MEET OUR MULTI-AWARD-WINNING DESIGN TEAM.

Our visionary approach to the architecture of Celebrity EdgeSM is only one aspect of this revolutionary story. We selected designers who were new to the cruise industry, because we wanted to ensure every aspect of Edge would be a departure from traditional thinking about cruising.

World-renowned interior designer Kelly Hoppen MBE

With 40 years of experience at the forefront of the design industry, Kelly Hoppen is one of the most celebrated and sought after interior designers in the world. Her globally renowned and ever-evolving style is underpinned by a subtle coordinated fusion of East meets West; clean lines and neutral tones, blended with charming warmth and sumptuous opulence. We knew that working with Kelly and her style was exactly what we needed to make a bold, modern luxury statement.

Internationally acclaimed architect Tom Wright

Tom Wright has over 30 years experience behind him, and in 2013 set up WKK – an architectural practice dedicated to the pursuit of excellence in design from sketch to reality. He was also a key designer in the creation of the iconic Burj Al Arab hotel in Dubai. With Tom's vision, we transformed outdoor spaces into serene outward-facing sanctuaries that showcase endless ocean views and the extraordinary places we visit. Each space is designed to inspire guests and make them feel more connected to the sea and the world around them.

Celebrity Edge Design Ambassador Nate Berkus

Since Nate established his award-winning interior design firm at the age of 24, he has transformed countless homes around the world through his design work, home collections, television shows and media appearances. He has been featured in publications such as Architectural Digest, VOGUE, InStyle and ELLE DÉCOR, which included him on their 'A-List' of the world's top designers. And like us, Nate believes in beautiful design, modern luxury, and curating exceptional travel experiences.

EVEN OUR STATEROOMS ARE IMPOSSIBLY SPECTACULAR.

Edge Stateroom with Infinite BalconySM

ROOMS WITH A VIEW (POSSIBLY THE BEST VIEWS EVER).

We've made the seemingly impossible, possible. With Celebrity EdgeSM, we had the extraordinary opportunity to take our accommodation experience to unbelievable new heights of luxury and indulgence, enlisting Kelly Hoppen MBE to bring her unparalleled vision to the table. Together, we created personal environments that rival the best boutique hotels in the world – many of which she's designed for. Let's start with the staterooms – here's a taster of why they're so sensational...

EDGE STATEROOMS WITH INFINITE BALCONIESSM

The most transformational aspect of our stateroom design is the introduction of the Edge Stateroom with Infinite BalconySM. These incredible rooms take our standard Balcony Stateroom and, with the touch of a button, blur—even erase—the boundaries between inside and outside living space. Your customers' entire living space becomes the balcony, letting you walk right out to the water's edge. This brilliant innovation gives guests luxurious open air access to the sea, whenever they wish. And that's for starters; every single detail is revolutionary.

- **Rooms are now really spacious** – 23% larger than Celebrity Solstice[®] Class balcony rooms
- Our new Cashmere CollectionSM bedding features handcrafted, cashmere mattresses from Italy
- **Bathrooms are almost 10% larger** than in Celebrity Solstice[®] Class
- **We've introduced the very latest technology.** With **in-room automation technology** guests can control everything from lighting, to curtains, to temperature, and service with a simple touch screen
- **Concierge Class[®] and AquaClass[®] staterooms** all feature Infinite BalconiesSM – plus offer a dedicated concierge service

Edge Stateroom with Infinite BalconySM

Edge Stateroom plan

So what's new? Well, we've made almost 70% of the staterooms larger. Plus our new Edge Staterooms offer (wait for it), **INFINITE BALCONIESSM**! Never before seen at sea – they're a first for us, and in the cruise industry.

Edge Stateroom with Infinite BalconySM plan

EDGE SINGLE STATEROOMS WITH INFINITE BALCONIESSM

We don't just have the world covered – we've got every conceivable type of traveller covered too. We know there are some modern travellers who love to explore the world on their own or family members who would just like their own space. So, we created a new stateroom category that fits the bill perfectly.

- Spacious. Stylish. Singular. Our Edge Single Stateroom with Infinite Balcony is **perfectly proportioned for the individual traveller**
- These rooms offer **all the same amenities and services as a double stateroom** – just for one
- Perfect for the multi-generational or extended family looking to get together in modern luxury style

Every stateroom on Celebrity Edge is a spacious work of art that your customers will be glad to call their home away from home.

All our luxurious staterooms have been redesigned with Kelly's tremendous style offering both larger living area and bathroom space. The redesigned rooms allow us to continue to perfect and optimise all of the storage space in each stateroom category - for instance we've doubled the amount of drawer space in every room.

LEON'S TOP TIPS

In our Edge Staterooms, your customers' entire living space becomes the balcony, letting you walk right out to the water's edge.

This brilliant innovation gives guests luxurious open air access to the sea, whenever they wish.

SOME RESORTS HAVE A BEAUTIFUL VIEW. OURS HAS THOUSANDS.

TWO NEW SUITE CATEGORIES.
TOO GOOD TO BE TRUE.

