A letter from the President

Dear World Traveller,

For more than 20 years, Oceania Cruises has devoted itself to being the world's leading culinary- and destination-focused cruise line, never wavering from our core values of delivering extraordinary destination experiences, culinary excellence and personalised service that is unmatched in the industry – all at an exceptional value.

Food is at the heart of everything we do. After all, we are a cruise line built for foodies, by foodies, and you'll taste our commitment to serving The Finest Cuisine at Sea® in each of our dining venues. From casual eateries like the wellness-inspired Aquamar Kitchen and relaxed Terrace Café to complimentary speciality restaurants including our classic steakhouse Polo Grill, Tuscan-inspired Toscana and our ode to Pan-Asian cuisine, Red Ginger, each dish is prepared à la minute using only the freshest ingredients. We are the only cruise line with two Master Chefs of France, and we have more staff dedicated to cuisine than any other brand. Yes, we are serious about food.

You'll savour this exemplary cuisine as you journey to a collection of more than 600 captivating destinations across the globe. From Europe to Alaska, Asia to the Caribbean, the South Pacific to South America and more – including coveted Around the World voyages – we explore iconic destinations and take you to hidden gems that larger ships just can't access. And with more overnights and late departures than other lines, you'll have more time to explore even further.

Each of our eight designer-inspired, intimate ships provides a luxurious yet casual home away from home as you explore the world. But what stands out is our intuitive, attentive service that comes from the heart. You may not remember what someone did for you, but you'll remember how they made you feel. Our people make the difference.

We provide this exceptional experience at a tremendous value. Our Your World Included™ brand promise enhances every moment of your time on board with a rich selection of always included amenities, including gourmet speciality restaurants, shipboard gratuities, unlimited Starlink® WiFi, sodas and speciality coffees. We're confident you'll find that Oceania Cruises offers the best value in ultra-premium cruising.

We look forward to welcoming you on board soon.

Warm regards,

EXPERIENCE *a journey worth savouring*

At Oceania Cruises, we bring you to the world and the world to you, in the most delicious way possible. Our destination-intensive voyages and highly curated travel experiences make the world feel wide – and your journey, full of possibility. You'll discover an intimate ship experience where the focus is on you, not everyone else. And you'll travel in style, in our sophisticated and chic suites and staterooms that rival the finest boutique-style hotels. And like a fine hotel, artfully plated cuisine crafted by talented chefs is always on the menu, all day every day, and at no extra charge to you. We want to make you feel like the most important person in the room – because you are.

CUISINE

Global flavour, local fare

Food is insight into culture, and at Oceania Cruises, our destination-intensive itineraries bring that culture to your plate. Food is at the heart of everything we do. Through food we learn about the world, and we create connections that celebrate culinary traditions and heritage. It brings everyone to the table. In a way, food is the ultimate connector, and we're delighted to serve you. Oceania Cruises was built from the ground up to honour culinary tradition in its entirety. Our staff hails from every corner of the world, bringing their unique experiences, family recipes and global travels to your plate. Even with our small ship culture, we boast more culinary staff than any other cruise line in the world, with one chef for every ten guests. We strive to make each dish feel like it was created just for you – because it was. Our team takes great pride in our cuisine, bringing you authenticity of place and an explosion of flavour with every bite.

THE WORLD *on your plate*

The Finest Cuisine at Sea® is not just a lofty phrase. It is our north star and it guides everything we do. We only use the freshest and most vibrant ingredients available, showcasing the purest of flavours. The diversity of dining options and types of cuisine on offer far exceed any other fleet of this size, which is why our guests continue to return to us year after year. We are the only cruise line with two Master Chefs of France in its employ and at the helm of our exquisite

culinary programme. Chefs Alex Quaretti and Eric Barale – along with Jacques Pépin, the esteemed patriarch of our culinary family and a trusted advisor – drive the creativity and passion that go into the culinary mission behind each restaurant. With three of the most decorated chefs and their teams curating globally inspired menus while constantly circumnavigating the globe, you and your taste buds are in for a true treat.

