CroisiEurope takes you away for so much less yet offers so much more

As an independent, family-owned business, we are able to provide great value for money as we handle the entire operation from beginning to end: from the design and building of our ships and fleet maintenance, to creating cruise itineraries, sales and marketing and highly trained staff and crew.

This gives us the ability to manage our costs carefully and allows us to provide you with exceptional value for money.

Additionally, we concentrate on things that matter most: friendly and knowledgeable staff, well-appointed, comfortable cabins, reliable and safe ships, excellent food, incredible itineraries and a delightful experience of European culture.

Each member of our crew is a highly trained professional with a passion for what they do and a commitment to excellence.

Inspired itineraries include iconic favourites, fascinating excursions with knowledgeable guides, as well as an opportunity to explore lesser known places and immerse yourself in local culture. While most of our sightseeing tours show you the must-see sights, we also offer options for our active guests.

Providing exceptional dining is our passion. Our head chef Alain Bohn, a long-time member of La Chaîne des Rôtisseurs and Maîtres Cuisiniers de France, and our onboard culinary team strive to tempt your taste buds with classical favourites and local delicacies paired with a generous selection of wines from each region the ships are sailing through.

Our cruise managers and on-board hosts take care of every detail.

A classical string quartet could come aboard in Germany, or an entrancing fado singer in Portugal. Or simply do nothing except relax to some light music in the lounge; there's never an obligation to join in.

Our cruises offer excellent value and include so much in the price:

Life on Board & Cuisine

QUALITY CUISINE, ACCLAIMED BY OUR PASSENGERS

Respect for French culinary traditions is one of our company's strengths. The meals are designed by the company's Head Chef, Alain Bohn, a member of the *Maitres Cuisiniers de France* association, which includes only 250 chefs worldwide, and of the *Chaîne des Rotisseurs*, and Martial Diffor, who joined the CroisiEurope team, after working in the kitchens of 3-star Michelin restaurants and luxury liners in Europe and around the world.

Together with Christophe Kuhn, Deputy Head Chef, and the team of chefs, they design each menu in the pure tradition of French gastronomy, while bringing out the local tastes and flavours of the regions and countries we travel through. Our wines are selected to accompany each of your meals. We adapt our menus and offer alternatives to passengers with special dietary requirements.

From time to time, CroisiEurope teams up with top chefs such as Marc Haerberlin or Maison Paul Bocuse to organise gastronomic cruises that are full of taste and flavour.

CHRISTOPHE KUHN, MARTIAL DIFFOR AND ALAIN BOHN

After dinner, retire to your private cabin in comfort for the night: all our tastefully decorated cabins are equipped with air conditioning, central heating, shower /toilets, satellite TV, safe, hairdryer— each providing a view of the river. Some cabins have French balconies or private terraces.

Our fleet of Premium ships offer additional comfort providing more space in the cabins.

In order to satisfy the requests of our passengers, we offer a choice of 3 cabin categories:

Category A: premium location

Category B: intermediate location

Category C: standard location and cabin may be slightly smaller in size

This concerns all our ships except the canal barges, the ocean ship "La Belle des Océans" and the fleet of exotic river ships.

Meals

Your day will start with an impressive self-served buffet breakfast in the onboard restaurant, which may include pastries, coffee, tea, juice, breads, jams and jellies, a variety of sausages and cold cuts, eggs, fresh fruit and yogurt.

Lunch and dinner are 3-course sit down meals prepared by our chefs. We serve a menu of local specialties, prepared on a daily basis from fresh ingredients. Both lunch and dinner meals are paired with excellent complimentary wines. We do provide vegetarian meals as well as meals for people with food allergies or special dietary requirements.

Dress code

We want you to feel relaxed and comfortable at all times, including dinnertime. Smart casual works for us, with no dinner jacket required.

Want to relax: choose between lounge bar & sun deck

Why not enjoy one of our lounges? A good place to spend time socializing indoors with friends or family, or enjoy some entertainment. On board our 3-deck ships, the piano bar is the ideal place to enjoy a cocktail, choose a book from the library, listen to or play the piano.

The sun deck offers a panoramic view of the landscape's beauty as you cruise and sun loungers are available to enjoy this view. On some ships, a swimming pool or a jacuzzi are also at your disposal to relax.

Service & languages

We have a dedicated and knowledgeable staff of more than 1,300 people, whose conviviality, attentiveness and professionalism ensure that your voyage will be comfortable and pleasurable. Our staff and crews speak French, English and many of them speak other major European languages as well.

Gratuity

Tipping customs vary from country to country and culture to culture, and we understand that tipping is a way for passengers to show appreciation for services, quality and attention received during the cruise. To leave a tip, please use the envelope found in your cabin your last evening on board, and place this envelope in the specially designated box in the reception area as you disembark with the understanding that tipping is entirely at your discretion*.

* Apart from some of our cruises on the exotic rivers for which tips are already included. Please contact us.

Note: Certain features may vary based on ship and destination.

A variety of excursions, included or to choose from

We offer a programme of excursions to enrich each itinerary. These are carefully selected to reflect the cultures and traditions of the regions or countries visited.

“CLASSIC” EXCURSIONS

The “Classic” excursions combine culture, architecture and history.

“DISCOVERY” EXCURSIONS

The “Discovery” excursions offer unusual visits, the offbeat, as well as tastings of local products.

Make your own selection of excursions

In order to offer our customers a wider choice, with the possibility of mixing and matching “Classic” and “Discovery” excursions, it is possible to customize the selection of excursions to suit your needs, with the added advantage of a sliding-scale price according to the number of excursions you book.

MEMBERS OF

Taking care of our environment

CroisiEurope's longstanding environmental position focuses on nature as our most valuable asset. This commitment is an integral part of the company's culture through a series of concrete actions both within our company and on board our ships.

Find out the latest measures taken by CroisiEurope in the field of environmental protection in order to comply with the requirements of the CDNI (Convention on the Collection, Deposit and Reception of Waste by Inland and Rhine Navigation) for navigation on the Rhine, which CroisiEurope has decided to implement on all its rivers.

After conclusive tests carried out on the Seine River with our partner AS Energy, **our ships now use GTL fuel**. Gas-to-Liquid fuels combust more uniformly and result in lower emissions

Here are other environmental initiatives we would like to share with you:

- Installation of **water-saving devices** on our ships that reduce freshwater consumption by 35% and, as a consequence, the amount of wastewater produced.
- Installation of on-board **water fountains** that filter public water and transform it into high-quality drinking water, saving 30 tonnes of plastic a year.
- Installation of **drainage systems** on all our ships. The entire CroisiEurope fleet is equipped with an on-board water treatment system to protect the environment in the event of accidental discharge of waste water into a river.
- **Installation of a waste water recipient** connected directly to the city sewer system at the CroisiEurope dock.

- Re-engining of the MS Monet in 2025 with **new state-of-the-art engines and generators**, meeting **Green Award criteria**.
- All of our ship engines (**Green Ship Label**) respect the strictest European standards against pollution to help reduce greenhouse gas emissions.
- The latest onboard technology helps **limit fuel consumption** when cruising.
- **Ships with dimensions optimized for the environment** Our ships, measuring 110 metres in length (compared to an average of 135 metres for other operators), offer improved energy efficiency during navigation. This lighter, more agile design significantly reduces fuel consumption and contributes directly to more environmentally-friendly sailing. This advantage is especially noticeable in our paddle-wheel ships, known for their low energy impact.
- We have insulated the ventilation in our engine rooms to **reduce noise pollution**

- For the **replacement of bath towels**, we are trying to raise our passengers' awareness using written messages and announcements.
- CroisiEurope follows the criteria outlined by **Imprim'Vert** in regards to **environmentally friendly printing**. All of the documents printed at our company is done so with **vegetable-based inks on unbleached paper**.
- Our company has signed the metropolitan charter **Working together for greater biodiversity** for the ecological management of green spaces at its river port.

- At ports, we systematically connect to **power supply terminals** (Powerlock connectors) whenever possible, and for our own docks, we are investing in these newer installations. In addition, most of our ships are equipped with **energy-efficient electrical devices**.
- In winter, our ships are moored at river **ports with electrical terminals** that power the vessels, which helps reduce noise and pollution.
- In Paris, we are providing excursions on **electric buses** that are quieter and pollute less, to everyone's advantage.

- All of **our waste is sorted and compacted** on board before being **recycled**.
- All food waste and biowaste is collected and **converted into biogas** by specialist companies.
- **Used engine oil is collected and transformed** by onshore specialists.
- We use **biodegradable and environmentally friendly cleaning products**.
- **Exterior paints contain no pollutants**.
- Plastic straws and cups have been replaced by **biodegradable paper**.

- Our company is affiliated with **E2F, Entreprises Fluviales de France** which brings together players in our sector to orchestrate collective actions regarding the immense challenges that lie ahead.
- Six ships from our Rhine and Danube fleet have been awarded the **Green Award label**.
- Our company applies the **unified charter covering the commitments of cruise lines sailing in Mediterranean waters**.

Enjoy a tour of this majestic castle and its grounds. We'll then continue on to Chenonceau, stopping for lunch in a local restaurant. Our afternoon will be spent visiting the Château de Chenonceau. CHÂTEAUX OF THE LOIRE VALLEY

LENGTH: 11 hours • OFFERED

We'll leave by coach for the Azay-le-Rideau Château. Built on a small island in the middle of the Indre River, the château as it is seen today was built under Francis I by Gilles

Berthelot, a wealthy financier who wanted to incorporate its medieval past alongside the latest architectural styles of the Italian renaissance. This château is a French national monument and possesses all the refinement found in the French Renaissance. We'll continue to Villandry for lunch. After lunch we'll visit the Château de Villandry. Through its furniture, décor, and ambiance, it stands as a living testimony to French heritage. When Jean Le Breton acquired the Villandry estate, the building was a medieval fortress. The defensive architecture was softened, opened to the outside, and enriched with Renaissance decorative elements. In the 18th century, the Marquis de Castellane settled in Villandry, undertaking extensive renovations to transform the building into a comfortable, warm, and luminous residence, characteristic of the art of living of that era. Joachim Carvalho and Ann Coleman saved the estate, which had fallen into disrepair by the late 19th century, and launched a restoration campaign to return it to its Renaissance state. Henri Carvalho, the current owner of Villandry, continues his ancestors' legacy by balancing the preservation of this unique heritage with enhancing the estate for the enjoyment of visitors.

We'll begin our visit with the Escal'Atlantique, which ingeniously retraces the history of Norman and French ocean liners through a unique experience. Then we'll continue on to the Saint-Nazaire shipyard, one of the largest and well-renowned in Europe. Once the birthplace of the most outstanding French transatlantic liners, today it is the construction site for elegant cruise ships. While following a tour especially designed to better understand the complexity of constructing these truly modern floating palaces, you'll discover the immensity of this site (267 acres), the stunning logistics, and the advanced technology required to build the ships.

Each passenger will be asked to produce a valid passport in order to gain access to the shipyard.

CLASSIC EXCURSIONS

ALABASTER COAST

LENGTH: 4 hours • From £ 82/pp

Leave Honfleur by coach for the excursion to the Alabaster Coast, classified as a Natura 2000 site since 2009. This trip will be your chance to discover the natural heritage of the Pays de Caux and the Seine estuary. We will pass by Le Havre. The high cliffs of white chalk and stone beaches were popularised by the paintings of Claude Monet. The suspended valleys of the little coastal rivers, the Normandy bridge and Etretat, sights not to be missed bordering a coast that you will see in a fresh light after this trip. Marvel at the beauty of the Alabaster Coast and the diversity of its plant and animal life. Stop at Etretat. Once a fishing village, Etretat transformed itself into a seaside resort in the 19th century and became a place of inspiration for artists (Gustave Courbet, Eugène Boudin and Claude Monet), writers (Gustave Flaubert and Guy de Maupassant, Maurice Leblanc) and famous people (J. Michelet, F. Faure, the Queens of Spain, J. Bonaparte...). Etretat was the holiday spot of numerous famous opera composers and singers of the 19th century who had villas there or stayed there regularly in a comic-opera decor. The town has several remarkable chateaux, manor houses and villas, such as the Manoir de la Salamandre (a house admired by tourists and located in the main street near the hall). The Clos

Lupin and the Château des Aygues which were the seaside residences of the Spanish queens Maria Christina of the Two Sicilies and Isabel II. Return by coach to Honfleur.

CAUDEBEC-EN-CAUX AND MUSÉOSEINE

LENGTH : 4 hours • From £ 27/pp

Depart on foot to explore the charming town of Caudebec-en-Caux and its historic centre. You will be captivated by its picturesque streets, lined with half-timbered houses and quaint shops that evoke its medieval past. Be amazed by the Church of Notre-Dame, a masterpiece of flamboyant Gothic architecture from the 15th and 16th centuries. Miraculously preserved, it stands out for its exceptional stained-glass windows, which were removed for restoration in 1940 and thus saved from wartime destruction. Its spectacular rose window and exquisite sculptures make it a true gem of Normandy's heritage. Continue your discovery at MuséoSeine, an interactive museum that will immerse you in the fascinating history of the river and the life that has flourished along its banks. Models, exhibitions, and captivating narratives will take you on a journey through time, exploring the Seine from various angles: its geology, economic role, and artistic influence. Many painters, including Monet and his contemporaries, captured its ever-changing landscapes, drawn by the unique light that bathes its shores.

This immersive visit offers a blend of history and art, unfolding along the water's edge. Return on foot to the boat.

CHÂTEAU DE FONTAINEBLEAU

LENGTH : 4 hours • From £ 86/pp

Join us on a guided tour of Fontainebleau for a look at its historic château, gorgeous town squares, lavish theatre, and magnificent church. This tour reveals the secrets and anecdotes of times gone by. We'll then visit the castle and its vast estate, the veritable stomping grounds for French sovereigns for over eight centuries. The gardens themselves are a work of art that evokes that glory of royal France. After our tour, we will return on board the ship.

CHÂTEAU DE MALMAISON

LENGTH: 3 hours • From £ 68/pp

Guided tour of the Château de Malmaison. Built in the 17th century, Joséphine de Beauharnais acquired this castle in 1779. In 1800, it became the headquarters of the government and a conference room. The library restores the industrious atmosphere by which Bonaparte enjoyed to be surrounded. The council room is shaped like a military tent where receptions, dances and countrystyle games took place. The musical lounge offers Josephine's "troubadour" paintings and her wellknown harp for visitors to admire. Here, many paintings from these times

are on display. After her divorce in 1809, Joséphine continued to live in her house, where she died in 1814. The Napoleonic museum was inaugurated in 1906; it is furnished, decorated and adorned with the paintings that Joséphine bought and loved. The charm and authenticity that have been preserved in this castle will certainly delight you. Return on board.

