

WORLDWIDE TOURS Collection

2025 & 2026

Let's EXPLORE together

Seoul, South Korea

Few experiences can compare with going abroad, stepping out of your day-to-day life and immersing yourself in a different culture. Our worldwide tours curate itineraries that truly sum up the best of a country and bring it to life for you. Whether it's getting a glimpse of majestic wildlife in Kenya, witnessing Mother Nature's raw power in New Zealand, or feeling the buzz of America's most famous cities, we really do have something for everyone.

Our 2026 worldwide tours collection is now on sale, and I'm thrilled to announce three brand-new adventures for 2026. From the bustling, neon-lit metropolis of Seoul to the peaceful mountain landscapes, South Korea is a country of beautiful contrasts – discover the best of both on our new 11-night Highlights of South Korea tour. Experience the vibrant energy of India and the serene calmness of Nepal on our new India & Nepal tour. A highlight might be flying over the peak of Mount Everest! Or delve into a

civilisation that began over 5,000 years ago on our new 13-day Classic Egypt: Cairo, Luxor and a Nile river cruise. You'll explore mighty monuments, once-hidden tombs and temples dedicated to ancient gods.

From 2026, we've also reduced the group size on our Classic tours to just 36 people maximum.

What's more, new Signature experiences have been added to six of our existing worldwide tours: Jordan & Petra; the Best of Japan; the Grand Tour of Peru & the Amazon; South Africa; Southern India's Coastal Route; and the Imperial Cities of Morocco. Our Signature tours have smaller group sizes, averaging just 22 guests and include extra-special experiences. Take a look at their itineraries to find out more.

And of course, 2026 departures are now available to book for our other worldwide tours. I hope our brochure will inspire you to join us very soon. We look forward to welcoming you.

The Riviera difference

Your time away is precious and should never be compromised. Nobody knows that better than us. It's a privilege that our guests trust us time and time again to look after their holiday plans, and that's why we never take anything for granted.

Unrivalled holidays, created by our Masters of Travel

At Riviera, we are totally obsessed about travel. Holidays can be where some of the best memories of our lives are made. It's no small feat to create our tours and cruises, and we are proud to call ourselves 'Masters of Travel', curators of the finest holidays. A bold claim, but one we really believe in. Our specialists go the extra mile when creating our itineraries, and they are genuinely passionate about the destinations we visit, so when you book one of our holidays, you know you are getting decades of experience in every detail.

This also shows in how we've thoughtfully balanced out seeing the iconic sites each destination is known for, with time to tread the paths less travelled so that you can really get under its skin and get a new perspective away from the tourist trail.

And we're so confident in the quality of our itineraries that we offer a 'Happiness Guarantee': If you're not completely happy by the second day of your holiday, we'll bring you straight home and give you a full refund.

We'll look after you like family

When you book with Riviera Travel, you are not just booking a holiday, you are joining our family. That may seem extreme for a travel company, but we really mean it - we'll take care of you as one of our own. But the proof is in the pudding. That's why we've been awarded the esteemed 'Recommended Provider' accreditation by Which? for 12 years, and why 96% of our customers would book with us again. Our knowledgeable and friendly team are committed to making every step easy and enjoyable - from the moment you first contact us, to the very end of your journey when you arrive home happy and with a camera full of memories.

While you travel, our experienced Tour Managers will go above and beyond to ensure every aspect of your holiday runs smoothly. So, with every detail taken care of, all you need to worry about is your packing!

Luxury travel, without the price tag

One thing we will never compromise on is quality. It's at the heart of every Riviera Travel holiday. It's not just the hand-picked hotels that are a given when booking a tour - although they are included, of course - but it's also the small-but-important details, such as all of the included experiences with passionate local guides and an expert Riviera Tour Manager looking after you throughout.

We believe that luxury travel shouldn't cost the earth and we offer the best value for money - we're so confident you won't find the same quality of experience for less elsewhere that if you do, we'll refund you the difference.

We know it's normally rude to discuss age, but we're incredibly proud to have 40 years of experience as the UK's leading tour operator. It's this history, the scale of our business and the strong relationships we've built with our suppliers (which enables us to negotiate exceptional rates) that means we can offer such remarkable value - and we pass those savings straight back to you. Our prices are fair and straightforward, with no hidden extras.

