Travel that goes **WAY** beyond travelling

Call us crazy but we've always believed travel shouldn't just feel like a break. It should feel like a breakthrough.

We've spent more than 35 years bringing this type of adventure to the world, and we've chalked up our success to building one thing better (in our humble opinion) than any other travel company: **community**.

It starts with our groups. Small by design, they bring together travellers from all over the world and put you on a fast-track to deep, meaningful connections. (Don't be surprised if your group chat is still going years later.)

But it doesn't stop there. From the ground up, every one of our trips were built to create real benefits for the local people that make them possible. You're supporting their communities by harnessing the power of community. Funny how that works.

At their core, our adventures are powered by people. The ones you meet. The ones you travel with. And the ones behind the scenes who lead with heart, serve with purpose, and believe that doing the right thing should always come first.

We're here to create happiness. To embrace the beautifully bizarre. And to change lives — starting with yours.

If that sounds like your way of seeing the world, we're glad you found us, and we can't wait for our adventures to begin.

Eight reasons you'll love us

The MVPs of your trip

Our guides? Yeah, they're next-level. Our Chief Experience Officers (CEOs) are local legends with all the insider info, good vibes, and problem-solving powers to make your trip feel effortless. They know every shortcut, street food stall, and sunset spot — and they'll have your group clicking like you've known each other forever. Bottom line: they're the secret ingredient to your best adventure yet.

Small crew, global connections

No massive buses. No nametags. Just small groups packed with personalities from all over the world. That means more chances to actually connect — with your trip mates and with every place you visit. Because good times start with good people.

Itineraries with wiggle room

You'll have a plan — but it won't feel like one. Our itineraries hit the sweet spot between “you're covered” and “you do you.” Join in on the activities you're excited about, or peel off and explore on your own. There's freedom built into every day.

As immersive as it gets

We don't believe in standing on the sidelines. With us, you'll dive headfirst into local life — not just snapping pics, but actually getting your hands dirty (in the best way). Cook with local families, jump into the dance circle, and soak it all in like you live there.

Making it rain: not required

Seeing the world shouldn't mean emptying your savings. With us, you'll get the trip of a lifetime — think epic experiences, legendary nights out, and oh-so-unique stays — all without breaking the bank. Unforgettable should never be unaffordable, so we've made sure great value always comes standard.

Book with confidence (and zero stress)

From no single supplements to 100% Guaranteed Departures and Lifetime Deposits, we've got your back before your trip even begins. Questions? Our crew's here for you — day or night, 24/7.

Lots of fun, loads of good

The best travel stories leave a mark — on you, and the world. Our Community Tourism model means your adventures help fuel local economies, support communities, and give back to the planet, just by showing up and having a blast. Yep, doing good really is that easy.

The difference we're making together

When you say your trips are good for the world, that has to include the planet too — and Trees For Days is our global program for doing just that. For every day a traveller is on one of our trips, we'll grow a tree on their behalf in one of 14 reforestation projects around the world. More days equals more trees, and a healthier planet overall.

PLANETERRA

Empowering local communities for over 20 years, Planeterra is our non-profit partner dedicated to making sure places touched by tourism benefit from the opportunities it provides. They do this by helping local people develop their communities, conserve their cultures, and implement plans for reaching their goals.

Ripple Score

When it comes to benefiting local economies, we want to put our money where our mouth is. That's why we created the Ripple Score. On a scale from 0 to 100, it shows what percentage of a traveller's money stays in the local communities they visit on their trip with us. The higher the number, the bigger impact their money has.

Travel Styles galore

We all adventure a little differently. Some like it extra immersive. Others, a little sweaty. Whether you're a seasoned explorer or a hostel-loving 20-something, our Travel Styles make it easy to browse our 1,000+ trips and find the one that fits you just right.

18-to-Thirtysomethings

Action-packed and easy on the wallet, our 18-to-Thirtysomethings trips will have you living life to the absolute fullest. Staying in hotels, homestays, hostels, and the occasional tent or two, soak up the world on adventures that feature the perfect mix of cultural experiences and epic nights out.

From iconic cities to the wildest corners of the map, this is where the adventure kicks off. Flip the page and dive into destinations all across the globe.

Asia

Asia is just too massive and too packed with coolest-things-ever to sum up in a single paragraph, but if you're looking for variety, culture, and a whole lot of fun, this is definitely the place. The diversity of landscapes, people, food, languages, art, and religions is borderline unbelievable. And while the big-city bustle of Bangkok or Beijing may get your brain buzzing, the oh-so-calm of rural Cambodia and India's sacred sites perfectly balances everything out.