CHÂTEAU DE VERSAILLES

LENGTH: 4 hours • From £ 103/pp

Departure by coach in the company of your hostess for a visit to the Château de Versailles. Listed as a World Heritage Site for thirty years, the Château de Versailles is considered to be one of the finest achievements of French art from the 17th century. Louis XIII's former hunting lodge was transformed and enlarged by his son Louis XIV, who fixed the Court and government of France here in 1682. Until the French Revolution, one king followed another, each embellishing the Château in his turn. When you arrive, your guide will take you through the King's Grand Apartment. These seven successive rooms were intended to serve as a Parade Apartment, that is to say for the sovereign's official business. This is why it was decorated with the most splendid riches and based on the model of Italian palaces of the time. During daytime, it was open to all, French and foreigners, who came to see the king, and it was reserved for the Court three evenings a week. Afterwards, you'll go through the Hall of Mirrors, known in the 17th century as the "Great Gallery" and which was where courtesans would wait, meet or just pass through every day. This 75m-long, 10m-wide and 12m-high hall was designed by Mansart in. The principal feature of this hall is the seventeen mirror-clad arches that reflect the seventeen arcaded windows that overlook the gardens. Your tour will end with a visit to the Queen's Apartments, where the Queen would host the ladies of the Court when she rose in the morning and granted private audiences. After visiting the Château, you will still have a little free time to discover the fabulous formal French gardens created by André Le Nôtre for Louis XIV. Return on board by coach.

CLAUDE MONET FOUNDATION IN GIVERNY

LENGTH: 3.5 hours • From £ 55/pp

We'll leave by coach for the Claude Monet Foundation in Giverny (Monet's house between 1883 and 1926) where you'll discover the famous garden with its riot of flowers as well as Monet's private collection of Japanese prints. Inside, Monet's particular taste for warm tones will strike you. You'll also get to see some painting reproductions in the workshop.

CÔTE FLEURIE

LENGTH: 4 hours • From £ 82/pp

We'll depart by coach with our guide, first stopping in Deauville, the most glamorous coastal French city. Enjoy a stroll along the beach and discover the facade of the famous casino, one of the nicest in Europe. We'll then set off for the Château du Breuil, one of the most beautiful examples of the architectural heritage of this region. Today, it is also home to a prestigious distillery where you will get the chance to discover the various steps to making Calvados before tasting* it.

HONFLEUR

LENGTH: 1.5 hours • From £ 23/pp

Honfleur, the cradle of Impressionism, is located at the mouth of the Seine as it flows into the English Channel. Untouched

by the passage of time, this small port has kept the landmarks of its rich past, making it today one of the most visited towns in France. During our guided tour, we'll get to see landmarks such as the Vieux Bassin, Saint Catherine's Church.

LANDING BEACHES

MUST BE BOOKED IN ADVANCE THROUGH YOUR TRAVEL AGENCY

LENGTH: 10 hours • From £ 148/pp

We'll leave by coach for a day trip (lunch included) to the landing beaches. Arrival at Pointe du Hoc, the scene of one of the landings on June 6, 1944. We'll then pass through Omaha Beach, Colleville sur Mer and its American cemetery. After lunch, we'll continue to Arromanches and stop at Arromanches 360° where you'll be able to watch a film in its circular room. The Price of Liberty combines archived footage filmed in June 1944 by war correspondents with current shots on the same site. We'll get back to Honfleur via Gold Beach, Juno Beach and Sword Beach.

LA ROCHE-GUYON AND ITS CASTLE

LENGTH : 3 hours • From £ 32/pp

Depart on foot from the boat for an exploration of La Roche-Guyon and its château. Nestled between the banks of the Seine and an imposing chalk cliff, La Roche-Guyon is ranked among the most beautiful villages in France. Your visit will begin with the discovery of its château, an architectural masterpiece blending medieval and classical styles. The fortified tower, perched atop the cliff, offers a breathtaking panoramic view of the surrounding valley. You will then explore the château's historic rooms, each bearing witness to its rich past, before strolling through the magnificent French-style gardens designed by André Le Nôtre. Our tour will take us past the Roman Amphitheatre (the "Arènes"), the Ancient Roman Theatre and the Place St Trophime with its cloister and church. ARLES, FOLLOWING THE FOOTSTEPS OF VAN GOGH

LENGTH: 2 hours • included

We'll leave on foot for a guided tour of Arles following the footsteps of Vincent Van Gogh. Arles is an ancient Roman city whose ruins are second only to Rome and include the Antique Theater, Amphitheater, Thermes of Constantine, and the Alysamps. Arles is also an important stop along the Way of St. James. Vincent Van Gogh came to Arles to escape the gray winter in Paris and the indifference he felt within the artistic milieu there. He arrived in Arles on February 20, 1888, and immediately began to produce his most prolific number of works in his career: more than 300 paintings and drawings within an 18-month period. Van Gogh crisscrossed the city and its surroundings to paint the landscapes, people, and scenes as he interpreted them. Everything around him served as inspiration for his canvases. Our tour will retrace his steps to the different sites where he set up his easel, such as the Place du Forum, the Quai du Rhône, and Place Lamartine. Panels at each stop compare his painting and the actual scene as it appears today. After some free time on your own, we'll return to the ship.

AVIGNON AND THE PAPAL PALACE

**LENGTH: 3 hours
From £ 33/pp or INCLUDED**

We'll set out on foot with our guide for the center of Avignon, first stopping at the Place de l'Horloge. This square has

always been the beating heart of the city as revealed by the remains of the Roman forum, still visible amidst the numerous cafés and restaurants that have since taken up its former social function. We'll continue on to the Place du Palais for our visit to the Papal Palace, the most important monument in the city. The two parts that make up the Palace were built by Pope Benedict XII and his successor Pope Clement VI. Our visit will take you through the staterooms where numerous ceremonies and feasts took place, the chapels, the Pope's private apartments and the terraces which offer a wonderful panorama on Avignon and the Rhône River.

BAUX-DE-PROVENCE

LENGTH: 4 hours • From £ 53/pp

Discover the Baux-de-Provence, one of the most beautiful villages in France. Located at the heart of the Alpilles on a rocky plateau, the village overlooks breathtaking landscapes over Arles, the Camargue and the Alpilles. This gorgeous and impressive stone fortress is definitely a must-see.

Departure by coach to discover the Beaujolais vineyards extending on 22,500 ha. We will pass through charming little wine-growing villages before reaching Romanèche-Thorins for a visit to the "Hameau Dubœuf", a unique museum in Europe containing a collection of old and rare objects from over 2,000 years of wine-growing history. We'll learn about the current wine-making and vine-growing processes when visiting the wine storehouse where the wines are left to age in oak barrels. In the midst of the Beaujolais vineyards, we will discover the skills of the winemakers through exhibitions, automated puppet theaters and 3-D films. Afterwards, immerse yourself in fine aromas and delightful scents during a walk through the surprising gardens of "œnoparc", a true haven for wine-lovers spread out on 30,000 m² and 25 exhibition halls. Before leaving the "Hameau Dubœuf", we will, of course, enjoy a tasting* of some of the region's wines.

BEAUNE

LENGTH: 4 hours • INCLUDED

As we travel through the outlying hills of Beaune, we'll cross through several well-

known wine appellations: Pommard (once appreciated by Henri IV and Louis XV), Puligny, Montrachet, and many others. When we arrive in Beaune, we'll first visit the famous hospice, founded by Chancellor Nicolas Rolin during the extreme poverty and plague that hit the region in 1443. It remained a working hospital overseen by the Holy See up through the 20th century, with the daily activities run by nuns known as Les Soeurs Hospitalières. Now a museum, it contains over 5,000 objects, including a dazzling polyptych altarpiece of The Last Judgment by Rogier van der Weyden. Its church was the largest in all of West Christianity until the construction of Saint Peter's basilica in Rome. In 1798, the abbey was sold as a national asset and thus dismantled, while its church was almost completely destroyed. Today, you can still admire their vestiges which bear witness to the past splendour of Cluny.

We'll move on towards Vassieux-en-Vercors, La Chapelle-en-Vercors and Pont-en-Royans where you'll get to see the suspended houses, whose daring architecture dates as far back as the perched village itself, built in the 15th century. Last, we'll drive through Romans-sur-Isère well known for its shoe industry.

VIENNE

LENGTH: 2 hours • From £ 18/pp

Our guided walking tour of Vienne will allow us to discover a Roman city rich in vestiges. The history of Vienne goes back more than 2,000 years. The city is indivisible from the Rhône River and the surrounding hills. The Allobrogi people are thought to have made it their capital, but it was in the Roman era that the city began to prosper on both banks. You will see the Antique Theatre, built roughly between 40 and 50 AD, it is considered one of the largest in the Roman Empire, with its 130m-diameter and 13,000-spectator capacity. Restored in 1938, it was returned to its original function and is now a venue for artistic events. The tour will continue with the Temple of Augustus and Livia (exteriors only). This temple dedicated to Rome and Augustus stood in a sacred area on the forum and has carried this name since the end of the 18th century. Its construction began about 20-10 BC; it was later transformed at the beginning of the Middle Ages into a church, and was finally restored in the second half of the 19th century thanks to the intervention of Prosper Mérimée. The town of Château-Thierry has preserved traces of a long-standing charitable tradition, including a Maison-Dieu dating back to 1195, but it was in 1304 that the Hôtel-Dieu was founded by Jeanne de Navarre, Queen of France and wife of Philippe IV le Bel, on the model of the Hôtel-Dieu in Paris. The establishment was a refuge for the poor, pilgrims, the elderly and the sick. They were housed, fed, washed and cared for by Augustinian nuns. The Augustinian nuns lived cloistered within the establishment, managing and developing the Hôtel-Dieu

over the centuries. Today, with over 1,300 works of art and 7 centuries of history, the Hôtel-Dieu Treasure will transport you out of time. An exceptional treasure in the land of Jean de La Fontaine. The tour ends with a commented champagne tasting. Return to the boat on foot.

FLAMENCO EVENING

LENGTH: 2.5 hours • From £ 49/pp

After dinner, departure on foot for a Flamenco evening. Flamenco (cante flamenco) is an art created by the Gypsy and Andalusian peoples based on popular folklore born from the various cultures which flourished throughout the centuries in Spain. Originally, Flamenco was simply a capella vocals (cante). Its first genre, la toná, was forged in the geographical triangle formed by Triana, Jerez and Cadiz. Only later did the hand-clapping (palmas), the dancing (el baile) and the guitar (toque) appear. Dancing and guitar can now often be found alone, although vocals are still considered at the heart of the tradition. More recently, instruments such as the cajón (a percussion instrument from Peru), the palillos (castanets), and the bass guitar were added. Immerse yourself in the most famous Spanish tradition, this mixture of vocals, guitar and dance in which Arab, Oriental and Gypsy influences mingle. Return to the boat.

We'll start off at the Alhambra, literally "the red", reflecting the colour of the walls at sunset. It is one of the major monuments of Islamic architecture and the most majestic mediaeval fortress in the Mediterranean. JEREZ, CATHEDRAL AND ALCAZAR

LENGTH: 5 hours • From £ 89/pp or INCLUDED

Cádiz will be your starting point for an excursion to Jerez. Jerez owes its fame to its wines, flamenco, horses, and bull breeding. Visit to the Alcázar. This ancient fortified palace, dating back to the 9th century, bears witness to the city's Muslim heritage. It is mainly built from limestone rubble, with brick elements added over the centuries. Within its beautifully restored annexes, you will find the Christianized mosque, dedicated to Santa María la Real, the Arab Baths, the Olive Mill, and the peaceful gardens, designed according to Andalusian aesthetic principles. The Torre del Homenaje, a 30-meter watchtower, is the central point of the Alcázar and offers a panoramic view of the city and surrounding landscapes. The Alcázar played a strategic role throughout history, particularly during the Reconquista,

servicing as a noble residence and a military defense point. Then, you will discover the cathedral. Built between the 17th and 18th centuries, this masterpiece illustrates the transition between Gothic, Baroque, and Neoclassical styles. Its façade, made of cut stone, is adorned with sculptures and refined architectural details, including statues of saints and floral motifs. The main entrance is topped with an impressive pediment, while the bell towers, each in a different style, add a vertical dimension to the structure. The cloister, designed in an elegant Baroque style, offers a serene space with its arches and gardens. SEVILLE, THE CATHEDRAL AND THE PALACE OF THE COUNTESS OF LEBRIJA

LENGTH: 3.5 hours • INCLUDED

Departure for a guided tour of Seville Cathedral. Built between 1401 and 1519, it is an exceptional example of Gothic architecture and is among the largest cathedrals in the world. Erected on the foundations of an Almohad mosque, it incorporates elements of this structure, notably the Giralda, a former minaret converted into a bell tower, reaching 104 meters in height and featuring ramps that allow access to the

observation platform. The main façade is adorned with sculptures and architectural details typical of the Gothic style, with richly decorated portals and pinnacles. Inside, the vast central nave, rising to 42 meters, is flanked by lateral chapels, each housing valuable artworks, including baroque altarpieces. The choir, in particular, features a grand golden wooden altarpiece, decorated with sculptures and frescoes depicting biblical scenes. The ribbed vaults, colorful stained glass windows, and slender columns contribute to a majestic atmosphere. A UNESCO World Heritage Site, the cathedral remains a major spiritual and cultural center. The tour continues to the Palace of the Countess of Lebrija. Built in the early 20th century, it is a remarkable example of neo-Mudéjar architecture, blending traditional Andalusian elements with modern influences. The palace façade stands out for its exposed brickwork and colorful ceramic tiles, featuring geometric patterns characteristic of the Mudéjar style. Wrought-iron balconies and large windows add an elegant touch to the structure. Inside, the palace is a true artistic treasure, with rooms richly decorated with mosaics, frescoes, and sculptures, each reflecting the countess's refined taste. The central patio, surrounded by marble columns and ceramic tiles, provides a bright and airy space, emblematic of Andalusian architecture. The palace also houses an impressive collection of artworks, antique furniture, and archaeological pieces, including Roman mosaics from the ancient city of Italica, highlighting the region's historical importance.

SEVILLE THE ALCAZAR PALACE AND CATHEDRAL

LENGTH: 4.5 hours • From £75/pp or INCLUDED

We'll leave by coach for our guided tour of Seville, beginning with the Plaza de España - a majestic crescent-shaped complex arranged around a central square. Built for the 1929 Ibero-American Exposition to showcase Spain's industrial and technological exhibits, the building's tiled alcoves each represent a different province of Spain. The complex faces the Guadalquivir, signifying the prosperous trading route towards the Atlantic Ocean and the Americas. We'll continue on to Santa Cruz, the most picturesque and delightful part of the city with narrow, winding cobbled streets and whitewashed houses. This former Jewish quarter remains part of the historical centre of the city and contains many renowned monuments. Afterwards, we'll discover the Alcazar Palace, one of the oldest Royal Palaces in Europe and the current royal residence. Our tour ends with Seville's cathedral, providing one of the last testimonies to Gothic style. This structure was built over the ruins of an Almohad mosque as a symbol of the capital's prosperous status of great commercial town after the Reconquista.

SEVILLE, THE PALACIO DE LAS DUENAS

LENGTH: 3.5 hours • INCLUDED

The most famous palace in Seville was built in the late 15th century and is a good example of the eclectic mix found

between Spanish Gothic and Moorish styles. Many historic figures have passed through the palace doors over the years, including Spanish poet Antonio Machado, who was born here. The palace is a work of art unto itself. During our tour, you'll see its rich collection of furniture, ceramics, antiques, and paintings. You'll also discover its interior courtyards and magnificent gardens with thousands of plants, including orange, lemon, and palm trees.