Iconic Suite

Edge Villa

CONNECTING
STATEROOMS

Iconic Suite plan

INTRODUCING OUR TWO BRAND NEW SUITE CATEGORIES, THE MOST LUXURIOUS AND SPACIOUS IN OUR FLEET. STARTING WITH OUR NEW ICONIC SUITES:

- We have **two** Iconic Suites and they offer the best views in the house, these will sell out fast!
- They're also the largest suites in the fleet – **each is an expansive 1,880 opulent square feet, not including the outdoor space** (where you'll find a private hot tub and stylish furnishings), which adds more than 685 square feet to the grand total
- **Positioned high on top of the ship, above the bridge**, the two Iconic Suites offer sweeping, panoramic views from front to back – **possibly the very best views at sea. Ever.**
- More than enough space for **six guests**
- Every suite boasts **two bedrooms** – each with a king-sized Cashmere Collection bed
- And **two bathrooms** – both feature a full shower, whirlpool tub, and the best amenities

EDGE VILLAS

We're excited to introduce the second new suite category on Celebrity EdgeSM – the Edge Villas.

- These six, **two-storey** luxury residences are the **first of their kind in the fleet**
- Their unique design seamlessly **blends indoor and outdoor living**. With two storeys of windows that look out over the terrace
- All feature a **three-feet-deep plunge pool** and inviting lounge furniture to take in the incredible ocean views beyond, it's an open and airy environment that truly invites the outside in, and vice versa
- Each Edge Villa offers a **spacious 950 square feet** of split-level, indoor-outdoor splendour
- Perfect size for up to **four guests** and families of four

174 connecting stateroom options to create a unique space for families. Anything's possible.

Of course, Celebrity Edge will continue to offer adjoining staterooms that allow two of the same category to open to each other for a larger space. Two Edge Staterooms with Infinite BalconiesSM become one. Two Interior Staterooms become one. You get the idea. Only, with Celebrity Edge, we've gone one step further (would you expect any less?).

We've created 174 connecting stateroom options – many of them offer new and different combinations to create an incredible new space. For instance a new Iconic Suite can be paired with a Royal Suite to create a space for up to 10 guests.

With these unique new spaces, almost any size of room is possible – meaning they're ideal for multi-generational families travelling together, but who want their own space. They're also perfect for families with a nanny.

Plus, Suite Class amenities and services will be available to guests in a non-Suite stateroom connected with a Suite.

THE RETREAT. A PRIVATE PARADISE ON BOARD A FLOATING PARADISE.

As an extension of the Suite design, Kelly Hoppen MBE was at the forefront of creating **The Retreat**, an exclusive area for Suite Class guests which includes a private restaurant, pool area and exclusive lounge. There are few (if any) onboard spaces at sea that are as stylish, sophisticated and that rival any high-end resort.

What's more, for the first time ever, guests in a non-Suite stateroom that are connected with a Suite will also enjoy all the benefits from The Retreat's luxurious amenities...

The Retreat Sun Deck

The Retreat Sun Deck

THE RETREAT SUN DECK

(includes The Retreat Pool, Hot Tub and Retreat Pool Bar)

- This spacious outdoor lounge area makes it easy to unwind with plush, stylish furniture, a full-sized pool, and a hot tub. Dedicated Pool Butlers are on hand to offer guests poolside cocktails, fresh towels and other refreshing treats.

THE RETREAT LOUNGE, open 24/7

- Think of The Retreat Lounge as the equivalent to Michael's Club.** Here, guests will have access to their exclusive Concierge who'll make any arrangements they need – on board or off. They'll also enjoy complimentary beverages, gourmet bites, live entertainment, and a comfortable place to read the latest best-seller, catch up on current events, watch the big game, or just kick their feet up and relax.

THE RETREAT RESTAURANT, LUMINAE

- Newly redesigned Luminae boasts an exciting design concept that let Kelly's award-winning style shine in new directions. **Boldly elegant, the interior is as distinctive as the cuisine (even more than before).** Not only is the restaurant exclusive, but so are its menus. Crafted by our Michelin-starred Executive chef Cornelius Gallagher, the modern, eclectic cuisine served here is not available anywhere else on board. Open for breakfast, lunch, and dinner, The Retreat Restaurant – Luminae will tantalise guests tastebuds, and their eyes, morning, noon, night.

THERE'S ONLY ONE RESORT WORTHY OF CELEBRITY EDGE STATUS.

REDEFINING RELAXATION AND INNOVATION AT THE RESORT DECK.

On Deck 14 your customers will find endless ways to enjoy the outdoors and connect with the sea. Or as we like to call it, The Resort Deck. Tom Wright worked his magic on a wide variety of spaces here, which includes the main pool area, the new Rooftop Garden, the Jogging Track, and the Solarium.