Thailand: island-hopping edition

Most countries would be satisfied with just a single stretch of dazzling coastline. Not Thailand. They've got over 3,000km (1,862 mi) of it. And after you've spent a few days here, hopping from island to impossibly beautiful island on an exclusive catamaran with us, you'll have seen more of it than you ever thought possible.

Cruise across the Andaman Sea

Authentically delicious

You know the excitement you feel when you get Thai delivered at home? Now imagine it was prepared for you with fresh ingredients by a personal Thai chef while you floated along the Andaman Sea. Hungry yet?

Beach bums unite

There's a reason that most people think of beaches when they think of Thailand, and that's because they've got some of the best in the world. (They filmed "The Beach" there. 'Nuff said.) Whatever your beach style is, you'll find something that suits it.

Getting off the grid

Part of the beauty of exploring via catamaran is you'll have access to some of the most secluded islands, beaches, and caves that the big crowds won't.

Best of both worlds

Having a beach to yourself is cool and all, but you'll probably want to visit some of the hot spots like Ko Phi Phi and Phuket, too. We'll get you to them, as well as a bunch of lesser-known islands with just as much to offer.

Africa

Lush plains, sprawling deserts, perfect coasts. Africa's scenery alone is enough to make the other continents jealous. (They're so insecure sometimes.) But it's not just the landscapes and wildlife that keep travellers coming back; it's the energy and vibe infused into each and every day. Because Africa isn't so much a place you visit; it's a place you get swept up in — that also happens to have lions.

Meet Lando, your one-of-a-kind, sweet ride

Completely redesigned and purpose-built, your Overland Adventure Vehicle (OAV) is more than just 15.5 tonnes of beauty; it's your primary means of transport, safari vehicle, kitchen, and camping support craft all rolled into one. With bigger windows, personal USB charging ports, air conditioning, and seats that not only recline, but also adjust side-to-side (because sometimes one size doesn't fit all), we're pretty confident that you've never been in a ride as sweet as this.

Our exclusive Overland Adventure Vehicle

When we set out to design our overland vehicle, we wanted to set a new industry standard. Our custom-designed OAV is a revolutionary new mode of transport built to help you get the most out of your safari experience. We call it “Lando,” and we’re the only company with anything like it.

Climb aboard and see what reimagined feels like.

- › Full A/C so you can be comfortable no matter how hot it is outside
- › Massive front windscreen and dropdown Sena photography windows on either side of the Lando, offering greater passenger views (and way cooler picture-snapping possibilities)
- › 24 personal USB charging ports so you don’t have to worry about where your next charge will come from
- › No more separation between passengers and driver; both CEOs are with the group, regardless of who’s behind the wheel

Get your camping on, Africa-style.

On the surface, overland camping is about sleeping under the big African night sky and eating tasty, tasty food cooked over an open fire. But once you’ve been, you know that it’s really about connecting with your newly made BFFs — especially after a long day of spotting wildlife you’ve only ever dreamed about.

TENTS AND GEAR

We stay at a variety of designated campsites along the way. All equipment (except pillow and sleeping bag) is provided. Our large domed tents can be set up in about five minutes and most campsites feature toilets, running water, and basic showers. Some sites even have more amenities, like bars, shops, swimming pools, and wi-fi access.

WE’RE ALL IN THIS TOGETHER

Participation camping means travellers take care of themselves and each other. Duties — packing and unpacking, tidying up the Lando, helping to cook, etc. — are assigned daily and rotate amongst the group. Some of our adventures may begin and/or end with a bit more comfort in conveniently located hotels.

WHAT WILL WE EAT?

Your CEOs will do most of the cooking, which is always healthy and sure to fuel you up for the day. Breakfast is basic with coffee, tea, cereal, bread, and jam; lunch is typically salads and sandwiches; and dinners are served hot and feature a variety of meats and other local favourites. Special diets can usually be accommodated with advance notice, so let us know if you’ve got food allergies or special needs.

Gorilla Trekking

People use the term “exclusive” all the time in the travel biz, but few experiences are as worthy as gorilla trekking. There are less than a thousand mountain gorillas left in the world, and half of them live in the ever-so-leafy Bwindi Impenetrable National Park. Journey into the rainforests of Uganda and get up close to these families, giving you a seriously unforgettable opportunity to see how these gentle, critically endangered giants communicate and relate with each other and with us. Real talk: this experience will change your life. Don't miss it.

