

RIVER CRUISE Collection

2025 & 2026

Let's
EXPLORE
together

Before Riviera, I'd never been on a river cruise. I was blissfully unaware I'd been missing out on an utterly relaxing way to travel and how luxurious river cruise ships can be. You unpack only once, then sit back and wait for your floating five-star hotel to take you to some of the most fascinating places in Europe, or even the Nile and the Mekong if you wish to journey further abroad.

Our thoughtful itineraries include plenty of excursions with knowledgeable guides who know the destinations like the back of their hand, and also free time to explore under your own steam. On board, you can enjoy unhindered riverside views from the comfort of your spacious suite or the ship's observation deck. Be prepared to savour fine dining that serves up dishes inspired by the places we visit. You'll be sailing with like-minded guests in an intimate yet casual setting. And if you feel like doing not very much at all, that's completely up to you.

We always look after our guests as if you're part of our family, so we do our very best to make your holiday one you'll always remember. We're so committed to this that our Happiness Guarantee promises if you're not happy by day two of your holiday, we'll bring you home and issue you a full refund.

Our 2026 river cruise collection is now ready to book and we have a brand new ship joining our fleet: the state-of-the-art, spacious and sophisticated Riviera Resplendence. Enjoy our new themed river cruises, where you can delve deeper into your love of food, art, music or gardens. Then there are our new combination cruises, which let you explore for longer. Also new is a Mekong cruise on a brand-new ship, plus our popular *Medieval Germany* cruise is now available exclusively for solo travellers.

Tempted? Take a look for yourself. We're confident you'll find an itinerary that's just right for you.

The Riviera difference

Your time away is precious and should never be compromised. Nobody knows that better than us. It's a privilege that our guests trust us time and time again to look after their holiday plans, and that's why we never take anything for granted.

Unrivalled holidays, created by our Masters of Travel

At Riviera, we are totally obsessed about travel. Holidays can be where some of the best memories of our lives are made. It's no small feat to create our tours and cruises, and we are proud to call ourselves 'Masters of Travel', curators of the finest holidays. A bold claim, but one we really believe in. Our specialists go the extra mile when creating our itineraries, and they are genuinely passionate about the destinations we visit, so when you book one of our holidays, you know you are getting decades of experience in every detail.

This also shows in how we've thoughtfully balanced out seeing the iconic sites each destination is known for, with time to tread the paths less travelled so that you can really get under its skin and get a new perspective away from the tourist trail.

And we're so confident in the quality of our itineraries that we offer a 'Happiness Guarantee': If you're not completely happy by the second day of your holiday, we'll bring you straight home and give you a full refund.

We'll look after you like family

When you book with Riviera Travel, you are not just booking a holiday, you are joining our family. That may seem extreme for a travel company, but we really mean it - we'll take care of you as one of our own. But the proof is in the pudding. That's why we've been awarded the esteemed 'Recommended Provider' accreditation by Which? for 12 years, and why 96% of our customers would book with us again. Our knowledgeable and friendly team are committed to making every step easy and enjoyable - from the moment you first contact us, to the very end of your journey when you arrive home happy and with a camera full of memories.

While you travel, our experienced Cruise Directors and Concierges will go above and beyond to ensure every aspect of your holiday runs smoothly. So, with every detail taken care of, all you need to worry about is your packing!

Luxury travel, without the price tag

One thing we will never compromise on is quality. It's at the heart of every Riviera Travel holiday. It's not just the finest ships that are a given when booking a cruise but it's also the small-but-important details, such as all of the included experiences with passionate local guides and an expert Riviera Cruise Director looking after you throughout.

We believe that luxury travel shouldn't cost the earth and we offer the best value for money - we're so confident you won't find the same quality of experience for less elsewhere that if you do, we'll refund you the difference.

We know it's normally rude to discuss age, but we're incredibly proud to have 40 years of experience as the UK's leading tour operator. It's this history, the scale of our business and the strong relationships we've built with our suppliers (which enables us to negotiate exceptional rates) that means we can offer such remarkable value - and we pass those savings straight back to you. Our prices are fair and straightforward, with no hidden extras.

You make the choices, we do the hard work

Variety is the spice of life, and there's no 'one size fits all' when it comes to the perfect travel experience. To make sure you can tailor your holiday to suit you, we've built choice into every aspect of our holidays, putting you in control. Choose from our extensive collection of holidays, then customise your experience to your exact requirements. Whether you want to upgrade your travel, extend your trip, or add special excursions or visits to suit your interests, we'll do the hard work behind the scenes to bring your perfect trip to life. But freedom and flexibility doesn't mean a lack of support. You'll be looked after by our award-winning team every step of the way, and if anything goes awry, we'll take care of it so you can enjoy every single moment.

Holiday happiness. Guaranteed.

Holidays should be all about you enjoying yourself, without having to worry about the little details. That's where we shine. Here are just a few of the ways we look after you so that you can feel completely confident that we're the right choice for your next adventure.

Holiday Happiness. Guaranteed.

You're always protected by our Happiness Guarantee; if you're not happy by day two of your holiday, we'll bring you home with a full refund.

Your money is safe and secure

No matter what, your money is safe and secure and fully protected by ABTA and ATOL.

24/7 access to UK based team

We're on hand before and during your holiday. If anything were to go awry during your travels, you can call our emergency number at any point.

Fly from your local airport at no extra cost

There's no supplements on regional flights across our range of holidays so you can enjoy hassle-free travel from your local airport - at no extra cost.

Unbeatable value for money

We have 40 years' experience creating holidays and nurture exceptional relationships with our suppliers across the globe, so rest assured that your holiday will always be unbeatable value for money.

Price promise

You'll usually get our lowest prices by booking early. But should we ever drop the price after you've booked, we'll automatically send you a Future Travel Voucher for the difference in value, plus an extra 25%.

A photograph of a river cruise ship cabin. In the foreground, a plush, brown upholstered armchair is visible. To the right, a round glass table stands on a patterned rug. Large floor-to-ceiling windows and a glass door lead to a balcony. On the balcony, there is a wooden deck chair and a railing. Beyond the balcony, a wide river flows under a clear sky, with distant buildings visible on the opposite bank. The interior of the cabin features light-colored walls, a patterned carpet, and white curtains on the left side.

Luxury with a view

Our river cruise ships are luxury. Suites and cabins are spacious (amongst the largest on any river cruise ship) and will make you feel like a VIP. Over 80% of cabins feature a French or full balcony and extra special touches ensure your floating hotel feels more like a boutique hotel.

Indulge, you're on holiday after all

You can feel the luxury the second you step on board the ship. Your beautifully designed room beckons with a comfortable hotel-style bed – set up as a double or twin – and cotton linen. Pop into your ensuite to find a walk-in shower, complimentary toiletries, and fluffy towels and slippers.

