Sugar Beach, A Viceroy Resort gives you all of this on a plate. Set in a secluded, untouched corner of the island, peace and relaxation come in ample portions at this picture-perfect resort. Having undergone renovations and upgrades in 2021, including improved restaurants, a beachside fitness facility, a new pool area and refreshed spa, there are plenty more reasons to visit.

To add to its charm, the resort has its very own butler service and private plunge pools to give you the ultimate experience. Designed for the ultimate indulgence.

Sugar Beach, A Viceroy Resort knows how to help you max out on total bliss. A trip to the Rainforest Spa with its individual treehouse treatment rooms will certainly keep you relaxed. Nestled in the rainforest itself, you'll be immersed in the soft chirruping of wildlife and the hush of the trees as the breeze gently shakes their branches.

JAMAICA INN - JAMAICA

No schedules, no background noise, just a beautiful setting and impeccable service. Go completely off the clock at this timeless luxury resort.

Since first opening its doors in the 1950s, Jamaica Inn has consistently been regarded as one of the best-loved resorts in the Caribbean, with a key feature being its secluded golden sand beach, considered by many to be the best on the island.

As featured in The Millionaires' Holiday Club, the six secluded acres house 53 spacious, colonial-style suites and cottages; each has a large private balcony or verandah overlooking the sea. The emphasis here is on relaxation and goes as far as there being no televisions, radios or clocks, ensuring total respite from everyday life. The perfect place to truly switch off on a Jamaica luxury holiday.

Lunch is a leisurely hour or so spent at the beachside restaurant and, in the evening, dinner follows cocktails on the terrace and is a sumptuous six-course affair, enjoyed under the stars on the romantic dining terrace. With such fabulous food and a menu that changes daily, it's well worth contemplating the all-inclusive option.

THE COTTON HOUSE - MUSTIQUE ISLAND

This luxury boutique hotel is one of a kind on the exclusive island of Mustique. Explore the charming surroundings by day, and then return for a cocktail on the Great Room Verandah.

Located on the tiny Grenadine island of Mustique, which is just one mile by three, the resort is situated on a picturesque hillside surrounded by the Caribbean Sea to the west and the Atlantic Ocean to the east.

Mustique is one of the most exclusive private islands in the world and The Cotton House is the island's only full-service hotel.

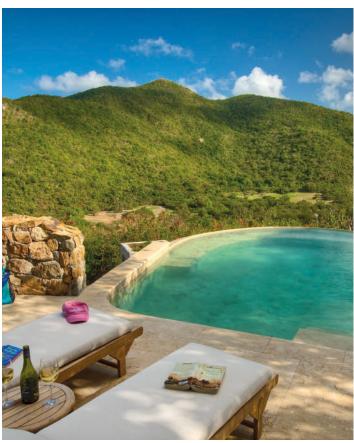

Originally an 18th-century sugar mill, the service, style and exclusivity abound at The Cotton House. Situated at the heart of the resort is the Great Room with its epic verandah, where you can enjoy afternoon tea or sundowners. Elegant dining can be enjoyed in either of the resort's two restaurants or, for a truly exclusive experience, have a menu created for you and served in a private dining area. The addition to The Cotton House team of Tristan Welch, former head chef at 2 Michelin-star restaurants, Petrus, has further enhanced the culinary experience, with a focus on locally sourced produce, in particular, seafood specials such as local lobster steamed with Caribbean winkles and sorrel. The Beach Café has also been recently replaced, and also now includes the Beach Bar, while a dedicated ice cream parlour offers a range of cooling, homemade refreshments.

The Cotton House Spa provides a complete menu of treatments using Ila products as well as a large selection of aromatherapy oils, with the spa itself being located a few steps from the beach and affording panoramic views of the Caribbean Sea and the gardens from all four treatment rooms.

CURTAIN BLUFF - ANTIGUA

From its inception over 50 years ago, Curtain Bluff has been considered a Caribbean sanctuary for many seeking solace on the shores of Antigua.

The resort may have grown over the years, but it has lost none of its original intimacy and charm. Still family-owned and operated, this exclusive, all-inclusive Antigua hotel welcomes back loyal guests year after year.

Standing proudly on a rocky bluff, the hotel is flanked by two amazing beaches, one of which is ideal for surfing, the other is much calmer and perfect for swimming.