THE PUEBLOS Blancos: VEJER DE LA FRONTERA

LENGTH: 3 hours • INCLUDED

Véjer de la Frontera is one of the most captivating "white villages" in Andalusia. It was declared a Spanish historic site (Conjunto histórico) in 1976 and has received several prizes for its tourism distinctions. Every corner seems to be filled with colorful sights and fascinating spots to explore. Your guide will take you to the historic centre where you'll be able to see the remains of the 15th century ramparts that protected the city from invasions. You'll also visit the Plaza de España-dominated by a beautiful tile fountain-and the Divino Salvador church, which was built over a mosque. Our next stop will be the fishing village of Conil de la Frontera. This coastal town is an apex of beauty among the Pueblos Blancos, and the white houses with beautifully decorated patios and walls make the city a must-see for any traveler. At the end of our tour, we'll enjoy a snack of delicious churros dipped in chocolate.

DISCOVERY EXCURSIONS

CADIZ WALK THE WATERFRONT

LENGTH: 2.5 - 3 hours • From £72/pp

Walk along the oceanfront to the Castle of San Sebastián. According to legend, the Temple of Kronos (a Titan of the Greek gods) was first built here. A chapel was built in the 1400s by Venetian boat crews and the irregular, fortified castle found on

the site now was built in 1706. It defended the northern section of the city from attack. Because of its unique shape and décor, it has served as backdrop for many films. We'll return via the city's historic centre and authentic neighbourhoods, admiring the elegant homes painted in glorious pastel colours and decked out with ironwork balconies. Enjoy tastings of local products along your walk.

SEVILLE TAPAS TOUR

LENGTH: 2 hours • From £91/pp

You'll leave directly from the ship with a local guide for a tapas food tour in several eateries in the center of Seville. Discover the wide range of Spanish delights and flavors served as appetizers or snacks. The most well known include patatas bravas, salads, and cold cuts (chorizo, lomo, Jamón ibérico)—all sublime when served with a glass of Spanish wine.

Our excursions

Core programme

Included

JOHANNESBURG

We'll have lunch before visiting the Apartheid Museum which opened in 2001. It is famous the world over for being the first museum centering on South African history in the 20th century, and more particularly on Apartheid. Afterwards, we'll set off for a panoramic tour of the city. In addition to being South Africa's financial capital, Johannesburg is also the city of superlatives. It is indeed the richest town in Africa, with the tallest buildings and widest social discrepancies, but is also infused with one of the best atmospheres you'll ever come across.

SAFARIS

We'll explore the local fauna and flora in small groups on board small motor boats or Jeeps. Elephants, giraffes, Cape buffaloes and impalas are only but a few of the wild animals you may get to see in your surroundings. Each season brings its own particularities and allows for unique and up-close experiences with wildlife.

IMPALILA ISLAND

One morning will be dedicated to discovering the culture and traditions of the area. We'll visit rebuilt traditional villages, an opportunity to learn more about the Namibian houses, the everyday life and living together of the indigenous population and more.

VICTORIA FALLS

We'll leave for a tour on foot of the falls in Zimbabwe, where the views are

among the most exceptional in the world. We'll also see where the Zambezi River plunges over the cliff to become the widest waterfall in the world, creating the "smoke that thunders".

Optional

HELICOPTER RIDE OVER VICTORIA FALLS (12 min)

Soar over Victoria Falls in a helicopter for spectacular views over this true wonder of nature known as the "Smoke That Thunders" (in "high water" season). You'll also get to see from above where the Zambezi River plunges over the cliff to become the widest waterfall in the world, as well as the city of Victoria Falls and the surrounding nature.

SAFARI IN SEARCH OF AFRICA'S BLACK RHINO

Embark on a safari in the Stanley and Livingstone Private Game Reserve. Explore vast and breathtaking landscapes made up of open grasslands, pristine waterways, and the iconic African Big Five. This reserve is one of the few sanctuaries where you can observe the endangered black rhinoceros, as well as large herds of elephants and buffalo roaming freely.

Extended stay

CAPE TOWN AND GROOT CONSTANTIA WINE ESTATE

We'll leave on a panoramic tour of the city. Cape Town is a meticulously preserved city with modern towers in the centre, cobblestone roads and a bounty

of historical monuments. We'll then take the Table Mountain Cableway to soak up the 360-degree views of Table Bay and the nearby peaks of the surrounding mountains (if the weather allows it). Afterwards, we'll visit the Groot Constantia estate, considered the oldest vineyard in South Africa. For the past 300 years, agricultural activities at Groot Constantia have focused on wine making, and the Constantia wines have become renowned throughout Europe. We'll visit the cellar followed by a tasting*.

ROBBEN ISLAND AND CAPE TOWN

Robben Island is a place that needs no introduction with regards to its significance in South Africa's and indeed the world's history. We'll have a guided tour of the island and its cells. We'll return to Cape Town for lunch on the waterfront.

We continue our tour of Cape Town, nicknamed the "Mother City" because it is the oldest city in South Africa.

THE CAPE OF GOOD HOPE

We'll set out for the legendary Cape of Good Hope. We'll ride along Chapman's Peak Drive, located on the Atlantic coast of the southwestern tip of South Africa. The narrow stretch of land, dotted with beautiful valleys, bays and beaches, contains a mix of extraordinarily diverse and unique fauna and flora. We'll take the famous Flying Dutchman funicular to the summit to see the old lighthouse and relish the panoramic views. We'll have lunch before discovering the penguin colony near Simon's Town. Once called Jackass Penguins, they are famous for their hilarious braying call.

* Alcohol can be dangerous to your health. Please drink in moderation.

Our excursions

Core programme

SIEM REAP

• The Jewels of Angkor

We'll leave for an early visit of Ta Prohm, an 1186 Cambodian temple dedicated to the family of Jayavarman VII. We'll then explore Angkor Thom, a vast architectural complex

which can be accessed through five gates. At its centre is the monumental temple of Bayon—famous for its towers and 172 faces of Avalokitesvara. Discover the Terrace of the Elephants and the Terrace of the Leper King. After lunch in town, we'll visit the Senteurs d'Angkor: a diverse collection of silk and carvings, as well as a superb range of traditional beauty products and spices, all made locally.

• Angkor Wat temple complex

The epitome of Khmer architectural art, Angkor Wat is the largest religious monument in the world and an architectural masterpiece.

KOH CHEN AND KAMPONG TRALACH

In Koh Chen, you can explore this small village where crafts people specialize

in silver and copper work and where ornaments used in traditional ceremonies at the pagoda or for marriages are fashioned. After our excursion, we'll return on board and cast off as you sit down to lunch. We will set out to visit the beautiful Vihara at the Wat Kampong Tralach Leu pagoda. The Vihara was built at the beginning of the last century and still has its splendid murals. Totally hidden among the rice fields, it's a little-visited, modest pagoda whose complete isolation makes the site even more fascinating.

KAMPONG CHHNANG AND TUK-TUK TOUR IN PHNOM PENH

Kampong Chhnang is one of the largest fishing ports. The region is best known for its particularly archaic pottery that can be found throughout the country. We'll taste some of the local products. After returning on board, we'll spend the afternoon cruising towards Phnom Penh, arriving in the early evening. Enjoy a brief tour of the area by "tuk-tuk", the easiest way to get around the city.

PHNOM PENH

Founded in 1434, Phnom Penh still retains a good deal of its charm from the French colonial period. We'll enjoy a tour of the fabulous Royal Palace. We will then visit the Silver Pagoda, which is inlaid with more than 5,000 silver tiles and contains hidden treasures. Onward to visit the National Museum, which houses the Museum of Fine Arts, built in 1917 by the French but using the traditional Khmer style. After lunch in town, you can pay a visit to the Tuol Svay Prey School, a former detention, torture, and execution centre run by the Khmer Rouge during the civil war. Afterwards, enjoy some free time at the market.

CHAU DOC

Located on the border between Cambodia and Vietnam, Chau Doc became part

of Vietnam 300 years ago. The town sits among a giant patchwork of rice fields along the Mekong River. The town is a busy, lively place with few tourists and several charming colonial buildings. The market is the nerve centre of Chau Doc. We'll pay a visit to the Ba Chua Xu Temple and the Tay An Pagoda.

SA DEC

We'll discover the local market and visit the former house of Huynh Thuy Le, the man who Marguerite Duras based her book *The Lover* on. In colonial times, Sa Dec was known as the "Garden of CochinChina" because of its famous floral gardens. We'll have lunch on board and cruise to Vinh Long, located in the middle of the delta. Hundreds of small boats abound between houses built on stilts. We'll set out in smaller boats and travel through canals and orchards before arriving in Cai Be. We'll discover a brick and pottery factory as well as a traditional factory producing puffed rice, rice-paper wrappers and rice alcohol.

MY THO

We visit the islands close to My Tho. They are famous for their vast orchards and fruit gardens. The surrounding countryside makes up one of the most luxurious cultivated areas in Vietnam. On one of the largest islands, Thoi Son, we'll visit a bee farm and enjoy some honey tea and exotic fruit. We'll then take a ride in small sampans along the canal lined with mangrove palms and have a glimpse of villagers going about their daily life.

HÔ-CHI-MINH CITY (SAIGON)

• Full day

Hô-Chi-Minh City was heavily influenced by French colonialism in the 19th century. It is now the largest port in Vietnam. We'll enjoy a tour of the city to see the Reunification Palace, Notre Dame Cathedral, and the Saigon Central Post Office, and visit the Museum of Vietnamese History. Lunch will be served on board. In the afternoon, we'll leave by coach for the Cu Chi tunnels, an immense network of underground tunnels

that were the location of several military campaigns during the Vietnam War.

• Morning

We'll spend the morning visiting Cholon, the Chinese-influenced section of the city, including its hectic market and the Thien Hau temple.

Extended stay

HANOI

We'll spend the day on a guided tour of the capital, visiting the outside of the historic Ho Chi Minh Mausoleum on Ba Dinh Square, Ho Chi Minh's humble stilt house behind the mausoleum, and the unique One Pillar Pagoda Buddhist temple. We'll visit the Temple of Literature, built in 1070 and dedicated to Confucius. The temple also hosts the Imperial Academy, Vietnam's first national university. After lunch in town, we'll discover the old quarter of the city, also known as the "36 Streets", by pedicab or electric mini-bus (depending on availability). We'll visit Ngoc Son temple. In the evening, we'll watch a traditional water puppetry show and have dinner in the city.

HALONG BAY CRUISE

We'll leave Hanoi early in the morning for Halong Bay (approx. 3.5 hours travel time). We'll be welcomed aboard a 4-anchor boat and begin our cruise to discover the thousands of various limestone islands dotting the emerald-colored bay. We'll enjoy dinner on board. The next day, after a Tai Chi class on deck, we'll continue our cruise through the bay, discovering more of its extraordinary scenery and visiting one of the largest caves.

Practical information

FORMALITIES

Passengers should contact their Embassy or Consulate to ensure any essential paperwork is obtained before travelling.

HEALTH FORMALITIES

These cruises and tours are not recommended for persons with reduced mobility. They require good physical health. Please note there are no lifts on the ship.

There are no compulsory vaccinations for this destination. However, it is strongly recommended that you ensure that your inoculations for the following diseases are up-to-date: Tetanus, Polio, Hepatitis A and B, Diphtheria and Typhoid fever. We recommend seeing your doctor for an antimalarial treatment. We also highly recommend "tropical strength" mosquito repellent.

CURRENCY

In Cambodia, US dollars in good condition are accepted almost everywhere. Be careful though, because dirty or ripped bills are often refused. Carry small denominations with you (\$1, \$5, \$10 and/or \$20 bills). In Vietnam, if you wish to buy souvenirs, we recommend that you change about £20 or \$20 into dong on arrival (NB: they will not be accepted in Cambodia). Credit and debit cards are not widely accepted. Visa cards are usually accepted in the larger hotels and stores. Traveler's Checks are hard to cash. The currency accepted on board is the US dollar. All

of your purchases will be totaled and paid for at the end of your cruise. You can pay in cash or with an international credit/debit card (Visa and MasterCard). You can't exchange money on board the ship. For the current exchange rates for the Vietnamese dong and the Cambodian riel, please consult websites such as www.xe.com or www.oanda.com/currency/converter/.

CLIMATE

The dry season lasts from November to April, but the air remains humid (temperature: 77° to 95°F). The "green season", from May to October, can present very strong but brief storms that generally take place at the end of the afternoon.

During your extended stay in Northern Vietnam, from December to late March, the weather can go from chilly to cold, especially in Hanoi and Halong Bay. We recommend bringing a sweater, a fleece jacket and a windbreaker.

TIME DIFFERENCE

You can consult www.worldtimezone.com to see the time difference between your home and your destination.

NATIONAL HOLIDAYS

• "Pchum Ben" in September
• "Water and Moon Festival": in November
During these days, some sites can be closed without warning.

ADDITIONAL INFORMATION

- The banks of the river we will cruise on can be steep and slippery depending on the water level.
- The itinerary, stopovers, and excursions can be modified by the cruise company and our on-site representatives if needed.
- The captain of the ship is the sole authority who can modify the ship itinerary for safety or navigational reasons.

- Over 200 boats cruise the Halong Bay on any given day. Certain sites, such as Sung Sot Cave, have heavy, daily tourist traffic.
- The cruise in Halong Bay can be cancelled in case of rough sea.

Our excursions

Core programme

Included

LUXOR: KARNAK TEMPLE

We'll visit the Karnak Temple Complex, once one of the largest and most important religious complexes in ancient Egypt. The immense size of Karnak, as well as its various details, makes it an invaluable historical site and resource for understanding the evolution of ancient Egypt.

EDFU: TEMPLE OF HORUS

Built between 237 and 57 BC, this temple is one of the best-preserved ancient monuments in Egypt. It was excavated in the mid-19th century after being buried under sand and rubble for hundreds of years.

KOM OMBO TEMPLE

We'll visit the Temple of Kom Ombo, dedicated to the gods Sobek (the crocodile god) and Haroeris ("Horus the Elder"). By the late 1800s, much of the temple had been either

destroyed by earthquakes, the waters of the Nile, or builders who took the stone for other projects. It was cleaned and restored by Jacques de Morgan in 1893. The temple is unique because its dual design shows that there were courts, halls, sanctuaries, and rooms duplicated for two sets of gods.

ASWAN: DAM & PHILAE TEMPLE COMPLEX

Discover the Aswan Dam, one of the largest dams in the world which tames the Nile River and provides electricity to the country. We'll then visit the Philae Temple Complex: after the dam was finished in 1902, the temple complex was partially submerged, so in 1960, UNESCO started a project to save the buildings. In the long run, every building was dismantled into units and then transported to this nearby island for reconstruction. The most ancient temple is dedicated to Isis and dates back to 380 BC. In the afternoon, we'll board small local boats and enjoy a ride on the Nile, between the granite islands and the natural reserve, passing close to Elephantine Island.