The G Difference

EXCITING GROUP TRIPS

Pair up your gorilla experiences with culture, scenery, and chimp trekking with our group tours through the rainforest — they make the perfect add-on.

NO SURPRISES

All the fees, permits, and tour costs are built into the price of your trip, meaning you really only have to pay once. For real. Put your wallet away.

MASTER TRACKERS

On gorilla tracking excursions, you will be led by certified mountain guides, expert gorilla trackers and park rangers to ensure you find the gorillas. Added bonus: We don't pool our travellers, so you'll be immersed in the experience without any distractions.

North America

The possibilities for adventure throughout North America are endless. Seriously. You'd need, like, two lifetimes to see it all, so you might as well get started. From the Grand Canyon to the Vegas Strip, to the Canadian Rockies, to... well, we think you get the idea. Experience North America like the born adventurer you are.

You. Us. And the open road.

With its countless sprawling cities and natural wonders, North America was built for, you guessed it, road trips. Our tours here were made for value-savvy travellers looking to devour as much of the continent as possible — all via the open road, and aboard adventure-ready, air-conditioned, extra-comfortable rides. Toss in an expert CEO (Chief Experience Officer) on each tour and you're all set for the road trip of a lifetime without having to spend a minute hunched over the wheel.

Participation camping

On the surface, camping is about sleeping under the stars and cooking your own food over an open fire. But once you've been, you know it's really about the people you're with.

ROOMS, TENTS AND GEAR

To ensure you get your z's (and to keep costs low) you'll share your hotel room with other travellers. Our tours include nights in four-person tents (with padded air mattresses) at campgrounds. And we only place two people in each tent, so you'll have plenty of room. All campsites feature toilets and tap water, some even have shops, WiFi access, and laundry service. All gear (except sleeping bags and pillows) is included.

WE'RE ALL IN THIS TOGETHER

Participation camping means the travellers take care of themselves and each other. Duties — packing and unpacking, tidying up the vehicle, helping to cook, etc — are assigned daily. Typically, you'll set up your tent on arrival and then either help out with the meal or clean up afterward.

WHAT WILL WE EAT?

CEOs do the meal planning, but travellers help with grocery shopping and preparing meals. When not eating at the campsite, you'll have lots of chances to try all sorts of regional specialties — Navajo Tacos, Barbecue, Poutine, etc. Breakfasts are served buffet-style; lunches feature sandwiches or the occasional picnic; dinners are as eclectic as the country itself. We don't collect a food kitty, so all included meals are in the cost of your tour. And within the cities you'll have the flexibility to eat where you like during free time.

WHAT IF I'M TRAVELLING SOLO?

Because sometimes it's just more convenient and comfortable to have your own room (or tent), we offer single travellers a My Own Room / My Own Tent option — a bit of privacy at a great price. Otherwise, we'll pair you up with a same-gender tent-mate.

Road trip? Road trip?! Road trip!

Getting around

Ranging in length from 4 to 18 days, most of our North American road trips involve a mix of hotel stays in the cities and participation camping in the great outdoors. North America is a big place; New York to Las Vegas alone is the equivalent of driving across most of Europe. Driving time is the perfect opportunity to catch up on sleep, relax, or swap stories with your fellow travellers. Best of all, somebody else does all the driving while you rest up from your night out in Vegas.

Meet your ride

Our vehicles in the United States are built for the road. We put rider well-being and safety

first and foremost. With comfortable seats, plenty of legroom and A/C, you can recharge comfortably while your CEO gets you to your next awesome destination. Adventurers, your chariot awaits.

Who's driving this thing, anyway?

Your trip will be led by a CEO hand-picked for their knowledge and familiarity of the terrain you'll be exploring. They have many jobs to do on a typical trip, but job #1 is always making sure your trip is the epic adventure you've been waiting for. A typical day includes about six hours of driving by your CEO and two to five hours of stops along the way.

Central America

Itty-bitty compared to their northern and southern compadres, Central America and the Caribbean punch well above their weight when it comes to “wowwwwww”. The diversity of landscape, wildlife, and culture packed into such a little area is seriously astounding, but there’s a huge benefit to being small: everything is close by, so you never go without.

