Travel beyond ordinary™

"World's Best Awards" River Cruise

A new chapter in river cruising

One of the greatest honors I've had here at Tauck, and one of those "best days I'll always remember," was being asked to be one of two Godmothers to ms *Andorinha* at her emotional christening in the summer of 2021. The christening was postponed until travel resumed after the long "pause" – the launch of ms *Andorinha*, and the start of her journeys on the Douro, took on a much deeper meaning of restart, renewal, and rebirth.

In 2026, I'm so pleased to announce the debut of two new riverboats in France – ms *Serene* on the River Seine and ms *Lumière* on the River Rhône. At Tauck, our 'small is big' philosophy is rooted in the belief that the little details and personal connections create the most meaningful travel experiences. That's why we've listened carefully to our guests to reimagine these new ships with fresh, thoughtful enhancements. From an expanded wellness area to inviting social spaces and spacious accommodations, every detail has been designed to elevate the guest experience while cruising along two of Europe's most storied rivers.

And with our incredible team on the river and ashore, you'll feel the Tauck difference in every thoughtful detail, every seamless moment, and every travel experience that becomes the story that stays with you long after you've returned home. No matter which river you decide to cruise, our #1 priority is for you to travel effortlessly, with peace of mind knowing that every aspect of your trip is taken care of. On behalf of all of us at Tauck, we truly look forward to welcoming you aboard!

We limit the number of guests onboard from 84 or 98 on our smaller riverboats to no more than 130 aboard our larger boats so you have room to roam or relax as you like without crowds or lines. Onshore, enjoy a choice of small group excursions and exclusive Tauck experiences private for our guests only, thoughtfully timed and intimately orchestrated to enable closer, more meaningful connections to people and places that make your Tauck river cruise uniquely memorable.

Supporting a thriving world

As we reflect on another incredible year of exploring our world together, we are proud to share the progress of our ongoing commitment to travel with purpose. At Tauck, our ethos has always been rooted in preserving the beauty and integrity of the destinations we visit, ensuring they thrive for generations to come.

Our focus: People, Places, and Planet

People: Meaningful connections with the communities we visit remain central to our journeys. This year, we supported local livelihoods on every continent through grant projects, cultural preservation initiatives, and volunteer efforts. For over a decade, we've partnered with **Save the Rain** in Tanzania to fund community rainwater harvest systems, providing locals access to clean water, which supports healthy communities and families, allowing adults to be able to work and children to attend school.

Places: Preservation has been a cornerstone of Tauck for over a century. Our continued support of America's National Parks, through grants and employee volunteerism, reflects our enduring dedication to these national treasures. At **Minute Man National Historical Park**, we provided a grant to help efforts focused on the restoration and preservation ahead of the 250th anniversary of the Battle of *Lexington and Concord*. As part of this initiative, Tauck employees volunteered at our annual Family Service Day in 2025.

Planet: By traveling responsibly and in partnership with our global suppliers, we continually search for – and identify – opportunities to reduce our environmental impact worldwide, such as our partnership in Ecuador with **Galápagos Conservancy**. Tauck is the first company to underwrite a research and rewilding expedition to help restore the archipelago's native tortoises.

A vision for the future

Our impact vision is paving the way for Tauck to deepen our commitment to responsible travel. By listening to the voices of the communities we visit, implementing sustainable practices, and continuing to assess and adapt, we aim to minimize our impact on the planet while maximizing the positive contributions we make.

Together, we make a difference

Every journey we take together contributes to this mission. Whether it's a moment of connection with a local community, an opportunity to volunteer with one of our non-profit partners while on tour, or simply choosing to explore consciously, you are part of this journey toward a more sustainable future.

We are deeply grateful for your continued trust and partnership in this mission. Together, we can ensure that the wonders of our world remain vibrant and accessible for generations to come.

Prost to Oktoberfest

Oktoberfest is celebrated all over the world and is the world's largest "Volksfest" (German for "people's festival"), featuring beer and a traveling carnival. The festivities first began on October 12, 1810, in Munich, when the future King Ludwig got married and invited the entire city to celebrate his new wife; the celebrations included a large feast and horse races. Despite its name, Oktoberfest actually starts mid-September and runs 16 days until the first Sunday in October.

