MOBILITY AT SEA

Ambassador Cruise Line has partnered with Mobility at Sea, a family-run business established in 2008 with the specific aim of making cruising accessible for all. They provide products and hireable equipment to guests with a disability or who live with reduced mobility, enabling and empowering them to cruise with us.

We know that people want to feel safe and confident on board, now more than ever. Mobility at Sea offer just that, with advice and information to support not only guests but also travel agents, ensuring that everybody's needs and wants are met through products compliant for the ship. Mobility at Sea are happy to speak to each guest personally. Ideally, they would like to speak to guests prior to booking their cabins but will always try and offer solutions where possible. This way they can establish the right requirements and make recommendations based on facts.

Equipment is categorised into four sections:

Mobility

Scooters, powerchairs, wheelchairs, walking aids.

Sleeping and comfort

Adjustable profiling beds, airflow mattresses, pillow raisers, bed rails etc.

Moving and handling

Hoists, stand aids, turn aids, patient helpers.

Bathing and toileting

Shower commode chairs, shower chairs, framed toilet raisers, etc.

To ensure guests are secure and confident before boarding, the Mobility team is happy to conduct demonstrations at the terminal (London Cruise Terminal) with all required products/ equipment installed directly into the relevant cabins in full working order. Mobility at Sea really do pride themselves on their level of care. In the unlikely event of any problems arising, all guests are given emergency numbers to speak directly with an engineer to find the fastest and most efficient solutions. Ambassador Cruise Line is proud to uphold all Mobility at Sea's policies and guidelines whilst giving our guests the best possible experience - one which they will want to repeat time and time again.

TRAVEL INSURANCE

holiday
extras

Ensuring that your sailing is appropriately protected is one of Ambassador's main priorities. That's why we have specifically chosen Holiday Extras as our preferred provider to protect you before and whilst you are travelling.

Holiday Extras is authorised and regulated by the Financial Conduct Authority and has been awarded the 'Best Travel Insurance Provider' by the Travel Weekly Globe Awards for the past 13 years.

With your travel insurance arranged ahead of your sailing, you can sit back and relax on your holiday with peace of mind that you're covered should anything go wrong while you're away (no matter how unlikely).

Holiday Extras ensures that Covid-19 cover is included as standard on all policies. Full details on conditions and exclusions can be found in the policy wording.

For more information or to obtain a quote, please visit their website holidayextras.com/ambassadorcruise/insurance, or call them on 0800 083 3551, quoting AX178 upon calling.
