

Travel your *heart* out

The greatest adventures on Earth

The *world* is calling.

Loudly.

**With *stories* to share
and *lessons* to teach.**

**And it's not meant to be
seen from the sidelines.**

**Because travel isn't just
about where you go — it's
about how you *show up*.**

Stepping into the *unfamiliar*.

Letting *curiosity* guide you.

**And coming home changed,
in all the *best ways*.**

A person wearing a blue t-shirt is leaning against the thick, textured trunk of a large tree. The background is a lush, green forest with sunlight filtering through the leaves. The overall mood is peaceful and adventurous.

**When we travel with
our *hearts* wide open,
we move differently.**

We *listen* more.

**We *give* back in ways
that matter.**

**And we make *connections*
that last long after the
adventure ends.**

So lean in.

Say *yes*.

**Travel boldly.
Travel deeply.**

Travel that goes **WAY** beyond travelling

Call us crazy but we've always believed travel shouldn't just feel like a break. It should feel like a breakthrough.

We've spent more than 35 years bringing this type of adventure to the world, and we've chalked up our success to building one thing better (in our humble opinion) than any other travel company: **community**.

It starts with our groups. Small by design, they bring together travellers from all over the world and put you on a fast-track to deep, meaningful connections. (Don't be surprised if your group chat is still going years later.)

But it doesn't stop there. From the ground up, every one of our trips were built to create real benefits for the local people that make them possible. You're supporting their communities by harnessing the power of community. Funny how that works.

At their core, our adventures are powered by people. The ones you meet. The ones you travel with. And the ones behind the scenes who lead with heart, serve with purpose, and believe that doing the right thing should always come first.

We're here to create happiness. To embrace the beautifully bizarre. And to change lives — starting with yours.

If that sounds like your way of seeing the world, we're glad you found us, and we can't wait for our adventures to begin.

Seven reasons you'll love us

Guides so good we call them CEOs

The biggest reason travellers book our trips again and again? Our legendary Chief Experience Officers, aka CEOs. Simply put, they're the best guides on the planet. Their superhuman local knowledge gets you insider access, their endless energy bonds your group like old friends, and their trip-running skills deserve a Nobel Prize. They're some of the most incredible people you'll ever meet — which is exactly why we gave them the fancy title.

Small groups, lots of passports

We keep our groups small to keep you feeling connected: to the places you're exploring, and the group-mates you're doing it alongside. And because our groups are made up of travellers from countries all across the planet, you'll be experiencing the world just by who you're travelling it with.

As ungrouped as it gets

Want group travel that doesn't feel like group travel? You're reading the right brochure. Our trips combine the security and camaraderie of travelling with others, with the freedom to do your own thing. You get well-planned itineraries that include the perfect amount of free time for optional activities, or doing whatever else your adventurous heart desires.

Immersive experiences are how we roll

Seeing the world is fun! But experiencing it? That's where the magic happens. With us, you're not just sitting down for a local meal or watching a traditional dance from the sidelines. Our trips get you in the action; like breaking bread with local families right in their home, or busting moves as if you're part of the dance troupe yourself.

Book with all the confidence in the world

From Lifetime Deposits to no single supplements and 100% Guaranteed Departures, we make booking feel as good as going. Got questions? Our team's here 24/7 — because peace of mind should come standard.

Community Tourism to the max

What's better than going on the adventure of a lifetime? Changing the world while you're at it. We call that "Community Tourism", and it's an idea we pioneered over 35 years ago. It means you can feel good knowing your holiday is supporting the people you meet, the places you go, and with our Trees For Days program, the planet itself. Every hotel you sleep in, every restaurant you eat at, every tree you help us grow — you're making a difference that ripples through every community that makes it possible. Our trips don't just transform you, but the rest of the world, too. And the best part about it? All you've gotta do is have the time of your life.

When you say your trips are good for the world, that has to include the planet too — and Trees For Days is our global program for doing just that. For every day a traveller is on one of our trips, we'll grow a tree on their behalf in one of 14 reforestation projects around the world. More days equals more trees, and a healthier planet overall.

Empowering local communities for over 20 years, Planeterra is our non-profit partner dedicated to making sure places touched by tourism benefit from the opportunities it provides. They do this by helping local people develop their communities, conserve their cultures, and implement plans for reaching their goals.

When it comes to benefiting local economies, we want to put our money where our mouth is. That's why we created the Ripple Score. On a scale from 0 to 100, it shows what percentage of a traveller's money stays in the local communities they visit on their trip with us. The higher the number, the bigger impact their money has.

Travel Styles galore

We all adventure a little differently. Some like it extra immersive. Others, a little sweaty. Next up: *the world*

From ancient cities to untamed wilds, here's where your adventure begins. Flip the page and dive into destinations all across the globe.

A woman with blonde hair, wearing a green tank top, is holding a white ceramic bowl upside down to her face. She has a tattoo of a map of Asia on her left forearm. The background shows a restaurant interior with green window frames. The word "Asia" is written in large white letters over the image.

Asia

It's hard to sum up a continent so massive and filled with wonders in a single paragraph. But if you're looking for contrast and variety, this is the place. The diversity of its landscapes, people, food, languages, art, and religions is borderline unbelievable. The big-city bustle of Bangkok or Beijing may set the brain buzzing, but the pastoral calm of rural Cambodia or India's sacred sites provide a balance you won't find anywhere else.

Africa

Africa's scenery alone is enough to make it the envy of other continents. Lush plains, sprawling deserts, and perfect coasts await the curious and the brave. It's not the landscapes and exotic wildlife that keep travellers coming back though; it's the energy and vibe that infuse every day here. Africa isn't a place you visit — it's a place you get swept up in.

Find your peak on Mt Kilimanjaro

Ever stood on the top floor of a skyscraper and thought, “Bah, this ain’t so tall”? Then you might just be Kilimanjaro material. Join us as we walk in the boot prints of famed explorers and mountaineers on our way to the top of Africa’s tallest peak, hiking through lush rainforests and alpine deserts, across glaciers by day and sleeping closer to the stars than you ever dreamed possible by night. Nearly 1,000 trekkers make the ascent with us each year, and we’d love to help you to the top, too.

Trekking Africa's rooftop patio

Kilimanjaro is a beast of a mountain, but our skilled staff and dedicated support crews are always ready to help you get the best of it. And while we know Kili's every rock, pebble, and patch of ice, the bonuses of climbing with us don't end there.

Trek experts

With over 1,000 trekkers making the climb with us each year, we're the world leader in Kilimanjaro treks — and our summit success rate is second to none, thanks to carefully designed itineraries prioritizing safety and achievement. Our WFR-certified guides are trained in mountain safety, altitude care, and emergency response, so you're always in the best hands. We're also Kilimanjaro Porters Assistance Project (KPAP) certified to ensure we support the heart of every Kili experience: the fantastic porters.