Your time in Munich for Oktoberfest will be an experience of a lifetime. Before the festival, you'll be fitted in your very own dirndls and lederhosen to wear for the occasion. Tauck has reserved seats for you in the center of the action in one of the city's most exclusive brewery tents. Enjoy a three-course lunch, traditional Bavarian live music, and a specialty beer brewed just for the occasion. Word to the wise: the local breweries make an especially strong beer for Oktoberfest, so pace yourself, or try a Radler (half lemonade, half beer). *Prost!*

■ DAY 6

Exploring France's Alsace countryside

Your riverboat arrives in Strasbourg, France, where the picturesque Alsatian countryside is blanketed with vineyards and dotted with historic wine villages. A walking tour introduces you to the city, and historic treasures in La Petite France; discover regional specialties – and enjoy a wine tasting – at a local restaurant. Return to your riverboat, then join us for the chef's dinner. **Meals BLD**

■ DAY 7

Mt. Pilatus & Lucerne

Dock in Basel for a day in Switzerland. You may choose to stay in Basel for an orientation walk and free time or drive to the base of Mt. Pilatus for a gondola ride to the summit. Enjoy the panoramic views then take the world's steepest cogwheel train ride down the mountain, a thrilling experience through stunning scenery. It's off to the lakeside city of Lucerne for an orientation walk that reveals the Renaissance paintings inside the iconic covered Chapel Bridge and the poignant Lion Monument. Join us for a farewell toast onboard before dinner tonight. **Meals BLD**

DAY 8

Disembark Basel / Lake Constance & Munich

Disembark your boat for a drive through Switzerland, stopping near Lake Constance en route to the legendary city of Munich. Upon arrival in Munich, you'll be fitted at your hotel for proper trachten; dirndl for the ladies and lederhosen for the gents, so you will be authentically ready for the Oktoberfest festivities the next day. Enjoy time to explore Munich as you please. **Meals B**

DAY 9

The original Oktoberfest

This morning, get dressed in your Bavarian attire for a full Oktoberfest experience. There are similar celebrations all over the world, but Munich is where it all began – a truly unique mix of beer consumption, Bavarian feasting, live brass bands, communal singing, and dancing. Enjoy prime seating at an exclusive brewery tent for a three-course lunch; a shuttle will take you back to your hotel after lunch, or stay and enjoy the festival until evening. Join us for a farewell reception and dinner at your hotel. **Meals BLD**

DAY 10

■ DAY 6

A choice in Vienna & an Imperial Evening

Vienna's palatial treasures star today on your choice of sightseeing tours. Take a guided look inside the 1,441-room Schönbrunn Palace, the Habsburgs' summer residence; its history spans more than 300 years and reflects the different tastes, interests, and aspirations of successive Habsburg monarchs. Or, you can visit the Kunsthistorisches Museum, built in 1891 to house the art collections of the imperial family. Tonight, we invite you to attend a Tauck exclusive experience – a private Imperial Evening at opulent Palais Pallavicini, a private Baroque palace in Vienna that film buffs may have spotted in the 1940s film noir classic *The Third Man* – or more recently, in the streaming series *The Regime*. Welcome cocktails and dinner precede an unforgettable evening of musical performance, set in this elegant venue, celebrating the legacy of the composers who made Vienna Europe's center of music during the Habsburg era. Later this evening, cruise to medieval Dürnstein. **Meals BLD**

■ DAY 7

Dürnstein & Wachau Valley cruise

Wake up in Dürnstein, where sightseeing choices include a walking tour along cobblestone streets for a closer look at the town's 16th-century Baroque houses and 13th-century Romanesque church, as well as a visit to Dürnstein Abbey and a wine tasting. If you wish, join us for a bicycling* adventure in the Wachau Valley, Austria's lush wine-producing region. Lobkowicz Palace

Few experiences capture the essence of Old World Europe like an evening at a palace. At Prague's historic Lobkowicz Palace, a Baroque masterpiece still owned by the Lobkowicz family, a private tour unveils a remarkable collection of art and original musical manuscripts that chronicle six centuries of Central European history. The night continues with a wine reception and dinner in this storied setting.

