HAVBLIKK

BEVERAGE MENU

Havblikk in Norwegian refers to the seldom moments when the sea is still and bright and the surface is like a mirror: when nature stops to catch its breath, and it is good to be alive.

At the Havblikk Observation Bar & Lounge, you can enjoy a similar experience as we serve you nice drinks and snacks, and you soak up great views of the sea in all directions.

HAVILA

We offer beverage packages with a grand variety and freedom of choice. We have different sizes put together to suit your needs.