Small groups

Our treks connect you with other trekkers headed up Kili, helping everyone keep costs down. Share laughs, swap stories and cheer each other on, then celebrate your achievement with new friends you'll never, ever forget.

More choice

We offer 11 treks on four routes of varying difficulty and length (some of which are combined with Serengeti safaris and/or time on Zanzibar's beaches). And while we're not ones to boast, we do offer a greater selection of trek routes than most other operators — so you can choose the one that fits your pace, style, and adventure level.

Pay once

Unlike other companies, we bundle the cost of securing your climbing permit and national park fees into the trip price. Fees for equipment, meals on the mountain, transport, and support staff are included, too.

Full coverage

We have staff on the ground in Moshi to assist you at your hotel and get you prepared for the ascent at base camp.

G FOR GOOD

Moshi Women's Co-op

COMMUNITY-RUN CO-OP

Our ground partners provide free adult business education for women in Moshi, and Planeterra and G Adventures have rented a cooperative space to allow these students to practice their academic skills and save income to start their own business. Shop for souvenirs and speak to the women who run the cooperative about their lives and how the project has helped them

Which trek is right for you?

If you think the only worthwhile experience on Kili is reaching the summit, think again. The slopes of Kilimanjaro are home to a surprising diversity of ecosystems, spectacular rock formations, and jaw-dropping views of the Tanzanian savannah below. We offer five unique treks on four routes up Kili, ranging from a quick three-and-a-half days to a more leisurely six-and-a-half.

Marangu

Sometimes called the “Coca-Cola route” because it’s considered the easiest (if any of these routes can truly be called easy). It offers lodging in basic mountain huts and includes a scenic hike through the rainforest section of the trek.

FAQ: Kilimanjaro

What are the conditions like?

As the highest peak in Africa (and the tallest freestanding mountain in the world), Kili is home to a variety of ecosystems and microclimates. Everything from tropical forests to subzero alpine environments awaits you up here, and the weather can switch from pleasant to inclement at a moment's notice, so come prepared for anything.

Will the altitude affect us?

The air at the summit contains about half of the breathable oxygen most of us are used to at sea level. Everyone will handle the high altitude and thinner air differently and to varying degrees, which is why we try to keep the ascent slow and steady. The more time you give yourself to acclimatize, the easier your attempt at the summit will be.

What will we eat?

You'll need energy to make that push to the top, and our camp cooks make certain that there's plenty of healthy, quality food on hand. Our team of porters carries the equipment and supplies (including fresh produce), and meals consist of local and international cuisine. Our cooks can accommodate special requests, but please let us know when you book.

Where will we sleep?

We offer full-service camping on every route except the Marangu Route. Apart from a sleeping bag and pillow (which can also be rented), you don't need to bring anything else. Your three-season tent (complete with built-in vestibule and mesh insect netting) will be pitched for you, and we'll provide you with a 4cm-thick (1.6 in) mattress free of charge.

On the Marangu Route, you'll stay in wooden A-frame huts with single beds and simple mattresses. Space on the mountain is limited, so prepare for the possibility of sharing your hut with non-G Adventures trekkers and/or members of the opposite sex. All huts are equipped with shared toilets and washing facilities.

How fit do I need to be?

While Kili is no cakewalk, it's a perfectly achievable hike for healthy travellers with a moderate degree of physical fitness. That said, we do recommend that you do some advance training. The best way to prepare is to hike and hill-walk wherever you can in the months leading up to your departure to build up your stamina and climbing muscles. (A stair-climber at the gym is a good alternative if you don't have any mountains at the ready.) Start training six months out. With some preparation, you should get to the top without much trouble.

From diving and snorkelling, to quad biking and the well-known Spiny Forest, there are so many opportunities for adventure.

Days 5-6 Ifaty/Ranohira Drive through the desert landscape, viewing Mahafaly tombs

and giant baobab trees en route from the beautiful Mozambican Channel beaches of Ifaty to Ranohira. Visit the G Adventures supported tree planting project which is creating a green corridor to protect the biodiversity of Isalo National Park. Spend a day exploring Isalo National park on foot. After a short trek in a small canyon, the group will take a break from the sun and stop at a fresh natural swimming pool. Then, continue walking to the “cascades”, considered among the best waterfalls in Madagascar and boasting another large natural swimming pool. If you are lucky you may see sifaka, brown lemurs, or ring-tailed lemurs.

Day 7 Ranohira to Ambalavao Enjoy a scenic journey heading north into Madagascar’s wine-producing region. Stop along the way at Anja Park to observe the wildlife in a reserve managed by the local community with many historical and cultural ties.

Day 8 Ambalavao/Ranomafana Travel to Ranomafana today, a little village named after the hot springs in the valley. The nearby national park is one of the most important mammal sites in Madagascar. Set out on a short or long hike through the forest of the park and get a feel for the incredible wildlife of the area. In the afternoon enjoy free time to soak in one of the hot springs, explore on your own, or relax at your accommodations.

Days 9-10 Ranomafana/Antsirabe Leave the rainforest of Ranomafana behind and travel by private vehicle to the colonial town of Antsirabe passing rice paddies along the way. To break up the drive the group will stop in Ambositra, a quaint town known for its woodcrafts. Spend free time here before continuing onwards to the thermal city surrounded by volcanic lakes. Spend the whole day exploring the local life and communities of the Antsirabe highlands. Travel to Anjazafotsy for the start of the group walk. Spend the next day exploring Andasibe-Analamazaotra national park and the Indri Special Reserve. One of the park’s primary

NEW TRIPS

Overland Africa *Connected*

From thundering falls to sun-drenched savannas, Southern Africa is wild, wondrous, and waiting to be explored. Spot lions in the Serengeti, glide through the Okavango Delta, and feel the spray of Victoria Falls on your skin. Whether you're watching the sunrise over the Ngorongoro Crater or soaking in Zanzibar's spice-scented breeze, every stop is a story. Get ready to roll through a whole lot of ground in this fascinating region, all from the comfort of your trusty Lando.

Meet Lando: your one-of-a-kind, sweet ride

Your Overland Adventure Vehicle (OAV) is more than just 15.5 tonnes of beauty; it's your primary means of transport, safari vehicle, kitchen, and camping support craft all rolled into one. With big windows, personal USB charging ports, air conditioning, and seats that not only recline, but also adjust side-to-side, we're wildly confident you've never been in a ride as sweet as this one.

Climb aboard and see what reimagined feels like.

- › Full air-conditioning so you can be comfortable no matter how hot it is outside
- › Massive front windscreen and dropdown Sena photography windows on either side of the Lando, offering greater passenger views (and way cooler picture-snapping possibilities)
- › 24 personal USB charging ports so you don't have to worry about where your next charge will come from
- › No more separation between passengers and driver; both CEOs are with the group, regardless of who's behind the wheel

Get your camping on, Africa-style

On the surface, overland camping is about sleeping under the big African night sky and eating tasty, tasty food cooked over an open fire. But once you've been, you know that it's really about connecting with your newly made friends — especially after a long day of spotting wildlife you've only ever dreamed about.