You make the choices, we do the hard work

Variety is the spice of life, and there's no 'one size fits all' when it comes to the perfect travel experience. To make sure you can tailor your holiday to suit you, we've built choice into every aspect of our holidays, putting you in control. Choose from our extensive collection of holidays, then customise your experience to your exact requirements. Whether you want to upgrade your travel, extend your trip, or add special excursions or visits to suit your interests, we'll do the hard work behind the scenes to bring your perfect trip to life. But freedom and flexibility doesn't mean a lack of support. You'll be looked after by our award-winning team every step of the way, and if anything goes awry, we'll take care of it so you can enjoy every single moment.

Holiday happiness. Guaranteed.

Holidays should be all about you enjoying yourself, without having to worry about the little details. That's where we shine. Here are just a few of the ways we look after you so that you can feel completely confident that we're the right choice for your next adventure.

Fisherman's Wharf, California

Holiday Happiness. Guaranteed.

You're always protected by our Happiness Guarantee; if you're not happy by day two of your holiday, we'll bring you home with a full refund.

Your money is safe and secure

No matter what, your money is safe and secure and fully protected by ABTA and ATOL.

24/7 access to UK based team

We're on hand before and during your holiday. If anything were to go awry during your travels, you can call our emergency number at any point.

Price promise

You'll usually get our lowest prices by booking early. But should we ever drop the price after you've booked, we'll automatically send you a Future Travel Voucher for the difference in value, plus an extra 25%.

Unbeatable value for money

We have 40 years' experience creating holidays and nurturing exceptional relationships with our suppliers across the globe, so rest assured that your holiday will always be unbeatable value for money.

Extraordinary adventures are our speciality

We know that the best part of a holiday is having somebody look after everything for you. But behind the scenes, there's so much that goes into creating the holidays you love. From our product experts who handcraft itineraries, to Tour Managers who look after you throughout, and our team at Riviera HQ who ensure everything runs smoothly, we go the extra mile so that all you need to focus on is enjoying yourself.

Petra, Jordan

Don't just take our word for it

Extremely well-organised tour covering a wide range of excursions. Hotels all of a good quality and in city centre locations. The tour manager, Daniel, was outstanding. He kept the group on track at all times but always in a pleasant and friendly manner.

Wonderful trip to the golden triangle in India. We visited the Taj Mahal early in the morning when only a few people were around and later in the moonlight. It is a true Wonder of the modern World. We saw tigers on safari and visited Jaipur, Rajasthan and Delhi. We had an expert guide with us who was really knowledgeable about the Mughal Empire and all the really interesting monuments & palaces we visited.

Explore with our experts

Our Tour Managers and local guides really do elevate our holidays to a whole new level. We've curated some truly incredible trips (if we do say so ourselves) but once you're out there, our Tour Managers and local guides bring each destination to life with their experience, knowledge and passion. They share their expertise and help you make your own discoveries too. Whether it's the best place for a glass of wine with a view, or insights into the history of ancient ruins, their sole mission is to ensure you enjoy every moment.

Experienced Tour Managers

Every Riviera Travel holiday is accompanied by an experienced Tour Manager. They play several roles most adeptly; a group leader who works tirelessly to oversee every single detail and a destination expert able to offer revealing insights into local life.

Knowledgeable, kind, well organised and resourceful – this is how our customers describe our Tour Managers. As well as a great sense of humour they all share a genuine interest in the places that we visit.

Many have been with us for more than a decade, some even two. For them, being a Tour Manager is not just a job – it's a passion, and you'll learn far more from them than you would any guidebook.

Informative local guides

The company of welcoming local guides is also included on many of our holidays. They are on hand to share their in-depth knowledge on art and architecture, history, local culture and so much more. Personal stories and anecdotes are sure to broaden your perspective and enrich your experience of the places our local guides call home.

Riviera Travel trip to Japan was excellent. Everything was well organised and our tour manager Frances was knowledgeable and helpful with a great sense of humour. The local guides were equally good and always approachable. I would certainly travel with Riviera again in the future.