A smiling woman with sunglasses on her head, wearing a pink tank top, is walking on a paved street. In the background, there is a large, ornate yellow church with a white dome and a red-tiled roof. The street is lined with green bushes and a black street lamp. The scene is bright and sunny, suggesting a warm climate.

South America

Come for the ruins and rainforests; stay for some of the greatest people on the planet. Whatever your adventure style, South America has got it in spades. Make the trek to Machu Picchu. Sip caipirinhas on the beach in Rio. Snorkel with sea lions in the Galápagos Islands. Odds are, if you've got a travel dream, you can make it happen here. So pack your bags, head south, and let your adventure begin.

A group of hikers is seen from behind, walking along a narrow stone wall that runs along the edge of a mountain trail. The hikers are wearing backpacks and using trekking poles. The stone wall is made of large, moss-covered stones. In the background, a vast mountain range stretches across the horizon under a sky filled with white and grey clouds. The overall scene is one of a high-altitude mountain trek.

Walk in the footsteps of the Inca

Venture into Peru's Sacred Valley and follow the path of the Incas to the roof of the Andes, passing ancient ruins and breathing in pure mountain air by the lungful. There are plenty of memories to be made on the Inca Trail's four-day trek, but none compare to the instant you walk through the Sun Gate and catch your first glimpse of the forgotten city of Machu Picchu. It's not just an accomplishment; it's a transformative moment.

The condition of medical facilities in the countries you may visit on your Tour varies and the Tour Operator makes no representations and gives no warranties in relation to the availability or standard of medical facilities in those countries.

4. SPECIAL REQUIREMENTS

Any special requirements must be disclosed to the Tour Operator at the time of booking. The Tour Operator will use reasonable efforts to accommodate special requirements or requests for special services, subject to the availability of the nature of the destinations visited and availability of options outside a planned itinerary. Certain activities may be inaccessible to you if your mobility is limited in any way. All food and beverage restrictions must be disclosed to the Tour Operator at the time of booking, but the Tour Operator cannot guarantee that dietary needs or restrictions can be accommodated. Any special requests or requirements do not form part of these Terms or the contract between you and the Tour Operator. The Tour Operator is not liable for any failure to accommodate or fulfill such requests.

All bookings with a minor are subject to review and approval by the Tour Operator. If the consent of a parent, guardian or any other person is required by applicable law for any minor to travel, the accompanying adult is responsible for securing all consents, documentation and ensuring that they and the minor(s) meet all legal requirements to travel, to enter into and depart from applicable countries and regions. The Tour Operator will not be responsible for any fees, damages or losses incurred as a result of any failure to secure necessary consents, permits, and approvals.

Each adult on a booking with a minor or minor(s) is jointly and severally responsible for the behavior, wellbeing, supervision and monitoring of such minor(s), and jointly and severally accepts these Terms for and on behalf of any minor(s) on their booking, including all assumptions of risk and limitations of liability. The Tour Operator does not provide services for minors, and expressly disclaims any responsibility for chaperoning or controlling any minor(s).

6. MANDATORY INSURANCE REQUIREMENTS

You MUST HAVE TRAVEL INSURANCE WITH A MINIMUM MEDICAL, EVACUATION AND REPAIRATION COVERAGE OF USD\$20,000 covering all applicable dates of travel with the Tour Operator. This insurance must cover personal injury and emergency medical expenses. You are strongly recommended to extend your coverage to include cancellation, curtailment, and all other expenses that may arise as a result of loss, damage, injury, delay or incurrence while travelling. You acknowledge that insurance coverage is not included in the cost of your booking. You must obtain separate coverage to obtain separate coverage at an additional cost. You are responsible for advising your insurer of the type of services and activities included in your booking so that the insurer may provide appropriate coverage.

7. PRICES, SURCHARGES AND TAXES

Tours are priced to include all applicable taxes. Prior to this time, the Tour Operator reserves the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. The Tour Operator also reserves the right to increase the price of confirmed

holidays solely to allow for increases which are a direct consequence of changes in taxes or prices of advertised included or applicable services.

(a) The price of the carriage of passengers resulting from the cost of fuel or other power sources;

(b) The level of taxes or fees applicable to the holiday imposed by third parties, including directly or indirectly the performance of the holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; and

(c) The exchange rates relevant to the package.

Such variations could include but are not limited to airline cost changes which are part of the Tour Operator's contracts with airlines (and their agents), cruise ship operators and any other transport providers.