THE NEXT CHAPTER: AN EPICUREAN EVOLUTION

Oceania Cruises was built from the ground up by a group of food-obsessed entrepreneurs as a cruise line whose mission was to emphasize outstanding gastronomy. Our slogan, The Finest Cuisine at Sea, drives the ethos behind the meticulous attention to detail and authenticity we put into every meal we craft for you. And it takes a village.

Chef Kathryn Kelly

Sara Moulton

Our newly created Culinary Advisory Board is helmed and co-chaired by our Executive Culinary Advisor Jacques Pépin, the founding father of our culinary philosophy and the original Executive Culinary Director who has been with us since the inception of Oceania Cruises. He's even mentored our current Executive Culinary Directors, Alex Quaretti and Eric Barale, who make Oceania Cruises the only cruise line with two Master Chefs of France. Serving as co-chair alongside Jacques is Emmy® Award-winning and internationally renowned chef Giada De Laurentiis, and together they work closely with Chef Alex and Chef Eric. More recently, we named the first two members to the board: chef, cookbook author and television personality Sara Moulton; and Chef Kathryn Kelly, Oceania Cruises' Director of Culinary Enrichment.

These esteemed chefs bring their gravitas to perfecting your culinary experience at every turn. They have a rigorous commitment to all things gustatory, and they will all come together to foster the talents of Oceania Cruises' own culinary stars as well as highlight the exceptional work of diverse chefs and artisans from around the world.

DINING *in sophisticated luxury*

The hallmarks of an Oceania Cruises experience are its myriad dining options and elevated cuisine. The Finest Cuisine at Sea is truly our way of life. We are dedicated to discovery, adventure and nourishment of the soul. We bring each of these things to life through food and drink. This is why we offer speciality restaurants that cater to just about every taste and palate, all at no additional charge. Dining at any of our restaurants on board can be a leisurely affair that acts as the centrepiece of your evening or may simply be a quick pre-show dinner.

THE GRAND DINING ROOM

Our signature restaurant is the anchor of our onboard culinary experience, where guests can savour every morsel of food and every drop of wine. The Grand Dining Room boasts warm and resplendent decor fit for you, our royalty. Yet at the same time, it is understated and elegant.

Guests can enjoy dining at their leisure with a menu that changes daily. Jacques Pépin's classics are staples here, but dishes can also reflect the day's port of call or just good old-fashioned comfort food. The new food and wine

pairing has been a hit, promising four courses crafted by the imagination of the chef that day paired with global wine selections from California to France. The Aquamar Vitality Cuisine menu option offers delectable dishes like osso buco with gremolata, while the Global Cuisine menu option boasts fare such as salted codfish fritters and salsa criolla. The abundance of choices is one of the many reasons our Grand Dining Room is unlike any other.

POLO GRILL

With richly layered decor, warm tones and an abundance of custom millwork, Polo Grill is a classic American steakhouse. Yes, beef is the order of the day here, but standout dishes also include seafood fare like Maine lobster gratinée. Every cut of beef is USDA certified Angus and aged for explosive flavours and tenderness. Polo Grill is the perfect choice to celebrate a special occasion.

TUSCAN STEAK

On board one of our smaller ships, *Sirena*, Tuscan Steak is the best of both worlds – a blend of Polo Grill and Toscana offering a taste of the traditional steakhouse with the hearty and traditional flavours of Tuscany. There's something for everyone at this temple to Italian gastronomy, whether you identify as a vegetarian or hardcore carnivore.

TOSCANA

In Italy, as in many parts of the world, food is a family affair. At Toscana, our signature Italian restaurant, it's no different. Toscana prides itself on creating flavourful dishes from traditional recipes of its Italian culinary team, many of which have been handed down through generations. Osso buco, minestrone and carbonara are only a sampling of the items available to whisk you away on an Italian holiday.

Experiences and venues on pages 14-28 vary by ship; please visit OceaniaCruises.com for more details.

RED GINGER

Be transported to the East as you enter Red Ginger, a contemporary Asian restaurant that prepares all of its regional specialities, including Thai, Malaysian and Vietnamese, with aplomb and a deft hand. Bold flavours accompany a relaxed environment inspired by the principles of feng shui, with dark woods and glowing golds alongside modern Asian artworks.