Visit District Six

District Six was considered a multicultural and lively area until 1966, when more than 60,000 people were forcibly removed from their homes and taken to the barren outlying areas, known as Cape Flats. On day 6, we'll visit a local landmark and the District Six Museum to learn more about the history of the area and its impact on the local community through personal artefacts of former residents: pictures, artwork, letters, news clippings, and narrations recorded on tape.

Grand Tour of South Africa

Explore 'a world in one country' on a journey from Johannesburg to Cape Town. Travelling through national parks, verdant wine valleys, mountainous landscapes and along Route 62 with stays in South Africa's most well-known cities – Cape Town, Johannesburg and Queenstown.

Swartberg Mountain Pass

Oudtshoorn

Montagu

Your itinerary

Days 1 to 14 of your Grand Tour are as pages 26-29.

DAY 15 - Viljoensdrift

Escaping the bustle of the city, we head out to the Winelands area of the Cape and stop en route at a local wine estate. With 200 years of winemaking heritage – starting when their French Huguenot ancestors planted the first vines – five generations have lovingly toiled on the fertile land. Today, the estate is still family-run, producing award-winning wines which we'll taste before a boat ride along the river.

Later, we'll continue to Montagu, a small town on one of South Africa's most popular road routes, Route 62, which meanders from Cape Town to Port Elizabeth. (B)

+ Included Experience - Visit to Viljoensdrift Wine Estate with a boat ride along Breede River

DAY 16 - Oudtshoorn

We'll start the day's exploration with a brandy tasting at a local distillery and learn all about Cape Brandy. Legend has it, they've been honing the recipe in these parts since 1672, perfectly capturing the flavours and aromas unique to the region.

As we continue on Route 62, we'll visit an ostrich farm, situated in the heart of "Ostrich Country", to see their flocks,

including Kenyan (Massai), Zimbabwean Blue and South African ostriches. We'll visit the chick-rearing area to see the adorable hatchlings and enjoy lunch in the farm's restaurant. (B,L)

DAY 17 - Swartberg Mountains

Later, we'll continue to the 200-million-year-old Cango Caves, South Africa's best-known caves. This underground cave system consists of a series of deep-cut, rugged limestone chambers brimming with unique rock formations and low passageways creating a labyrinth of kaleidoscopic colours. Our tour of the caves will reveal beautiful

helictites, celestial crystals, aquamarine cave pools and grottos. (B)

DAY 18 - Matjiesfontein

Of special interest is the museum on the platform of the railway station and the station master's office, which dates back to the late 1800s and the original signal room. Classic car enthusiasts can also find a remarkable collection of vintage cars from the 1930s-1960s, including two Royal Daimlers from King George VI's 1947 tour of South Africa. (B)

DAY 2 - Wadi Rum

We set off early travelling south along the Desert Highway to Wadi Rum - the 'Valley of the Moon'. After transferring to 4x4 vehicles, we tour the canyons and valleys before arriving at our hotel.

This afternoon, why not try an optional camel ride before enjoying a traditional 'zarb' dinner - a delicious barbecue cooked for hours under the hot desert sand. (B,D)

+ Included Experience - Tour Wadi Rum by 4x4

DAY 3 - Little Petra

First, we see where vast caravans, some with over a thousand camels, gathered for their epic journeys. We explore the mysterious rock-carved rooms of ancient 'hotels' in the area, known as Little Petra. (B,D)

DAY 4 - Petra

Petra is one of the world's 'must-see' sights. Famous throughout history, its huge wealth was amassed from its time as the centre of the ancient caravan routes, which traded as far as China and rivalled that of the Romans. A city to match was created, with sophisticated public buildings lavish houses and colonnaded streets.

We walk down the increasingly narrow gorge and the incredible vista of the Treasury appears like a mirage through a slit in the rock. Beyond, there's an entire city waiting to be discovered: the Royal Tombs, theatre, Street of the Facades, Great Temple, early-Christian churches, and the main colonnaded road that ran through this ancient city.