TENTS AND GEAR

We stay at a variety of designated campsites along the way. All equipment (except pillow and sleeping bag) is provided. Our large domed tents can be set up in about five minutes and most campsites feature toilets, running water, and basic showers. Some sites even have more amenities, like bars, shops, swimming pools, and wi-fi access.

WE'RE ALL IN THIS TOGETHER

Participation camping means travellers take care of themselves and each other. Duties — packing and unpacking, tidying up the Lando, helping to cook, etc. — are assigned daily and rotate amongst the group. Some of our adventures may begin and/or end with a bit more comfort in conveniently located hotels.

WHAT WILL WE EAT?

Your CEOs will do most of the cooking, which is always healthy and sure to fuel you up for the day. Breakfast is basic with coffee, tea, cereal, bread, and jam; lunch is typically salads and sandwiches; and dinners are served hot and feature a variety of meats and other local favourites. Special diets can usually be accommodated with advance notice, so let us know if you've got food allergies or special needs.

Your perfect trip — from 6 to 55 days

Each trip below is part of a connected route through Southern Africa. Short on time? Keep it simple and join a single leg. Feeling adventurous? Select from one of the longer combo routes for the ultimate adventure. You call the shots here!

Egypt, Jordan, Israel, Oman, and Morocco are among the few places left in this world of ours where magic not only seems possible, but plausible. Their dunes have witnessed the dawn of civilization and the rise of mighty empires, and spawned three of the world's major religions. The past is never far away here, and there's more of it to discover every day.

INTRODUCING

Solo·ish Adventures

A photograph of three women laughing joyfully together on a scenic overlook. The woman on the left has blonde hair and is wearing sunglasses and a red top. The woman in the middle has long dark hair and is wearing a red top. The woman on the right has dark hair in braids and is wearing a purple top. In the background, there is a large body of water with several large, rounded islands or rock formations. The sky is bright and slightly hazy.

Travel for yourself. Not by yourself.

Exclusively for solo travellers, these trips were designed to do one thing better than anything that's come before: create community. With itineraries crafted for instant connection, you'll be on a fast-track to getting closer to your group-mates, and the world, right from day one.

Solo travellers, unite

Unlike our other adventures, Solo-ish trips are exclusively for solo travellers, aged 18 and up. No more worrying about being the odd one out — you'll be travelling with a community of people stepping out on their own to welcome whatever the world brings their way.

Fast start, full hearts

These trips' first three days are all about turning strangers into a close-knit crew. On most itineraries, you'll kick off the first day with a fun dinner party. On day two, embrace adventure with your group, CEO, and local community. Day three delivers a full slate of epic activities, including one sweet surprise.

Safety over everything

Who says solo travel can't feel safe? Enjoy a complimentary arrival transfer to your hotel and pay less for private accommodation with our My Own Room option.

Women lead the world

On all Solo-ish trips, a female Chief Experience Officer will lead the way. Why? In many developing countries, travel guides are predominantly male. With 68% of our solo travellers being female, we saw this as a chance to empower more women with meaningful employment.

Me-time comes standard

Sure this might be group travel, but we know solo adventurers still love their independence. That's why every Solo-ish trip features a dedicated Me Day, with the flexibility and free time to do your own thing, at your own pace.

Me Day: Join your CEO to hang out at the Split, go snorkelling at the Hot Chan Marine Reserve or explore on your own.

Chart a course for Europe

You've seen the rugged coastlines, whitewashed villages, and turquoise waters of Europe's islands a zillion times on postcards. But even the greatest images are no match for the real thing. Exploring Greece, Croatia, Italy, Montenegro, and the Canary Islands by sea gives you the chance to see where history (and myth) happened and, of course, soak up as much sun as you can.

Ancient shores, timeless adventures

GREEK ISLANDS

Santorini

Arguably the most famous of the Greek Islands, Santorini has the looks to match the hype. Marvel at the semi-submerged volcanic caldera and the island's stunning cliffs.

Mykonos

A popular spot for jet-setters since the 1950s, the nightlife on this Cycladic island is legendary. Feel free to hit the town; we'll keep the yacht in the harbour until you get back.

CANARY ISLANDS

Santa Cruz de la Palma

Full of museums, architecture, and centuries-old historical sites, the cobblestone streets of Santa Cruz de la Palma are full of activity. Discover the city on foot and finish off the day at one of the many quaint bars and restaurants, or head to the local beach to soak up the sun and scenery.

ITALY, CROATIA & MONTENEGRO

Dubrovnik

Wander among the city's ancient walls that surround a UNESCO World Heritage site. A trip here isn't complete without walking through the Old Town to marvel at its churches, monasteries, and plazas.

Split

Explore the second-largest city in Croatia, where modern life and history collide. Climb cathedral bell towers and stroll through palaces at one of its lively bars.

Bay of Kotor

Visit this ancient Mediterranean port in the heart of the Adriatic Sea, where towering green mountains provide an epic backdrop to the shimmering blue waters of the bay.

Kvarner Bay Islands

Island hop your way around this Croatian archipelago and uncover its charming villages, fresh seafood, and many secluded beaches.

South America

Come for the views, ruins, and rainforests, stay for some of the warmest people anywhere. South America is home to many of the planet's most stunning landscapes, and whatever your pleasure, you'll find it here, be it trekking to Machu Picchu, sipping caipirinhas on the beach in Rio, or trekking in Patagonia. Head "south" and let your adventure begin.

Walk in the footsteps of the Inca

Venture into Peru's Sacred Valley and follow the path of the Incas to the roof of the Andes, passing ancient ruins and breathing in pure mountain air by the lungful. There are plenty of memories to be made on the Inca Trail's four-day trek, but none compare to the instant you walk through the Sun Gate and catch your first glimpse of the forgotten city of Machu Picchu. It's not just an accomplishment; it's a transformative moment.

Climbing up Machu Picchu is one gratifying way to get your 10,000 steps in.

The G Difference

Trekking the Inca Trail is the experience of a lifetime for travellers, and we approach each one of our departures with that perspective in mind. Here's how:

THE BEST OF EVERYTHING

Meals are healthy and prepared from fresh, locally sourced ingredients. Tents and camping gear are set up and maintained by support staff, freeing you up to enjoy the experience.

EMBEDDED EXPERTS

All tours are led by skilled staff, recruited from local communities and employed directly by us. Every trip is managed and equipped from our dedicated operations base in Cusco.

LOCAL COMMITMENT

All of our guides, porters, support staff, and cooks work under the region's best employment conditions, and are fairly compensated for their efforts.

EXCLUSIVE DEPARTURES

Other companies pool different travellers together to maximize profits. All of our departures are exclusive; everyone in your group will be one of our travellers.

UNMATCHED EXPERIENCE

We are a long-established global leader of Inca Trail operations, bringing thousands of happy travellers here every year.