LUXOR: MORTUARY TEMPLE OF HATSHEPSUT & TOMB KV11

First, we'll visit the Mortuary Temple of Hatshepsut, the only woman who reigned over Egypt. We'll then visit the Tomb KV11 - one of the most intact tombs in the Valley of the Kings—built for Pharaoh Ramses III. The quality of the colors and the scenes represented on the temple walls make it one of the top tourist destinations in the valley.

LUXOR: VALLEY OF THE KINGS & LUXOR TEMPLE

Join us for a visit to the Valley of the Kings and four of its tombs, including the longest and deepest of royal tombs built for Seti I. It was also the first tomb to feature decorations on every passageway and chambers with highly refined bas-reliefs and colorful paintings. We'll also stop for a photo op at the Colossi of Memnon. In the afternoon, we'll tour the Luxor Temple, a strikingly graceful monument in the heart of the modern town. Its main function was during the annual Opet celebrations, when the statues of Amun, Mut, and Khonsu were reunited during the inundation of the river.

Optional

ABU SIMBEL TEMPLES

We'll leave for the Abu Simbel archaeological site in the morning. Discovering these amazing rock temples is one of the highlights of a trip to Egypt. Located about 140 miles (230 km and three hours driving time) southwest of Aswan, the complex is in the heart of the desert, at the border with Sudan, and is the most impressive imprint left by Ramesses II. Through an extraordinary effort, the complex was re-located in its entirety in 1968 in order to escape the waters during the creation of the dam and Lake Nasser. The twin temples were carved out of the original mountain-side and serve as a lasting monument to the pharaoh and his queen, Nefertari.

The Egyptian authorities may decide unexpectedly to change the opening hours of the road to Abu Simbel. Departure takes place very early in the morning.

Extended stay

Included

SAQQARA, PYRAMID OF TETI, GREAT PYRAMID OF GIZA & MUSEUM

We'll visit Saqqara, the former necropolis for the Ancient Egyptian capital which forms the largest group of Egyptian tombs of that era. The oldest tombstone of the necropolis dates back to the reign of Hor-Aha, the second pharaoh of the First Dynasty of Egypt. We'll visit the Pyramid of Teti, the first pharaoh of the Sixth dynasty of Egypt whose sarcophagus still lies in the pyramid. In the afternoon, we'll discover the Great Pyramid of Giza, the oldest of the Seven Wonders of the Ancient World, and the only one to have remained largely intact. Next to this magnificent monument are the pyramids of Khafre and Menkaure as well as the mysterious Great Sphinx of Giza, a mythical creature with the body of a lion and the head of a human. Afterwards, we'll visit the Grand Egyptian Museum in Cairo, a new museum for Egyptian treasures, home to an extensive collection of ancient Egyptian antiquities.

With over 130,000 artefacts, the museum houses an unbelievable exhibit of the ancient Egypt's glorious reign such as mummies, sarcophagi, pottery, jewelry and of course King Tutankhamen's treasures discovered in 1922.

CAIRO: CITADEL, MOSQUE OF MUHAMMAD ALI PASHA, HANGING CHURCH & BEN EZRA SYNAGOGUE

Join us for a visit of the Cairo Citadel. It was built between 1176 and 1207 by Saladin to protect the city from the Crusaders and ensue the supremacy of its army. This fortification offers a panoramic view on the city, including the pyramids in Giza, if the sky is clear. Then, we'll visit the Great Mosque of Muhammad Ali Pasha, the viceroy of Egypt regarded as the founder of modern Egypt in 1830. It was built with minarets and gathers all traditional characteristics of Cairo architecture from the Mamluk to the late Ottoman period. We'll then visit the Hanging Church, the oldest church in Egypt, built on top of the ruins of the Babylon Fortress. We'll also visit Saints Sergius and Bacchus Church and Ben Ezra Synagogue, the oldest synagogue in Egypt which mixes Christian, Islamic and Jewish architectures.

Our excursions

Core programme

KOLKATA

Enjoy a panoramic tour to discover the architectural richness of the city. Kolkata contains numerous colonial-era sites: Raj Bhavan—the official residence of the regional governor—and Council House Street. In the afternoon, we will visit the Mother House of the Missionaries of Charity, where Mother Theresa lived, prayed, and worked, and where her body was laid to rest in 1997.

KOLKATA & BANDEL

Kolkata is a modern, cosmopolitan city with great cultural influence in the country. We'll visit St. John's Church, the third oldest church in the city. After, we'll head to the Victoria Memorial, an impressive white marble building that houses a museum maintained by the Ministry of Culture. In the afternoon, we'll set out on small local boats for Bandel to visit the imposing Hooghly Imambarā.

KALNA

You'll discover this out-of-the-way village from the seat of a rickshaw. Kalna is home to two circles of 108, small Hindu temples, each of which is dedicated to Lord Shiva.

MATIARI & PLASSEY BATTLEFIELD

Enjoy a stroll through the charming market town of Matiari, where coppersmiths still work the metal using the techniques passed down from generation to generation. We'll pass along the battlefield in Plassey, thought to be one of the most important battles that took place in the 18th century for the control of the Indian subcontinent by the colonial powers.

KHUSHBAGH & MURSHIDABAD

We'll walk to Khushbagh, the Garden of Happiness, packed with history and beauty. We'll then visit Baranagar Village to get a good feeling of rural life in the area and explore a bit of authentic India off the beaten path. In the afternoon, we'll visit Murshidabad and tour Hazar Duari Palace, known as the Palace of 1000 doors, which is now a museum containing fascinating artifacts. The vast, brick Katra Masjid, built in just one year in the 18th century, is regarded as the top tourist attraction in the city for its beauty and history.

CHANDERNAGORE

Chandernagore is a former French colony that has been able to preserve its unique identity over the years. We'll visit the house that once belonged to the governor for the French East India Company in the 18th century. We'll then visit Sacred Heart Church, one of the most beautiful examples of architecture during the French period.

KOLKATA: FLOWER MARKET & PARESHNATH JAIN

Enjoy a stroll through the splendid flower market under the Howrah Bridge, where Indians buy flowers for worship. Our trek will continue to the ghats along the banks of the Ganges. These are the steps leading to the water where people come to participate in a number of rituals. We'll spend some time visiting the Pareshnath Jain Temple, one of the most important in the city.

VARANASI: BHARAT MATA MANDIR

Visit the Bharat Mata Mandir (Mother India Temple) which was built in the 1930s and inaugurated by Mahatma Gandhi. Instead of traditional statues of gods and goddesses, this temple has an impressively huge map of undivided India carved in marble.

VARANASI: RAMNAGAR FORT & SARNATH MUSEUM

After an early morning cruise and a walk all the way to Alamgir Mosque and Kashi Vishvanath Temple, enjoy a tour of the grand Ramnagar Fort and its museum. We'll also visit Sarnath, where Siddhartha Gautama first taught the Dharma, and the museum which contains a magnificent collection of Buddhist writings. Hop on a cycle rickshaw for a spin through the bazaar and witness an Aarti ceremony with songs and offerings of light.

Extended stay

JAIPUR & AMER

Jaipur is the capital of Rajasthan, and there is no better place to discover its charms than at its famous Palace of the Winds. We'll also visit Amer Fort, known for its artistic

style of elements and architecture. In the afternoon, we'll set out for a stroll through the bustling city. The Jantar Mantar monument is a fascinating collection of astronomical instruments built in the 18th century, and features to world's largest sundial.

JAIPUR

We'll visit the white marble Birla Temple, built in 1988 and dedicated to Lord Vishnu, the preserver, and his consort Lakshmi, the Goddess of wealth. After, we'll enjoy a moment of cultural sharing during a visit to one of the city's schools. In the afternoon, we'll visit the Nahargarh Fort, which stands on the edge of the Aravalli Hills and once helped form a strong line of defense for the city. We'll then enjoy a rickshaw ride through one of the busy markets in the area.

AGRA & FATEHPUR SIKRI

We'll leave for Agra by bus, traveling through village after village where you'll be able to glimpse the everyday life of the inhabitants. In the afternoon, we'll visit the gated city of Fatehpur Sikri. Founded in 1571, it was completely abandoned by its inhabitants within 40 years. It is now a UNESCO World Heritage Site.

THE TAJ MAHAL

At daybreak, we'll leave by pedi-cab for the Taj Mahal, the gorgeous white marble mausoleum built by Shah Jahan to hold the tomb of his favorite wife, Mumtaz Mahal. We'll then visit the fort, the main residence of the emperors of the Mughal Dynasty until 1638. In the afternoon, we'll discover the Tomb of Itimad-ud-Daulah, as known as the "Baby Taj".

We'll stop at a restaurant to enjoy a refreshment and listen to a demonstration of Silbo Gomero, the whistled language used by the islanders.

LA PALMA

LENGTH: 4 hours • From £ 49/pp

Visit the National Park of La Caldera de Taburiente, in the heart of La Palma, and enjoy spectacular vistas. Sit back and relax, as you embark on a scenic drive to Santuario Virgen de Las Nieves. Inside the small whitewashed church, you'll find the island's most sacred icon, the Virgin Mary of the Snows, the patron saint of the island. Travelling through the mountain roads, which offer spectacular views, you'll arrive at La Caldera de Taburiente. Next, it's time to sample some local refreshments in a traditional 17th century farm, set in beautiful gardens with breathtaking views. On the way back, a brief photo stop will be made at the viewpoint Mirador de la Concepcion where you can admire the stunning views along the coast and to the north of the island.

LAS PALMAS AND THE BANDAMA CALDERA

LENGTH: 3.5 hours • From £ 47/pp

We'll begin in Vegueta, founded in the 15th century. Its narrow streets and attractive town square are home to some fantastic sites, such as the Casa de Colon, a colonial-style mansion with exhibits about the history of the Canary Islands and their link with the New World. We'll continue on to the Bandama Caldera, a volcanic crater that reaches 1,867 feet above sea level (569 m). Enjoy the breathtaking views of the scenery and the crater below from the observation point.

Our last stop will be the Orchid Garden Sitio Litre, home to the most extensive collection of orchids on the island.

TEIDE NATIONAL PARK

CLASSIC EXCURSIONS

CATANIA

LENGTH: 3.5 hours • INCLUDED

Located on the banks of the Ionian Sea and dominated by Mount Etna, you'll discover vast squares, wide streets, and lava-rock buildings in the splendid city of Catania. Its historical and artistic heritage is just waiting to be discovered. As well as ruins from the ancient city, the town boasts a wealth of fine baroque architecture. We'll visit the city on foot to discover its abundant treasures: the Roman theater and Odeon, wonderfully typical piazzas, and the many baroque churches and palazzi. We'll have a visit to the cathedral, which has been destroyed several times by eruptions and earthquakes. Its current design dates back to the 16th century.

MOUNT ETNA

LENGTH: 4 hours • INCLUDED

Etna is the highest volcano in Europe but also the most active in the world, with an altitude of 3,330 meters (10,925 ft high), it erupted almost a hundred times during the 20th century. We'll follow a scenic road along the mountains and cross the villages of Giarre, Santa Venerina and Zafferana. When we reach 1,950 meters (7,000 ft), we'll take a walk towards the «Silvestri» craters and enjoy the desert moon atmosphere. From there, we'll enjoy a wonderful view over the gulf of Catania.

GOZO

LENGTH: 9 hours • INCLUDED

Leaving Valletta, we'll head to Cirkewwa where we'll catch a ferry for Gozo. Although it is part of Malta, this island is more rural and is known for its scenic hills. We'll arrive in Mgarr Harbor and head towards Xaghra, home to the Ggantija megalithic temples. These two giant temples are the oldest of the temples of Malta, and date back to between 3600-2500 BCE, making them older than both Stonehenge and the pyramids of Egypt. We'll then visit the laid-back city of Victoria—also known as Rabat to the locals—and its gorgeous cathedral (exteriors only) dominating the view on the hill. We'll enjoy lunch during our excursion. After, we'll discover remains of the Azure Window, a 92-foot (28 m) limestone natural arch that collapsed completely in March 2017, as well as the bay of Xlendi. We'll return to the large island of Malta by ferry.

NOTO

LENGTH: 4.5 hours • INCLUDED

Totally destroyed by the 1693 Sicilian earthquake, the current town of Noto was built on the left bank of River Asinaro, about 8 miles from the previous town. We'll enjoy a lovely stroll through the historic center taking in the characteristic architecture of the golden-yellow limestone buildings. On the right above the piazza Immacolata, we'll come across the Church of Saint Francis Immaculate at the top of an impressive staircase. Opposite the splendid cathedral in town, there is the Palazzo Ducezio, which houses the Municipal Hall. We'll visit the cathedral, whose facade incorporates baroque motifs and classical elements. Inside, the three aisles of the church are divided by tall pillars, and in the chapel at the end of the right aisle is the silver urn of San Corrado, the patron saint of the city.

MDINA AND RABAT

LENGTH: 4 hours • INCLUDED

Leaving from Valletta, join us for an excursion to Mdina, the ancient capital of Malta found in the center of the island. The narrow, winding streets date back to medieval times and bring us up to the imposing bastions that provide a magnificent panoramic view of the island. During our tour, you'll discover the various architectural styles, including Byzantine and baroque. According to legend, the Apostle St. Paul is said to have lived here after being shipwrecked on the islands. We'll then head to the charming city of Rabat to visit the Catacombs of St. Paul, a fascinating labyrinth of subterranean tombs holding the earliest evidence of Christianity in Malta.

MALTA'S TREASURES

LENGTH: 4 hours • INCLUDED

Learn all about the fascinating past of this typical Mediterranean archipelago. First, we'll head to Marsaxlokk, a traditional fishing village known for its brightly colored fishing boats called "luzzu", and lively markets along the waterfront. Then, we'll discover the Hagar Qim temple complex dating back to the beginning of the Bronze Age. The megalithic temples of Malta are among the most ancient religious sites on Earth and described by the World Heritage Sites committee as "unique architectural masterpieces". We'll get to taste local products during our visit.

ORTYGIÀ

LENGTH: 3 hours • INCLUDED

One of the most fascinating cities in Sicily awaits us today. The 2,700-year-old city of Syracuse played a key role in ancient times when it was one of the major powers of the Mediterranean world. You'll visit Ortygia, the small island that is the historical center of the city. You'll come across the majestic ruins of the Greek Temple of Apollo, the Piazza Archimede, and the Piazza Duomo, an elliptical open space lined with harmonious and impressive buildings.

RAGUSA AND MODICA

LENGTH: 5 hours • INCLUDED

We'll leave from Pozzalo Harbor for Ragusa, where you'll discover two cities in one: modern Ragusa rebuilt after the 1693 earthquake and ancient Hybla Heraia. The city's architectural gem is the Duomo of San Giorgio, a mid-18th-century cathedral with a magnificent neoclassical dome and stained-glass windows. The town's public park, the Giardino Ibleo, is a great place to stroll. We'll then head to Modica. Rebuilt after the 1693 earthquake, Modica is now a lively and dynamic city with over-sized churches and steep stairs running from the bottom of the village to the top of the slope. The city is built around a junction of steep valleys, with the oldest part of town, Modica Alta ("Upper Modica") on a ridge and Modica Bassa ("Lower Modica") along the valley floor. It is particularly famous for its chocolate, but that is not what certified it as one of the area's UNESCO-listed baroque towns.

