakable sounds of the East. (B,L,D)



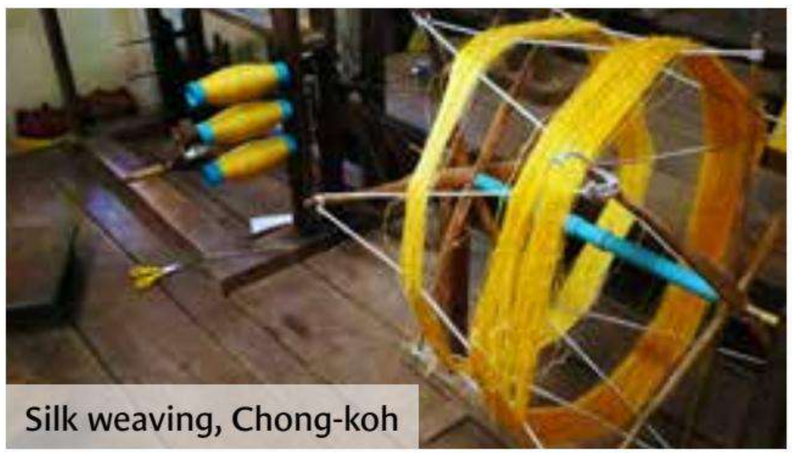
Your ship:

- RV La Marguerite – *see page 147*

DAY 5 – Vinh Long & Ben Tre District
Discover the local cottage industries, factories and canals lined with brick kilns in the nearby Mang Thit district in Vinh Long province, the largest handicraft kiln area in the Mekong Delta region. Later, depart on small boats to see the floating coconut market in the Ben Tre District, home to thousands of coconut trees and groves. Complete the tour with a visit to Vinh Buu pagoda before returning to the ship for a delicious dinner on board. (B,L,D)
Included Experiences – Visit the brick factories in Mang Thit and the floating market and pagoda in the Ben Tre District

DAY 6 – Cai Be & Sa Dec
This morning we set sail by local junk along Cai Be's waterfront and visit the remarkable French Gothic Cathedral, a poignant reminder of Vietnam's colonial past. This afternoon we cruise to Sa Dec with a guided stroll through the colourful local market. The highlight of the day is the intriguing Cao Dai Temple, centre of a unique indigenous religion, a fascinating combination of Taoism, Buddhism and Chinese Confucianism plus elements of Christianity, Islam and spiritualism. Bizarrely, its saints include Joan of Arc, Napoleon, Shakespeare and Winston Churchill! The temple itself is a striking combination of western and oriental architectural styles and mesmerisingly brightly coloured statues, overlooked by the religions all-seeing Divine Eye – it's sure to leave you something to ponder after you visit. (B,L,D)
Included Experiences – Visit Cai Be's waterfront and Gothic Cathedral and the Cao Dai Temples

DAY 7 – Tan Chau
One of the great pleasures of river cruising is waking up somewhere completely different, and as dawn breaks, we are berthed in remote Tan Chau near Cambodia. One of the delights of Vietnam is that so many cottage industries still thrive, offering a fascinating insight into the past. This morning we transfer over to small boats and explore the town of Tan Chau, Vietnam's leading silk centre producing extremely high quality and truly beautiful naturally dyed clothes. Slipping our moorings, Vietnam slowly recedes as we cross into Cambodia and continue into the evening with a chance to enjoy pre-dinner drinks in the lounge, before another tasty dinner. Take a stroll outside, look above and be dazzled by the luminosity of an amazing night sky, unfettered by street lights and advertising as we cruise to Phnom Penh. (B,L,D)
Included Experience – Visit Tan Chau