Multi-centre tour

The afternoon is at leisure, so return to your hotel or remain at the site to continue exploring. (B,D)

+ Included Experience - Guided tour of Petra

DAY 5 - King's Highway & Mount Nebo

Heading north towards the Dead Sea we travel on the scenic King's Highway, visiting the Crusader castle at Shobak, before continuing to Mount Nebo. We visit nearby Madaba, where St George's Church houses a superb 6th century mosaic map of the Holy Land.

We stay two nights on the shores of the Dead Sea. Due to the salt content being 30 per cent, compared with normal seawater at 3%, you float so easily. You must take a dip - it's one of life's 'must-do' experiences! (B,D)

+ Included Experience - Visit Shobak, Mount Nebo and Madaba

DAY 6 - Jerash

Ancient Jerash is the largest and best-preserved Roman city in the region, known as the Pompeii of the east. Its beautifully colonnaded main street and forum, the hippodrome, baths and theatre are a superb example of Roman town planning on a truly grand scale. In the afternoon, we return to our hotel. **DAY 10 - Juneau**

We spend the morning cruising to the Tracy Arm Inlet, from here it's possible to take an excursion into the Fjord to see the twin Sawyer Glaciers. Hemmed in by near vertical ice-scoured granite mountainsides, the glaciers are surrounded by a wild and barren landscape – reminiscent of the last Ice Age! Look out for harbour seals basking on the many ice floes in the bay. After lunch we arrive in Juneau, Alaska's state capital and there's a widely varying selection of shore excursions on offer, ranging from flying over a glacier by helicopter and dog-sledding with teams of huskies, to whale-watching, kayaking, a typical Alaskan salmon bake, fly fishing by sea plane and a variety of hikes in the surrounding area. (B,L,D)

DAY 11 - Skagway

We arrive in Skagway at 7am and our ship remains here all day allowing plenty of time to explore this historic gateway to the Klondike, originally a lawless tented city during its gold rush days. Shore excursions include a number of helicopter glacier sightseeing opportunities, but what makes Skagway unique is that it's the start of the White Pass & Yukon railroad and there are a number of excursions that include a fascinating ride on the restored carriages of this 100-year-old route through the Alaskan wilderness. The most striking feature of Alaska is the sheer sense of isolation and tranquil beauty. People are a rarity, settlements more so; the land is not farmed or used by man in any way and the forests,

seemingly, unmanaged! There's wildlife galore, safe in the sanctuary of this pristine wilderness and there are few places like this left on the planet. (B,L,D)

DAY 12 - Glacier Bay

Another highlight today as the ship enters the magnificent Glacier Bay

Ketchikan

Multi-centre tour

National Park, with eight actively calving glaciers, more than anywhere else on Earth; access to this amazing spectacle is strictly controlled by the US Parks Service. Surrounded by snow-clad 10,000-foot peaks of the Fairweather Range, the nutrient-rich waters teem with salmon and humpback whales. We spend the day cruising this huge area comprising 900 square miles of marine waters and although we do not actually dock, National Park Service rangers will come on board to provide specialist commentary and answer any questions. (B,L,D)

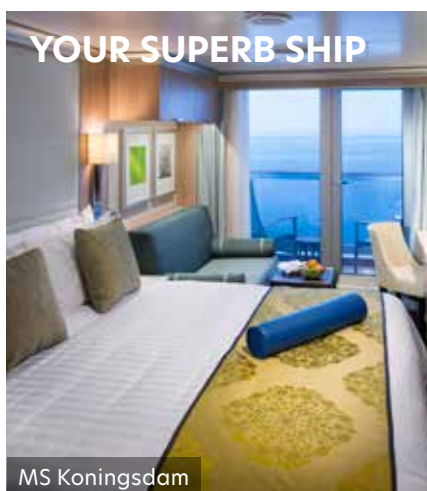

+ Included Experience - Visit to Glacier Bay National Park

DAY 13 - Ketchikan

After a morning's cruising, we arrive at the town of Ketchikan after lunch, where a number of breathtaking trips are available, via seaplane, into the nearby Misty Fjords National Monument or the remote Tongass National Forest - a perfect environment, only accessible by air, where bears can be spotted fishing for salmon. Amongst the many other activities available, there's salmon fishing, a crab feast, sea kayaking, and even a 'zip-line' descent through the forest canopy! (B,L,D)