JACQUES

Named after our founding Executive Culinary Director, Jacques Pépin, Jacques restaurant is the epitome of French sophistication, channelling the quintessential French country bistro. Jacques' own artwork even adorns the walls of the restaurant, and the white tablecloths and chic furnishings echo a lavish night out in the capital.

The cuisine is authentic, right down to classic regional favourites like coq au vin or confit de canard. Naturally, the cheese and wine selections are all-encompassing – and impossible to resist.

Red Ginger

Jacques

RELAXED *yet refined dining*

Our relaxed dining experiences are just that, but are no less fabulous. You'll feel just as comfortable in sandals as you do at a white tablecloth restaurant. And the food is every bit as delicious. While The Grand Dining Room, Polo Grill, Toscana, Jacques and Red Ginger are perfect choices for every day, so is the unpretentious, cosy bar at Aquamar Kitchen, dining al fresco at Terrace Café or eating Neapolitan-style pizza with a glass of Sicilian frappato or nero d'avola. Besides having The Finest Cuisine at Sea, we want you to come as you are and feel good doing so.

Waves Grill

Terrace Café

TERRACE CAFÉ

Most of our guests would agree that sailing the ocean while dining with the open sky above and gleaming sea below is as close to heaven as it gets. With endless food options to choose from, including regionally inspired Chef's Market Dinners, fresh made-to-order pastas, tapas, sushi and more, dining at Terrace Café might just be culinary heaven. A glass of wine on deck or a succulent steak inside at your favourite window table never tasted so good. With delectable international fare to suit your every whim at breakfast, lunch and dinner, Terrace Café is a delightful experience any time of day.

AQUAMAR KITCHEN

At Oceania Cruises, we take wellness just as seriously as we take our cuisine, so in Aquamar Kitchen, we combine the two. The wellness-inspired, lighter-style fare is crafted with your well-being in mind. Fresh-squeezed juices, wholesomely delicious energy bowls and smoothies are healthy but filling, while mocktails like the Passion Fruit Colada might just make you forget the real thing, perfectly complementing the hearty yet lean fare. The flavours are as bright and vibrant as the Mediterranean-inspired decor – it may quickly become your favourite place to dine on the ship.

WAVES GRILL

The perfect poolside complement to a restful lounge on deck is Waves Grill. It has an open galley space and is the place to be if you want to indulge in Humphry Slocombe's fun ice cream flavours, like Regatta Royale – the signature Oceania Cruises flavour. The hand-dipped milkshakes taste better than at your favourite diner at home, as do all manner of mouth-watering sandwiches and burgers such as our famous surf & turf burger, soy-ginger marinated ahi tuna burgers or Cubanitos. It's casual dining that hits all the right notes.

PIZZERIA

Pizza is as universal a food language as it gets. Every culture has their own version or adopts the popular styles of a region. At the Pizzeria – the after-hours metamorphosis of Waves Grill – dining al fresco while drinking rosé and eating burrata antipasti or gourmet pizza is a great way to start your evening off right.

Pizzeria

Horizons

A SWEET REASON *to pause*

One of the best parts of cruising is the seemingly endless parade of delicious food at any time of the day. Mediterranean omelette for breakfast? Check. French dip for lunch? Check. Duck confit and farro for dinner? Check. But sometimes we just want something fun, quick or sweet to remind us to not take ourselves too seriously. Baristas, the Bakery at Baristas, and the Crêperie serve up flavourful, elevated bites in relaxed, unpretentious and contemporary settings when porchetta or pizza just won't do. And afternoon tea service on an Oceania Cruises voyage is an event unto itself. It is not to be missed.

BARISTAS

All hail coffee culture! The Baristas bar ensures you get your coffee fix whenever the craving sets in. Master baristas prepare some of the best java you've ever had, using only the finest coffees available anywhere. Espressos, cappuccinos and lattes are on tap, as well as choices of housemade biscotti and other pastries.

BAKERY AT BARISTAS

Satisfy your sweet tooth at the Bakery at Baristas, where authentic French and Italian pastries are created daily. Warm, flaky croissants and indulgent, ingredient-dense quiches will give you the rush needed to start your day's adventure or help to hit the reset button to refuel for the evening's festivities.

