Tall Ship Cruises That Dreams Are Made Of

Ocean Crossings | Caribbean | Central America

I am delighted to unveil our winter 2026/27 sailing schedule, featuring brand new itineraries alongside returning favourites.

From sublime harbours framed by nodding fishing boats, beautiful bays

accented with hidden coves and luscious landscapes rich with wildlife, our idyllic destinations are a welcome escape

Star Clipper makes her inaugural departure from Oranjestad, Aruba, where vibrant charm and mellow calm combine to offer a perfect pre-cruise destination. Explore the Dutch Colonial architecture of downtown Oranjestad, where the striking Willem III Tower offers panoramic views of the town whilst combining a historical and immersive deep-dive. Watch the colourful coastline's urban yet story-filled structures slowly melt into the horizon as you set sail, beginning a unique 10-night adventure to Grenada.

For the first time, Star Clipper will offer multiple roundtrip sailings from Antigua, giving a new perspective on our ever-popular routes that allow guests to experience the best of the British Virgin Islands and surrounding islets. Departing from the metropolitan and colourful hub of St John's, typical Caribbean charm fills the air as guests prepare for their exciting sailing visiting unique and unexplored gems of the Caribbean. The island's ideal wind conditions make it a prime destination for sailing enthusiasts and ensures your tall-ship experience can begin with the authenticity it will continue with.

Throughout the four new and differing 7-night sailings departing from St John's in March 2027, Star Clipper will sail towards Gustavia, St Barts before gliding onwards to small and intimate harbours on islands such as St Kitts, Martinique, Guadeloupe, Tortola and Virgin Gorda.

Back for the winter 2026/27 season, Royal Clipper – the world's largest tall-ship in service – returns to Bridgetown, Barbados, to resume her Windward and Grenadine Island routes. Offering guests the opportunity to swim from the ship's Marina Platform in destinations such as St Lucia's Rodney Bay, whilst marvelling at the towering Pitons is an opportunity not to be missed. Our ever-popular Panama Canal sailings also return – an incredible, once-in-a-lifetime experience!

We look forward to welcoming you on board in winter 2026/27.