FLEXIBILITY FOR ALL

Travellers looking to take the same tour with friends or family can split between those who want to hike and those who don't? On all of our Inca Trail trips, customers have the option to book the train instead and reunite with their crew at Machu Picchu

FAQ: Inca Trail & Peru trekking

Why is the Inca Trail popular?

The Inca Trail, rediscovered just over a hundred years ago, is one of our most popular trips, ideal for travellers eager to combine a cultural excursion with one of the world's most memorable hikes. The stretch referred to as the "Inca Trail" is, in fact, merely the final, dramatic stretch of the Incan road to Machu Picchu. It's a challenging, four-day trek across high mountain passes and through cloud forest and lush jungle. While physically demanding, the 43km (26 mi) hike remains within the reach of most reasonably fit travellers. The trail culminates at the Sun Gate, where mist-shrouded views of Machu Picchu justify the challenges of getting here.

How long has G Adventures been trekking here?

We've been bringing travellers to the Inca Trail for almost 30 years. We run our treks with our own staff and equipment, meaning we can ensure the porters we employ are treated fairly and that the quality of our food and gear is always top-notch. Our groups enjoy the greatest adventure possible and can feel confident they're in experienced, expert hands.

How are permits secured — and why do I need one?

G Adventures, a world leader in Inca Trail tours, has a proven system for securing your permit through our experienced Cusco-based

team. Why the need for a permit, you ask? Permits were first introduced to protect the site and its ecosystem, regulating the number of annual visitors and preventing unauthorized trekkers from hiking the trail, ensuring a cleaner, more sustainable experience for all.

Can I obtain a permit myself?

Only recognized tour operators can acquire permits to hike the Inca Trail. Tour operators are subject to thorough annual inspections by Peruvian government agencies that govern the Inca Trail.

1-day Inca Trail option

If our four-day trek isn't in the cards for you, check out our 1-day option available on some of our tours — it covers the final stretch of the trail to Machu Picchu in a single day, with a scenic 15km hike that takes around 6 to 7 hours. Numbers are limited, so early booking is essential. Ask a GCO (Global Connection Officer) or your travel agent for more

See Machu Picchu without a permit

There are other great treks you can take that don't require a permit. Try these on for size.

THE LARES TREK

An amazing three-day trek through the mountains and communities surrounding the Sacred Valley with views of the snow-capped Cordillera de Vilcanota range and ending with a spectacular train ride and guided tour of Machu Picchu. See [SPLT](#) on page 219.

CHOQUEQUIRAO TO MACHU PICCHU EXPRESS

This shorter trek is perfect if you're looking for an adventure that's as challenging as it is rewarding. Explore the ruins of Choquequirao, a remote lost city. Then hop aboard a train for a visit to nearby Machu Picchu. See [SPCQ](#) online.

SALKANTAY TREK TO MACHU PICCHU

A three-day guided trek along the Salkantay route through spectacular mountain scenery and breathtaking vistas. Descend from the high Andes to the cloud forest around Machu Picchu. See [SPST](#) on page 217.

MACHU PICCHU, NO HIKING BOOTS NECESSARY

Not in the mood for a trek? No sweat — we've got you covered with our Machu Picchu by train options! Hop on one of our trips that'll bring you face-to-face with the iconic ruins, no trekking required.

Lares Community Campsite

COMMUNITY-RUN CAMPSITE • CUNCANI, PERU

The Lares Community campsite is owned and managed by the 80 families that belong to the Cuncani community. The Planeterra-supported campsite features flush toilets, and a solid-waste management system that is the first of its kind in the region, helping you protect the pristine environment while supporting the community during your overnight stay. The earnings from the campsite are allocated for investment in social projects such as health, education, food and nutrition, and infrastructure improvements to water and electricity.

Ccaccacollo Women's Weaving Co-op

HANDICRAFT EXPERIENCE • SACRED VALLEY, PERU

Despite their close proximity to Cusco and Machu Picchu, surrounding communities see very little benefit from the thousands of tourists who visit each year. In 2005, G Adventures and Planeterra began working with the Ccaccacollo community, supporting local women in developing a weaving cooperative that would allow them to earn an income while preserving traditional weaving techniques using llama and alpaca wool. What began with just three women has grown into a cooperative of 46—a true example of the impact of community tourism.

Welcome to the Jungle

Exploring the Peruvian Amazon is an otherworldly, dreamlike experience. Explore it with us and you won't want to wake up. Nestled deep within the shady confines of the Tambopata National Reserve, our G Lodge Amazon allows you to extend the dreamlike state by letting you eat and sleep within the park itself.

The G Difference

Living side-by-side with the macaws and spider monkeys in Tambopata National Reserve is an experience you'll never forget. But your lodge is more than just a place to sleep. Check out some of the other bonuses that will make your trip memorable.

LOCATION, LOCATION, LOCATION

By lodging on the grounds of the reserve itself, you spend less time travelling back and forth and more time doing what you came here to do: explore. We even use fast boats to get you in and out.

GO YOUR OWN WAY

Flexible activity schedules and an abundance of well-marked trails around the lodge let travellers explore at their own pace. Dedicated naturalist guides are at your disposal to answer any flora- and fauna-related questions.

STAY GUILT-FREE

Verified by the Rainforest Alliance, the lodge's commitment to sustainability is present everywhere. Solar heat (including 24-hour hot water), rechargeable flashlights, and meals prepared from fresh local ingredients are just the tip of the iceberg.

TIME TO LEARN, TIME TO LOAF

Rainforest excursions occur during morning and evening hours, when the wildlife are at their wildest. The rest of the day? While-away in a hammock, stroll the trails, take a dip in the river or sip a cool beverage at the bar.

Unwind the mysteries of the Amazon River

For millennia, the Amazon has been reluctant to reveal its secrets to outsiders; to this day, science still can't fully explain the staggering biodiversity of this lush tropical forest. Step aboard the Amatista, our 28-passenger riverboat, and journey from the source of the mighty Peruvian Amazon to Pacaya-Samiria National Reserve in search of answers.

The G Difference

Our Amazon riverboat program lets you experience the river's immensity on a personal level. Once you've cruised it with us, you'll never be the same. Here's a few reasons why:

REMOTE ACCESS

Explore the channels and tributaries of South America's most mystical of rivers to meet the region's inhabitants in their isolated riverside communities — places you'd never find on your own.

MEET THE LOCAL COMMUNITY

Step off the riverboat and experience what life along the Amazon is really like. Visit local communities, feast on traditional cuisine, and reinvigorate yourself through a special shaman-led spiritual healing session.

MAKE MORE OF YOUR DOWNTIME

Our riverboat is a comfortable ride, blessed with loads of outdoor spaces to unwind and watch life along the river drift past. A bevy of onboard experts are on-hand to add to your experience through engaging lectures on local wildlife and river culture.