DAY 14 - At sea

Our last full day is spent at sea returning

MS Koningsdam

through the Inside Passage. (B,L,D)

*** Signature Experience - Gather with your fellow travelling companions for a private cocktail party on board MS Koningsdam**

DAY 15 - Return flight

We arrive back in Vancouver in the morning and spend some free time in the vibrant markets and restaurants of Granville Island before returning to the airport at the appropriate time for your return flight. (B)

DAY 16 - Arrive home

(B) Breakfast, (L) Lunch, (D) Dinner

The first of Holland America Line's Pinnacle-class ships, the 2,650-passenger MS Koningsdam was launched in 2016 and boasts more outside Oceanview and Verandah staterooms than most other ships in Alaska. The Promenade Deck goes right around the ship and has plenty of classic teak deck chairs in which to relax, whilst its stunning three-deck atrium and spacious public rooms are adorned with a variety of art and antiques.

Please see online for deck plan.

Our next stop will be the Petrified National Forest, best known for its Triassic fossils. It's like having two parks in one, in the south the colourful petrified wood of trees that are over 200 million years old; in the north

the Painted Desert - an otherworldly paradise of colourful hills, flat-topped mesas and sculptured buttes created by earthquakes, volcanic eruptions, wind erosion, and even torrential flooding.

The sun is a large, bright orb in the upper center of the frame, casting a warm, orange glow across the sky and the city. In the foreground, the dense urban landscape of Rio de Janeiro is visible, with numerous high-rise apartment buildings and commercial structures. A prominent curved road, likely Avenida Niemeyer, winds along the edge of the city. The middle ground is dominated by the bay, which is filled with hundreds of sailboats and other small vessels. In the background, the iconic landscape of Rio de Janeiro is visible, including the steep, forested hills and the prominent, pointed peak of Sugarloaf Mountain (Pão de Açúcar) on the right. DAY 6 - Cusco

Cusco is a mixture of colonial architecture interspersed with fascinating Inca remains. Today, it's the site of the 16th-century cathedral, so huge it took a hundred years to complete. We visit the Qorikancha, the Incan temple to the sun, the 'navel' of their world and originally covered in sheets of pure gold. Although a Spanish convent was built over the Inca temple,

many of the internal walls remain. Cusco is such a beautiful city, with so many fascinating corners to explore, that this afternoon is free for you to make your own discoveries. Our hotel is centrally located, so you can easily walk everywhere. (B)

DAY 8 - Pampas ranch

After breakfast, we drive out of the city to the Pampas plains to the west of Buenos Aires. Our destination is the Estancia Santa Susana, originally

created by Irish migrants and today still a working ranch spread across almost 3,000 acres. The original house is beautifully preserved and gives a fascinating insight into life here during the late 19th century. The ranch has plenty of horses and in true gaucho tradition, you'll see them showing off their equestrian skills. Lunch is a typical Asado, featuring Argentinian beef on the barbecue, which you can enjoy with local songs and dances. (B,L)

Grand Journey from India's Golden Triangle to Shimla

We continue to the hill-station of Shimla - the summer capital of India during the Raj - along a historic, UNESCO-listed narrow-gauge line laid by Victorian engineers over a century ago.

Your itinerary

Days 1 to 10 of your Grand Journey are as pages 82-83.

On our signature tour, you will enjoy the following additional signature experiences.