You're in charge of the thermostat, as all cabins have adjustable air conditioning or heating, plus a small desk, hairdryer, telephone, flatscreen TV with satellite

channels and complimentary Wi-Fi, in case you need to catch up with home during your downtime. You'll also find ample wardrobe space including a safe for your valuables. To top it off, we've made it even homier with tea and coffee-making facilities (you'll spot some thoughtfully chosen British brands too!).

All cabins come with a complimentary set of maps with a handy city guide, to ensure you get the very most out of every visit.

Your itinerary

DAY 1 - Arrival in Cologne

Arrive at the airport for your flight to Düsseldorf or Cologne, or take the Eurostar to Brussels from London St Pancras International. On arrival, transfer by coach to your cruise ship moored in the heart of picturesque Cologne. The dedicated English-speaking crew will welcome you aboard your first-class floating hotel, ensuring you settle into your luxurious, well-equipped cabin and familiarise yourself with the ship. (D)

DAY 2 - Koblenz

As you wake to a sumptuous breakfast, the delights of this river cruise begin to emerge as we drift past the first rolling hills of the Rhine Valley. The forested Siebengebirge - Seven Mountains - a cluster of ancient volcanic hills that inspired many of the Brothers Grimm's legends, including 'Snow White', act as the overture for even more dramatic scenery upstream.

We cruise past the famous ruined bridge at Remagen, which was captured intact by the Allies towards the end of the Second World War, allowing thousands of troops to cross into Germany's heartland. Pretty waterfront towns and carefully tended vineyards come into view as we glide gently into our mooring to visit delightful Koblenz for a guided tour.

YOUR LUXURIOUS SHIPS

- MS Geoffrey Chaucer, MS Emily Brontë, MS Oscar Wilde – see page 135
- MS George Eliot – see page 136

Founded by the Romans, this historic city is beautifully located at the confluence of the Rhine and its sister river the Moselle. Discover Koblenz's maze of medieval buildings in the Altstadt – old town – which is studded with a fine array of traditional shops and classic Rhineland cafés. As you wander, historic buildings appear seemingly at every turn; see a former mint, the Four Towers – 17th-century houses with striking turrets set at a crossroads – and many fascinating squares and churches, including the 9th-century Basilica of Saint Kastor.

Wherever you wander you're never far from a riverbank, and it's worth crossing the 14th-century stone Balduin Bridge across the Moselle for fine views back across the spires of the Altstadt. Tonight, enjoy a meticulously prepared dinner on board, and afterwards perhaps a quiet stroll along the riverside promenade to the Deutsches Eck – 'German Corner' – where the great rivers Rhine and Moselle meet. This evening delight in the upbeat sounds of Rhenish folk music with a live performance on traditional instruments. (B,L,D)

+ Included Experience – Guided tour of Koblenz & live folk music performance

DAY 3 – Rhine Gorge & Rüdesheim

Slipping our mooring at Koblenz we proceed upstream on the Rhine and soon encounter the impressive Marksburg Castle, a fortress dating back to the 13th-century. We then weave through the huge looping bend – one of the most impressive on the river – at Boppard, a wonderfully picturesque town known as the 'Pearl of the Rhine'. Journeying further, you explore the most famous of all the river's reaches and a real highlight of the cruise, the dramatic Rhine Gorge: steep vineyards give way to almost vertical rocky outcrops towering more than 600 feet above the sweeping valley sides. Sailing past Saint Goar and the many ruined castles, there's a real sense of the myths surrounding this historic river coming alive around you.

After lunch we moor in Rüdesheim, a classic Rhine wine village with crooked houses sloping down from wooded hillsides and terraced vineyards. During this afternoon's delightful walking

tour, witness the bustling marketplace, the half-timbered Klunkhardshof and Bromserburg Castle, which dates from 1275. After dinner this evening, another sumptuous affair prepared by your chef, maybe sample a small Asbach – the famous brandy distilled in Rüdesheim – while watching the last of the ferries crossing the river in the moonlight glow. (B,L,D)

+ Included Experiences – Cruise through Rhine Gorge & guided tour of Rüdesheim

DAY 4 – Speyer

Still sailing upstream, the landscape becomes much wider and flatter, with gently rolling hills and vineyards that are home to the Liebfraumilch wines. Occasionally the excited chatter of birdlife breaks out as we pass oxbow lakes, long deserted by the river flow, which are now havens for over a hundred bird species.

Today we berth in historic Speyer, founded by the Celts and one of Germany's oldest cities, celebrated for its illustrious past, for an afternoon walking tour. The breathtaking Imperial Cathedral, a UNESCO World Heritage Site, is among the largest Romanesque churches in the world; it's also one of the finest. Its beautiful four-roomed crypt is the resting place of many Holy Roman emperors and German kings. Another landmark is the magnificent neo-Gothic Gedächtniskirche, built at the turn of the 20th-century to commemorate the 1529 'Protestation at Speyer', a significant event when a group of Martin Luther's followers protested against his imperial ban – henceforth Luther's religious followers were known as 'Protestants'. There's free time to explore here before stepping back on board for another splendid dinner. (B,L,D)

+ Included Experience – Guided tour of Speyer

DAY 5 – Strasbourg

This morning we cruise gently upstream, passing through two spectacular locks, whose elaborate engineering never ceases to fascinate. Why not find a comfortable chair and catch up on some reading, play chess or watch the rolling kaleidoscope of scenery from the Sun Deck?

We soon arrive in France and moor in Strasbourg, capital of the Alsace region. This afternoon we have a walking tour of its picturesque Old Town, bisected by canals and made up of a maze of narrow streets lined with timber-framed houses and sculptured portals. Unforgettable sites include the stupendous Gothic Notre-Dame Cathedral, multi-towered Ponts Couverts – covered bridges – and the pretty Petite France quarter of pastel-coloured former artisans' houses lining the canals. Don't be surprised if you're tempted to linger a while in a typical Alsatian café to sample some of the region's world-famous wines – a crisp Riesling or that particular speciality of Alsace, spicy Gewürztraminer. After enjoying a sumptuous dinner on board, retire to the lounge to enjoy tonight's live performance of popular music spanning the years by a highly talented violin soloist. Overnight sailing. (B,L,D)

+ Included Experience – Guided tour of Strasbourg & live violin soloist

DAY 6 – Breisach & Black Forest

Your final day cruising is spent gliding through the dramatic scenery of the rift valley separating the Vosges and Black Forest mountains. We sail to the ancient town of Breisach, whose historic

heart is surrounded by stone ramparts and dominated by the impressive Saint Stephan's Cathedral.

Later you drive through some of Central Europe's most stunning scenery – the Black Forest Mountains. This is a fabled landscape of rugged valleys, white-water rivers, cascading waterfalls and rolling hillsides covered with huge, densely packed pine trees – exactly as you expect it to be. Our destination is the idyllic village of Titisee, nestling on the shores of its crystal-clear lake.