Dive into the Galápagos Islands

Situated 965km (600 mi) off the coast of Ecuador, this isolated haven of biodiversity remains nature's greatest science laboratory, home to a dazzling array of birds, reptiles, fish, and mammals that you won't find anywhere else. With no known predators, the wildlife here exhibit almost no fear of humans. It's a place that must be seen to be believed.

"Scuse me. Coming through."

Different islands, different wildlife

The Galápagos Islands are a natural treasure for the whole world to enjoy. Spread across 13 principal islands, nine smaller ones, and more than 100 tiny rocks and islets are the creatures that inspired a young Charles Darwin to pen his theory of natural selection, which promptly turned the scientific community on its head.

THE WEST ISLANDS

Isabela & Fernandina

The largest of the Galápagos Islands, the west islands contain some of the archipelago's largest colonies of birds and marine iguanas and boundless snorkelling opportunities. If you're looking for wildlife, come here first.

THE NORTH ISLAND

Genovesa

It's hard to tear your eyes away from the water here, but you'll want to look skyward on Genovesa. Home to outstanding bird life, this tiny rock is just as incredible under the waves, boasting a rich variety of aquatic animals that rival their winged neighbours.

THE CENTRAL ISLANDS

Santiago, Santa Cruz, & Surrounding Islands

The Galápagos' central islands are probably the best spot to witness the full scope of the diversity here, both on land and under the sea.

Each of these islands evolved in isolation from its neighbours, spawning an amazing collection of plants and animals.

THE SOUTH ISLANDS

Floreana & Española

The south Galápagos Islands are home to top-notch snorkelling and quirky tradition. Volcanic bays and unusual land formations provide shelter for their birds and fish, and the charming simplicity of Post Office Bay always raises a grin or two.

THE EAST ISLAND

San Cristóbal

You'll find just about every kind of creature imaginable (including snorkellers and scuba divers) in the clear waters off San Cristóbal. The land and sky are equally amazing, too, playing host to colonies of boobies, frigatebirds and volcanic landscapes.

The G Difference

G Adventures explores the Galápagos a little differently. Small groups and dedicated CEO Naturalist Guides are just the beginning. Take a deeper dive into how we get around out here:

SMALLER IS BETTER

We keep our group sizes intentionally small. In the Galápagos, it's usually 12 to 16 travellers — in order to deliver a more personal experience.

AIRFARE FLEXIBILITY

Most of our tours include the cost of your return airfare between Quito and the Galápagos. Some tours don't, however, so you have the flexibility to travel the way you want.

GREAT GUIDES

Each vessel features its own CEO Naturalist Guide who knows the islands and their inhabitants like the back of their well-tanned hands.

UNBEATABLE VARIETY

With three yachts, multiple service levels, many land-based tours, and 7, 8, 10, and 17-day itineraries, we've got a Galápagos adventure that aligns perfectly with your budget, timetable, and style.

Galápagos aboard the *Reina Silvia Voyager*

With wildlife widely undisturbed by humans, Galápagos cruising can feel like stepping back in time. But aboard a modern vessel like our custom-built *Reina Silvia Voyager* catamaran, the experience feels entirely 21st century. 16 passengers can cruise together, while the CEO Naturalist Guide introduces you to the wonders of these islands. With a spacious sun deck, private balconies (with most cabins), and a hot tub, this is the Galápagos Darwin never could have imagined.

Galápagos aboard the *Yolita*

Adventure meets comfort aboard our well-equipped 16-passenger yacht with surprisingly spacious (and air conditioned!) cabins. Spend your days exploring the wildlife of the islands in the company of an expert CEO Naturalist Guide, then spend your nights relaxing on the ship's roomy top deck or comfy lounge area. All that snorkelling worked up an appetite? Fuel up in the onboard dining room and bar, and cheers to an adventure of a lifetime.

This looks like a good place to hide.

Embark on the *Expedition*

It takes more than an open mind to travel on the *Expedition*. It takes an open heart too. That's because your time at sea is more than just a holiday away — it's a life-changing experience that brings you up close and personal with one of the most fragile ecosystems on our planet.

IAATO & AECO APPROVED

G Adventures is committed to sustainable travel. We ensure that all of our marine expeditions adhere to environmental practices above and beyond the compliance regulations of the regions we explore. Look after the planet and it'll look after you, too.

Extraordinary adventures await

Every moment on the ship is designed to help you learn about the places you're exploring. Whether it's through chatting about glaciers over breakfast with one of our expert guides, attending a morning lecture about the native wildlife, or exploring aboard a Zodiac led by a polar naturalist guide, there's no shortage of opportunities to learn.

We love helping our guests discover what lies at the farthest reaches of our planet. And we strive to do it with such care that, though you may arrive a stranger, within hours you've become part of the family.

Ocean Health Fund

No matter where you live, you are directly affected by the health of our oceans. Our well-being and livelihoods are deeply interconnected with the state of the oceans, from the air we breathe to the food we eat. Tourism has the potential to protect and conserve marine life while exposing more people to the limitless experiences the vast waters offer. On board the *Expedition*, Planeterra raises funds for the Ocean Health Fund: a collection of programs that protect the flora and fauna of our fragile ocean ecosystems. Over the years, the Expedition has helped Planeterra raise over \$450,000 for ocean health initiatives globally.

To learn more, visit planeterra.org/ocean-health-fund

A parka made for adventure

Wear your bragging rights! All *Expedition* passengers receive their own exclusive parka to wear on-trip and to take home afterwards, included with their tour.

New ship Same spirit

Big news: we've got an updated ship. Meet the *Expedition*. Complete with fuel-efficient engines, updated cabins with ensuite bathrooms, and that same community-driven vibe, she's here to sail the high seas in style. Big enough to host 128 passengers comfortably, yet small enough to access spots beyond the reach of the big liners, she's a little ship that feels surprisingly spacious. And the best part? With an estimated 30% lower carbon footprint per passenger, per day, she's a smarter, more responsible way to sail.

Cabins and suites

Get acquainted with your home away from home, long before you step aboard the *Expedition*. The ship's large top-of-the-line cabins provide a variety of affordable twins, triples, and luxury suites.

Ocean views

All cabins are outside-facing with ocean views, with either a window or porthole, that frame remarkable and remote landscapes.

Spacious living quarters

All cabins come with en suite bathrooms, wardrobes, drawers, nightstands, and writing desks to make you feel as at-home as possible.

Owners Suite (Bridge Deck)
19 sq. m (208 sq. ft.), panoramic views, couch/sitting area

Suite (Captains Deck)

The G Difference

EXPLORATION AT ITS VERY BEST

Daily landings (conditions permitting) and expert-led outings take you into the heart of the polar landscapes — with historians, biologists, and geologists bringing every glacier, rookery, and fjord to life.

SMALL SHIP = HUGE PERKS

With just 128 passengers and a 10:1 guest-to-expert ratio, our polar program is built to get you off the ship and into the wild — more often, and more meaningfully, than bigger ships.

