GENERAL INFORMATION

- Please note: In order to guarantee a comfortable flow of play for all golfers, we have determined a basic speed, which is sufficient for a playing time of four and a half to five hours on foot (covering 18 holes with a trolley).
- Due to tournaments or renovations, etc. at the various golf clubs, our Golf & Cruise programme is subject to change at short notice.
- Golf & Cruise voyages allow all players with a handicap index of -36 or better to play on courses all over the world. Exceptions are possible at some golf clubs; please refer to the cruise pages at hl-cruises.com/golf.
- Additional courses can only be booked in conjunction with the basic package.
- The reservation of e-carts cannot always be guaranteed due to local availability. You may, therefore, have to play and walk just with trolleys – possibly even on hilly courses. Please consider this when planning or booking your Golf & Cruise package.
- Halfway refreshments are always ordered via the respective golf club; we have no influence on the quality of the snacks. We kindly ask for your understanding.
- When booking a Golf & Cruise package and flights through Hapag-Lloyd Cruises, we will register your golf equipment directly with the airlines – when possible and required. The fees for travelling with golf equipment are based on the regulations of the relevant airline. In your travel documents, which you will receive about four weeks prior to departure, you will find relevant information about this. If you book your own flights, please remember to register your golf equipment. Minimum number of participants for basic package: twelve people. Minimum number of participants for additional courses: ten people.
- Rental clubs for right-handed and left-handed players are available on board, subject to a surcharge.
- Individual golf reservations are available on request. Golf a la carte includes reservations for desired tee times (handling fee of € 50 per course) as well as transfers and guides. Hapag-Lloyd Cruises is only an intermediary – in the event of a cancellation, there will be no refund for golf services. With regard to transfers or guides, the Cancellation Terms and Conditions apply, in accordance with clause 9 of the Hapag-Lloyd Cruises Terms and Conditions of Travel.
- If you would like to arrange a group reservation for your local golf club, please contact us via service@hl-cruises.com
- If the minimum number of participants is not reached, cancellation will occur no later than eight weeks prior to cruise departure.

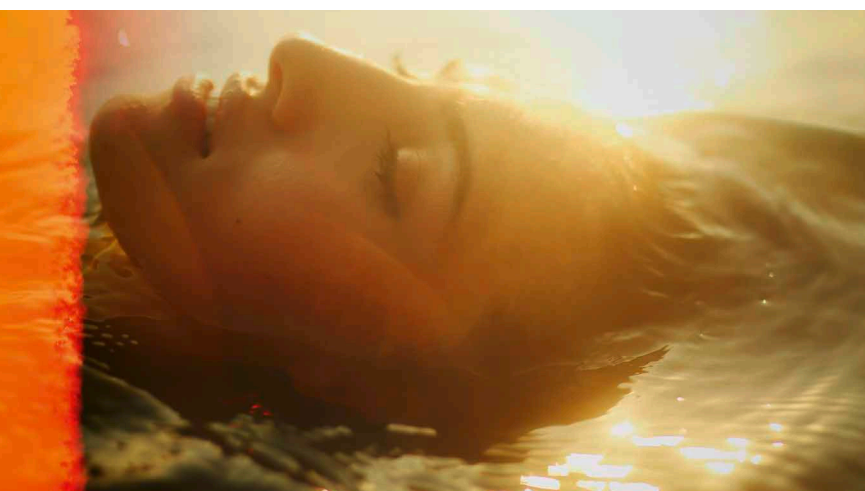

ADDITIONAL TERMS AND CONDITIONS OF GOLF & CRUISE VOYAGES: CANCELLATION BY THE TRAVELLER

For the cancellation of a basic package or additional golf courses prior to departure, clause 9, 1 – 5, of the Hapag-Lloyd Cruises Terms and Conditions of Travel apply. For the cancellation of a basic package or additional courses after the departure of a cruise, or in the event of a no-show, a flat-rate compensation of 95 % of the price for a basic package or an additional course must be paid. The traveller has the right to prove to Hapag-Lloyd Cruises that damage has not occurred or that this is considerably lower than the all-inclusive price. This rule also applies to cancellations due to illness. There are no refunds for cancellation due to weather conditions. Separate cancellation of individual courses within the basic package is not possible.