You will be charged for the amount of any increase in accordance with this clause. However, if this means that you have to pay an increase of more than 8% of the price of your confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if the Tour Operator in accordance with these Terms, the refund of the amount you will not have to pay more than if it is of lower quality you will be refunded the difference in price, or cancelling and receiving a full refund of all monies paid to the Tour Operator, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 7 days from the issue date printed on your final invoice.

Should the price of your holiday go down solely due to the changes mentioned above then any refund due will be paid to you less an administrative fee of GBP£50 or EUR€50, according to the currency of your booking. However, please note that travel arrangements are not always charged in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

From time-to-time the Tour Operator may offer reduced pricing on certain products or services. Reduced pricing applies only to new bookings. Bookings where payment of at least a deposit has been received by the Tour Operator or its disclosed agent are not entitled to reduced pricing.

All dates, itineraries and prices of Tours are subject to change at any time and the current price will be quoted and confirmed at the time of booking, subject to any surcharges that may be levied in accordance with these Terms.

You acknowledge that you are responsible for keeping up to date on the specific details of your Tour and any other products or services, including, but not limited to, checking the Tour Operator's website for any updates prior to departure as minor changes may have been made after the time of booking.

The Tour Operator will not be held responsible for any fees you incur as a result of errors, omissions, inaccuracies, late, misplaced or otherwise incomplete information you have provided.

11. AIRFARE

Tour prices do not include international or other airfare unless expressly mentioned in the Tour's descriptions. Quotes provide an estimate only and are not a firm price commitment by the Tour Operator or the applicable air carrier(s).

Many of the flights and flight-inclusive holidays sold by G Adventures Limited as disclosed agent of the Tour Operator are financially protected by the ATOL scheme. G Adventures Limited's ATOL number is 10808. Please note that ATOL protection does not apply to all holiday and travel services listed, sold or provided by the Tour Operator or G Adventures Limited as its disclosed agent. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate for your booking, you will not be ATOL protected. If you do receive an ATOL Certificate but all the details of your trip are not listed on it, those parts will not be ATOL protected. For more information about financial protection and the ATOL Certificate go to: www.atol.org.uk/ATOLCertificate or contact the Civil Aviation Authority of Great Britain, 45-59 Kingsway, London WC2B 6TE.

When you buy an ATOL protected flight or flight inclusive holiday from G Adventures Limited as disclosed agent of the Tour Operator you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. You will be provided with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where it is not possible to provide the listed services for reasons of insolvency, an alternative ATOL holder may provide the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. You agree that in some cases that money will not be possible to claim an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If G Adventures Limited as disclosed agent of the Tour Operator is unable to provide the services listed (or a suitable alternative), through an underwriter of the ATOL scheme or otherwise, the Trustee(s) of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustee(s) any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against G Adventures Limited, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be reduced or extinguished if that other holder has paid sums you have claimed under the ATOL scheme.

When you buy an ATOL-protected flight-based holiday from a travel agent, all monies you pay to that travel agent are held by the travel agent on behalf of and for the benefit of the Trustee(s) of the Air Travel Trust at all times. This is subject to the travel agent's obligation to pay it to G Adventures Limited as disclosed agent of the Tour Operator for so long as G Adventures Limited is able to fall within the ATOL scheme. The money held at that time by the travel agent, or subsequently accepted from you by that travel agent, is and continues to be held on behalf of and for the benefit of the Trustee(s) of the Air Travel Trust until you have agreed to pay that money to G Adventures Limited as disclosed agent of the Tour Operator.

When you buy a holiday from a travel agent that does not include a flight, all monies you pay to that travel agent are held by the travel agent on behalf of the Tour Operator or G Adventures Limited as its disclosed agent at all times.

12. FINAL PAYMENT & ACCEPTANCE OF BOOKING

The confirmation sent to the Tour Operator or your travel agent will contain details of final payment for your booking. Payment of the balance of the price for the products or services booked (including Expedition (see 29(C) below and Private Travel (see 29(D) below, and Day Tours (see 29(F) below) is due 60 days before the departure date of the first product or service included in the applicable booking. If full payment is not received by the applicable due date, the Tour Operator may, at its sole discretion, change the rate payable for the booking, or treat the booking as cancelled and retain the deposit paid on booking as a cancellation fee. If a booking is made less than 60 days before the departure date of the first product included in the applicable booking, then the full amount must be paid at the time of booking. If, for any product or service booked, payment terms differ from those set out in the applicable booking terms, the relevant payment terms will apply prior to booking and will also be detailed on the applicable invoice.