TOP-NOTCH VALUE. NO FLUFF.

Zodiac excursions, expert talks, gear, and warm hospitality are all included. Who needs butlers and helicopters? Not our travellers. Our polar cruises earn top customer satisfaction ratings without the over-the-top extras.

COME FOR THE ICE, STAY FOR THE PEOPLE

A small-group atmosphere and fun, laid-back vibe create a real sense of community — with our experts, crew, and fellow travellers. For many, it's one of the most unexpected (and unforgettable) parts of the entire trip.

From close-up encounters with icebergs and glaciers to the region's plentiful wildlife, this is a voyage of non-stop highlights. Roaming polar bears, lounging seals, grazing reindeer, and colonies of birds all co-exist in this land few dare to explore.

HIGHLIGHTS

- Spend time on deck searching for polar bears and whales
- Cruise through breathtaking fjords and admire massive glaciers
- Experience the midnight sun
- Learn about Arctic history and ecology from our expert guides
- Brave the Arctic waters and take the polar plunge
- Enjoy the silence of the Arctic tundra

Days 2-7 Svalbard/Spitsbergen Visit ice-sculpted fjords with breathtaking mountain scenery and glaciers. Spend time exploring the natural wilderness searching for polar bears hunting seals. Look out for Arctic foxes or Svalbard's unique reindeer at one or more stops. The Expedition staff's goal is to give travellers the best possible opportunity to see wildlife in and around the Svalbard archipelago (dependent on weather conditions). Early-season voyages often provide the greatest opportunity to see large ice floes in the Arctic pack ice, which usually means excellent wildlife viewing. Later in the season, the Expedition will cover more territory, exploring more of the archipelago. This can lead into the less explored regions or the continental edges, where large whales are attracted by nutrient-rich upwellings. (6B, 6L, 6D)

TERMS & CONDITIONS

All tours are operated by G Adventures Inc., a Barbados company ("G Adventures" or the "Tour Operator"). Your booking contract may be entered into with the Tour Operator or with a designated agent ("G Adventures Limited") as a disclosed agent of the Tour Operator, which will be indicated on your invoice. By booking or participating in a tour and any related products or services ("Tour"), you agree to these Terms & Conditions ("the Terms").

Conditions of Carriage: If you travel includes carriage by sea, the Conditions of Carriage available at www.gadventures.com/terms-conditions/conditions-of-carriage/ also apply to your tour, are expressly incorporated into these Terms and form part of your booking contract with the Tour Operator.

By booking a Tour you acknowledge that you have read, understand and agree to be bound by these Terms. These Terms, together with our privacy policy and any other written information we brought to your attention before we confirmed your booking, form the basis of your booking with us. If you make a booking on behalf of other participants, you guarantee that you have the authority to accept and do accept these Terms on behalf of the other participants in your party. Furthermore, you consent to the processing of your personal data in accordance with our Privacy Policy (<https://www.gadventures.com/terms-conditions/privacy/>) and you are authorised on behalf of all participants in your party to disclose your personal details to the Tour Operator, including where applicable, special categories of data (such as information on health conditions or disabilities and dietary requirements).

1. THE BOOKING CONTRACT

Your booking is confirmed and a contract exists when the Tour Operator or its disclosed agent issues a written confirmation after receipt of the applicable deposit amount. Please check your confirmation carefully and report any incorrect or incomplete information to the Tour Operator or its disclosed agent immediately. Please ensure that names are exactly as stated in the relevant passport.

You must be at least 18 years of age to make a booking. You agree to provide full, complete and accurate information to the Tour Operator.

2. BOOKING ON BEHALF OF OTHERS

By booking on behalf of other participants, you are deemed to be the designated contact person for the Tour Operator with respect to the booking. This means that you are responsible for making all payments due in connection with your booking, notifying the Tour Operator or your travel agent if any changes or cancellations are required and keeping your party informed.

By booking on behalf of another person or persons, you represent and warrant that you have obtained the consent of all participants to booking, verifying that any information you provide on behalf of another participant is complete and accurate and the Tour Operator will under no circumstances be liable for any errors or omissions in the information provided to complete a booking.

3. REQUIRED MEDICAL INFORMATION

You must provide any medical information reasonably requested by the Tour Operator and may be required to complete the Tour Operator's medical information form (the "Medical Form") at least 60 days before departure. Medical forms at http://www.gadventures.com/medical_form.

Medical Forms are mandatory for certain Tours. If you have any pre-existing medical conditions which may impact your ability to travel, participate in a Tour, travel to remote areas without access to medical facilities or may adversely affect the experience of others on your Tour, you must return a Medical Form, signed by a licensed and practicing physician to the Tour Operator prior to or at the time of final payment for the applicable booking.

You agree to complete the Medical Form honestly and to disclose all relevant medical information accurately and completely to the Tour Operator. The information in accordance with the Tour Operator's Privacy Policy available at <https://www.gadventures.com/terms-conditions/privacy/>.

The Tour Operator reserves the right to request further information or professional medical opinions where necessary, as determined in its discretion, for your safety or the safe operation of a Tour.

The Tour Operator reserves the right to deny you permission to travel or participate in any aspect of a Tour at any time and at your own risk and expense where the Tour Operator determines that your physical or mental condition renders you unfit for travel or you represent a danger to yourself or others.

Pregnancy is considered a medical condition and must be disclosed to the Tour Operator at the time of booking. The Tour Operator may refuse to carry any pregnant women on certain tours if reasonable accommodation or alternative cannot be arranged.

In the event that you do not complete the required Medical Form or provide medical information reasonably requested by the Tour Operator prior to booking by the deadline indicated above, the Tour Operator reserves the right to cancel your booking and all applicable cancellation fees will apply.

You are responsible for assessing whether a Tour is suitable for you. You should consult your physician to confirm your fitness for travel and participation in any planned activities. You should seek your physician's advice on vaccinations and medical precautions. The Tour Operator does not provide medical advice. It is your responsibility to assess the risks and requirements of each aspect of the Tour based on your own unique circumstances, limitations, fitness level and medical requirements.

Travel with the Tour Operator may involve visiting remote or developing regions, where medical care may not be easily accessible and medical facilities may not meet the standards of those found in your home country. The condition of medical facilities in the countries you may visit on your tour varies and the Tour Operator makes no representations and gives no warranties in relation to the availability or standard of medical facilities in those regions.

4. SPECIAL REQUIREMENTS

Any special requirements must be disclosed to the Tour Operator at the time of booking. The Tour Operator will use reasonable efforts to accommodate special requirements or requests for assistance. However, due to the nature of the destinations visited and availability of options outside a planned itinerary, certain activities may be inaccessible to you if your mobility is limited in any way. All food and beverage restrictions must be disclosed to the Tour Operator at the time of booking, but the Tour Operator cannot guarantee that dietary needs or restrictions can be accommodated. Any special requests or requirements do not form part of these Terms or the contract between you and the Tour Operator. The Tour Operator is not liable for any failure to accommodate or fulfill such requests.