THE ROOFTOP GARDEN

- The Rooftop Garden is full of unexpected pleasures day and night, where guests can find a cosy chair, sink in, and get lost in a good book. The perfect place to sip a refreshing cocktail while gazing out over the open ocean. Or drift away to the rhythm of live musical performances coming down from treetop sculptures. Get caught up in a friendly game of giant chess with fellow guests. Catch a movie at A Taste of Film for an interactive fusion of food and film that will excite both palate and imagination. Dance the night away to a live band. Or just lie back on a comfy lounge and gaze up at the sea of stars as you glide over the sea below. Your customers' imagination is their guide in this fantastic garden escape.

THE ROOFTOP GARDEN GRILL

- Feeling hungry? Then guests can satisfy their cravings with gourmet burgers, brisket, and BBQ at the Rooftop Garden Grill. Nestled perfectly in its own delicious corner of the Rooftop Garden, you can pop in for lunch or dinner – while enjoying the most incredible garden and ocean views.

The Rooftop Garden Grill

Solarium

JAW-DROPPING INSPIRATION AROUND EVERY CORNER.

THE POOL DECK

- A stunning asymmetrical space with a distinct resort-style atmosphere. The Pool Deck features a **two 2-storey Martini glass hot tub** (a first for Celebrity Cruises® and a first at sea!); oversized art installations including unique treetop sculptures. A visual delight.

THE POOL BAR

- At the centre of the Pool Deck (but not the centre of our attention) is a **23-metre lap pool, the largest in our fleet**, featuring in-pool loungers. Alongside the pool is the Pool Bar (situated under an ever-changing, abstract mirror installation) – an inspired spot for guests to enjoy their favourite refreshment.

SOLARIUM

- On the Resort Deck your customers will find one of the most popular spots on every Celebrity Ship – the adults-only Solarium. Featuring a **3-dimensional art wall that represents the beautiful colours and movement of the ocean**, it's the perfect complement to the serene onboard atmosphere.

CABANAS

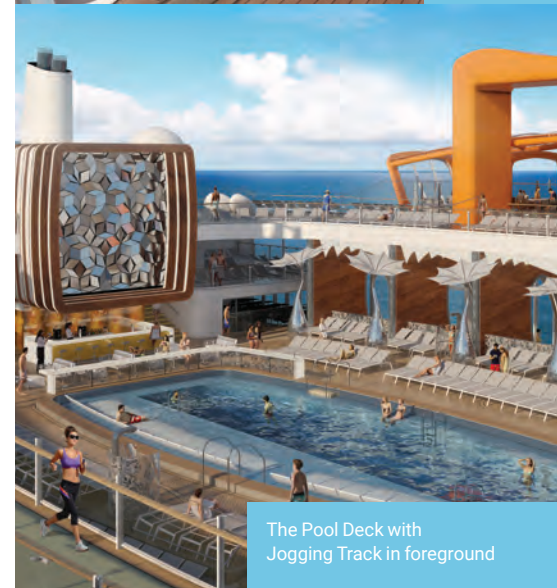

- Just off the pool deck, on the starboard side, are the outward-facing, private Cabanas. **Spacious (165 square feet) and airy (more than 18 feet high)**, these luxurious coves invite guests to climb in and get lost in the plush seating and incredible views of the sea. At night, ambient lighting turns the Cabanas into intimate spaces perfect for enjoying cocktails and the moonlight glimmering off the ocean.

JOGGING TRACK

- For those who love to run (even on holiday), the Resort Deck offers a running path that's nearly a quarter-mile long. Spanning two decks, the Jogging Track winds gloriously up, down, and around the Rooftop Garden and terraced Pool Deck. With incredible views available throughout the entire path, staying in shape on holiday has never been so rewarding.

IT'S NOT JUST REVOLUTIONARY. IT'S MAGICAL.

WE INVITE YOUR CUSTOMERS TO SOAR
OVER THE OPEN OCEAN WHILE THEY
DINE, DRINK, OR SIMPLY RELAX.

The highlight of our outward-facing vision is **The Magic Carpet**. The size of a tennis court, and reaching heights of 13 storeys above sea level, it is the world's first cantilevered, floating platform. Majestically situated on the starboard side of *Celebrity Edge*SM, making the ship's sleek profile recognisable from miles away, it is designed with comfortable seating, a full bar, and space for live music performances – so it truly is a destination itself.

Some of the best views aboard are found here. This spectacular space opens to several decks and transforms into a new and exciting venue depending on which deck it's positioned:

- **Let's start at the very top** (there isn't a deck here, which makes it even more thrilling). When positioned here, **The Magic Carpet becomes an extraordinary venue high in the sky** where we host mouthwatering experiences such as **Dinner on the Edge**. Guests should get ready for a unique, al fresco culinary journey that satisfies their tastebuds, sight, and sense of wonder all at the same time.
- **Down to Deck 14**, **The Magic Carpet becomes an extension of the relaxing main pool area**, the perfect place for breathtaking views, tantalising libations, and live music.
- **When on Deck 5**, **The Magic Carpet serves as an extension of one of our exciting new restaurants**. Here it creates an intimate, open air dining experience that makes the fresh ocean fare taste even fresher.
- **On Deck 2**, **The Magic Carpet becomes a luxury debarkation station** where guests will be whisked away aboard our newly reimagined tender boats.