Bakery at Baristas

CRÊPERIE

Crêpes and waffles are a staple in many countries in the West, and we are proud to offer a place to get these delicious, freshly made items on board *Allura*. Decadent crêpes, waffles and sundaes, with practically any topping you can think of, will be an indulgent afternoon treat.

AFTERNOON TEA AT HORIZONS

At Horizons, the arresting 180-degree view of the world outside draws guests to what has become Oceania Cruises' signature social space. This lounge-cum-tea venue opens its doors at 4 pm sharp for proper afternoon tea service, then transforms into an upscale lounge, where the talented string quartet plays soft music. Jauntily clad servers round out this picture-perfect scene as they present beautiful, jewel-like pastries to you on a traditional pastry cart. This space is a perennial favourite among veteran and new guests alike.

PERFECTLY *paired*

Our wine pairing programme shows just how indispensable the oenophile-favourite is. This is why we offer a variety of wine pairings to enhance your dining experience. Depending on your itinerary and ship, a Moët & Chandon Champagne Experience or private pairing dinners at Polo Grill and Toscana are available. The Grand Dining Room always offers the option to pair your meal with fine wines. Wherever and however you wish to dine, our wine selections will complete your meal in the most delicious way.

LA RESERVE EXPERIENCES

Wine is as essential to a great meal as the food itself, as it complements every bite, enhancing the dish's flavours and elevating it to epic levels. With our La Reserve experiences, wine and Champagne take centre stage. Dishes are created for the wine, rather than the other way around. One of our most coveted reservations is for the Dom Pérignon Experience, which pairs three of the best recent vintages of the house with six exquisite courses. La Cuisine Bourgeoise by Jacques Pépin and the Odyssey Menu are two other vinous and culinary delights that await you with a La Reserve reservation.

Prior reservations and additional surcharge apply.

Wine experiences available on board Marina, Riviera, Vista and Allura.

MIXOLOGY *mastered*

The well-dressed ladies and gentlemen behind the bar aren't just there for show. They are masters of the craft of mixology – drink Houdinis, if you will. They can take a sprig of rosemary or a morello cherry and amplify those flavours, turning them into some of the best beverages your mouth has ever experienced. Whether you're looking for a classic martini shaken, not stirred, or one of our more elaborate beverages like the Gracias a Dios with mezcal, lemon juice, ginger purée

and liqueur, blackberries and cucumbers, you're in for a palate adventure.

Our mixology crew hails from all over the world, and they bring with them their own drink recipes while also mastering the classics. What could be better than a perfect Manhattan? Our mixologists are true craftspeople, creating spectacular beverages that can wow in the most epic of ways.

ENRICHMENT

Illuminate your curiosity

Holidays should be relaxing, sure, but they should also be enlightening. A lovely shore excursion and dinner on board are wonderful experiences, but in between, you might want to educate yourself on the upcoming port of call at an insightful Guest Speaker talk, dive deeper into the world of culinary arts during engaging seminars in the Chef's Studio or at a Speaker Series programme on the main stage, or simply curl up with a good book in the inviting library. Attaining enlightenment, despite what you may have heard, is indeed possible, as is everything on an Oceania Cruises voyage. Whatever you fancy, you can do it aboard our ships.

FOOD

The Culinary Center

Food is the heartbeat of our ships. And on *Marina*, *Riviera*, *Vista* and *Allura*, aside from our restaurants, The Culinary Center is the epicurean hub. It's the space designed for you to create culinary masterpieces, learn the difference between slicing, dicing and a julienne, and simply gather together in joyful appreciation of the world's great culinary diversity. Like the kitchen in your home, where the family congregates, it may be where you choose to congregate on our ships, your home at sea. Our passionate culinary staff will share their tricks of the trade and favourite regional recipes, and yes, you can be certain you'll eat well along the way too.

Hands-On Cooking Classes

In these intimate, guided classes, our leading culinary team teaches you how to perfectly sear a steak, walks you through ever-important knife skills and imparts regional cooking traditions like the art of Spanish tapas, the essentials of tagine cookery in Morocco and Turkey, the secrets of Argentinian asado and so much more. Once you depart our ships, you'll have gained some new knowledge to show your friends back home or to try in your own kitchen.