Rejoining the ship, we resume our stately passage upriver. As the sun sets and the riverside lights begin to twinkle there are wonderful views over the imposing Vosges massif. This evening we enjoy an exquisite Chef's Dinner; enjoy a taste of the region's cuisine as you cruise onward towards your next destination. (B,L,D)

+ Included Experiences – Visit to Breisach & drive through the Black Forest with visit to Titisee

DAY 7 – Lucerne & Bernese Oberland

Today we take the short drive to Lucerne, often considered Switzerland's most beautiful city, spectacularly situated among stunning mountain views. It has been attracting well heeled visitors for two centuries, including our very own Queen Victoria. Highly recommended is an invigorating stroll along the Chapel Bridge, a unique covered wooden walkway crossing the lake, supported by stilts and lined with colourful flower-filled window boxes. Not only is it the city's most iconic

structure, it's a superb way to absorb Lucerne's regal atmosphere.

As you enter the Bernese Oberland in central Switzerland, the views become quite literally breathtaking! This is the grand alpine heart of Europe with some of the finest mountain scenery on earth, described by the composer Mendelssohn as 'the most wonderful of all in this unbelievably beautiful country'. On viewing the legendary snow-capped peaks of the Eiger, Mönch and Jungfrau you'll be quite simply awestruck. We then ascend by mountain railway for more extraordinary vistas, with the crystal-clear lakes reflecting the meadows and forests below. This truly magical landscape is sure to enchant you. Later we'll descend again by mountain railway before returning to the ship. Please note, temperatures will be significantly lower at altitude, even during the summer months, so it's advisable to pack suitable clothing. Lunch is not included on this full day excursion; however the ship will offer a packed lunch*. (B,L*,D)

+ Included Experiences – Tour of the Bernese Oberland & visit to Lucerne

Tucked away in the cobbled streets are tiny workshops, where you can watch copper pots being beaten or wooden utensils skilfully carved. Later we head to Arbanasi, set high on a plateau. During Ottoman times, this village became a commercial centre for traders and their caravans, crammed with wares bound for distant places. Perhaps view the superb frescoes inside the Church of the

Enjoy the many splendours of the scenic wine regions in the south of France. From lush terraced vineyards and sun-baked hills, to dramatic rugged gorges, pretty villages and medieval towns, with their delightful streets, charming architecture and atmospheric wine cellars.

Lyon

Beaune

Your itinerary

DAY 1 - Arrival in Lyon

Arrive for your flight to Lyon, Marseille or Montpellier, or take the Eurostar from London St Pancras, where you will be met by a guide and escorted on a coach transfer to Gare de Lyon to board a high-speed TGV to Lyon. On arrival we transfer by coach to our ship moored in Lyon's historic centre. (D)

DAY 2 - Lyon

After our first splendid breakfast, we've a leisurely start enjoying a guided tour of Lyon, one of France's most fascinating cities. The Rhône Valley had been the route of choice for marauding armies and peaceful traders for centuries, and Lyon's current site, at the confluence of the Rhône and Saône Rivers, cried out to be fortified. The Old Town, a UNESCO World Heritage Site, is crammed with antique shops and intriguing traboules - narrow covered passageways enabling silk merchants to transport their wares to the river without getting wet - that today are a joy to amble through. As well as its glorious architecture, Lyon is generally acknowledged as France's (and to locals the world's) gastronomic capital.

While you enjoy your first lunch the ship quietly slips its mooring. Cruising upstream, we catch the first glimpses of the vine-clad slopes of the hazy green Beaujolais hills as we approach one

of the world's most revered red-wine-producing regions. As the afternoon drifts into evening and we cruise past the town that gives them their name, the white wines of Mâcon hold sway – and what could be better than a cool, crisp glass in the lounge before enjoying this evening's culinary delights in the restaurant, prepared by our outstanding chef. (B,L,D)

+ Included Experience – Guided tour of Lyon

DAY 3 – Chalon & Beaune

Rising this morning we're berthed in Chalon, gateway to Burgundy and home of Nicéphore Niépce, the inventor of photography. On this morning's tour we see some of the pretty yet surprisingly small villages that produce some of the world's most sublime wines – Meursault, Volnay, Pommard, Gevrey-Chambertin and many more. Nearby is medieval Beaune, Burgundy's wine capital, which is wonderful to wander around. At its centre is the Hospices de Beaune, also known as the Hôtel-Dieu. Originally built in the 15th century as a hospital for the disadvantaged, it's a jewel of High Gothic architecture, instantly recognisable for its colourful glazed roof tiles arranged in dazzling geometric patterns. Of course you can't visit Burgundy without sampling its amazing wines, so we visit the cellars of a leading traditional winemaker for a tour and tasting before returning to the ship for lunch. (B,L,D)

+ Included Experience – Tour of Beaune with wine tasting

DAY 4 – Vienne & Tournon

Overnight the ship has cruised almost imperceptibly downstream and we enjoy breakfast in Vienne before our guided tour. Strikingly located in a narrow section of the Rhône where the river meanders dramatically around a steep bluff, Vienne is a treasure trove of historic remains, including the stunning Roman Temple of Augustus and Livia, one of only two edifices of this type in the whole of the country. From the ship, a little train will take you to the top of the city, the Mont Pipet hill, where the view onto the Rhône will inspire keen photographers. As the train weaves through the charming, narrow streets of

the old town, soak up the history of this fascinating place.

We wander back to the ship for another superb lunch, during which we enter perhaps the most picturesque section of the Rhône as the river squeezes and twists past Condrieu, Saint-Rambert-d'Albon and Saint-Vallier, with wooded cliffs rising high on both sides. Later we moor in the pretty provincial town of Tournon, with its imposing castle and tree-lined avenues on one side of the river, while on the other are the steep vine-covered hillsides of Hermitage, where another of the world's most revered wines is produced – a fitting view as we enjoy another exquisite dinner. (B,L,D)

+ Included Experiences – Guided tour of Vienne & visit to Tournon

DAY 5 – Ardèche Gorges

This morning we cruise effortlessly downstream. In the distance you'll catch glimpses of the Alps and, as we approach Valence, the landscape gradually becomes less green with more ochres and magentas, the houses have sloping terracotta roofs typical of the Mediterranean and the air carries heady aromas of pine and cypress. You can only be in the Midi or – as we call it – the south of France. It's so relaxing to catch up on some reading or just laze in the sun.