5. AGE REQUIREMENTS

Anyone under the age of 18 on the date of first travel is considered to be a minor. Minors must always be accompanied by a parent or guardian who may accompany up to two minors. Unless otherwise indicated in the Tour description or by the Tour Operator, the minimum age for minors travelling on any Tour is 12 years old.

All bookings with a minor are subject to review and approval by the Tour Operator. If the consent of a parent, guardian or any other person is required by applicable law for any minor to travel, the accompanying adult is responsible for securing all consents, documentation and ensuring that they and the minor(s) meet all legal requirements to travel, to enter into and depart from applicable countries and regions. The Tour Operator will not be responsible for any fees, charges or losses incurred as a result of any failure to secure necessary consents, permits, and approvals.

Each adult on a booking with a minor or minor(s) is jointly and severally responsible for the behavior, wellbeing, supervision and monitoring of such minor(s), and jointly and severally accepts these Terms for and on behalf of any minor(s) on their booking, including all assumptions of risk and limitations of liability. The Tour Operator does not provide services for minors, and expressly disclaims any responsibility for chaperoning or controlling any minor(s).

6. MANDATORY INSURANCE REQUIREMENTS

YOU MUST HAVE TRAVEL INSURANCE WITH A MINIMUM MEDICAL, EVACUATION AND REPAIRATION COVERAGE OF USD\$20,000 covering all applicable dates of travel with the Tour Operator. This insurance must cover personal injury and emergency medical expenses. You are strongly recommended to extend your coverage to include cancellation, curtailment, and all other expenses that may arise as a result of loss, damage, injury, delay or incurrence while travelling. You acknowledge that insurance coverage is not included in the cost of your booking. You agree to obtain separate travel insurance to obtain separate coverage at an additional cost. It is your responsibility to ensure that you have sufficient coverage and comply with the terms of the applicable insurance plans. You are responsible for advising your insurer of the type of travel and activities included in your booking so that the insurer may provide appropriate coverage.

7. PRICES, SURCHARGES AND TAXES

Tours are priced and advertised including applicable taxes. Prior to this time, the Tour Operator reserves the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. The Tour Operator also reserves the right to increase the price of confirmed

holidays solely to allow for increases which are a direct consequence of changes in taxes or prices of advertised including applicable taxes.

(a) The price of the carriage of passengers resulting from the cost of fuel or other power sources;

(b) The level of taxes or fees applicable to the holiday imposed by third parties and directly on the performance of the holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; and

(c) The exchange rates relevant to the package.

Such variations could include but are not limited to airline cost changes which are part of the Tour Operator's contracts with airlines (and their agents), cruise ship operators and any other transport providers.

You will be charged for the amount of any increase in accordance with this clause. However, if this means that you have to pay an increase of more than 8% of the price of your confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if the Tour Operator is able to offer one that is of equivalent or better quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price, or cancelling and receiving a full refund of all monies paid to the Tour Operator, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 7 days from the issue date printed on your final invoice.

Should the price of your holiday go down solely due to the changes mentioned above then any refund due will be paid to you less an administrative fee of GBP£50 or EUR€50, according to the currency of your booking. However, please note that travel arrangements are not always charged in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

From time-to-time the Tour Operator may offer reduced pricing on certain products or services. Reduced pricing applies only to new bookings. Bookings where payment of at least a deposit has been received by the Tour Operator or its disclosed agent are not entitled to reduced pricing.

8. VALIDITY

All dates, itineraries and prices of Tours are subject to change at any time and the current price will be quoted and confirmed at the time of booking, subject to any surcharges that may be levied in accordance with these Terms.

You acknowledge that you are responsible for keeping up to date on the specific details of your Tour and any other products or services, including, but not limited to, checking the Tour Operator's website at least 72 hours prior to departure as minor changes may have been made after the time of booking.

9. DEPOSITS

At the time of booking, a non-refundable deposit in the amount specified in the chart below, as applicable, is payable by you to the Tour Operator. If the final booking is made 60 days or less prior to departure, full payment is due at the time of booking. The non-refundable deposit should be sent to the Tour Operator or authorized agent, as applicable.

This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. You will be provided with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where it is not possible to provide the listed services for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you agree that in some cases that will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If G Adventures Limited as disclosed agent of the Tour Operator is unable to provide the services listed (or a suitable alternative), through an underwriter of the ATOL scheme or otherwise, the Trustee(s) of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustee(s) any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against G Adventures Limited, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be released to or referred to the non-provision of the services, including any claim under the ATOL scheme.

When you buy an ATOL-protected flight-based holiday from a travel agent, all monies you pay to the travel agent are held by the travel agent on behalf of and for the benefit of the Trustee(s) of the Air Travel Trust at all times. This is subject to the travel agent's obligation to pay it to G Adventures Limited as disclosed agent of the Tour Operator for so long as G Adventures Limited is able to fall within the ATOL scheme. The money held at that time by the travel agent, or subsequently accepted from you by that travel agent, is and continues to be held on behalf of and for the benefit of the Trustee(s) of the Air Travel Trust until you have agreed to pay that money to G Adventures Limited as disclosed agent of the Tour Operator.

When you buy a holiday from a travel agent that does not include a flight, all monies you pay to the travel agent are held by the travel agent on behalf of the Tour Operator or G Adventures Limited as its disclosed agent at all times.

12. FINAL PAYMENT & ACCEPTANCE OF BOOKING

The confirmation sent to the Tour Operator or your travel agent will contain details of final payment required for any booking. Payment of the balance of the price for the products or services booked (including Expedition (see 29(C) below and Private Travel (see 29(E) below, and Day Tours (see 29(F) below) is due 60 days before the departure date of the first product or service included in the applicable booking. If full payment is not received by the applicable due date, the Tour Operator may, at its sole discretion, change the rate payable for the booking, or treat the booking as cancelled and retain the deposit paid on booking as a cancellation fee. If a booking is made less than 60 days before the departure date of the first product included in the applicable booking, then the full amount must be paid at the time of booking. If, for any product or service booked, payment terms differ from those set out in the applicable booking terms, the relevant payment terms will apply prior to booking and will also be detailed on the applicable invoice.

The Tour Operator is not responsible for any charges levied by third parties or financial institutions and payable by you as a result of credit card or other payment transactions and will not refund or return any fees charged by third parties or financial institutions in connection with payments made by you to the Tour Operator.

13. CANCELLATION BY THE PARTICIPANT BEFORE DEPARTURE

You may cancel your booking by notifying the Tour Operator. Cancellation fees, if any, will be determined with reference to the date on which notice of cancellation is received and the applicable cancellation terms, which are a percentage of the total price paid for the cancelled Tour, plus product service (excluding any insurance products).