Tour begins: 6:00 PM, Porto. A transfer is included from Porto's Francisco Sá Carneiro Airport or Porto Campanhã train station to your riverboat. Join us for a welcome reception with dinner and onboard entertainment. **Meals D**

■ DAY 2

Porto and the Douro Valley

Situated in northwest Portugal where the Douro meets the Atlantic Ocean, Porto has been known as the city from which authentic Port wine has been shipped throughout the world for nearly three centuries. You have a choice of sightseeing today; discover Porto by land, river, and air – starting from the historic riverfront Ribeira district, walking to Vila Nova de Gaia and riding a cable car for panoramic views. Alternatively, join a local guide for a walking tour that begins in the riverside Ribeira district, walking uphill to the Cathedral, crossing the top of the Luís I bridge and ending in Vila Nova de Gaia with a view overlooking Porto. Return to your riverboat late morning and begin sailing to the Douro River Valley, bound for the historic port of Peso da Régua. All along the winding river, rugged conical mountains and shale hills carved by concentric vineyard terraces tell of a winemaking history that's thousands of years old. Inhospitable to most other kinds of farming, the terrain is perfect for Portugal's indigenous wine grapes, whose hardy roots can go down 30 feet or more in search of water. Since the latter half of the 17th century, when Portuguese vintners succeeded in creating a sweet fortified wine – now famous around the world as Port, named for the city of Porto – that could make the long sea voyage to Britain without spoiling, the Douro Valley has been the only supplier of true Port, the oldest demarcated wine region on Earth. **Meals BLD**

■ DAY 3

Peso da Régua and Pinhão

Dock in the historic town of Peso da Régua, once a busy hub where wooden boats called rabelos, laden with barrels of Port, sailed downriver to Vila Nova de Gaia. At Museu do Douro, housed in a renovated 18th-century mansion, multimedia exhibits offer a history of viniculture in the Douro Valley. This afternoon, pass through one of the largest locks on the Douro as you sail to the idyllic, vineyard-lined village of Pinhão, nestled at a dramatic bend in the river; Pinhão is known as the gateway to the valley's quintas (vineyards). From here it's a short drive to Quinta do Portal, a family-run estate in the Cima Corgo region where renowned Port and non-fortified wines are made. Enjoy a private reception and dinner with wine pairings, as well as an introduction to the winemaking process and famed vineyards. **Meals BLD**

Private dinner with wine pairings

Family-owned quintas have lined the Douro for centuries, perfecting wine-making techniques; attend a private dinner and wine pairing at Quinta do Portal.

Two ways to discover Pinhão

Visit Pinhão's early-20th-century train station adorned with intricate blue azulejos, or embark on a vigorous hike through scenic vineyards with breathtaking valley views.

Ancient stories in the Côa Valley

Step into the Vale do Côa Archaeological Park, home to thousands of open-air Paleolithic petroglyphs – a rarity in Europe, filled with artistry and mystery.

■ DAY 4

Along the Douro to Vega de Terrón

The Douro River Valley and its unique landscapes of terraced mountains, villages, and wine estates unfold before you today as you spend a full day cruising from Pinhão. It's a great day to take advantage of your riverboat's amenities, enjoy commentary by your Tauck Director, or simply relax on the Sun Deck. In late afternoon, arrive in Vega de Terrón (Salamanca), where the Douro River forms the border between Spain and Portugal, and where the riverboat will dock for the night. The tranquil landscape, at a confluence of rivers, is beautiful and unspoiled – and rich in history. **Meals BLD**

■ DAY 5

Paleolithic art or wine tasting

You have a choice of sightseeing today. Tour a family-run quinta in the Douro Superior wine region, where sun-drenched vineyards yield exceptional wines. Learn about traditional winemaking techniques, explore the estate, and enjoy a guided tasting of locally produced reds, whites, and Port. Alternatively, travel to Museu do Côa in the Vale do Côa Archaeological Park, for stunning exhibits of rock art from the valley's Paleolithic era, discovered in the 1990s; unlike cave art found in other parts of Europe, the thousands of petroglyphs in the Côa region were created in the open air by the valley's earliest inhabitants, and the museum explores their mystery through state-of-the-art multimedia exhibits. Return to the riverboat for lunch and cruise back to Pinhão. **Meals BLD**

■ DAY 6

Pinhão or vineyard hike / Mateus Palace

Your choice of excursions this morning includes an opportunity to explore a taste of authentic Pinhão on a guided tour that views its early-20th-century train station, adorned with blue-painted tiles (azulejos); or a vigorous hike from the village of Provesende through the vineyards towards Pinhão, with striking panoramic views. Cruise to Régua, where you'll have two choices; visit the 18th-century Mateus Palace, a lavish Baroque residence now a museum with period furnishings and artwork, formal gardens, and a winery producing acclaimed rosé wines. Alternatively, join a local guide for a visit to a renowned winemaking estate called a quinta, rewarded with a Port cocktail-making class. Begin the return trip, docking overnight in verdant wine country where some traditional farms grow vines on pergolas and fences so high that amazingly, the grapes must be harvested with wooden ladders. **Meals BLD**

Porto's waterfront rises above the Douro – historic architecture, hillside vineyards, and iconic bridges create a stunning panorama.