VALLETTA

LENGTH: 4 hours • INCLUDED

We'll leave on foot for a guided tour of the capital city of Malta. The city was built stone-by-stone by and for the Order of Knights of the Hospital of Saint John of Jerusalem. We'll join the Upper Barrakka Gardens using the famously unique and convenient lift found at the waterfront. From there, you'll be able to take in the breathtaking panoramic view across the waters and cityscape. As we walk along the lively city streets, we'll visit some of the main sites, including Saint John's Co-Cathedral, which still houses Caravaggio's masterpiece work The Beheading of Saint John the Baptist—the only piece of art he ever signed.

Naples, the Amalfi Coast, and Sicily

CLASSIC EXCURSIONS

THE AMALFI COAST AND SORRENTO

LENGTH: 6.5 hours • INCLUDED

The Amalfi Coast is a captivating combination of great beauty and gripping drama: coastal mountains dotted with picturesque towns and lush forests plunge into the sea. UNESCO had the entire area declared a World Heritage Site in 1997 for its unarguable beauty and uniqueness of its natural landscape. There are all sorts of scenery on this coast from volcanoes to coves, valleys to mountains, fjords to cliffs, caverns to arches, and sandy beaches to rocky coasts. We will stop in Sorrento and its extraordinary gardens and landscapes. We'll be able to admire the Sedile Dominova (exterior only), a picturesque open loggia with expansive arches originally constructed in the 16th century, the Church of Saint Francis of Assisi and its cloister (exterior only) and the Villa Comunale. We'll enjoy a tasting of Limoncello, before discovering one of the most charming tourist routes in the world along the Amalfi Coast. Return on board in Salerno.

CALABRIA AND TROPEA

LENGTH: 3.5 hours • INCLUDED

Discover Calabria - the "toe of the boot" on the extreme southern tip of Italy - lapped by the splendid crystal-clear Ionian and Tyrrhenian Seas. The Strait of Messina separates mainland Italy from Sicily. Leaving from Vibo Marina, we'll begin our visit with Tropea, a seaside resort with impressive scenery. This stretch of coastline is known as Coast of the Gods. Already frequented during Roman times, it was the Normans, Angevins and Aragonese that made Tropea prosper. We'll see the marvelous cathedral and the Benedictine Sanctuary of Santa Maria dell'Isola.

CAPRI AND ANACAPRI

LENGTH: 7.5 hours • INCLUDED

We'll leave Naples on a hydrofoil, the quickest way to get to the beautiful island of Capri. When we arrive on the island, we'll take a minibus to the village of Anacapri. We'll visit the Villa San Michele, a picturesque homestead perched on the mountainside looking down over the lower half of Capri. It was built by the Swedish doctor and writer Axel Munthe. We'll get back on our minibus and head to Capri,

the main city on the island. Here, you'll discover the Piazza Umberto I, nicknamed "the little theater of the world". We'll have lunch in a local restaurant. Afterwards, enjoy some free time on your own to do some shopping or stroll through the Gardens of Augustus, offering splendid views of the sea and fantastic photographic vistas. We'll take the funicular back to the Marina Grande and return to Naples by hydrofoil.

HERCULANEUM

LENGTH: 3 hours • INCLUDED

Herculaneum's fate runs parallel to Pompeii. Destroyed by an earthquake in 62 AD, the subsequent eruption of Mount Vesuvius in 79 AD saw it submerged in a sea of mud that essentially fossilized the city. Uncovered in 1709, it is now listed as a UNESCO World Heritage Site. We'll leave by coach to visit the ruins and get a good idea of how ancient Romans lived. The excellent state of preservation is due to the rapid invasion of the lava flow, which prevented the buildings from collapsing. This meant that even delicate items, such as furniture and clothing, were discovered remarkably well preserved. Mosaics carved and painted frescoes, marble fountains and sinks, exquisite tile floors, and beautifully carved statues can be found throughout the city.

MOUNT ETNA AND TAORMINA

LENGTH: 9.5 hours • INCLUDED

Mount Etna Volcano is one of the world's most active volcanoes and has been erupting for over several million years. The ascent of Etna is the highlight of a visit to Sicily, not only for the volcanic activity but also for the superb views. We'll leave for Mount Etna by coach and enjoy the twisting, turning, panoramic route as we cross through small villages on the way. When we reach 7000 ft., we'll take a walk together to visit the "Silvestri" craters and enjoy the desert moon atmosphere. We'll have lunch and then travel to Taormina. Idyllically perched on a rock high above the sea, The highlight of this visit will no doubt be the tour of the amphitheater built in the third century BC by the Greeks and later expanded by the Romans. The world-famous view of Mount Etna and the sea beyond the theatre is

brehtaking. Enjoy some free time on the famous Corso Umberto before returning to the ship in Messina.

NAPLES

LENGTH: 4 hours • INCLUDED

Discover the must-see sites, masterful works, and unexpected treasures in Naples, such as its old town. In the oldest section of Naples, enjoy a stroll down the Via San Gregorio Armeno, the famous pedestrian street where you can observe skilled craftsmen actually working on nativity figures as they carve and paint them. We'll visit the Cloister of Santa Chiara to admire the nativity scene with 18th century figurines.

POMPEII

LENGTH: 4 hours • INCLUDED

We'll leave by coach with our tour guide from Naples and enjoy the scenic 30-minute ride to Pompeii. A reminder of the violent forces that lie deep inside Mount Vesuvius, Pompeii is Europe's most compelling archaeological site and one of Italy's most visited tourist attractions. Like an open book, the ruins provide fascinating information on the art, customs, trades and everyday life of the past. Alongside the elegant villas belonging to the nobility and the luxurious residences of the middle class stand modest houses where several families lived. The houses still contain furniture, kitchenware, lamps, food of all kinds, grain mills, grindstones, and workshops for making cloth. Plaster casts of the volcano's victims are moving tributes to their last moments.

TINDARI

LENGTH: 4 hours • INCLUDED

Tindari was settled during the Bronze Age. The Greeks re-settled it in 396 BC, and it became a Roman city 60 years later. By the 19th century, the site was deserted, but the name was retained by a church, standing on the most elevated point where the city once stood. This is the Sanctuary of the Black Madonna of Tindari, and visitors come from around the world to see the legendary statue. Inside, the sculpture of the citron wood Virgin and Child is said to have reached Tindari in an attempt by the faithful to keep it safe from the 8th-Century Byzantine Iconoclast movement.

ROVINJ

LENGTH: 2 hours • From £ 34/pp

You'll discover Rovinj's Old Town and all its treasures on foot. The rocky islet was connect-

ed to the coast during the 13th century. Covered passageways crisscross its narrow streets. Vaulted ceilings adorned with ancient frescoes will surely remind you of Venice. We'll visit the Church of Saint Euphemia, a baroque treasure from the 18th century. Its soaring bell tower rising from the city center is the most striking symbol within the Istria Region. Built over the ruins of a Romanesque church and remodeled during the 17th century in the Baroque style, the church contains the relics of Saint Euphemia—relocated from Constantinople in the 9th century—in a beautiful marble sarcophagus. After the tour, enjoy free time to explore the city and its picturesque streets at your own pace.

PULA

LENGTH: 2 hours • From £ 57/pp

Already cited by Greek authors during their time, the town of Pula grew progressively during the Roman occupation. Roman vestiges are omnipresent throughout the city. The amphitheater, built under Augustus, is the country's best-preserved ancient monument and one of the world's sixth largest Roman arenas still standing. The amphitheater hosted gladiator and wild-animal combats for 24,000 spectators up to the 5th century AD. Today, it serves as a stage for festivals and concerts, including the famous Pula Film Festival. During this guided tour, you'll also see ancient and medieval ramparts such as the 2nd-century Porta Gemina, the Gate of Hercules—the oldest Roman vestige

in the city—and the Arch of the Sergii. Other Roman ruins include the ancient Forum and the adjacent Temple of Augustus and the magnificent Communal Palace.

ZADAR

LENGTH: 2 hours • From £ 22/pp

Zadar—Northern Dalmatia's main city—contains 3,000 years of a vast historical, cultural, spiritual, and monumental heritage. We'll visit the city's emblem, the Church of Saint Donatus, and the Cathedral of Saint Anastasia—the largest church in Dalmatia. You'll also discover the city's modern wonders: The sea organ—which makes the water sing—and the Monument to the Sun.

KOTOR

LENGTH: 2 hours • From £ 22/pp

It is estimated that Kotor owns 70 % of the historic and cultural monuments of Montenegro. That is why Kotor is classed as a world heritage site by UNESCO. Founded by the Romans on the Adriatic coast in Montenegro, Kotor developed into an important commercial and artistic center in the Middle Ages. You'll visit the Cathedral of Saint Tryphon, which was seriously damaged and rebuilt after the earthquake of 1667 - the reason its two towers are so different from one another. Then you'll visit the maritime museum in the Grgurina Palace and its collection showing the development of past maritime and cultural activities.

DISCOVERY EXCURSIONS

DUBROVNIK'S CITY WALLS

LENGTH: 4 hours • From £ 154/pp

The walls of Dubrovnik, built between the 12th and 17th centuries, are the best-preserved medieval fortified walls in the world. They were initially erected to protect Ragusa, a powerful coastal city-state, from foreign invasions. You'll discover these famous two-kilometer ramparts encircling the old part of the city, along with towers, bastions, and imposing fortresses. During this guided walk, you'll enjoy spectacular views at every turn as you explore several of the bastions and towers. The tour will wrap up at Buza Bar, one of the city's best-kept secrets. To get there, you have to pass through a small opening in the wall near the Church of Saint Ignatius. Literally perched on the edge of a cliff above the Adriatic Sea, it's the best place to enjoy a refreshing drink.

PLITVICE NATIONAL PARK

Nestled between two mountain ranges and surrounded by centuries-old forests, the park contains a string of 16 lakes intertwined with thundering waterfalls and bubbling cascades. We'll stroll along wooden footbridges, enjoying the sounds of nature and discovering the beauty of the crystal-clear waters and lush vegetation. This excursion is a total immersion in nature—where water, forests, and wildlife offer a natural spectacle of exceptional beauty. We'll have lunch in a restaurant.

Once we reach the top, we'll set off for a hike through Lovcen National Park. The highlight of our visit will be at the top of Jezerski Vrh, home to one of Montenegro's most astonishing sites: the mausoleum of Petar II Petrović Njegoš, the 19th-century Montenegrin prince-bishop and poet. We'll return to the ship via the cable car and coach.

CLASSIC EXCURSIONS

AGRIGENTO

LENGTH: 4 hours • INCLUDED

You'll discover the Valley of the Temples, a monumental ensemble of Hellenic ruins. The site contains a series of impressive temples, statues, and tombs built by Greek settlers who began to arrive in the 8th century BC. The Temple of Concordia is considered one of the best-preserved Doric temples in the world. Afterwards, you'll discover Agrigento, a charming small city with cobblestone streets, beautiful churches, and picturesque squares.

THE AMALFI COAST AND SORRENTO

LENGTH: 6.5 hours • INCLUDED

The Amalfi Coast is a captivating combination of great beauty and gripping drama: coastal mountains dotted with picturesque towns and lush forests plunge into the sea. UNESCO had the entire area declared a World Heritage Site in 1997 for its unarguable beauty and uniqueness of its natural landscape. There are all sorts of scenery on this coast from volcanoes to caves, valleys to mountains, fjords to cliffs, caverns to arches, and sandy beaches to rocky coasts. We will stop in Sorrento and its extraordinary gardens and landscapes. We'll be able to admire the Sedile Dominova (exterior only), a picturesque open loggia with expansive arches originally constructed in the 16th century, the Church of Saint Francis of Assisi and its cloister (exterior only) and the Villa Comunale. We'll enjoy a tasting of Limoncello, before discovering one of the most charming tourist routes in the world along the Amalfi Coast. Return on board in Salerno.

HERCULANEUM

LENGTH: 3 hours • INCLUDED

Herculaneum's fate runs parallel to Pompeii. Destroyed by an earthquake in 62 AD, the subsequent eruption of Mount Vesuvius in 79 AD saw it submerged in a sea of mud that essentially fossilized the city. Uncovered in 1709, it is now listed as a UNESCO World Heritage Site. We'll leave by coach to visit the ruins and get a good idea of how ancient Romans lived. The excellent state of preservation is due to the rapid invasion of the lava flow, which prevented the buildings from collapsing. This meant that even delicate items, such as furniture and clothing, were discovered remarkably well preserved. Mosaics carved and painted frescoes, marble fountains and sinks, exquisite tile floors, and beautifully carved statues can be found throughout the city.

MONREALE

LENGTH: 3.5 hours • INCLUDED

Monreale overlooks a fertile valley overflowing with olive, orange, and almond trees. Its rich history and cultural heritage come together in a mix of fantastic styles. You'll visit the superb cathedral, a Norman architectural masterpiece built in the 12th century.

NAPLES

LENGTH: 4 hours • INCLUDED

Discover the must-see sites, masterful works, and unexpected treasures in Naples, such as its old town. In the oldest section of Naples, enjoy a stroll down the Via San Gregorio Armeno, the famous pedestrian street where you can observe skilled craftsmen actually working on nativity figures as they carve and paint them. We'll visit the Cloister of Santa Chiara to admire the nativity scene with 18th century figurines.

PALERMO

LENGTH: 4 hours • INCLUDED

Discover Sicily's capital city—built in the shelter of a magnificent bay—with its ravishing palaces and magnificent gardens. Take a stroll through the historic center and have a look at the cathedral and its ornate, amber-colored stone exterior. We'll visit the Church of St. Mary of the Admiral (also known as Martorana). While it's unassuming on the outside, the inside is simply jaw-dropping.

POMPEII

LENGTH: 4 hours • INCLUDED

We'll leave by coach with our tour guide from Naples and enjoy the scenic 30-minute ride to Pompeii. A reminder of the violent forces that lie deep inside Mount Vesuvius, Pompeii is Europe's most compelling archaeological site and one of Italy's most visited tourist attractions. Like an open book, the ruins provide fascinating information on the art, customs, trades and everyday life of the past. Alongside the elegant villas belonging to the nobility and the luxurious residences of the middle class stand modest houses where several families lived. The houses still contain furniture, kitchenware, lamps, food of all kinds, grain mills, grindstones, and workshops for making cloth. Plaster casts of the volcano's victims are moving tributes to their last moments.

TRAPANI

LENGTH: 3.5 hours • INCLUDED

Discover the beauty of Trapani, located at the western tip of Sicily. Explore the quaint city streets, admire the Ligny Tower, and take a stroll along the Mura di Tramontana, the ancient fortifications that once defended the area. Lastly, we'll visit the nature reserve containing salt flats, once the most important European center for salt production. Even today, salt is cultivated by hand here, and its production is worth the price of gold.