The Culinary Center

Culinary Discovery Tours™

Taking our love of food on the road is something we love to do too. Our cruise ports of call are such fascinating, flavourful places that the only thing we want to do is continue the adventure off the ship. With the guidance of a Chef Instructor who possesses more knowledge – and passion – than you could possibly imagine, you'll embark on a multi-sensory culinary exploration that recreates the dishes and flavours of the region you're visiting. You might pick up some exotic spices to take home from these faraway lands and then follow the local shopping trip with a hands-on cooking class. Whichever tour you choose, you'll do it with a group of curious fellow explorers who make the journey all the more worthwhile.

ART

Not everyone is an artist, but you are. Artist Loft helps you find your newest hobby, whether that's painting, sketching, photography or sculpture, taught by some of the best working professionals in the field. Whether you're a paint-by-numbers sort of person or have your MFA in visual art from Goldsmiths, you'll find a way to bring out your best work – and your best self – all while having fun with your newfound artist friends. It's one of the best ways to sit back and relax on an Oceania Cruises voyage. And the best part is that you can take your masterpiece back home with you as a memento.

EDUCATION

Discourse is often considered to be the highest form of intelligence. We do a lot of it aboard our ships. Our knowledgeable Guest Speakers conduct TEDx-style talks on a variety of topics, giving insight into the culture, history and natural wonders of our ports of call. In addition to our popular talks, Oceania Cruises ships have a well-stocked library – over 2,000 volumes – to feed a thirsty mind. The hustle and bustle of all the adventures on shore and activities at sea will surely, at some point, have you wanting a moment of quietude with a good book. The living room-style spaces invite deep introspection, whether your choice of book is a tabletop atlas to see where you're off to next or the newest Pulitzer Prize-winning novel.

BRAIN GAMES & DIGITAL DISCOVERIES

If books and lectures are too cerebral for your relaxing holiday, but you still want some stimulation, then fun trivia and brain games might be more your speed, which are offered as activities on the ship.

Increasing your digital IQ is another way to up your intelligence quotient, with LYNC Digital classes. A dedicated digital concierge teaches social media and smartphone photography courses for the novice all the way to advanced levels. By the time your cruise is finished, you'll practically be the next Instagram influencer...if that's what you choose.

Experiences may vary by ship; please visit OceaniaCruises.com for more details.

ENTERTAINMENT

Unforgettable moments

The fun and wonderment don't end when your day in port does. Back on the ship, there are myriad ways to wind down. Relax by the pool with a cocktail, or round up friends for a game of bocce or pickleball. Come nightfall, cabaret-style entertainment, comedy performances, cocktail-hour pianists or visits to the casino are at your disposal, whenever you wish to enjoy.

OUTDOOR PURSUITS

Head to the Sports Deck to challenge friends to an entertaining game of shuffleboard or practise your putting technique and play up to 18 holes on the putting green. You might just be inclined to take a stroll around the fitness track and soak up the stunning sea views. On several of our ships, you can also enjoy paddle tennis, bocce and pickleball as well.

LIVE MUSIC

Music on Oceania Cruises comes in many forms: dinnertime piano tunes, string ensembles and talented vocalists with their accompanying bands. Or it might bring you to the theatre for a cabaret-style show or to a lounge where you can dance the night away to a live band or DJ. Wherever the day takes you, it's sure to be one of the most enjoyable aspects of your voyage.

COMEDY

Laughing is good for the soul, right? If so, then checking out the comedic talent on board select voyages might just be what the doctor ordered. One of the many entertaining options on an Oceania Cruises voyage, a sit-down laugh-in may, quite possibly, be one of your most memorable experiences yet.

CASINO

The onboard casino, though intimate in size, is a great place to try your luck. There are slot machines for the more risk-averse, blackjack tables to up the ante on your fun or poker tables where you'll find "your people." Playing games couldn't get any more enjoyable.