DAY 3 - Old Delhi

★ **Signature Experience** - Experience the vibrant streets of Old Delhi

DAY 4 - Taj Mahal

★ **Signature Experience** - The Mehtab Bagh Gardens plus dinner

DAY 6 - Ranthambore tiger safari

★ **Signature Experience** - Ranthambore naturalist talk

DAY 11 - Train to Shimla

We take the morning express train from Delhi for our four-hour journey north to Kalka. Our train reservations are in 'chair-class' carriages, with comfortable seating, air-conditioning and large windows. At Kalka we change trains onto the Shimla narrow-gauge 'toy' train for the last part of our journey. Although the carriages are smaller and not air-conditioned, the compensation is the increasingly spectacular scenery enroute. Inaugurated by Viceroy Lord Curzon back in 1903, its single-track

route, on a narrow gauge just 80cm wide, is listed as a UNESCO World Heritage Site. Our journey encounters no less than 800 bridges and 102 tunnels as we trundle through desolate yet undeniably pretty landscapes of snowy mountains and an abundance of lush green mountainside on our 96-kilometre journey to Shimla. (B,L)

+ **Included Experience** - Travel on the Shimla Narrow-gauge railway

DAY 12 - Shimla

Today we explore the many reminders of British colonial life in Shimla. Under British rule it became a microcosm of late Victorian English society and, thanks to the cooler climate at 7,300ft, Shimla is the ideal location to escape from the searing summer temperatures on the plains below, it is effectively the summer capital of the Raj. We visit the immense Viceregal Lodge and its botanical gardens. Built in Scottish baronial style to house the Viceroy and his staff for the six months they were based in the town, the interior areas that are open to the public give an incredible glimpse into the not-so-distant past. We also take a walk down the long, winding pedestrian-only Mall, from Scandal Point and Christ Church past the mock-Tudor

Post Office, the Gaiety Theatre and the Town Hall. Cascading down the hillside, bazaars hum with life as locals and visitors frequent the plethora of shops and market stalls selling hardware, stationery, fabrics and spices. Many of their retro hand-painted signs look as though they haven't been changed since the British left. (B)

+ **Included Experience** - Visit Shimla and the Viceregal Lodge

DAY 13 - Free day in Shimla

Enjoy a day at leisure in Shimla, relax at the hotel pool, book in for a treatment at the hotel's spa or do some last-minute bargain hunting in the markets - Shimla is known for the quality of its locally made pashmina shawls so if you're looking for an authentic souvenir, you're in luck here. Alternatively, there are a number of short local 'treks' that can be arranged in the surrounding hills. A sumptuous buffet dinner at our hotel is included tonight. (B,D)

DAY 14 - Train to Delhi

Today we say goodbye to Shimla as we start our return journey to Delhi. This time we descend by car to Kalka or Chandigarh from where we catch the train back to Delhi for our last night. (B)

DAY 15 - Return flight

We depart Delhi in the early afternoon on our flight home to the UK, arriving back the same day. (B)

Grand Tour of Malaysia, Borneo & Singapore

Experience the colonial history of Malaysia and its modern 'cultural melting pot', the tropical charms of Borneo - the land of the orangutans - and the sci-fi cityscape of Singapore, the Garden City, on our Grand Tour. Uncover the region's exciting mix of modern architecture, natural forests and sandy beaches.

Your itinerary

Days 1 to 12 of your Grand Tour are as pages 100-101.

DAY 13 - Fly to Singapore

This morning we say goodbye to Borneo, as we fly to Singapore for a two-night stay in the Garden City - a moniker earned for its flourishing parks, gardens, rainforest and nature trails. In fact, green is woven into the landscape here at every opportunity with botanical outdoor spaces nestled between futuristic skyscrapers straight out of sci-fi.

The city racks up a lot of superlatives - cleanest, best planned, and, quite possibly, most entertaining. Here, you'll find the largest rooftop infinity pool, the world's first safari park for nocturnal animals, some of the oldest temples and, of course, some of the best food on the planet.

Get a jump on seeing the city with an afternoon at leisure to explore near our hotel, ideally located at Clark Quay. Alternatively, you could venture slightly further out to visit Gardens by the Bay, a scenic paradise for nature lovers spanning 101 hectares beside the Marina Reservoir. This colourful, futuristic park is full of a wide array of plants creatively displayed and punctuated by the famous Supertree structures. (B)

DAY 14 - Singapore

To make the most of our time in the Garden City, we'll take an informative half-day city tour soaking up Singapore's diversity as we explore its range of cultures, dive into its history and admire the seamless blend of old and new. We'll pass Padang, Esplanade and Theatres on the Bay, see an icon of Singapore, the Merlion fountain - a mythical beast, half lion, half fish - and visit Thian Hock Keng temple, one of Singapore's oldest Hokkien temples. The elaborate architecture has a traditional Southern Chinese style with dragon and phoenix sculptures and Fujian-style broken porcelain roof ridges.