After lunch we explore one of France's most outstanding landscapes – the Ardèche Gorges, whose scale is a fitting reminder of Mother Nature's awesome power. Caves, grottoes and natural sculptures create marvellous views at every turn before we return to the gentler slopes of the Rhône Valley, where our ship is moored in charming Viviers, a medieval town clustered around its 12th-century cathedral. We slip our mooring and proceed through the famous lock at Bollène, one of the deepest in France, as you relax over dinner. After dinner delight in a ballroom dancing performance in the lounge with the opportunity to learn some basic steps of a French madison line dance! (B,L,D)

+ Included Experiences – Guided tour of the Ardèche Gorges & live ballroom dancing performance

Arles

DAY 6 – Arles & Pont du Gard

You awake under the azure skies of deepest Provence and amid the warm stone colours of Arles, many of whose historic monuments are UNESCO World Heritage Sites. Although small in size, it was the key stronghold on the Roman road to Spain, one of the empire's richest possessions. Seagoing ships could reach here and the city became a regional capital, briefly ruling over Gaul, Spain and Britain. Our guided tour will help you appreciate the finer points of Arles's magnificent Roman remains, including the splendid amphitheatre, one of the best preserved in the world, the earlier theatre built during the reign of Augustus and the Alyscamps, the ancient necropolis with its extraordinary atmosphere. The disturbed but great genius of an artist Van Gogh lived in Arles for just over a year, from February 1888. It was his most prolific period and, inspired by Arles and the light and beauty of the Provençal countryside, he produced around 300 works, including *The Night Café*, *The Sower* and, of course, *Sunflowers*.

After lunch we visit the amazing Pont du Gard Roman aqueduct, one of the wonders of the ancient world. No amount of fame can diminish the first sight of this 2,000-year-old structure,

Avignon

which was the highest bridge built in the Empire –the Romans themselves considered it the most important testimony to their greatness. Its statistics are staggering: over 900 feet long and almost 160 feet high, with its stones each weighing up to six tons. Rejoining the ship, we cruise along the Rhône and, during dinner, pass the imposing 15th-century castle at Tarascon standing guard on the river bank. This evening we enjoy the sumptuous Chef's Dinner, with the chef serving specialities of the regions you've visited during your voyage of discovery. (B,L,D)

eye over the remarkable collection of over 300 paintings and sculptures from the Middle Ages and Renaissance, including works by Botticelli and Carpaccio. Or take a stroll on the iconic Pont d'Avignon, which, dramatically, ends halfway across the river, made famous by the melody we all recall from our first French lessons. It's our final afternoon so you may wish to do some shopping, or just find a quiet café in a shady Provençal square to watch the world go by. Perhaps though, return to the luxurious surroundings of our ship, finding a quiet spot to contemplate the many wondrous places you've seen and experienced over a quiet cup of tea!

**DAY 7 – Avignon**

The light catching the red roofs of Avignon's majestic skyline is a sight to behold over breakfast, after which we embark on a guided tour of one of the most extraordinary and intriguing cities in France. Today the city is immaculately preserved, nestling behind its almost-intact 14th-century walls and boasting more remarkable monuments, superbly decorated buildings, churches, chapels and convents than you can possibly count. Most important is the stunning Popes' Palace, made up of two buildings that together form the largest Gothic palace in the world. With turrets, towers, parapets and other fortifications, its exterior resembles a mighty fortress, while the interior is a tour de force of medieval architecture and ornamentation, adorned with priceless frescoes, Gobelin tapestries and graceful sculptures.

After lunch you're free to explore as you wish, perhaps visiting the nearby Petit Palais, the former home of the archbishops of Avignon, to cast a critical

World-class ships

You'll hear us compare our ships to luxury boutique hotels quite a lot, but that's because it's true! Many of our vessels feature a pool, library, sauna and steam room, fitness suite, or hair salon and treatment room, just as you'd expect from a five-star hotel. Except on our ships, you can relax in your spacious cabin or unwind on deck as you glide between towns, past rolling vineyards and fairy-tale castles – wake up to a different view every morning. What better way is there to discover Europe?

MS William Wordsworth

World-class facilities

Fully air-conditioned decks, all easily accessed via lift or stairs, offer different vantage points of the scenery. Take in views from a panoramic observation lounge and bar, or seek out a quiet spot on deck and enjoy life on the river from a sun lounger. Many of our vessels feature a pool, library, sauna and steam room, fitness suite, or hair salon and treatment room. Please refer to the ship information pages.

World-class crew

The crew look after you as if you were family. Once they're done checking every tiny detail, they'll be there to welcome you on board, and to help throughout. Life on board our cruise ship

Designed for comfort

Built to our exacting specifications – with the help of one of Europe’s most experienced luxury shipbuilders – virtually no expense was spared to ensure you travel in complete comfort. We’ve made sure our ship features everything you’d expect in a luxury hotel – plus a few extras.

On board MS William Shakespeare

The magnificent Sun Deck

The jewel in Shakespeare’s crown is the Sun Deck, where you’ll find the best views. Perhaps chat with fellow explorers, or visit the Bridge to discuss life on the river with our highly skilled officers. View the state-of-the-art navigation and control equipment that make our voyage possible.

Excellent facilities

For those with boundless energy, a small but well-equipped fitness centre means you can maintain your healthy lifestyle as you travel. Especially when it’s followed up with an invigorating stop in the sauna. Or if fitness isn’t your thing, head to the onboard hairdressing salon.

Spacious cabins

After a day of exploring, make yourself comfortable in your spacious cabin, designed to ensure you can sleep peacefully. Enjoy luxuriously soft bedding and plush pillows. Resisting the temptation of an afternoon nap might just be the ultimate challenge (but we won’t tell if you do).

Stunning scenery

The beauty of Europe isn’t exclusive to just its cities, lovely as they are. The countryside is often missed but absolutely should not be. Sailing during the day gives you the opportunity to relax and enjoy the view. From the balcony or window of your cabin, you can watch the scenery along the banks of the Rhône drift by and see our next port of call rising into view.

Look out for 'Local Flavours' on your menu every evening to enjoy a taste of our destination. French wine is also considered some of the best in the world. Our wine list is carefully curated by our expert Sommeliers to showcase popular and lesser-known grape varieties – including one or two from vineyards we sail past or visit during our cruise.

Our Douro Azul ships

The leading shipping company on the Douro, our partnership with Douro Azul started in 2015, with two ships built to Riviera's own specifications. Its Portuguese heritage shines through in the imaginative cuisine and the warm onboard crew.

The Douro Valley

Life on board our Douro cruise ships

Smaller ships, without the compromise

Our ships that sail the Douro are smaller than our others, meaning that the Captain can navigate the locks on the river that aren't possible for larger vessels. And a smaller stature doesn't mean compromising on facilities; book in for an indulgent pampering spa treatment or head to the fitness room. On-board talks and lectures will also give you an insight into the Douro River and Portugal's history, giving you plenty of anecdotes to impress your friends and family back home.

MS Douro Splendour

Elegant cabins

The well-appointed cabins and suites feature everything you need for the most relaxing stay.