VALLETTA

LENGTH: 4 hours • INCLUDED

We'll leave on foot for a guided tour of the capital city of Malta. The city was built stone-by-stone by and for the Order of Knights of the Hospital of Saint John of Jerusalem. We'll join the Upper Barrakka Gardens using the famously unique and convenient lift found at the waterfront. From there, you'll be able to take in the breathtaking panoramic view across the waters and cityscape. As we walk along the lively city streets, we'll visit some of the main sites, including Saint John's Co-Cathedral, which still houses Caravaggio's masterpiece work The Beheading of Saint John the Baptist—the only piece of art he ever signed.

CLASSIC EXCURSIONS

ATHENS AND THE ACROPOLIS LENGTH: 4.5 hours • INCLUDED

We'll set off by coach with our guides for the Athens Acropolis, situated on a 150m-high rocky plateau and which in Ancient times was a vast sanctuary for the worship of the Goddess Athena and numerous other gods in Greek mythology. You will have the chance to discover the different temples on the site including the Parthenon, built in the 5th century BC and dedicated to Athena, whose gold and ivory statue stood in the sanctuary. It was destroyed during the siege of the city during the 12th century crusades, and the Parthenon was turned into a Catholic church when the Franks occupied Athens, then into a mosque by the Turks in the 17th century. You will also visit a number of other remarkable monuments still standing such as the Erechtheion, an elegant little temple dating back to the 5th century BC; the Temple of Athena Nike, known in Ancient Greece as the "temple of victory"; the Propylaea, the monumental entrance to the Acropolis; the ancient Theatre of Dionysos and the Odeon of Herodes Atticus... You will then return to the coach to finish off with a panoramic tour of the modern city of Athens, also taking in the Agora, the center of public life for the ancient Athenians. This square open space served a variety of purposes: political, religious, economic, commercial and cultural.

MYCENAE AND NAFPLIO LENGTH: 4 hours • INCLUDED

According to Greek mythology, Perseus founded Mycenae. He used Cyclopes to build the citadel walls so that no human could move them. The earliest mention of the city appears in Homer's works. Join us for a tour of this fascinating center of Greek civilization and former military stronghold. Notable curiosities include the Lion Gate access way and the circular burial areas. The ruins are listed as a UNESCO World Heritage Site, as they played a vital role in the development of Classical Greece from the 15th to 12th centuries BC. The Mycenaean culture is the source of ancient epics and legends such as the labors of Hercules, the Trojan War, and Agamemnon's tragic life and death. We'll then continue on to Nafplio, founded by the son of Poseidon as recounted in Greek mythology. Have fun discovering this charming, romantic city dominated by the Palamidi Fortress high on the hill. We'll also see the Bourtzi Castle, built by an Italian engineer in 1473, just off the coast of the city.

MYSTRAS

LENGTH: 4.5 hours • INCLUDED

Mystras, a marvelous wonder in the Peloponnese listed as a UNESCO World Heritage Site, was the center of Byzantine power in the 13th century. Developed along the hillside under an existing fortress, the city's influence helped it develop culturally and politically over several hundred years. We'll see the 14th-century Brontochion Monastery and the 15th-century Pantanassa Monastery, with beautiful interior frescoes. On our way back, we'll stop in Sparta, synonymous with the military glory of ancient Greece. While Athens was known for its philosophers, Sparta was famous for its military strength. Sparta remained a prominent Peloponnesian power until losing its independence in 192 BC.

OLYMPIA

LENGTH: 4.5 hours • INCLUDED

Departure by coach with your guides for Olympia, birthplace of the famous Olympic Games, whose watchwords were "physical and intellectual prowess, spirit of friendship and peace". First you will visit the Palaestra. It was in the courtyard of this building that the wrestlers trained or bathed in the surrounding rooms. Then you will see the great Temple of Zeus, dating from the 5th

century BC and partly destroyed by an earthquake in the 6th century. It contained one of the Seven Wonders of the Ancient World, the famous Statue of Zeus at Olympia sculpted by Phidias. You will also be able to admire the Temple of Hera, built in about 600 BC in Doric style. It is in front of this temple that the Olympic flame for the modern games is lit. The visit continues with the Stadium, where numerous athletic events took place: running, wrestling, pentathlon and more. You will notice that on the ground are still the start and finish marks for the races.

VALLETTA

LENGTH: 4 hours • INCLUDED

We'll leave on foot for a guided tour of the capital city of Malta. The city was built stone-by-stone by and for the Order of Knights of the Hospital of Saint John of Jerusalem. We'll set off by coach with our guides for the Athens Acropolis, situated on a 150m-high rocky plateau and which in Ancient times was a vast sanctuary for the worship of the Goddess Athena and numerous other gods in Greek mythology. You will have the chance to discover the different temples on the site including the Parthenon, built in the 5th century BC and dedicated to Athena, whose gold and ivory statue stood in the sanctuary. It was destroyed during the siege of the city during the 12th century crusades, and the Parthenon was turned into a Catholic church when the Franks occupied Athens, then into a mosque by the Turks in the 17th century. You will also visit a number of other remarkable monuments still standing such as the Erechtheion, an elegant little temple dating back to the 5th century BC; the Temple of Athena Nike, known in Ancient Greece as the "temple of victory"; the Propylaea, the monumental entrance to the Acropolis; the ancient Theatre of Dionysos and the Odeon of Herodes Atticus... You will then return to the coach to finish off with a panoramic tour of the modern city of Athens, also taking in the Agora, the center of public life for the ancient Athenians. This square open space served a variety of purposes: political, religious, economic, commercial and cultural.

DELPHI

LENGTH: 4 hours • INCLUDED

In ancient Greece, Delphi was considered the center of the world. The site's sanctuary was the symbol of unity for many centuries. For two hundred years, the Delphic oracle, coming directly from Apollo, was regarded as the most trustworthy in predicting the future. It was delivered by a priestess known as the Pythia and interpreted by the priests of Apollo. Our visit to Delphi will bring us to the Sanctuary of Apollo, whose Sacred Way climbs to the 4th-century BC temple. On the

way to the temple, we'll pass by the Roman Agora, a marketplace that provided visitors a place to shop before ascending the way. The site also contains a Greek amphitheater, built into the natural slope of the hill, which offers spectacular views of the valley and was the scene of many musical and dramatic performances during Delphi's various festivals.

DUBROVNIK

LENGTH: 3.75 hours • INCLUDED

The former Republic of Ragusa is famous for its medieval walls and its wide variety of historical architecture. We'll visit the Dominican Friary, its lovely Gothic cloister, and its extraordinary museum of religious art - with several valuable paintings, including a triptych by Nikola Bozidarevic depicting Dubrovnik before the great earthquake of 1667. We'll then see the Rector's Palace, once the seat of the government and now a museum housing furniture, portraits, coats of arms, paintings, coins, and the original keys to the city gates. We'll also visit the cathedral which keeps in its core gold and silver reliquaries as well as paintings from Titian's workshop, before moving on to the Onofrio Fountains and Sponza Palace, a superb Gothic-Renaissance structure.

KOTOR

LENGTH: 2 hours • INCLUDED

It is estimated that Kotor owns 70% of the historic and cultural monuments of Montenegro. That is why Kotor is classed as a world heritage site by UNESCO. Founded by the Romans on the Adriatic coast in Montenegro, Kotor developed into an important commercial and artistic center in the Middle Ages. You'll visit the Cathedral of Saint Tryphon, which was seriously damaged and rebuilt after the earthquake of 1667 - the reason its two towers are so different from one another. Then you'll visit the maritime museum in the Grgurina Palace and its collection showing the development of past maritime and cultural activities.

MYCENAE AND NAFPLIO

LENGTH: 4 hours • INCLUDED

According to Greek mythology, Perseus founded Mycenae. He used Cyclopes to build the citadel walls so that no human could move them. The earliest mention of the city appears in Homer's works. Join us for a tour of this fascinating center of Greek civilization and former military stronghold. Notable curiosities include the Lion Gate access way and the circular burial areas. The ruins are listed as a UNESCO World Heritage Site, as they played a vital role in the development of Classical Greece from the 15th to 12th centuries BC. The Mycenaean culture is the source of ancient epics and legends such as the labors of Hercules, the Trojan War, and Agamemnon's tragic life and death. We'll then continue on to Naflpio, founded by the son of Poseidon as recounted in Greek mythology. Have fun discovering this charming, romantic city dominated by the Palamidi Fortress high on the hill. We'll also see the Bourtzi Castle, built by an Italian engineer in 1473, just off the coast of the city.

OLYMPIA

LENGTH: 4.5 hours • INCLUDED

Departure by coach with your guides for Olympia, birthplace of the famous Olympic Games, whose watchwords were "physical and intellectual prowess, spirit of friendship and peace". First you will visit the Palestra. It was in the courtyard of this building that the wrestlers trained or bathed in the surrounding rooms. Then you will see the great Temple of Zeus, dating from the 5th century BC and partly destroyed by an earthquake in the 6th century. It contained one of the Seven Wonders of the Ancient World, the famous Statue of Zeus at Olympia sculpted by Phidias. You will also be able to admire the Temple of Hera, built in about 600 BC in Doric style. It is in front of this temple that the Olympic flame for the modern games is lit. The visit continues with the Stadium, where numerous athletic events took place: running, wrestling, pentathlon and more. You will notice that on the ground are still the start and finish marks for the races.

THE METEORA

LENGTH: 8 hours • INCLUDED

Discover one of the most spectacular sites in Greece. Although the original town of Kalambaka was destroyed during World War II, the Meteora monasteries remained intact on the summit of the rocks. The caves in the rocks were inhabited by hermit monks in the 9th century AD. They began to build monasteries in the 11th century, and at its peak in the 16th century, there were 24. Today, there are now six functioning monasteries still inhabited by either nuns or monks.

CRUISE 'N WALK

The rivers often flow through the middle of valleys lined with remarkably beautiful hills. It therefore makes sense to combine the tranquility of a laid-back cruise with energetic discovery walks.

The point of a walking cruise is not to beat any world records, but to get up close and personal with the unique landscape by offering an invigorating trek. Day-long walks can be offered on certain cruises. And so travel companions aren't left behind, we will also include guided tours and excursions as options: that's our "non-walker" programme.

Walkers are led by one or more certified mountain guides. We'll also provide an onboard presentation about the history and flora to be found along the way. Each walking cruise has been pre-tested by a renowned French walking club.

THE LEVELS OF DIFFICULTY

The activities proposed are two- to five-hour walks having varying altitude differences according to the destination.

The lengths mentioned in the programme are for informational purposes only and do not include the time needed for breaks and stops.

You do not have to be a seasoned walker to participate, but you must be physically fit and rested if you would like to take full advantage of your cruise.

GENERAL TERMS AND CONDITIONS OF INDIVIDUAL SALES 2026

Booking one of our cruises shall imply the acceptance of the general and particular terms and conditions of sale stipulated hereinafter. By dating and signing the travel contract drawn up by the salesperson from whom he purchases his voyage, which stipulates that the terms and conditions have been accepted by him, the client expressly recognises that he has familiarised himself with the information relative to the voyage that he has chosen from our brochures, available in travel agencies or directly from us. He shall therefore be referred to the information contained in these brochures or on our website in respect of any details concerning the voyage. Our brochures offer a selection of cruises and our offer is not limited to the cruises selected. Cruises or provisions not included in the brochure shall be subject to the same terms and conditions.

GENERAL TERMS AND CONDITIONS OF SALE

VALIDITY: Valid from 01/01/2026 to 31/12/2026 .

PRICES: Our prices indicated in pounds (£) in our brochures, are purely indicative and are given by way of example, per person and based on a double cabin. They are established on the basis of the prevailing economic conditions applicable from March 1st 2025 and are calculated at an all-in rate including a series of service provisions described in the programmes and reserved by the customer but exclude all service provisions that the customer shall reserve and pay for on board and other costs and any expenditure occasioned by a fortuitous event (strike, riot, revolution, weather conditions, water levels, etc.).

They depend on various factors involved in their calculation such as the cost of transportation, cost of loading and unloading, port costs, fuel costs, royalties and other taxes, and remain subject to revision. Our prices include taxes, all fees and other additional costs. Therefore, and pursuant to the statutory part of the Book II of the Tourism Code, we reserve the right to review our prices in the event of variations in exchange rates, the cost of fuel (Brent barrel reference available on the E.I.A's web site, economic conditions or any other service provision mentioned in the programmes.

CroisiEurope has established its 2026 prices on the basis of a barrel price of 75,96 € and will not apply a revision for variations between 45 € and 85 €, but reserves the right to apply a revision beyond that. In the case of air transfers, the price will be revised according to the fuel-related variations applied by the airlines concerned.

- Exchange rates and more specifically for the Vietnam/Cambodia programmes and Southern Africa safari-cruise programmes (Namibia, Botswana, South Africa and Zimbabwe) - (Dollar - reference rate on March 1st 2024: 1 € = 1,08 \$); for the Safari-cruise programme in Southern Africa (South Africa, Botswana, Namibia and Zimbabwe) - (Rands - reference rate on March 1st 2024: 1 € = 20,70 ZAR); and for the India programme (Indian Rupee - reference rate on March 1st 2024: 1 € = 89,78 INR).

The proportion of foreign currency payments for these trips varies between 35 and 70% of the total cost of the trip, depending on the destination.

- Various taxes such as VAT, duties, etc.

The prices, all taxes included, shall be confirmed by the travel agent selling the cruise at the time of booking. In the event of modifications, the adjustment up or down shall not necessarily be operated upon the date of payment for service provisions, but upon the date of use which alone shall prevail. In any case, no price change can be made in the 20 days preceding the departure.

The cost of visas and tariffs for optional excursions are subject to modification at any time without prior notice by the competent authorities, and in this case, will be passed on in full to customers.

All services charged on board the boats should be paid on board, before the clients get off.

For cruises including tips, to facilitate the traveller's stay our prices include tips paid in full to local providers in the destination country, determined by us in recognition of local customs and practices.

TRAVEL - DURATION - ACCOMMODATION: Durations shown do not match with the number of days spent at the destination, but with the entire trip, including transport, either a certain number of nights and do not necessarily correspond to a predetermined number of full days. If, owing to the schedules imposed by the various means of transport, the first and last days happen to be curtailed by a late arrival or a morning departure, no refunds shall be forthcoming. The duration of the voyage is calculated as of the day of convocation to the day of return.

Meals on the first and last days are not included unless otherwise indicated in the programme, and will be at the passengers' own expense. All services on the last day end with breakfast. Some meals may be provided by the airline. The classification and category of the hotels and ships (excluding CroisiEurope fleet) are provided by the

local authorities in the country and according to their criteria, which may or may not correspond to the French norms. Any claim or complaint arising as a result of the categorization of hotel or ship will not give rise to any refund or payment of compensation.

PAYMENT FOR THE VOYAGE - BOOKINGS AND SETTLEMENT OF ACCOUNTS: Bookings may be made at any time in any travel agency, subject to places available. Programmes and prices shall be those listed on our sales contracts, which must be taken by the travel agent seller on the copy given to the traveler and signed up for acceptance. Travel documents and transport tickets shall be issued to the passenger after payment of the price in full.