We'll take a drive to colourful Chinatown and then on to Little India, both vibrant ethnic enclaves with a unique heritage and plenty of temples and shops to explore. In Chinatown, you'll find the largest hawker centre - with over 260 food stalls - and Little India has a tantalising blend of restaurants serving South Asian dishes (something to remember come dinner time).

Finally, our tour ends with a guided tour of the Botanical Gardens, a 164-year-old tropical garden and the city's first UNESCO World Heritage Site. The gardens are designed on a Four Core Concept, there's Taglin, which is the heritage core retaining the historic charm of the gardens; Central is the tourist belt; Bukit Timah, the education and discovery zone; and Tyersall-Gallop, which integrates existing rainforests to form an enlarged forest habitat.

Then enjoy an afternoon at leisure exploring this large city-state. (B)

+ Included Experiences - Tour of Singapore, with a visit to the Botanical Gardens

DAY 15 - Return home

After a morning at leisure, we'll transfer to the airport in the early evening for your overnight flight home. (B)

Your itinerary

DAY 1 - Departure

Arrive at the airport for your overnight flight to Tokyo.

DAY 2 - Arrival in Tokyo

On our arrival, we transfer to our hotel. Perfectly located in the heart of Tokyo, close to the Japanese parliament, the nearest metro stop is just a couple of minutes' walk, allowing you to explore at ease (all station names are given in English).

DAY 3 - Tokyo

We commence the exploration of Japan's capital and largest city. At first glance, Tokyo might seem similar to other great Asian cities like Singapore or Shanghai, with its gleaming glass skyscrapers and busy, fashionable shops. But you'll soon begin to notice some of the many fascinating differences - like the spotlessly clean and surprisingly quiet streets. Our first stop is the famous Shinto Meiji shrine, dedicated to one of its past emperors. Set in outstandingly lush parkland, this is a working religious site where you may be lucky enough to see a typical Japanese marriage ceremony underway. Then we move on to some of Tokyo's most renowned quarters, including Omotesando Street, Tokyo's 'Rodeo Drive', full of luxury brand shops. Then there's the Harajuku area where

teenagers sport the latest outrageous fashions and the Akihabara electronic town. We savour some Japanese cuisine at our included lunch. (B,L)

+ Included Experience - Visit the Shinto Meiji shrine, Omotesando Street and Harajuku

DAY 4 - Tokyo

This morning we visit Tokyo's Asakusa district - full of traditional small houses and shops. We will then transfer by boat down the Sumida River to Ginza, widely recognised as one of the world's most luxurious shopping destinations and your afternoon is free to shop. Another option is to head to the Tokyo National Museum, where you'll find the world's largest collection of Japanese art, with pottery, painting and prints, textiles, fashion and oriental antiquities. Japanese food is increasingly being rightfully recognised as one of the world's great cuisines and it goes way beyond sushi with teppanyaki, teriyaki, sashimi, yakitori, udon noodles, and a huge variety of sake rice wine. Even the famous "bento box" packed lunches, available at any railway station, are wonderful to look at, very tasty and excellent value. (B)

DAY 5 - Mount Fuji & Hakone

Saying goodbye to Tokyo we drive towards Mount Fuji, probably Japan's most instantly recognisable sight, fringed by thick forests and a crescent-shaped ring of shimmering lakes. We visit two of these beautiful lakes to give you the best chance to enjoy the stunning panorama from two different angles. Our first stop is at Lake Kawaguchi, well known to the Japanese but still undiscovered by most foreign visitors. Next, we head south to explore the fascinating mountain resort of Hakone. Descending to the smooth dark blue waters of Lake Ashi, we take a cruise on a rather unusual Japanese version of an early 19th-century pirate ship. From here, especially on a clear day, the views of Mount Fuji are one of the world's greatest panoramas. The entire area is geo-thermally active, and provides the perfect opportunity to try one of Japan's unmissable experiences – bathing in an 'onsen', a hot spring at our very own hotel. (B,D)