Silk weaving, Chong-koh

Saigon

DAY 8 – Phnom Penh
Called the 'Paris of the East' during colonial times. Phnom Penh has preserved much of its wonderful rustic charm, elegance and French allure. Sightseeing includes visiting the dazzling Royal Palace and the Silver Pagoda, followed by a chance to witness exceptionally beautiful Khmer craft in the National Museum. In homage to Cambodia's tragic recent history, we next visit the haunting Tuol Sleng Genocide museum. Later, we head to the hill Vat Phnom, ascending the hill to 27 metres to see the picturesque sanctuary dedicated to Mrs Penh who gave her name to the city. We moor overnight, enabling easy exploration of the city late into the evening. (B,L,D)
Included Experiences – Guided tour of Phnom Penh and visits to the Tuol Sleng Genocide Museum and Vat Phnom

DAY 9 – Silk Island & Phnom Penh
Set sail this morning before we navigate to Silk Island to discover a delightful silk weaving village by tuk-tuk. Return on board for lunch as the ship resumes its journey back towards Phnom Penh. (B,L,D)

DAY 10 – Upper Mekong – Angkor Ban
We arrive at Angkor Ban, one of the very few villages that survived and was not burned during the Khmer Rouge period. We see traditional houses, some more than a century old and absorb the peaceful atmosphere where time stands still here as you witness a slice of the Cambodian rural life. (B,L,D)

Enjoy the benefits of staying on the Privilege floor of our hotel, with daily fruit, complimentary laundry, a pool and the Mudita Spa. (B)
Included experience – Visit the Kampong Kdei Bridge

DAY 12 – Angkor Wat
Today we see the haunting soft morning light over the eerie temples of Angkor Wat one of the largest religious structures in the world. Encircled by verdant steamy jungle, shrouded in mist and with a tropical dawn chorus reverberating in the air, this is something you will never forget. We visit the huge, fortified 13th-century city of Angkor Thom with its five monumental gates and 91-metre wide moat; its centre contains one of Angkor's most astonishing sites, the temple of Bayon. Crowned by over 50 towers, each with four colossal carved heads looking out in every direction, this is an extraordinary masterpiece of Khmer art. One of the most intriguing sites is the smaller temple of Ta Prohm which has been left in its natural, unrestored state, with giant tropical trees bursting through the ruins, their roots entwined like vast tentacles across the moss-covered, weathered walls and roofs. (B)
Included Experience – Visit the temples of Angkor

Our last full day in Cambodia is at leisure for you to enjoy the swimming pool and facilities of your hotel, or simply explore the excellent markets and restaurants of Siem Reap. (B)

DAY 13 – Nanjing
Today, we'll learn more about the twin peaks of Mount Niushou – so named for its ox-horn silhouette rising above the forested landscape – during a guided tour of the newly developed Mount Niushou Cultural Park. It houses one of Buddhism's most sacred relics: the sarira of Buddha Shakyamuni, discovered in 2008 at the site of the ancient Porcelain Tower. These pearl-like remains, believed to be formed from the cremated ashes of enlightened masters, draw pilgrims from across the world. (B,L,D)
Included Experience – Guided tour to Mt. Niushou Cultural Park

Shanghai

DAY 14 – Yangzhou
Our last full day onboard takes us to the quaint city of Yangzhou. We'll visit its crown jewel: the Slender West Lake. Named for its elongated shape – said to resemble a slender girl – this man-made lake is an excellent example of classical Chinese garden design. Winding paths trace the water's edge, where pavilions, arched bridges, and willow trees appear like brushstrokes in a living scroll painting. (B,L,D)
Included Experience – Visit to Slender West Lake

DAY 15 – Shanghai
Disembark and visit Yuyuan Gardens to explore the beautiful walled gardens. Originally built in the Ming Dynasty, this classical Chinese garden is more of a miniature city with temples, boathouses, and even a traditional theatre. Later, visit the Jade Buddha Temple, home to two massive Jade Buddhas, one of Shanghai's most revered Buddhist monasteries. Lunch is included before transferring to the hotel to check in for your overnight stay. Rest of the day at leisure. (B,L)
Included Experiences – Visits to the Yuyuan Gardens and the Jade Buddha Temple