ATOL PROTECTED PACKAGES: When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alterna-

tive). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you accept absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

CRUISE FLEXIBILITY: For your comfort and peace of mind when planning a cruise, we offer Cruise Flexibility. This optional program, of which the cost is detailed below, is non-refundable and non-cancellable, can only be used once per trip, and must be purchased by all the persons included in the booking. With Cruise Flexibility you can change the date and destination, under the following conditions:

- CroisiEurope river cruises (excl. cruises with a duration of less than 3 days /2 nights as well as day services): £119 incl. tax/person, change of date is possible up to 30 days before departure
- CroisiEurope maritime and coastal cruises: £178 incl. tax/person, change of date is possible up to 30 days before departure
- CroisiEurope cruises on the Mekong, Ganges, Nile and in Southern Africa: £238 incl. tax/person, change of date is possible up to 45 days before departure

Cruise Flexibility is subject to the following conditions:

The change of date must be made once Cruise Flexibility has been requested. The change of date and destination must take place on the same cruise as initially selected. The application of the Cruise Flexibility results in the cancellation of the cruise initially reserved and the establishment of a new booking which will be subject to the general terms and conditions of sale effective on the date of the new booking.

Cruise Flexibility is independent of an optional insurance, which we strongly suggest you to purchase and for which you will find the conditions in the corresponding paragraph.

Cruise Flexibility is applicable only on the cruise, therefore excluding transport (except if a flight chartered by CroisiEurope) and excluding related services. Changes to pre- and post-routing will therefore be subject to the conditions and possible costs of the corresponding suppliers, which will remain at customer's expense.

Cruise Flexibility becomes effective once the balance of the initial contract has been paid. The change of date must be within the same calendar year, it will not be possible to purchase a new Cruise Flexibility on the new booking which led to the implementation of the initial Cruise Flexibility.

The price difference for the new date chosen will be applied to your new booking. If it is in your favour, a credit will be issued to you which you can use on all cruises during the current calendar year.

- The Sponsoree must use his/her discount on his/her first CroisiEurope cruise.

Advantages granted within the framework of a Sponsorship are cumulative with other CroisiEurope offers.

The Sponsor and the Sponsoree may not claim reimbursement (bank transfer, cash...) or exchange the Advantages.

The same cabin cannot be shared by the Sponsor and his/her Sponsoree, or by two Sponsorees.

In the event of cancellation of the CroisiEurope cruise for which the sponsorship was granted by the Sponsoree, the Advantages of both the Sponsoree and the Sponsor will be null and void, and the Sponsor will not be able to benefit from an Advantage until the Sponsoree makes a new reservation.

INDIVIDUAL CABIN: For CroisiEurope river cruises and maritime and coastal cruises, individual cabins are authorized up to 10% of the quota. The number of individual cabins shall not exceed 12 for the entire ship except for cruises on the Mekong, Ganges, Nile and in Southern Africa.

FORMALITIES: Participants must comply with all police and customs formalities in force at the time of travel and according to their nationality. They must hold all necessary visas for stay and transit, as well as any required health certificates, for all countries covered by the cruise or travel itinerary.

Depending on the destination and the traveler's nationality, it is the traveler's responsibility to:

- Verify the required entry and/or exit formalities and documents, including administrative and health-related formalities, taking into account their personal situation and any prior travel.

We recommend that passengers consult the applicable requirements and monitor any updates through their travel agency and/or physician, and by consulting competent embassies, consulates, and health authorities, or the following official websites:

- French Ministry of Foreign Affairs travel advice: <https://www.diplomatie.gouv.fr/en>
- Institut Pasteur Medical Center: <https://www.pasteur.fr/en>

Foreign nationals and those not born in France must consult their national consulate for the relevant requirements.

- Strictly complying with all applicable formalities.
- Verifying the consistency of names, surnames, ID or passport numbers on all travel documents and official paperwork.
- Possessing readable and undamaged travel and identity documents, as well as the required formalities, throughout the trip (we recommend carrying both paper and electronic copies).

Expired, damaged, or facially unrecognizable ID documents (including passports) will be rejected. For passports, it is advisable to ensure a sufficient number of blank pages.

For travel within the European Union or the Schengen Area, it is reminded that French nationals and EU citizens must carry a valid and undamaged national identity card (CN) and/or passport.

For travel outside the EU, a passport or identity card valid for more than six (6) months after the return date may be required by local authorities, along with proof of return, minimum funds, travel insurance, an international vaccination card, proof of vaccination, and/or visa.

French nationals are particularly advised that as of January 1, 2014, the validity of the French national identity card was extended from 10 to 15 years. However, this extended validity is not recognized by all countries. Therefore, travelers holding such ID must verify its acceptance with the embassies of the countries visited.

For minors residing in France traveling without a parent or legal guardian, in addition to a valid ID or passport, an "Autorisation de Sortie du Territoire" (AST - exit authorization) is required, accompanied by a copy of the ID of the person who signed it. More information and the Cerfa form are available at: <https://www.service-public.fr/particuliers/vos-droits/F1359>.

A passenger who is unable to board a flight or is denied entry to a country due to failure to present the required documents, as specified in the signed travel contract or invoice, shall not be entitled to any refund. All resulting expenses shall be borne exclusively by the customer.

If we prepare entry documents (such as visas) on behalf of the customer, we do so based on the information provided by them. We shall not be held liable for any consequences arising from inaccurate or

incomplete information. Required documents must be sent to us by REGISTERED MAIL WITH ACKNOWLEDGMENT OF RECEIPT within the necessary timeframes, and their compliance with destination country requirements must be verified in advance. Documents will be returned only on the day of departure. We shall not be held liable for any delays or failure to issue documents by the relevant authorities. The passenger must provide the company with all necessary information to allow it to fulfill its legal security obligations.

It is reminded that under Article L. 211-8 of the French Tourism Code, the organizer or retailer must inform the traveler, using a standardized form prescribed by regulation, prior to the conclusion of the contract, of the border-crossing conditions. This information must be presented clearly, intelligibly, and prominently. When provided in writing, it must be legible.

The organizer must also inform the traveler of general entry requirements for passports and visas, including approximate timeframes for obtaining visas, and provide information on health formalities applicable in the destination country.

By accepting these general terms and conditions of sale, the client acknowledges having been informed by the organizer of all applicable formalities necessary for the proper conduct of their stay in the countries visited, particularly in the context of the Exotic River cruise programs, and especially those applicable to minors.

Important: Between the publication of the CroisiEurope brochure and the travel departure date, applicable regulations may change. National regulations frequently change without notice. The information provided in CroisiEurope brochures is for guidance only, and it remains the client's responsibility to verify the required formalities at the time of travel. CroisiEurope cannot be held liable for the failure to comply with formalities that it has advised of at the time of booking, nor for any fines incurred due to breaches of customs or health regulations in the countries visited.

CHILDREN / MINORS: Reservations from minors shall not be accepted by the travel agency but must be made by the parents or other adults of more than 18 years of age with the necessary authorizations. Minors of under 18 years of age are not permitted to travel on board unaccompanied. They must be accompanied by parents or adults of more than 18 years of age. No alcoholic beverages shall be served to minors on board. Proof of the customer's age may be requested by the ship's personnel.

MEDICAL CONDITIONS: All passengers shall ensure that they are medically, physically and/or in a psychic way fit to undertake a trip without endangering their life or the life of others. No medical services are offered aboard our ships. Any passenger with a physical or mental incapacity, limited capacity of mobility, having an illness requiring treatment or medical care, or pregnant women should inform the travel agent at the time of booking. No reservations can be accepted for passengers whose physical or mental condition is likely to render their participation in the cruise or in the vacation impossible or dangerous for themselves or others, or who require forms of care or assistance impossible to guarantee aboard ship, notably because of unsuitable infrastructure. Some suppliers (hoteliers, airlines and cruise companies, etc) may require a medical certificate confirming that the passenger is fit to travel or they may refuse to accept the booking if they feel that they will be unable to guarantee any assistance or treatment deemed necessary for the health and well-being of the passenger. Participation in the voyage and in excursions is subject to the condition of the passenger having sufficient mobility. If necessary, the disabled may be accompanied at their own expense to obtain the required assistance.

If CroisiEurope considers it strictly necessary for the safety and comfort of the passenger, bookings of persons with disabilities or reduced mobility will be subject to the condition that a companion able to assist the disabled or mobility-impaired passenger be present. This requirement is entirely dependent on CroisiEurope's assessment of the safety related needs of the disabled or mobility-impaired passenger and may vary from one route to another and/or from one boat to another.

If the disabled or reduced mobility person requests and requires special assistance (care, supervision), they must be accompanied by a companion who can provide the required assistance at their own expense.

All personal accidents, diversions or forced stopover costs disrupting the course of the cruise shall be at the liability of the passenger having concealed his unfitness to travel.

CroisiEurope recommends the wearing of footwear suitable for life aboard and for excursions with non-slip soles.

Some vaccinations, although not mandatory, may be recommended by health authorities.

DENIED BOARDING AND PREMATURE DISEMBARKATION: Boarding may be denied to all passengers and a passenger's cruise may be curtailed (at the risk and cost of the passenger put ashore) when, in the opinion of the ship's captain or the senior officer on board, such passenger is not fit to travel, for administrative or other

legitimate reasons, or disrupts or endangers other passengers. Such a passenger may be put ashore in any port of call whatsoever without the ship owner's liability being invoked. The river cruise operator may not be required to reimburse the days of the cruise not made by the passenger put ashore or to cover any costs occasioned by being thus put ashore.

COMPLIANCE WITH THE TIMING OF STOPOVERS: On stopovers, the latest time for returning to the ship and departure of the ship are mentioned aboard and stipulated by the senior officer on board. It behoves passengers to abide by such times. The company declines all liability in the event of failure to board at the appointed time. No refund or compensation shall be payable to the passenger.

EXCURSIONS: The excursions presented in the brochure are optional (unless otherwise stated) and the number of places is limited. Passengers who have booked excursions before departure will be given priority.

The itineraries of the excursions defined in the programmes are given as a rough guide and may be subject to variations owing to external circumstances (e.g. meteorological conditions, strikes, transports delays, closure of sites by the local authorities, etc.) or owing to local service providers. In actual fact, some of the places visited are subject to high levels of security (the Kremlin for example). The authorities in any country may therefore close any place in an untimely manner and prohibit all visits. We cannot be held responsible for the unexpected closure of any intended site and we will always do our best to arrange an alternative visit in such instances. In the event of cancellation of an excursion, CroisiEurope undertakes to do its utmost to offer replacement tours. In the event of definitive cancellation, the excursion shall be refunded. No complementary compensation may be claimed in such circumstances.

Unless otherwise stated in the programme, prices for optional excursions, excluding packages, are given for information purposes only, and are guaranteed with a minimum of 25 people per excursion. If the minimum number of 25 persons is not reached, a rate adjustment may be applied on board the boat during the excursion. In the event that an excursion or all excursions are cancelled, where such excursions are optional and can only go ahead with a minimum number of participants as indicated above, this shall not result in the customer cancelling the cruise.

Excursions scheduled for the same evening or the next morning on which the boat is boarded are only guaranteed for customers who have subscribed to the package excursions.

For the cruises on the Mekong, Ganges, Nile and in Southern Africa, the excursions booked on site, or mentioned in our programmes are organized by local companies that are independent of CroisiEurope.

Even if they are proposed by our local representatives as an extra service to passengers, they are bought freely on the spot and do not form a component part of the holiday booked through CroisiEurope from France. All descriptions and tariffs shown are for guidance purposes only.

Any dispute, accident or incident in their conduct must be solved on the spot with the body concerned and do not in any way engage the responsibility of CroisiEurope or the travel agency from which the trip was booked.

PERSONAL ITEMS / LUGGAGE: Animals, hazardous objects and products, such as illegal substances, firearms, blunt objects and knives, explosives, oxygen, compressed air or inflammable products, etc. are strictly prohibited on board. The ship owner reserves the right to deny boarding to passengers in possession of such items. Passengers shall be answerable for all damage suffered by the ship owner owing to the failure to abide by the aforementioned obligations.

Loss of objects or material damage thereto shall be declared on board in writing to the Purser's Office during the cruises and the head attendant or as part of a circuit or a stay. Such declaration shall be forwarded to us by the passenger within three days of disembarkation.

Except in cases of fault on its part, CroisiEurope may not be held responsible for the loss, theft, pilferage of and/or damage to the passenger's property. Our crew is at the disposal of passengers for the handling of their luggage and its liability may not be invoked. The limit on liability is £450 per passenger, it only applies to trips aboard boats of the fleet CroisiEurope. For journeys and cruises on the Mekong and in Southern Africa, the responsibility lies with the owners and local providers. During the whole duration of the trip, luggage, as well as the watching of the belongings is the responsibility of the passengers. CroisiEurope underline to the travelers the fact that it cannot in any way be held responsible for items left and does not support their research or their repatriation. Therefore the forgetting of luggage owing to the customer's oversight shall result in the charging of any additional costs incurred in recovering it. **We advise our passengers to take out luggage insurance.**

In the event of loss, late delivery or damage to luggage in the context of air transfers, it is the passenger's responsibility to fill in the luggage complaint form at the airport with the airline company. The original shall be required by the latter for processing all claims.

VALUABLE ITEMS: CroisiEurope shall not be answerable for the loss, theft or damage to valuable items, money, financial documents, jewelry, and personal belongings which have not been under the passenger's supervision or due to the passenger's failure to observe safety rules or instructions. We request you not to leave valuable items unattended, to check their condition regularly and to protect them by putting them in the safe provided for you or in the safe at our ship's reception desk. In addition, we advise you not to leave valuables, keys or identity papers, or medicines essential to your health in your luggage entrusted to the carriers. We cannot be held responsible for any damage, loss or theft of personal belongings.

COMPLAINTS: Any assessment of a subjective nature will be considered with interest but may not be recoverable. If there were problems during the trip, it is strongly recommended to inform immediately your attendant or purser to find a solution in due case. In case of non-delivery or non-use of a local performance in accordance with client's decision, no refund can be made. All complaints must be forwarded to CroisiEurope within 10 days of disembarkation by any means allowing for receipt confirmation to the seller, in accordance with the Tourism Code, and shall be taken into consideration to the extent that such complaint has been observed. The customer shall attach to his letter the assessment form submitted to him with his travel documentation, and shall also attach all proofs in support of his complaint. CroisiEurope informs you that the response time varies from 1 to 3 months following the period of survey among services, hotels or service providers necessary for any claim.

After contacting quality customer service and in the absence of a satisfactory response within maximum 90 days, the customer can complain to the ombudsman of Tourism and Travel, whose details and conditions of entry are available on this website: www.mtvtravel.fr. In addition, it will also be possible to make a complaint via the online dispute resolution platform provided for in (EU) Regulation No. 524/2013 of the European Parliament and of the Council, in accordance with article R 211-6 of the Tourism Code.

In the event of litigation between traders or commercial companies, the courts of Strasbourg alone shall be competent.