■ DAY 7

Guimarães or bicycle ride and on to Gaia

Drive to medieval Guimarães, known as the “Cradle City,” on a full day’s excursion; the kingdom of Portugal was born here after a famous battle in 1128. You can choose a walking tour of the city center, a UNESCO World Heritage site, whose treasures include the partially restored Castle of Guimarães, the opulent Palace of the Dukes of Braganza, and the 13th-century Church of São Miguel do Castelo. Or choose a bicycle excursion (recommended for experienced cyclists) through the Vinho Verde wine region to Amarante. Late afternoon, travel to Vila Nova de Gaia, across the river from Porto. Join us for a farewell reception and dinner aboard your ship this evening. **Meals BLD**

DAY 8

Journey Home

Tour ends: Porto. A transfer is included from your riverboat to Porto’s Francisco Sá Carneiro Airport or Porto Campanhã train station. Please allow a minimum of three hours for flight check-in at the airport. **Meals B**

General Information

Expectations Versus Reality

As a family of travelers, we've learned that every journey starts with a preconceived image of what to expect. Inevitably, this image changes as we experience the real thing. If the actual experience exceeds our expectations, we feel joy. If it falls short, we feel disappointment. For example, hotel accommodations vary significantly around the world in terms of room size, location and service levels. And no matter how hard we try to meet the highest standards, we will all have a favorite and least favorite experience on any trip.

Behind every tour or cruise, there are literally hundreds of people we depend upon to help deliver on your expectations. Should one or two of them fall short, or there is an unexpected change to the itinerary, we hope you will not allow an isolated situation to upset your vacation.

So much of the joy of travel is to experience the unexpected. We hope you share that philosophy.

–The Tauck Family

This brochure is designed to provide you with an honest description of what to expect on your tour or cruise. The Introduction Pages and the General Information (on these pages) are very important for you to understand. This information, in addition to other documents we will provide when you book with us, including our *Travel Terms and Conditions* and *Journey Confirmation*, form the basis of our agreement with you. These documents include important legal obligations and should be read with care.

Inclusive Prices

2026 prices are per person in US dollars. Prices include: all accommodations (see below); airport transfers and land transportation as detailed in the tour itinerary; basic internet where available in hotel rooms and aboard ships (service levels not guaranteed); entertainment and special dinners as arranged by Tauck; shore excursions and sightseeing; standard luggage handling; services of ship crew and local guides. Meals are included as specified. All appropriate gratuities for luggage handling, bellmen, doormen, dining room servers and local guides are included. On-tour airfare is included in the tour cost when flights are part of the trip, as indicated on the tour itinerary. Tauck Director and driver gratuities are included for cruises and Tauck Bridges family trips.

Hotel & Ship Accommodations: Tauck's per person price is based on double occupancy. Hotel rooms with two beds are usually reserved for doubles. The price for rooms / cabins occupied by one person

is higher than those when two or more people share the cost of a room. Triples usually have two beds (not recommended for comfort). Aboard ships, triples may not be available or may include a sofa or upper berth.

Luggage Handling & Restrictions: Normal luggage handling is included in the tour cost. Due to space restrictions on on-tour-transportation, we ask that you please limit your checked luggage to one suitcase per person weighing no more than 50 lbs. Allowances and restrictions for checked and carry-on luggage vary across airlines, so we urge you to verify your airline's current number of items, size and weight limits to avoid overage fees, which can be expensive. Tauck cannot be held liable for additional fees or inconveniences imposed by your airline.

Not Included in Price

The tour price does not include your airfare and related taxes to the tour departure point and from the tour ending point. As a service, Tauck will make hotel reservations before or after your trip on a space available basis upon request. These hotel charges will be added to your tour cost. Personal Expenses such as phone calls, room service, alcoholic and bar beverages, laundry, airline excess luggage charges (as noted above) and other optional incidental extras are not included.

Luggage Responsibility

Although every effort is made to handle guests' luggage carefully, we cannot be responsible for loss or damaged luggage and personal effects due to breakage, theft, or fair wear and tear through hotel, airline and ground transportation handling. It is important to have adequate insurance to cover these eventualities. See Tauck's "Guest or Cruise Protection."