WELLNESS

Mind, body and soul

One of the best parts of being on a cruise is the ability to relax, wholly and fully. The calming glisten of the sun-kissed sea coupled with the whisper-quiet sound of the water's wake outside your veranda makes for a most relaxing holiday. But relaxation doesn't end there. It's only just beginning.

The Aquamar Spa + Vitality Center nourishes your mind, body and soul with its extensive fitness facilities and offerings, taking a holistic approach to wellness that feeds the entirety of you.

Your cruise should be part of your holiday, but not the start and end of it. We think you should be able to ease into your holiday and extend it for as long as you like. With our Pre- and Post-Cruise Hotel Programme, your journey is just as important as the destination.

The hotel programme includes:

- Luxurious hotels, many of which have a AAA, Michelin or Relais & Châteaux rating, located in the most vibrant areas of the cities
- Airport, hotel and ship transfers
- 24-hour local assistance contact
- Oceania Cruises hospitality and tour desk in the lobby of each hotel

a journey for EVERY TRAVELLER

An Oceania Cruises voyage is not to be missed. A cruise line built from the ground up to emphasise the diversity of global cuisine and the experience of a destination is what keeps our cruise family coming back year after year. Our cruises allow you to see the world in style and live your best life to the fullest.

CULINARY

Your epicurean adventures begin the moment you step foot on our ships. The fresh, colourful cuisine that wouldn't look out of place at a three-Michelin-star restaurant is yours for the taking – and at no charge to you. The diversity of fare spans the globe and caters to your whim, whether you're in the mood for Asian cuisine, French or Italian and everything in between. On shore, you'll have the option to participate in our chef-led Culinary Discovery Tours™ or our Food & Wine Trails tours, and at sea, many programmes like Champagne dinners and wine tastings will sate the thirsty palate.

ADVENTURE

On an Oceania Cruises voyage, you can live out your wildest dreams, doing things you've never done or never thought you'd do. Living your best life becomes a mantra on our ships. So does becoming the best version of yourself. Climbing Mount Etna in Sicily or off-roading on an ATV ride through the jungle will change you in ways you never thought it could. And that's a good thing. You will question what took you so long in the first place and wonder when you can do it all over again. Growth is the name of the game here. So is discovery.

CULTURE

It's one thing to read about the eruption of Mount Vesuvius at Pompeii, but quite another to trek the volcano. But that's a daily occurrence on an Oceania Cruises voyage. History comes to life right before your eyes. With moments like these, everything becomes clear. You begin to understand how the world and its myriad cultures formed. You begin to understand your own place in the world and just how small – yet how great – you are. You'll see landmarks that you've often wondered about and become an explorer of history, an evolutionary, a genealogist or a paleontologist, all in your quest to seek wonders bigger than you.

MEDITERRANEAN

The Colosseum. The Acropolis. The Blue Mosque. La Sagrada Família. The ancient treasures of the Mediterranean never seem to end. This is one of the world's most admired regions – a perpetual birthday, holiday and milestone celebration spot – with more than 300 days of sun a year and that perfect and rare “Mediterranean” climate. This is also the region whose namesake diet has been studied and deemed to be

the healthiest in the world. We don't like to call our Mediterranean voyages our flagship voyages, but we do pride ourselves on our deep insider knowledge into the area, our shoreside partnerships with Food & Wine Trails, America's premier gastronomic tour company, and our extensive selections of Mediterranean cruise options. These cruises are some of our most popular, and rightfully so.

Viewing the vitreous waters of the fjords against a backdrop of an impossibly blue sky is one of the activities you can look forward to when sailing one of our Baltic, Scandinavia and Northern Europe voyages. A visit to the region is also a lesson in history. These are the lands of the Vikings, where conquest and trading happened regularly. And folk culture of fairy tales, music, dance and art. But you'll also happen upon

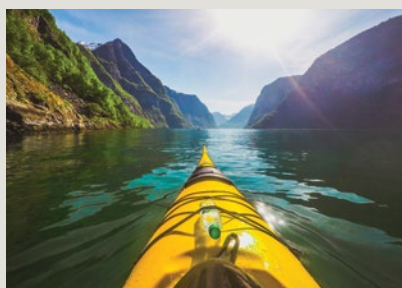

countries that consistently top "World's Happiest" lists, award the Nobel Prize, have made indelible contributions to the world of architecture and design, and are known for their friendly people and pristine natural beauty. The Baltic Sea provides a quiet song to lands that only need to whisper.