PURCHASES: All purchases made in situ are the sole responsibility of customers (for example: counterfeit and other articles ...).

CANCELLATION OF CRUISES BY CROISIEUROPE (article L 211-14 III of the Tourism Code: CroisiEurope reserves the right to cancel cruises for circumstances of force majeure, recurrent climatic or natural events (high tides and low tides, cyclones, etc.) or which may render it impossible to enjoy certain service provisions for reasons relating to passenger safety, and this at any time prior to departure, with no other obligation than to reimburse sums paid. In such a case, the customer may not claim any complementary indemnity. CroisiEurope shall, insofar as this is possible, offer the passenger a replacement cruise of equivalent value. The passenger shall be entitled, as he chooses, to take advantage of such replacement cruise or else receive a refund under the terms set out in these conditions. Should the passenger accept the replacement cruise, no reimbursement or payment of compensation shall take place.

CroisiEurope reserves the right to cancel one or other cruise in the event of insufficient bookings; the customer may not claim any indemnity in this specific case.

Cancellations due to insufficient participants must be notified by CroisiEurope to the traveller no later than:

- 20 days before the beginning of the journey or the stay in the event of journeys lasting more than six days,
- 7 days before the start of the journey or stay in the event of journeys lasting from two to six days,
- 48 hours before the beginning of the journey or the stay in the event of journeys not lasting more than two days.

The minimum number of participants is set at: 80 persons at least for the CroisiEurope cruises on ships having a capacity between 120 and 200 persons; a minimum of 50 persons for ships having a capacity between 70 and 120 persons; a minimum of 15 persons for the barge cruise on the French canals; 40 persons for the Mekong River cruises on board the RV INDOCHINE, 52 persons on board the RV INDOCHINE II, 38 persons on board the LAN DIEP, 24 persons on board the TOUM TIOU I, 18 persons on board the TOUM TIOU II; 12 persons for the Southern Africa cruises; and 48 persons for the Ganges, 90 persons for Nile river cruises and 25 persons for the pre- or post-programme extensions linked to a CroisiEurope cruise.

CHANGES TO PROGRAMMES, ITINERARIES AND TIMETABLES: In the event of strike, bad weather conditions endangering the operation of the vessel safely or extraordinary circumstances, as explained in the Recitals above EC Regulation or for any other legitimate reason, CroisiEurope may at all times and without notice, advance or delay a departure or a stopover or, if need be, change ports of call, and may not be held responsible to passengers in the event of cancellation, earlier or later departure or arrival, modification or substitution.

CroisiEurope may not be held responsible for any failure to abide by the arrival and departure times given in this brochure, and this regardless of the port of call.

As part of the programming of the cruises on the Mekong, Ganges, Nile and in Southern Africa, we reserve the right to the ships captains, cruise directors, leaders and representatives of these premises to modify the itineraries and order of excursions in our programs at any given moment if circumstances demand it.

Generally speaking, and this is the universal principal, the ship's captain's primary mission is the safety of passengers on board. Regardless of the ship or the destination, he is the sole master on board and may decide at any time to divert the ship or cancel a port of call. The ship's captain may cancel the cruise or modify the itinerary of the cruise if he judges it appropriate to the interests of passengers and the safety of the vessel. Should the cruise be interrupted for reasons of force majeure, the customer shall be refunded for the days of the cruise not effected but may not claim any complementary indemnity.

Should such modifications or cancellations of the voyage occur, Articles R 211-9 to R 211-10 of the Tourism Code shall apply.

Possible unforeseen circumstances (civil or religious festivals, sporting events, political demonstrations, strikes, breakdowns, traffic jams, changes by government authorities, or other legitimate reason) may bring about modifications to visits or excursions for which CroisiEurope cannot be held responsible and which shall not permit the customer to request compensation.

Some destinations are subject to particular meteorological and climatic conditions. Some ports of call may be reversed, curtailed or cancelled, particularly for the reasons stated above, without giving rise to indemnification. In the event of cancellation, excursions purchased on board shall be reimbursed. No other compensation shall be payable. A particular port of call cannot be taken to be the objective of a programme, which is intended to explore a region in a general way and discover the pleasures of sailing.

CHANGE IN CABIN CATEGORY OR NUMBER BY THE SHIPOWNER: For technical or operational reasons, river and maritime companies or ship-owners may allot the passenger a cabin other than the one set or chosen upon the reservation. In that event the new allotted cabin should be at least in the same category. Such change shall not be considered a valid cancellation reason for the client, nor a significant change in the contract and shall entitle to no compensation.

TRANSPORTATION

a) Changes /cancellations: Significant increases in rail and air traffic, events beyond our control (strikes, technical incidents, weather, pandemic, etc.) and safety imperatives make it sometimes impossible for airline and railway companies to adhere to their schedules. Delays—both on departure and return—are possible and are beyond the responsibility of the transporter, tour operator and travel agency. **No other compensation, beyond what is strictly called for by applicable laws will be awarded,** regardless of any professional or personal consequences incurred. It is therefore recommended to make allowances for reasonable delays, particularly for the return journey, in the event of important engagements or onward travel connections.

Changes to times and dates, made by railway and airline companies, may take place both on departure and return and may shorten or extend the trip. CroisiEurope—acting as an intermediary between the buyer and the railway or airline company—will do its best to find the most convenient solution but may not be held responsible for any possible consequences of these delays or modifications. **There shall be no compensation on the price of the cruise.**

Moreover, we are not liable for air or rail transfers that are not bought through the CroisiEurope tour operator. We recommend that our clients make their own pre- or post-travel arrangements and purchase flexible or refundable tickets. Cruises cannot be canceled if the reason is due to the client and connected to air or rail traffic. Most airlines have made online check-in mandatory on their websites the day before the flight (outward and return). Passengers are liable for making the confirmation themselves within the given deadline. Furthermore, CroisiEurope strongly recommends that passengers carry out these check-ins, even on companies for which this is not mandatory.

Tickets issued within our programs or reserved directly by the client that are not used—whether on departure or return—may not be reimbursed, even if the trip is canceled or postponed. Giving up your seat in order to take a different plane or train does not constitute a valid reason for reimbursement of a non-used ticket, nor can it be used toward a new ticket.

No claim for air travel leading to additional expenses (taxi, parking, hotels, reservation modifications, non-changeable tickets, etc.) shall result in any compensation being payable on site or upon return, including arrivals in a train station or airport that is different from that of departure (for example: Paris Orly, Paris Roissy).

b) Pre- and post-transfers

To organize pre- and post-transfer tours "from your home city to your meeting point or to the departure or arrival airport" by bus, we wish to draw your attention to the fact that these bus transfers will only take place for a minimum of 20 people.

In some cases, wait times may occur during transfers to take into account possible traffic or organizational needs.

Applicable rates for air or railway travel to Paris or other cities from the city of residence apply only according to the conditions mentioned in our brochures and/or estimates (within the limit of availability in the designated reservation class).

All expenses or repurchased tickets due to airline or railway delays during pre- and/or post-transfers caused by events outside of CroisiEurope's liability are the sole responsibility of the client.

c) Identity of transport companies: In accordance with articles R211-15 of the Tourism Code regarding the obligation to inform passengers of the identity of airline companies, the client is informed of the identity of three de facto or contractual transport companies that are likely to provide the transport services. The seller shall inform the client of the effective airline company that will carry out the flight(s). This information shall be provided at the latest eight days before the date scheduled in the transport contract or when the contract is signed if signature takes place less than eight days prior to the travel date. If the identity of the transport company is changed, the client shall be informed at the latest upon check in.

d) Ticket: Travel tickets issued by airlines and railway companies, or their countermarks, are the only contract between them and the client. The client is responsible for his/her travel ticket and hence must assume the consequences of its loss, theft or destruction without CroisiEurope being held responsible.

e) Baggage: Baggage limits are generally **23 kg** per person on regular flights and **18 kg** per person on charter flights. Excess baggage charges are to be paid directly to the company during check-in. To transport bulky items (wheelchairs, breathing apparatus, strollers etc.), you must inform us when registering. Additional charges may apply according to the airline company. Some airline companies charge for assistance at airports and on-board services.

If baggage is not delivered or is damaged by the airline, the client must immediately inform the competent authority in the arrival airport and complete a loss or damage report. Then, in order to be eligible for compensation, the passenger must send this report to the airline company within a maximum of seven days, with all original documents requested. You are strongly advised to keep a copy of all the originals sent. The airline company will not deal with the request if this process is not respected and the original documents are not presented. CroisiEurope—acting as an intermediary between the buyer and the airline company—will do its best to find the most suitable solution but may not be held liable for any possible consequences of lost or damaged baggage. **No compensation shall be provided by CroisiEurope.**

f) Responsibility of carriers: The consequences of accidents / incidents which may occur during airline transport are governed by the provisions of the Warsaw and Montreal Conventions or local regulations governing domestic transport in the country concerned.

g) Refund of air taxes: In case of non-use of the plane ticket for whatever reason, taxes airport fees are refundable to travelers on their request within 30 days and free of charge for any request online. For any reimbursement request outside line, CroisiEurope will charge 20% maximum amount refunded.

RESPONSIBILITY OF PASSENGERS: Each passenger (or, if the passenger is a minor, his parents or guardians) is responsible and undertakes to compensate the company for any damage to furniture, equipment or other items owned by the boat, for damage in hotels or on airplanes used by the passenger as part of his trip.

Each passenger (or, if the passenger is a minor, his parents or guardians) is responsible and undertakes to compensate the company for all fines or contraventions imposed upon the company owing to an act, omission or violation of a law, whether it be a voluntary act or not on the part of the passenger.

Passports must be in order for the countries through which the ship passes. It is the responsibility of the passenger to ensure the validity and conformity of his passport.

RESPONSIBILITY OF CROISIEUROPE: As an organizer of cruises, shipowner and charterer, CroisiEurope's obligations are defined by the combined provisions of the Tourism Code, those specifically applicable to the navigation of the boat assigned to the cruise and, in the absence of such a law, those of the law of June 15, 1895 on the reports of private law in navigation interior. Articles L.21H16 et seq. of the Tourism Code regulate the responsibility of the organizer, and the terms exemption from it. In accordance with article L. 21H7-IV of the Tourism Code, CroisiEurope's liability, including its obligation to pay compensation, is limited :

- to the conditions of compensation and the liability regime provided for by the international conventions in force (including the Warsaw Convention of 1929 and the Montreal Convention of 28 May 1999) and/or European Union regulations (in particular EC regulation 261/2004 of 11 February 2004) applicable to its services or those of its service providers for which it is responsible (including carriers, airlines, railways or waterways).

- in the absence of their application and excluding personal injury, intentional or negligent damage. CroisiEurope's liability is limited to three times the total price paid by the passenger.

CroisiEurope may not be held liable in the event of force majeure, exceptional and unavoidable circumstances, the unforeseeable and insurmountable act of a third party not involved in the provision of the services stipulated in the contract, and/or damage caused by the passenger. Any anomaly must be reported to the purser. CroisiEurope may not be held responsible for any damage suffered by passengers on land, outside the services and/or programme provided, when the latter are not under its authority or supervision, in the event of an accident or damage of any kind suffered by the passenger. The limitation of CroisiEurope's liability for personal injury is 2,000,000 SDR (SDR: Special Drawing Rights; currency international) sure the boats of the fleet CroisiEurope, in accordance with the rules of the Strasbourg Convention (CLNI 2012) on the limitation of liability of boat owners.

OBLIGATION TO PROVIDE ASSISTANCE: In its capacity as organiser, CroisiEurope will provide as soon as possible in the circumstances of the case, appropriate assistance to the traveller in difficulty in accordance with articles L. 211-17-1 and R.211-11 of the Tourism Code. The nature of this assistance is specified by article R.211-11 of the Tourism Code reproduced above.

CROISIEUROPE INSURANCE: Regarding the civil liability of CroisiEurope in respect of passengers and third parties, CroisiEurope is insured for bodily and material accidents by a "Protection and Indemnity Club (P&I)" guarantee. Regarding the professional civil liability of the cruise organiser, the latter is insured pursuant to the provisions of the Tourism Code. The contract covers underwritten by Allianz within the guaranteed type of damage, per claim and per insurance year the injury to the tune of 20,000,000 €, property damage and consequential damage to the tune of 10,000,000 € professional liability up to 15,000,000 € (for all injury, damage and consequential).

Professional civil liability insurance: insurance policy no. 62944562

OPTIONAL INSURANCES AND ASSISTANCE GUARANTEE -

REPATRIATION: Clients have the option of taking out an insurance policy covering the consequences of certain cases of cancellation, damage to luggage, personal liability abroad and interruption of stay, by means of the registration form or the sales contract. The general conditions of these insurance contracts are available on request from the insurer. These contracts contain limits of cover, exclusions, excesses and obligations in the event of a claim. Clients are therefore advised to read them carefully. In any event, only the insurance company concerned shall be liable to the Client in respect of the performance of the said contracts; the Client shall then have a direct legal relationship with the company. Apart from these optional insurances, a medical repatriation / personal assistance insurance is included free of charge in all our cruises and trips.

For the above purposes and subject to appropriate guarantees of confidentiality and security, particularly data minimization, personal data may be shared:

- with CroisiEurope employees and those of its subsidiaries who require access and are authorized to process data for the stated purposes,
- with CroisiEurope subcontractors and third parties acting on its behalf and approved by the company, in accordance with French and European standards (including transport providers, insurers, banks, customs authorities, local service providers, technical or IT support subcontractors, hosting providers, and tour guides).

Personal data is generally processed within the European Union but may be transferred outside the EU where third-party entities ensure an equivalent level of personal data protection in compliance with EU requirements.

CroisiEurope may also disclose or process personal data if legally required to do so or if, in good faith, it believes such disclosure is reasonably necessary to comply with legal proceedings, respond to claims, or protect the rights, property or safety of the company, its customers or the public. This includes fulfilling governmental requests in departure, transit or arrival countries for immigration, border control, security and/or counterterrorism purposes.

Personal data is processed and stored in accordance with applicable French and EU standards for the duration necessary to:

- fulfill the above purposes,
- comply with legal and regulatory requirements,
- perform our contracts and resolve any disputes.

If a data subject objects to the collection and processing of their personal data necessary for the conclusion and execution of the contract and related services, the performance of all or part of their contract with CroisiEurope becomes impossible. Once this impossibility has been explained, if the objection is confirmed, the contract will be considered canceled by the traveler and the cancellation provisions shall apply.

Personal data will be retained for three (3) years from the date of last contact or the end of the contractual relationship with CroisiEurope. At the end of this period or upon request for deletion, the data will be destroyed or anonymized in active databases. However, data may be retained with restricted access for the duration of any ongoing disputes until the limitation period expires or legal remedies are exhausted, and archived to meet CroisiEurope's legal, accounting and tax obligations (such as the 10-year invoice retention obligation set out in Article L123-22 of the French Commercial Code).

PLEASE NOTE: For groups of travellers, i.e. more than 20 people, we invite you to contact our 'Group' department directly to find out about product availability and the general terms and conditions of group sales.
