

Make your own Kite card

Step 1

Using the templates, draw and cut out 2 paper kites, to fit on your card. Lightly fold the kites from opposite corner to corner to create creases.

Step 2

Cut 2 lengths of string measuring 10cm and glue to the backs of the paper kites. Stick 3 strips of craft tape to each length of string and snip into bow tie shapes.

Step 3

Fold a sheet of A4 pale blue card in half. Using the template draw and cut out 3 white paper clouds. Stick the clouds to the front of the folded card. Place the kites on top, and stick in place.