The Tour Operator is not responsible for any charges levied by third parties or financial institutions and payable by you as a result of credit card or other payment transactions and will not refund or return any fees charged by third parties or financial institutions in connection with payments made by you to the Tour Operator.

13. CANCELLATION BY THE PARTICIPANT BEFORE DEPARTURE

You may cancel your booking by notifying the Tour Operator. Cancellation fees, if any, will be determined with reference to the date on which notice of cancellation is received and the applicable cancellation terms, which are a percentage of the total price paid for the cancelled Tour, plus product service (excluding any insurance products).

- Cancellation of a Tour:
- (a) Cancellation received 60 days or more before departure of first product or service in relevant booking: Lifetime Deposit will be held by the Tour Operator in accordance with these Terms, an amount equal to 50% of the remainder of the payments made to the Tour Operator in respect of the cancelled Tour will be held by the Tour Operator in accordance with these Terms, the remainder of the payments made to the Tour Operator in respect of the cancelled product will be refunded.

For certain products or services offered by the Tour Operator, including Bookings on or related to the Expedition (see 29(C) below and TailorMade (see 29(E) below, and Day Tours (see 29(F) below), alternative cancellation terms may apply. The Tour Operator will advise you of any such requirements prior to confirmation of the applicable booking.

Cancellation of Arrival Transfers, Pre and Post Night Accommodations, My Own Room and optional activities booked directly with the Tour Operator:

- (b) Cancellation 30 days or less before departure: no refund will be payable in respect of any cancelled Arrival Transfers, Pre and Post Night Accommodations, My Own Room and optional activities.

The cancellation charges above have been calculated as a genuine pre-estimate of the losses that the Tour Operator would incur if you cancel your holiday within the stipulated time period, taking into account the charges the Tour Operator will incur from its suppliers (some of which will be up to 100%) and the expected cost savings and income from alternative use of the cancelled services (if possible) calculated as an average charge over a period of time.

Important note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above.

The Tour Operator will deduct the cancellation charge(s) from any monies you have already paid to the Tour Operator.

Cancellation by You due to Unavoidable & Extraordinary Circumstances You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of "unavoidable and extraordinary circumstances" which are not able to be paid to you by the Tour Operator. Unavoidable and extraordinary circumstances means war, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination and natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

14. GUARANTEED DEPARTURES, CHANGES & CANCELLATION OF A TOUR BY THE TOUR OPERATOR

The Tour Operator guarantees that at least one participant will guarantee a guaranteed departure when at least one booking secured by a valid deposit has been made on that departure.

The Tour Operator guarantees that all scheduled Tour departures booked and secured with a valid deposit will depart as indicated on the applicable confirmation, subject to reasonable itinerary changes as described in these Terms or going to a different departure date if you have not been notified in the case of Force Majeure. Up to date Tour and itinerary information is available on the Tour Operator's website or by contacting the Tour Operator. Brochures and other printed materials displaying Tour information and departure dates are subject to change and may not be relied upon for purposes of this guarantee.

If the Tour Operator makes an insignificant change to your holiday, it will make reasonable efforts to inform you or your travel agent as soon as reasonably possible if there is time before your departure but will have no liability to you for failing to inform you or your travel agent. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, change of accommodation to another of the same or higher standard (where specific accommodation was identified to you), changes of carriers. Note that carriers such as airlines used in the brochure may be subject to change.

Occasionally the Tour Operator may have to make a significant change to your confirmed arrangements. Examples of "significant change" include the following, when made before departure:

- (a) A change in accommodation area for the whole or a significant part of the tour for more than 100 miles.
- (b) A change of accommodation to that of a lower standard or classification for the whole or a significant part of your time away.
- (c) A change of outward departure time or overall length of your arrangements of two or more hours.
- (d) A significant change to your itinerary, missing out one or more destination entirely.

If the Tour Operator has to make a significant change or cancel, it will tell you as soon as possible and if there is time to do so before departure, will offer you the choice of:

- (a) For significant changes) accepting the changed arrangements; or
- (b) Having a refund of all monies paid; or
- (c) Accepting an alternative travel arrangement of comparable or higher standard if available (at no extra cost); or
- (d) If available, accepting an offer of alternative arrangements of a lower standard, with a refund of the price difference between the original arrangements and the alternative arrangements.