DAY 7 - Miyajima

Today we make our way to one of the country's most distinctive views on the nearby small island of Miyajima. A huge red 'torii' gate sits just offshore; widely celebrated, at high tide it appears to float between the sea and sky. This popular little island is easy to explore on foot. It has a relaxed holiday atmosphere, lots of interesting shops and a covered market. Your afternoon is at leisure and you could choose to remain on Miyajima or return to Hiroshima to explore this charming city. (B,L)

DAY 8 - Kyoto

Leaving Hiroshima by coach, we head towards the old imperial capital of Kyoto. En route we'll visit the superb Korakuen garden at Okayama – built in 1700 and renowned as one of Japan's most exquisite gardens, with lawns, lakes, wooden bridges, shrines and tea houses! We have four nights in Kyoto and a whole day free in the city, so you'll

have plenty of time to explore. (B)

DAY 9 - Kyoto & Tea Ceremony

This morning is one of the real highlights of the tour as we discover some of the overwhelming treasures of Japan's most revered city. First is the spectacular and beautiful Golden Pavilion, dating from the classical Muromachi age of Japanese temple design, perfectly overlooking its lake and garden. Nearby is the Ryoan-ji temple, or the Temple of the Dragon at Peace, home to Japan's most famous Zen garden. We then visit the amazing Arashiyama Bamboo Forest – experiencing an almost other-worldly feel as the light streams through the tall green columns of bamboo, up to 30 feet high! Yet another iconic Kyoto monument is next – Nijo Castle. Set at the heart of the city and built in the 17th century, it's famous for its wooden floors remarkably designed to creak like a nightingale's song, thus warning its occupants of any impending stealthy attack! Finally, we take a walking tour through Kyoto's Gion district. Here is the classic image of Japan – streets of wooden houses, the unmistakable sound of wooden sandals reverberating on the pavements, bright, silk-clad geishas, cherry trees and a host of traditional restaurants. Enjoy a traditional Japanese tea ceremony. (B)

DAY 10 - Nara

Capital city before Kyoto, Nara is just a few miles south. Here, traditional culture first took root and it is famous for its great Buddhist monuments and time-honoured festivals. We see one of the country's most iconic shrines, made from thousands of red torii gates. Arriving at Nara you'll be greeted by the dozens of tame deer considered for centuries to be messengers of the gods. The main sight though is the amazing Todai-ji temple, astonishingly the world's largest

wooden structure housing a huge bronze Buddha. We also get an insight into the traditional Japanese sake drink, visiting a museum with a tasting. (B)

By choosing a Signature tour, you can delve deeper into Japan's fascinating culture and enjoy an additional 3 unique experiences.

Shinjuku night tour

Take a closer look at Japanese culture on a night tour of Shinjuku. As the sun sets, the neon-lit streets of Tokyo's entertainment district are a beacon calling to those who want to experience the city's vibrant nightlife. In the presence of a local guide, we'll discover Kabukicho and its evolution from its roots as a red-light district to the multifaceted entertainment district it is today, which is still home to many 'love hotels'. We'll also wander through the narrow streets of Shuinjuku's Golden Gai, which houses over 200 tiny bars, clubs and restaurants.

Ichiku Kubota Museum

On the northern coast of Lake Kawaguchiko, is Kubota Itchiku Art Museum - an excellent museum dedicated to the Kimono artist who dedicated his life to reviving traditional silk dyeing practises. The vibrant colours and patterns are synonymous with Japanese culture, with creations depicting, nature, the seasons and the cosmos. You may even decide to treat yourself to a keepsake to take home.

Shukkeien Garden

Journey to the scenic Shukkeien Japanese Garden. This timeless garden dates back to 1620. Although it was heavily damaged during the atomic bombing of Hiroshima in 1945, it's been completely renovated. Today, it stands as a symbol of the endurance of Hiroshima. The garden is made up of a series of miniaturised sceneries that resemble landscapes around Japan, including small bridges and lakes, as well as the flora of the local countryside.