Whether active or indulgent, holiday-makers will find something special to occupy their time. Spa lovers can enjoy a range of therapies in any of the five treatment rooms at the stunning oceanfront spa or in the privacy of your room or suite. Boasting four championship courts, the hotel is also renowned for its luxury tennis holidays.

GUANA ISLAND - BRITISH VIRGIN ISLANDS

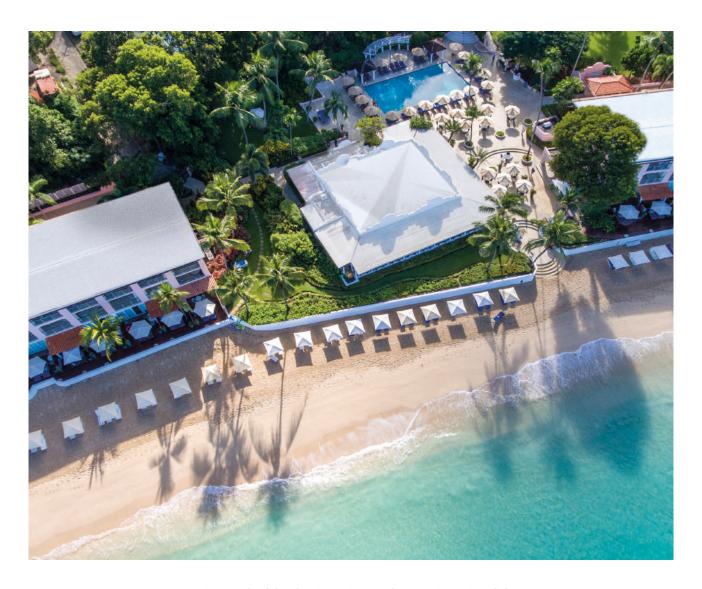

Located on a sprawling private island with acres of interior beauty to explore, this exclusive resort is certainly a jewel in the crown of luxury travel in the British Virgin Isles.

Here you'll discover 850 acres of natural beauty, including seven white sand beaches, tropical forest, mountains, hills and valleys. The emphasis is on low-key luxury – so you'll find acres of privacy, friendly service and romantic touches. Everything is worked around relaxation – from the library where you can kick back with a good read to the jasmine-scented terraces to view the night sky.

The resort has an in-house massage therapist who can provide massages in-room or in the secluded, openair, beachfront spa cabana. Designed to be an escape from it all, guest rooms at Guana Island are intentionally absent from TVs, phones and computers.

Dining at the Guana Restaurant is a wonderful experience, led by Executive Chef Xavier Arnau with food inspired by techniques he learned during stints at El Bulli and Nobu.

FAIRMONT ROYAL PAVILION - BARBADOS

Presiding over 11 acres of tropical gardens and a Barbados beachfront along the breathtaking West Coast, Fairmont Royal Pavilion is a haven of flawless hospitality and family friendly experiences.

Here, you'll discover a property that embraces its timeless old-world colonial charm, blending it effortlessly with sophisticated, contemporary elegance and impeccable service all round.

Everything you do in this Caribbean oasis is against a backdrop of the magnificent azure ocean. Savour authentic Bajan cuisine al fresco at Palm Terrace, all the while getting lost in the sparkling sea beyond. Embark on a journey of serenity with a spa session in the comfort of your private room or suite and drift away to the sound of gentle waves lapping up the sandy shore.

Just a short walk along the beach to one of Barbados's most famous and popular restaurants, Lone Star, which marries European flavours with Caribbean influences in an intimate setting.

CALABASH HOTEL - GRENADA

Tucked away in the secluded L'Anse Aux Epines Bay, this elegant Relais & Châteaux resort exudes a unique and refreshingly understated charm.

If you're looking for a stylish and intimate resort where you can be spoilt all day long, with cool refreshing drinks or fruit kebabs on the beach, afternoon tea in the shady lounge and hot and cold canapés brought to your room before dinner, then this is everything you've been searching for during your Grenada stay.

Lazy days are spent on Prickly Bay Beach, eating fresh fish and sipping rum punch at The Beach Club at Calabash. Or, you can enjoy the many activities on offer, from touring the beautiful gardens to scuba diving at the onsite dive and watersports centre.

Evenings are spent in Calabash's signature restaurant Rhodes, which serves fabulous food in an informal yet stunning setting. A testament to the incredible cuisine on offer, Calabash is part of the exclusive, hand-picked Relais & Châteaux group.