Scenic daytime cruising

We avoid overnight sailings and instead opt to sail in the morning when we can, so that you can start your day by relaxing onboard and making the most of the scenery and on-board facilities.

Deluxe Suite - Douro Elegance

Stunning restaurant

Experience authentic dining at the chic restaurant, serving delicious Portuguese, Mediterranean and international cuisine. What's more, it all comes with a side of beautiful views from the large panoramic windows. Add to that a glass of ruby red port and you're on to a winner.

Spacious sun deck

Sunshine and scenic views await on the sun deck, where you've got 360 degree river views and comfortable sun loungers tempting you to lay down and snooze. Then, if you want to cool down, take a dip in the pool and bask in the Vitamin D.

Our friendly and welcoming Portuguese crew

Every detail is meticulously inspected before our English-speaking crew welcomes you on board. To ensure a personal touch, all our ships have an excellent ratio of crew to guests. Along with the Riviera Cruise Director, they will anticipate your every need, while our knowledgeable on-board tour escorts are on hand to guide all shore excursions.

Dining experiences

First-class dining

Whether you consider yourself a 'foodie' or not, we know you'll enjoy the traditional cuisine served in the ship's chic restaurant. With eggs made your way and an all encompassing buffet, you'll be prepared for whatever the day throws at you after breakfast on board. Lunch includes local dishes served at your table, with a buffet of freshly prepared salads and starters, soups and freshly cooked pasta dishes to choose from as well - plus a tempting selection of desserts. The evening meal is an elegant occasion featuring a classic four-course à la carte dinner.

Vegetarian, vegan and many other special dietary requests can be catered for by our experienced team of chefs.

On shore dining

During the trip we'll moor in Régua - a sleepy riverside destination - where you'll have the chance to step ashore for a visit to a traditional quinta. Learn about local wine production (or just enjoy the taste if that's more your thing) before enjoying an excellent dinner accompanied by a selection of the quinta's own wines. Saúde!

Local Flavours

Always keen to bring you a taste of authenticity, we'll ensure that during your cruise you can enjoy a range of Portuguese dishes, taking inspiration from the Douro region. Look out for 'Local Flavours' on your menu every evening. To top it off, pair it with a class of Portuguese wine, selected by our expert sommelier. They'll choose a mixture of famous and lesser-known grape varieties, so everyone from wine lovers to casual drinkers will be impressed. Some wines will have been produced just a few yards from your floating restaurant. During your cruise you'll also experience a traditional celebration of port wine and a special performance of Portuguese folk music and dance.

European river cruise assurance

Cruising along the major rivers of Europe is one of life's great pleasures. It is a great way to see the world and a wonderful way to travel. These magnificent waterways have been carrying people for centuries, and the majority of trips pass without incident. However, on occasion, river conditions, industrial actions, mechanical faults, or other factors may impact your cruise.

Our River Cruise Assurance explains what we do in such circumstances to keep your holiday going and the compensation we pay if we are unable to do so. It's all included in the price of your holiday, with nothing extra to pay, giving you another reason to book a Riviera Travel holiday with confidence.

Disruption - delays to your cruise

If progress along the river is disrupted, we will endeavour to keep your holiday going by doing one or more of the following:

- Remaining moored another night, postponing departure to the next day;
- Arranging excursions to the itinerary destinations or equivalent alternatives by coach, with no more than 2 hours journey each way;
- Swapping ships - transferring you past the affected part of the river to join another ship. The maximum length of coach journey we will undertake to do this is 4 hours.

If we are unable to do the above, or despite doing them your holiday itinerary is delayed or significantly disrupted, we will automatically compensate you for every complete 24 hours affected.

Upper deck	£120
Superior and Deluxe Suites	£140

Please note we will not pay compensation if the delay is due to civil or military hostilities, or for any other losses incurred beyond the cost of your holiday.

Curtailement - having to come home early

If the disruption is such that we are unable to continue your holiday, we may decide to terminate the cruise.

In this instance we will, at our cost, transport you back to the UK if you originally travelled with us. If you made your own way to the ship embarkation point we will return you at our cost to the original disembarkation point, or the nearest major European city if you prefer. Please note if you join our outbound UK flight, or make your own way to the ship embarkation point, having first flown in from another country, we strongly advise that you take out travel insurance to cover your originating flight into the UK or Europe.

If your holiday is cut short, we will also automatically refund you on a pro rata basis for each full 24-hour period of your holiday that has been lost. For example, if you have lost 3 complete days on an 8-day holiday, we will refund you 3/8ths of your original purchase price.

Cancellation prior to departure

Our shipping company partners constantly monitor river conditions. Whilst we will try to give as much notice as possible, please note that forecasts tend to be short, as river conditions can improve quickly, and hence the shipping company may make a final decision close to departure. If it is looking likely that your cruise would be significantly disrupted across multiple days, we will attempt to provide an amended or alternative cruise of equivalent quality. If we are able to do so we will endeavour to contact you at least 48 hours before departure to ask if you want to go on the alternative. If no alternative cruise of equivalent quality is available, your holiday will be cancelled. In this instance, you will be refunded the full cost of your holiday.

Frequently asked questions

Documentation

Do I require a passport?

You will require a valid passport for your holiday. Please check www.gov.uk/foreign-travel-advice for country specific information relating to entry requirements (e.g. whether your passport needs to be valid beyond the return date of your holiday/a visa is a requirement of entry).

It's always a good idea to just double check the dates on your passport.

Will I need a visa to travel following Brexit?

As a tourist, you will not need a visa for trips up to 90 days. You can stay up to 90 days in any 180-day period without a visa.

Different rules may apply to travel to other countries including Bulgaria, Croatia, Cyprus & Romania for example, and visits to these countries will not count towards the 90-day total. However, we recommend that you visit the government website: <https://www.gov.uk/visit-europe-1-january-2021> for further information if you may be affected.

Do I require travel insurance?

It is a condition of booking that you carry suitable travel insurance to ensure you are covered for eventualities, such as cancellations prior to travel, loss of personal possessions during the holiday, and personal accident. We have chosen Holiday Extras as our preferred insurance provider, giving you access to their award-winning policies to suit your individual requirements, with Covid-19 cover included as standard. Please visit our dedicated Holiday Extras webpage for a quote (www.holidayextras.com/riviera-travel/insurance) or contact 08000 836 658 and quote code V4744 for exclusive discounts. We also advise that you have adequate insurance cover for any other ancillary items such as car parking or overnight airport hotels. Please take your insurance documents with you on holiday in case a claim needs to be registered. If you have a European Health Insurance Card (EHIC) it will still be valid from 1st January 2021 until its expiry date. If you need to apply for a new card you will be issued with a Global Health Insurance Card (GHIC). For more information visit: <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-ehic-european-health-insurance-card/>.