You must notify the Tour Operator of your choice within 7 days of the offer. If you do not notify the Tour Operator within 7 days, it will contact you again to request notification of your choice. If you fail to respond again within 3 days the Tour Operator will assume that you have chosen to accept the change or alternative booking arrangements.

Once a Tour has departed, itinerary changes may be necessary as a result of unforeseen circumstances, operational concerns, or concerns for your health, safety, enjoyment or comfort. Any changes are at the discretion of the Tour Operator. You acknowledge that you must have reasonable

financial resources to cover incidental expenses during all travel with the Tour Operator, whether or not you have a change of itinerary, as the Tour Operator is not liable for any extra you prepare during the travel and unforeseen circumstances which may arise from a change of itinerary. The Tour Operator will not be liable for any indirect and/or consequential losses associated with any changes to a booking or itinerary.

Compensation
In the event of a full refund of all monies paid for the cancelled Tour by you, the Tour Operator will pay you reasonable compensation in the following circumstances:

- If the Tour Operator makes a significant change less than 60 days before your departure date (or 90 days for Expedition Tours) and you do not accept the changed arrangements and cancel your booking; or
- If the Tour Operator cancels your booking and no alternative arrangements are available.

IMPORTANT NOTE: The Tour Operator will not pay you compensation in the following circumstances:

- Where the Tour Operator makes an insignificant change;
- Where the Tour Operator makes a significant change or cancels your arrangements more than 60 days before your departure (or 90 days for Expedition Tours);

- Where the Tour Operator has to cancel your arrangements as a result of your failure to make full payment on time;
- Where the change or cancellation by the Tour Operator arises out of alterations to the confirmed booking requested by you; or
- Where the Tour Operator is forced to cancel or change your arrangements due to Force Majeure.

If the Tour Operator becomes unable to provide a significant proportion of the arrangement that you have booked with the Tour Operator after you have departed, we will, if possible, make alternative arrangement for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

Standards of hygiene, accommodation and transport in certain countries where Tours take place are often lower than the standards you may reasonably expect in your own country or region. You agree that the Tour Operator is not responsible for providing information or guidance with respect to local customs, weather conditions, specific safety concerns, physical challenges or safety issues at any locations where a Tour, product or service is operated. You acknowledge you have considered the potential risks, dangers and challenges and your own personal capabilities and needs, and you expressly assume the risks associated with travel under such conditions.

You agree to immediately report any pre-existing damage to a representative of the Tour Operator or the Tour Operator's customer service department directly. The Tour Operator assumes no liability for complaints that are not properly brought to the attention of the Tour Operator and cannot resolve or attempt to resolve complaints until proper notice is provided. If you fail to notify the Tour Operator of any pre-existing damage, the Tour Operator will not be responsible for the damage.  - When making any payment, the Tour Operator is entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.
- It is a condition of the Tour Operator's acceptance of liability under this clause that you notify any claim to the Tour Operator and our supplier(s) strictly in accordance with the complaints procedure set out in these Terms.
- Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to the Tour Operator or its insurers any rights they may have to pursue any third party and must provide the Tour Operator and its insurers with all assistance they may reasonably require.

- Please note, the Tour Operator cannot accept any liability for any damage, loss or expense or for any injury, illness or death, or any other claim of any description which you have suffered or may suffer as a result of any accident or injury which occurs on the basis of the information given to the Tour Operator by you concerning your booking prior to the Tour Operator accepting it, the Tour Operator could not have foreseen you would suffer or incur if the Tour Operator breached its contract with you, or

Who wants to have to flag down taxis or wrangle local transit after a six-hour flight? We can help arrange your airport transfer at your destination so you can get to your hotel easily and get exploring sooner.

My Own Room

If you're travelling solo and, instead of us pairing you up with a same-sex roommate, would prefer a room all to yourself, My Own Room can make it happen. Add it onto your trip for extra personal space and the gloriousness of your own private washroom.

Travel insurance

If there's one thing any sage traveller will recommend, it's to purchase travel insurance. We can find you the best coverage for your tour requirements and budget. Get just what you need by booking with us before you go.

Day Tours

If you've got time for an extra day of adventure before or after your bigger trip, our Day Tours are the perfect option. Over the course of one epic day, you'll explore the city you're in and the surrounding area in classic G Adventures style. Don't worry, we'd be happy to help you book your pre- or post-trip accommodation at your start or end hotel, too. You'll find our Day Tours under the "Personalize Your Experience" callout on our trip pages.