Before You Go

Itinerary Changes & Price Flexibility: Tauck will make every effort to operate all tours as published. Tauck reserves the right to alter or curtail the itinerary, or substitute sightseeing, ports, hotels, and / or conveyances as deemed necessary. Any savings realized by these changes will be refunded to guests. Any added expense will be covered by Tauck. Although not expected, prices in this brochure may be modified due to errors or unexpected factors not anticipated at the time of printing.

Transportation Security: The Transportation Security Administration requires all passengers to provide their name, date of birth and gender when making all airline reservations. Travelers must provide their passport number and date of birth as they appear on their passport or government-issued ID to Tauck at time of booking for all cruises. Tauck must provide this information to the cruise operator before departure or you may be denied boarding.

Passports and Visas: For international travel, US citizens require a passport valid for at least 6 months beyond your return flight date. Non-US citizens should contact their booking agent or appropriate consulate for information on all required documents.

Vaccinations: Please check with a travel medical specialist or local health department for specific recommendations and / or requirements for immuniza-

tions. Please note that because there is no way to eliminate all possible risks while traveling with Tauck, we cannot assume liability in the unlikely event you become ill on tour.

Health and Safety: Please consult your physician for pre-departure health advice. Tauck regrets that it cannot provide special assistance for walking, wheelchairs, motorized scooters, dining or other personal needs. Guests needing such assistance must be accompanied by an able companion who will assist them. We regret that some itineraries cannot accommodate wheelchairs or motorized scooters.

Tauck reserves the right to terminate the journey of any person who has a health condition that creates a hazard to other guests, is abusive of others or whose behavior is disruptive. Tauck will make no refund and will accept no liability for persons who must leave the trip.

Shore Excursion Selection: Tauck will contact guests and travel advisors 90 days prior to departure for shore excursion selections when applicable (included in the price but subject to availability). Shore excursion selections can be made 90 days before departure directly on My Account at tauck.com.

Photography and Video on Tour: Occasionally, Tauck will use photographs and / or video taken on tour by fellow guests, your Tauck Director or professional photographers for use in print, Internet and other promotional purposes. If you prefer that your image not be used in any marketing activities, notify your Tauck Director at the start of your tour.

Airline Reservation Services

International airfare may be purchased through Tauck for travel originating in the United States, Canada and Australia. By using Tauck's air services, you agree that Tauck, in purchasing, selling or otherwise arranging air transportation, is acting only as your agent with air carriers, who are independent contractors. Tauck is not liable or responsible for any accident, death, personal injury, illness, property damage, delay or other loss or expense of any nature whatsoever arising directly or indirectly out of any act of God, or any actions or omissions (including any failure to provide services) or default of, any carrier. Your airline ticket purchased through Tauck constitutes a contract between yourself and the airline. Tauck is not liable for, and does not assume responsibility or accept claims with regard to: seat assignments, name changes, schedule changes, flight changes, missed connections, cancellations, claims for a refund or reimbursement of airline ticket fees, or any other loss or expense incurred by you for any reason whatsoever. Tauck must handle ticketing for Tauck's special fares, which are subject to availability and cannot be guaranteed until reserved. Special fares cannot be combined with any other promotional offer. Tauck's air services must be purchased in conjunction with a Tauck tour. Electronic ticket numbers will be provided with final documents. Should you cancel or change your flights before or after departure, all airline cancellation and change fees will apply. It is the guest's responsibility to confirm all departures 24 hours in advance and to be aware of any changes by the carrier.

How to Make a Reservation

See your travel advisor, or call Tauck at 800-468-2825 to make a reservation.

Payment Due Dates and Amount: To hold space up to time of "Final Payment," a non-refundable and non-transferable deposit for each tour booked must be received by the "Deposit Due Date" or your space is automatically released.

USD \$900 / CAD \$1,100 per person – European river cruises

Final Payment is due to Tauck 120 days before departure for river cruises. If your deposit was made by credit card, final payment will be automatic unless you opted out at time of booking. Bookings without full payment at this time may be subject to cancellation without notice. Failure to make payment will be considered a cancellation by the guest and all applicable cancellation fees will apply.

Personal Travel Documents: Approximately 60 days before departure, and after receipt of final payment, your travel documents will be sent electronically; they will include electronic airline ticket numbers (when applicable), joining instructions, hotel lists, a reading list, clothing suggestions, trip itinerary, and other pertinent information.