Please note that both the EHIC and the new GHIC will not cover travel to Norway, Switzerland, Iceland or Liechtenstein.

When can I expect to receive my travel documents?

Your tickets and final travel documents will be sent to you by post approximately 10 working days before your departure date.

Where can I find travel advice?

Visit <https://travelaware.campaign.gov.uk> for comprehensive travel advice. You will find current information on passport, visa and entry requirements for the country or countries to which you intend to travel, along with advice on money, local laws and customs. Air and rail travel

Can I pre-book my seat?

Requests to pre-book your seat are subject to the relevant airline's policy. If you would like to pre-book seats, please contact our reservations team, who can advise if this is possible and of any applicable cost. If your booking includes rail travel, our team will be able to add seat requests to your booking; however, these requests cannot be guaranteed and are subject to availability.

If I have a connecting flight, will my luggage be checked all the way through?

Your luggage should be checked through to your final

destination; however, we recommend that you reconfirm this with airline staff when checking in at the airport.

How much time do I need to check in at the airport or railway station?

Travel by air: We recommend that you arrive at the airport least 2-3 hours before European flights. This will give you plenty of time to check in and go through security. Travel by Eurostar: We advise that you arrive at the station at least 1-2 hours before departure.

What is my luggage allowance?

Full details of your luggage allowance will be included with your final travel documents, which are sent approximately 10 days prior to your travel date. On Eurostar, only 2 medium-size pieces of luggage are permitted per person. Please call our reservations team for further information.

How long do overseas transfers take to and from the airport?

Approximate airport transfer times are detailed on our website under "Transfers & useful info" on the relevant river cruise itinerary page.

Enjoying the experience

Can I still travel if I have reduced mobility?

If you have any concerns regarding the suitability of our holidays, please contact our team. We want to ensure you make the right choice.

Overseas transfers: All our tours involve some travel on coaches, which have not been adapted for wheelchair access.

Air travel: We can arrange airport assistance at no extra cost, but you must notify us in advance more than 48 hours before your flight departs.

Eurostar: Special assistance is available at no extra cost to help you get to and from the train. Should you need to travel in your own wheelchair, Eurostar trains have specially adapted spaces, which must be pre-booked. If you require assistance at St Pancras railway station, we can notify Eurostar Assist of your request; you will need to make your way to the Eurostar Assist desk at St Pancras at least 60 minutes prior to your departure. Please also refer to our terms and conditions.

Will there be any changes to the itinerary featured in the brochure or on the website?

While you will visit the places as advertised in our brochure and on our website, the exact order of the itinerary may differ. A small degree of flexibility allows us to adapt and provide you with a better experience. The final itinerary will be sent to you along with your travel documents. Your cruise director will also advise you on timings for the daily itinerary.

What clothing should I pack?

This depends on the time of year and your destination. Our holidays include plenty of guided tours and excursions, so comfortable and sensible footwear is recommended, as is a lightweight waterproof jacket in case it rains. If you'll be visiting religious sites, you may need clothing that provides more coverage. Specific requirements will be stated on your travel documents.

What currency should I take?

Information on currency requirements will be stated in your travel documents. Your cruise director can advise you should you wish to exchange money while on holiday.

Can you book an additional tour or visit for me?

Many tours and visits are already included with our holidays. On some river cruises, you have the opportunity to personalise your holiday with a hand-picked experience, which your cruise director can arrange during your cruise. For other tours and visits, please speak to our reservations team.

BOOKING CONDITIONS

These booking conditions set out the terms of your contract with Riviera Tours Limited trading as Riviera Travel (Riviera). Please read them carefully as you will be bound by them. For cruises, we will be the contracting carrier.

1 MAKING A BOOKING

We will confirm your holiday by issuing a confirmation invoice to the party leader who confirms they have authority on behalf of the party including minors (under the age of 18) to make the booking and accept these conditions on behalf of everyone in the booking party. You are responsible for obtaining and providing information and payments required by us in accordance with these conditions. A binding contract comes into existence after we have issued the confirmation invoice. If a flight is purchased through us, we will provide an ATOL certificate with your confirmation. Please check your documents carefully and contact us immediately if any information on any document is incorrect. We cannot accept liability if we are not notified of any inaccuracies in any document within 10 days of our sending it out (5 days for tickets). You may contact us by e-mail at info@rivieratravel.co.uk or call us on 01283 742317.

2 PAYMENT

The relevant deposit must be paid to confirm your booking. The balance of the holiday cost is due 75 days* prior to the departure. If full payment is not made on time, we will cancel your booking and keep all payments paid at that date and levy cancellation charges shown in clause 8. If booking within 75 days* of departure full payment must be made at the time of booking.

A binding contract comes into existence when we issue the confirmation invoice.

*75 days for Worldwide and European tours, and 101 days for all Cruises, River, Yachts and Ocean.

At the time of booking, we will ask for your consent to arrange for the balance payment to be taken from the debit/credit card with which you paid your deposit, and this will be automatically taken on the balance due date. Should you wish to pay by an alternative method you will need to advise us at the time.

3 YOUR FINANCIAL PROTECTION

We are Riviera Tours Ltd, Main Manor, 328 Wetmore Road, Burton on Trent, Staffordshire DE14 1SP.

We hold an Air Travel Organisers license issued by the UK Civil Aviation Authority (ATOL number 3430). When you buy ATOL protected flights or a flight inclusive package from us you will receive an ATOL certificate. This lists what is financially protected, where you can get the information on what this means to you and where to contact if things go wrong. We or the suppliers identified on your ATOL certificate will provide you with the services listed on the ATOL certificate (or a suitable alternative). In some cases where neither we or the suppliers are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to the alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to claim under the ATOL scheme (or your credit card issuer) where applicable. If we or the suppliers identified on your ATOL certificate are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. The Civil Aviation Authority can be contacted at Gatwick Airport South, West Sussex, RH6 0YR, UK tel +44 (0)333 103 6350, e-mail claims@caa.co.uk

If our holiday does not include flights, we provide full financial protection for your holiday by way of a bond held by ABTA - The Travel Association, 30 Park Street, London SE1 9EQ, www.abta.com. You agree to accept that in the event of our insolvency ABTA may arrange for services you have bought to continue, or a suitable alternative to be provided at the same cost as your original booking. You also agree to accept that in circumstances where the travel service supplier provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or payment card issuer where applicable) for a refund of the monies you have paid.

4 THE PRICE OF YOUR HOLIDAY

Please note, advertised prices may have changed by the time you book your holiday and errors may occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to change prices and correct errors in advertised prices at any time before or after your holiday is confirmed. Subject to the correction of errors or amendment costs once booking is confirmed we can change your holiday price only in certain circumstances.