That familiar scent of sesame oil wafting through the night market takes you back to the restaurant you remember from your first date. Or viewing the majesty that is Table Mountain in South Africa demonstrates millions of years of geologic activity at work. You know that it is a privilege to have such experiences, yet on an Oceania Cruises voyage, these things are a quotidian affair because the far reaches of the world have never felt

closer to home. The Oceania Cruises sailings to the African and Asian continents explore some of the world's richest cultures and most ancient civilisations. With thousands of years of history, Darwin's Theory of Evolution comes to life before your eyes as the past, present and future collide.

And there's so much contrast between cities of the region. Rio de Janeiro and Buenos Aires are often

BERMUDA, CANADA & NEW ENGLAND

Bermuda, Canada and New England are filled with charm, from colourful beachside homes to historic and imposing lighthouses. They're rich with history and interesting facts. New England is where the Founding Fathers signed the Constitution of the United States; Canada received its flag 100 years after becoming a country and is one of the best places in the world to view the northern lights; Bermuda is a British territory of

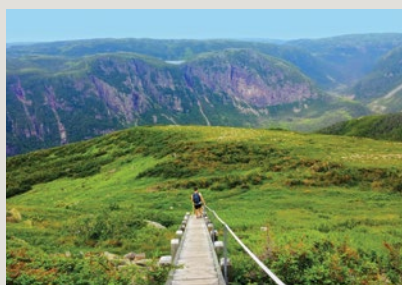

138 islands without mountains. If these aren't often thought of as fascinating destinations to cruise, an Oceania Cruises voyage to one of these places will prove that assumption wrong. It's amazing how exotic these locales can feel, even when they're in your own backyard. You can travel the world without ever really leaving home.

TRANSOCEANIC

The best thing about a cruise? Being at sea, of course. There's just something about the gentle rock of the water, cradling and enveloping you, lulling you to your dreamland. Aside from that, the open water is just gorgeous. But days at sea can be rare on a cruise – not so on our Transoceanic voyages. The multiple sea days

and often longer voyage lengths create ample time to explore the beauty of an Oceania Cruises ship, as well as its extensive offerings for food, entertainment and enrichment. And you will get to experience two continents – your starting point and your ending one – making for a fascinating journey with lasting memories.

GRAND VOYAGES

Seeing the world in all its grandeur is a privilege few get to experience. And at Oceania Cruises, our Grand Voyages are majestic, immersive, experiential cruises that bring you closer to the world and the world closer to you. These journeys range from multiple weeks to many months and visit countless fascinating cities and multiple continents. On one of these cruises, you don't watch the world pass you by. You become an active participant – an explorer – in it. You become a student

of the world, one who's not just read about things in history books but who's experienced the celebration that is Bloomsday in Dublin, the Running of the Bulls in Pamplona and a helicopter ride over the Andes Mountains. Your fellow cruisers become your friends, and sometimes they even become family, as you will have forged lifelong relationships with those who are just as curious as you are.

Your home at sea

Welcome home to your stylish abode at sea. With a bed so comfortable and coveted we had to start selling it and calming hues evoking sea, sky and sand, you might never want to leave. That was intentional. An Oceania Cruises voyage is a supremely comfortable way to see the world. From ultra-spacious staterooms to expansive Owner's Suites, cruising with Oceania Cruises is full of understated luxury.

The Stateroom Experience

Our stateroom experience is just that – an experience. Everything has been thoughtfully considered, with meticulous attention to the little details that are often overlooked. We pride ourselves on two things: space and refined surroundings. Our staterooms are among the most spacious at sea and are the epitome of elegance. These are no ordinary staterooms – they are luxury incarnate.

Our spacious Inside Staterooms, our Deluxe Oceanview Staterooms with expansive windows that bring the outside in, and our Veranda Staterooms, where inhaling the fresh sea air is now within reach, are the entrée to the Oceania Cruises brand of refined accommodation. The elevated levels of sophistication only increase from there.
