who lived through the 1992-1996 conflict, brings to life in touching fashion the struggles the citizens of Sarajevo faced during the siege of the city. Following Sarajevo, this afternoon we travel onto the historic city of Mostar by coach, the crossroads of many civilizations, cultures and three religions. Mostar was one of the most important cities of the Ottoman Empire. The town's renowned stone arch bridge linking the Christian and Muslim areas was re-built in the summer of 2004.