Changes in the price of the carriage of passengers resulting from changes to the cost of fuel or other power services, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes, embarkation or disembarkation fees at ports or airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that. If this results in an increase equivalent to more than 8% of the price of the travel arrangements you will have the option of accepting a change to another holiday if we are able to offer one. Any price difference if the alternative is of a lower value can be used towards an optional excursion, towards a future Riviera holiday or refunded. Or cancelling and receiving a full refund of all monies paid except for any amendment charges.

5 SPECIAL REQUESTS

Special requests must be advised at the time of booking. Unless specifically confirmed by us in writing all special requests are subject to availability and may incur an additional charge at your hotel. Please note that any special requests will not be binding and do not form part of your contract.

6 TOUR OR CRUISE ONLY BOOKINGS - YOUR RESPONSIBILITY

Sometimes we may be able to offer tour or cruise only holidays subject

to availability, please call for details. If you choose one of these holidays your tour or cruise will begin at the hotel or ship stated in the itinerary. You must make your own travel arrangements including your flight or rail travel plus transfers to the first hotel or ship and onwards from the final hotel or ship. We will not be liable for the cost of any travel arrangements you put in place if the tour or cruise is cancelled or the starting point of your cruise or tour destination has changed. You must send us details of your travel arrangements at least 8 weeks prior to your departure.

It is your responsibility to ensure that you arrive at the stated embarkation point at the required time for any ship that forms part of your holiday. If you are late, whilst we will make reasonable efforts to assist you in joining the ship, this may not be possible and in such circumstances your holiday will be treated as cancelled and you will not be entitled to any price reduction, refund or any other compensation.

7 CHANGES BY YOU

You can transfer your booking to another person who satisfies all the conditions applicable to the contract by giving us notice as soon as possible and no later than 7 days before departure. Such a transfer may incur fees, charges or other costs and we will inform you of these before the transfer is confirmed. You and the person to whom your booking is being transferred will be responsible for paying any fee, costs and/or charges we incur in making the transfer.

Any amendment other than name changes and transfer of your booking to another person are discretionary and we may not be able to agree to them. Any amendments we agree after issue of the confirmation invoice will incur an administration fee of at least £40 per person plus any costs incurred by us and/or charged by our suppliers. Some amendments may be treated as a cancellation of the original booking which will require payment of the applicable cancellation fee which could be up to 100% charges. A change of holiday dates is a cancellation of the original booking and the cancellation charges in clause 8 apply. Name changes are allowed 7 days or more prior to travel. All costs must be paid before the amendment can be affected.

8 CANCELLATION/CURTALMENT BY YOU

You can cancel your holiday at any time by contacting our office. The cancellation of your holiday will be effective once we have heard from you. Since we incur costs in cancelling your travel arrangements you will have to pay cancellation charges as set out below. Where a percentage is shown this is a percentage of the total holiday cost. Please note that if you cancel, any insurance premiums you have paid may be non-refundable as they do not form part of the holiday contract.

Worldwide and European Tours

Period before departure within which notification of cancellations is received by us	Cancellation charge per person cancelling
More than 75 days	Deposit
74 - 61 days	50%
60 - 31 days	70%
30 - 15 days	90%
14 days or less	100%

All Cruises, River, Yacht and Ocean

60 - 31 days	70%
30 - 15 days	90%
15 days or less	100%

In addition, a change or cancellation of flights and other transport costs can result in 100% cancellation charges irrespective of the day of cancellation. Part cancellation will require recalculation of the holiday price and we will re-invoice you accordingly. If a cancellation results in single occupancy of a cabin or hotel room, a single person supplement will be payable except when 100% cancellation charges have been paid by the person cancelling.

CURTALING YOUR HOLIDAY

If you are forced to cut short your holiday and return home due to personal reasons, we cannot refund the cost of the unused travel arrangements. Depending on the circumstances your travel insurance may offer cover for curtailment and a claim should be made directly with them.

9 INSURANCE

You must have valid and appropriate travel insurance for the full duration of your trip. You should ensure that your policy provides at least comparable cover to that provided by the policy of our insurance partner. We may ask you to provide evidence of your travel insurance and if you cannot do so or do not purchase any travel insurance, we will not allow you to travel and will treat your holiday as cancelled with the applicable cancellation fee due. You will be responsible for indemnifying us in full in respect of any costs we incur because of your failure to have adequate and appropriate insurance cover.

We would recommend that your policy should cover you fully for COVID-19 should you need to cancel in advance of travelling or should you contract this while you are away, and it is necessary for you to be isolated to your cabin/room and unable to participate in the holiday.

10 CHANGES OR CANCELLATIONS BY US

(1) Changes to confirmed holiday arrangements sometimes have to be made and we reserve the right to do so in accordance with this clause. Most changes will be insignificant and we have the right to make these. When an insignificant change is made before departure we will notify you in writing. No compensation is payable for insignificant changes. Occasionally before departure we may be constrained by circumstances beyond our control to make a significant alteration to any of the main characteristics of the travel services which form part of the contract. Where we have to do so, clause 10 (4) and 10 (5) will apply.

(2) All alterations which are not significant in accordance with 10 (1) will be treated as insignificant changes. Insignificant changes include but are not limited to, a flight time change of less than 12 hours, change of airline, change of departure airports between London airports, (Heathrow, Gatwick, Stansted, Luton & City) change of the type of aircraft (if advised) or the destination airport, a change of accommodation for the majority of your time away, being in a new area which is less than 15 miles away from the original, a slight change to the itinerary.

(3) Our holidays require a minimum number of passengers to enable us to operate them and we reserve the right to cancel any holiday where the minimum number is not achieved by notifying you not less than 20 days prior to departure. Failure to achieve the minimum does not however oblige us to cancel.

(4) If we have to significantly alter any of the main characteristics

of your confirmed arrangements we will provide you with all the following information as soon as possible (i) the proposed alteration and any impact this has on the price (ii) if you do not wish to accept this alteration, details of a substitute package we are able to offer and any price reduction where this is of a lower quality or cost, or any price increase where this is significantly higher quality or cost (iii) your entitlement to cancel your booking and receive a full refund if you do not want to accept the alteration or any substitute package offered and (iv) the period within which you must inform us of your decision and what will happen if you do not do so.

(5) If you choose to cancel your booking in accordance with clause 10(4), we will refund all payments you have made to us within 14 days of the date we receive your notification. No compensation will be payable or other liability accepted where a change results from unavoidable and extraordinary circumstances (as defined in clause 11).