Extreme Circumstances: In the event of an act of God, war (declared or undeclared), terrorism, accident, natural disaster, outbreak of disease, pandemic, quarantine, decisions by governments, or other similar event or circumstance beyond Tauck's control, Tauck reserves the right to issue a credit to you in lieu of a money-back refund, applicable to a future Tauck journey.

TAUCK Cruise Protection

Under Tauck's *Cruise Protection* plan, you will receive the following:

Cancellation Fee Waiver: Should you have to cancel your trip for any reason, Tauck's Cancellation Fee Waiver reduces the regular cancellation fees outlined herein, provided we are notified of cancellation before your trip departs. Certain terms and restrictions apply.

Travel Insurance Benefits: Underwritten by United States Fire Insurance Company. Should you have to cancel your trip due to illness, injury, death or other covered reasons, any cancellation or airline penalties not refunded by Tauck under the Cancellation Fee Waiver may be reimbursable under Trip Cancellation. This Protection also provides benefits for:

- **Trip Interruption** - If you have to interrupt your tour for covered reasons, the plan provides reimbursement to catch up to your tour or return home.
- **Travel Delay** - Provides reimbursement for missed, prepaid Tauck travel arrangements if you are delayed by a common carrier, natural disaster, unannounced strike, or other reasons as cited in the certificate.
- **Medical Expense** - Reimburses covered medical expenses incurred in the event you become injured or sick during your trip.

- **Baggage / Personal Effects Protection** - Provides reimbursement in the event your luggage or personal effects are lost, stolen, damaged or delayed during your trip.

- **Worldwide Emergency Assistance Services** - Provided by Carefree Travel Assistance 24-hour emergency telephone assistance hotline for medical and travel-related problems.

Costs of Tauck's *Cruise Protection* are as follows:

USD \$659 / CAD \$849 per person – Tauck Bridges family river cruises

USD \$799 / CAD \$995 per person – European river cruises

Tauck's optional *Cruise Protection* must be requested at time of booking and the fee must be included in initial payment. Fees are based on costs as of July 2023 and are subject to change. The amount of any refund shall be reduced by any recoveries obtained by you from any third parties. Travel agent commissions are not covered under these plans.

The protection plans discussed above provide insurance coverage that applies only during the covered trip. You may have coverage from other sources that provides you with similar benefits but may be subject to different restrictions depending upon your other coverages. You may wish to compare the terms of this policy with your existing life, health, home and automobile policies. If you have any questions about your current coverage, call your insurance agent. Should you choose to travel without *Cruise Protection*, or other adequate travel protection coverage, we will not be liable to you for any loss that such travel protection would have covered.

If You Have to Cancel

Cancellation Fees: Regardless of reason, cancellations of confirmed bookings result in costly penalties and fees from hotels, ship operators and other travel providers. Therefore, the fees listed below will apply:

With Cruise Protection - Guests choosing to purchase Tauck's *Cruise Protection* will incur cancellation penalties as follows:

- 120 days or more before departure: Loss of *Cruise Protection* fee per person
- 119–60 days before departure: Loss of 25% of cost of tour per person, not including air (if applicable), plus loss of *Cruise Protection* fee
- 59–1 day before departure: Loss of 50% of cost of cruise per person, not including air (if applicable), plus loss of *Cruise Protection* fee

Without Cruise Protection - Guests choosing not to purchase Tauck's *Cruise Protection* will incur cancellation penalties as follows:

- 120 days or more before departure: Loss of deposit, per person
- 119–60 days before departure: Loss of 50% of tour cost, not including air (if applicable) per person
- 59–1 day before departure: Loss of 100% of tour cost, not including air (if applicable) per person

Time of cancellation is when notice is received by Tauck.

In the event of an unforeseen circumstance beyond our control, Tauck reserves the right to amend the *Protection* plans and cancellation terms outlined herein.

Tour Interruption Fees: If you have to interrupt your tour en route, you may be entitled to a refund for the unused land portion if it exceeds 24 hours; certain restrictions apply. Such refunds are based upon the number of overnights missed less a fee of \$40 USD per person per day for unused transportation and other fixed expenses.

Partial Room Cancellation: A person who cancels or leaves a tour while a roommate remains constitutes a cancellation of one type of accommodation and rebooking of another type of accommodation. The price charged to the remaining person is the new, higher price for the new accommodation.