(6) Occasionally, it may be necessary to cancel confirmed holiday arrangements. We reserve the right to terminate your contract for any reason, but we will not do so after the date for payment of the balance of your holiday price has passed unless this is due to unavoidable and extraordinary circumstances. If (i) we are prevented from performing your contracted holiday arrangements as a result of unavoidable and extraordinary circumstances (see clause 11) and we notify you of this without undue delay or (ii) we have to cancel because the minimum number of bookings necessary for us to operate your holiday has not been achieved and we notify you of cancellation for this reason as referred to in clause 10(3), we will refund all monies you have paid to us within 14 days of the date we inform you of the cancellation but will have no further or other liability to you including in respect of compensation or any costs or expenses you incur or have incurred. We may be able to offer you comparable alternative arrangements which you may choose to book in place of those cancelled. We also have the right to cancel if you fail to make payment in accordance with the terms of your contract in which case clause 2 will apply.

(7) We will, where appropriate, pay you the compensation in the table below. This compensation will not be payable where a change is not significant, or we have to make a change or cancel as a result of unavoidable and extraordinary circumstances, or we have to cancel because the minimum number of bookings has not been achieved as referred to in clause 10(6).

(8) In the event that unavoidable and extraordinary circumstances occur in the place of destination of your holiday or its immediate vicinity and significantly affect the performance of the contracted arrangements or the carriage of passengers to that destination, you will be entitled to cancel prior to departure without payment of cancellation charges. Please note your right to cancel under these circumstances will only apply where the Foreign, Commonwealth & Development Office (FCDO) has changed its advice after the date of booking and are advising against all but essential travel at the time you are planning to travel.

Period before departure a significant change or cancellation is notified to you	Compensation per person
More than 56 days	Nil
56 - 15 days	£10
14 days or less	£25

(10) We cannot guarantee that cruises will call at every port on the itinerary. Cancellation of part of the itinerary, substitution of ports or unavailability of some services will not amount to a significant alteration. View our European River Cruise Assurance on our website.

11 UNAVOIDABLE AND EXTRAORDINARY CIRCUMSTANCES

We cannot accept liability or pay any compensation where the performance of our obligations is prevented or affected as a result of unavoidable and extraordinary circumstances. This means a situation which is beyond our control, the consequences of which could not have been avoided even if all reasonable measures have been taken. Such situations are likely to include (whether actual or threatened) war, riot, civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, epidemics, pandemic, fire, closure, restriction or congestion of air space, airports and ports, an operating ban on the carrier due to perform your flights, UK Foreign Commonwealth office advice and all other events out of our control.

12 OUR LIABILITY TO YOU

(1) We are responsible for the proper performance of the travel services included in your contract. This means we or our suppliers of services must perform those travel services with reasonable care and skill. You must inform us without undue delay of any lack of conformity to the contract which you perceive during your holiday.

(2) If any of the travel services are not performed in accordance with the contract you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to (i) you or another member of your party, (ii) a third party unconnected with the provision of the travel services in the holiday contract and is unforeseeable or unavoidable and extraordinary circumstances which means a situation beyond our control the consequence of which could not have been avoided even if all reasonable measures had been taken.

(3) Our liability except in cases involving death, injury or illness will also be limited in accordance with and/or in an identical manner to:

A The Contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into the booking and

B Any relevant international convention for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions.

(4) Liability for incidents on any of the international sea cruises will be regulated by EC Regulation 392/2009 (hereinafter referred to as "the regulation") provided the carriage by sea satisfies the definition of the protocol of 2002 to the Athens Convention relating to the carriage of passengers and their luggage by sea 1974. A summary of the Regulation may be found at <https://eur-lex.europa.eu/legal-content/EN/ALL/?uri=celex%3A32009R0392>

The regulations limit the liability of the carrier in respect of passengers and their luggage in the event of accidents. In the event of death or personal injury we would be limited to a maximum of 400,000 SDR or in the event of terrorism 250,000 SDR if found liable. These damages can be reduced for any contributory negligence of a passenger. In the event of loss or damage to luggage we would be limited to a maximum of 2,250 SDR subject to a deductible of 149 SDR per person, if found liable. The provision of a safe in the cabin on the ship does not affect whether a charge is levied or not.

The daily conversion notes for Special Drawing Rights (SDR's) can be

found on the International Monetary Fund website at www.imf.org

(5) Where your contract includes carriage on inland waterways the liability of carriage to all passengers shall be determined in accordance with the Convention.

(6) Where your contract includes carriage on inland waterways the liability of the carrier to all passengers shall be determined in accordance with the Convention on Limitation of Liability for Maritime Claims. The limit for claims involving death or personal injury is 175,000 SDR per passenger per carriage. The Strasbourg Convention as amended applies to vessels navigating on waterways located in the territory of a state party which limits passenger claims involving death or personal injury to 60,000 SDR per person subject to a maximum of 6,000,000 SDR.

(7) You can ask for copies of the travel service contractual terms, or the international conventions.

(8) Under EU Law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports and available from airlines. However, reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline, or any other service provider will be deducted.

(9) If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible, of equivalent category, for a maximum of three nights. The limit does not apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.

(10) This entire clause 12 does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday. We are not responsible for any services which do not form part of our holiday contract with you.

(11) Please note, the travel services we have agreed to provide or arrange as part of our contract will be subject to the laws and applicable standards of the country in which they are provided. This means that on occasions, you might find standards to be lower than those you are used to in the UK.

13 COMPLAINTS AND PROBLEMS

All complaints and any problems must be reported whilst on holiday at the time you become aware of them. If you fail to follow these procedures your right for compensation may be affected as we were not given the opportunity to investigate and rectify the problem at the time. We will reply within 28 days.

In accordance with the EU Directive (EC) NO 2111/2005 we are required to bring your attention the existence of a "community list" which contains the details of air carriers who are subject to an operating ban

within the EU. The community list is available for inspection at https://ec.europa.eu/transport/modes/air/safety/air-ban/search_en. We are required to advise you of the actual carrier(s). If the actual carrier(s) is not known the likely carrier(s) that will operate your flights at the time of booking we will inform you of the identity of the actual carrier as soon as we become aware. On occasions we may take bookings prior to the airline/rail schedules being confirmed, whilst the route will be shown on your confirmation and ATOL certificate the actual flight/rail times will be advised as soon as we have the schedules confirmed. Any change to the operating carrier/s after your booking has been confirmed will be notified to you as soon as possible. If the carrier becomes subject to the operating ban as above as a result of which we/the carrier are unable to offer a suitable alternative, the provisions of clause 10 changes and cancellations by us will apply. Such a ban will constitute unavoidable and extraordinary circumstances. As we are not always in a position at the time of booking to confirm the flight times which will be used in connection with your flight, the flight timings shown in the brochure, website and or your confirmation/invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by the airlines and are subject to various factors including air traffic control restrictions, weather conditions and the ability of passengers to check in on time.

Specific instructions relating to departure and travel arrangements will be sent with your travel documents approximately 2 weeks before departure. Please check your tickets carefully to ensure you have the correct flight times. Flight times may change even after the tickets have been dispatched we will contact you as soon as possible if this occurs.