- Cancellation of a Tour:
- (a) Cancellation received 60 days or more before departure of first product or service in relevant booking: Lifetime Deposit will be held by the Tour Operator in accordance with these Terms, the remainder of the payments made to the Tour Operator in respect of the cancelled product will be refunded.
 - (b) Cancellation received 30-59 days before departure of first product or service in relevant booking: Lifetime Deposit will be held by the Tour Operator in accordance with these Terms, an amount equal to 50% of the remainder of the payments made to the Tour Operator in respect of the cancelled Tour will be held by the Tour Operator in accordance with these Terms, the remainder of the payments made to the Tour Operator in respect of the cancelled Tour will be refunded.
 - (c) Cancellation less than 30 days before departure of first product or service in relevant booking: Lifetime Deposit will be held by the Tour Operator in accordance with these Terms, and no further refund will be payable.

For certain products or services offered by the Tour Operator, including Bookings or related to the Expedition (see 29(C) below and TailorMade (see 29(E) below and Day Tours (see 29(F) below), alternative cancellation terms may apply. The Tour Operator will advise you of any such requirements prior to confirmation of the applicable booking.

Cancellation of Arrival Transfers, Pre and Post Night Accommodations, My Own Room and optional activities booked directly with the Tour Operator:

- (a) Cancellation 31 days or more before departure: you will receive a full refund in respect of cancelled Arrival Transfers, Pre and Post Night Accommodations, My Own Room and optional activities.
- (b) Cancellation 30 days or less before departure: no refund will be payable in respect of any cancelled Arrival Transfers, Pre and Post Night Accommodations, My Own Room and optional activities.

The cancellation charges above have been calculated as a genuine pre-estimate of the losses that the Tour Operator would incur if you cancel your holiday within the stipulated time period, taking into account the charges the Tour Operator will incur from its suppliers (some of which will be up to 100%) and the expected cost savings and income from alternative bookings for the cancelled services (if possible) calculated as an average charge over a period of time.

Important note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above.

The Tour Operator will deduct the cancellation charge(s) from any monies you have already paid to the Tour Operator.

Cancellation by You due to Unavoidable & Extraordinary Circumstances You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of "unavoidable and extraordinary circumstances" which may include any of the following: immediate vicinity and significantly affecting the performance of the holiday or significantly affecting the transport arrangements to the destination. In these circumstances, the Tour Operator shall provide you with a full refund of the booking price, but will not be liable to pay you any additional compensation. Please note that your right to cancel in these circumstances will only apply where the Foreign and Commonwealth Office has changed its advice to warn against travel to your destination or its immediate vicinity after the date of your booking. For the purposes of this clause, "unavoidable and extraordinary circumstances" means warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination and natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

14. GUARANTEED DEPARTURES, CHANGES & CANCELLATION OF A TOUR BY THE TOUR OPERATOR

The Tour Operator guarantees that you will be able to depart on a guaranteed departure when at least one booking secured by a valid deposit has been made on that departure.

The Tour Operator guarantees that all scheduled Tour departures booked and secured with a valid deposit will depart as indicated on the applicable confirmation, subject to reasonable itinerary changes as described in these Terms or going to a different departure when you have not booked and not applicable in the case of Force Majeure. Up to date Tour and itinerary information is available on the Tour Operator's website or by contacting the Tour Operator. Brochures and other printed materials displaying Tour information and departure dates are subject to change and may not be relied upon for purposes of this guarantee.

If the Tour Operator makes an insignificant change to your holiday, it will make reasonable efforts to inform you or your travel agent as soon as reasonably possible if there is time before your departure but will have no liability to you for failing to inform you or your travel agent. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, change of accommodation to another of the same or higher standard (where specific accommodation was identified to you), changes of carriers. Note that carriers such as airlines used in the brochure may be subject to change.

Occasionally the Tour Operator may have to make a significant change to your confirmed arrangements. Examples of "significant changes" include the following, when made before departure:

- (a) A change in accommodation area for the whole or a significant part of the tour.
- (b) A change of accommodation to that of a lower standard or classification for the whole or a significant part of your time away.
- (c) A change of outward departure time or overall length of your arrangements of two or more hours.
- (d) A significant change to your itinerary, missing out one or more destination entirely.

If the Tour Operator has to make a significant change or cancel, it will tell you as soon as possible and if there is time to do so before departure, will offer you the choice of:

- (a) For significant changes) accepting the changed arrangements; or
- (b) Having a refund of all monies paid; or
- (c) Accepting an alternative travel arrangement of comparable or higher standard if available (at no extra cost); or
- (d) If available, accepting an offer of alternative arrangements of a lower standard, with a refund of the price difference between the original arrangements and the alternative arrangements.

You must notify the Tour Operator of your choice within 7 days of the offer. If you do not notify the Tour Operator within 7 days, it will contact you again to request notification of your choice. If you fail to respond again within 3 days the Tour Operator will assume that you have chosen to accept the change or alternative booking arrangements.

Once a Tour has departed, itinerary changes may be necessary as a result of unforeseen circumstances, operational concerns, or concerns for your health, safety, enjoyment or comfort. Any changes are at the discretion of the Tour Operator. You acknowledge that you must have reasonable

financial resources to cover incidental expenses during all travel with the Tour Operator, whether or not you express any desire to change of itinerary, and the Tour Operator is not liable for any extra or unprepared expenses, travel and unforeseen circumstances which may arise during the tour. The Tour Operator will not be liable for any indirect and/or consequential losses associated with any changes to a booking or itinerary.

Compensation
In the event of a full refund of all monies paid for the cancelled Tour by you, the Tour Operator will pay you reasonable compensation in the following circumstances:

- If the Tour Operator makes a significant change less than 60 days before your departure date (or 90 days for Expedition Tours) and you do not accept the changed arrangements and cancel your booking; or
- If the Tour Operator cancels your booking and no alternative arrangements are available.

IMPORTANT NOTE: The Tour Operator will not pay you compensation in the following circumstances:

- Where the Tour Operator makes an insignificant change;
- Where the Tour Operator makes a significant change or cancels your arrangements more than 60 days before your departure (or 90 days for Expedition Tours);
- Where the Tour Operator makes a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;
- Where the Tour Operator has to cancel your arrangements as a result of your failure to make full payment on time;
- Where the change or cancellation by the Tour Operator arises out of alterations to the confirmed booking requested by you; or
- Where the Tour Operator is forced to cancel or change your arrangements due to Force Majeure.

If the Tour Operator becomes unable to provide a significant proportion of the arrangement that you have booked with the Tour Operator after you have departed, we will, if possible, make alternative arrangement for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

15. ABTA

G Adventures Limited is a member of ABTA (ABTA number Y6125). ABTA assists travellers if and when things do not go according to plan. If your booking is with G Adventures Limited as disclosed agent of the Tour Operator, this arrangement means your money will be refunded or, where your contracted arrangements include return travel to the UK, you will be brought back to the point where your contracted arrangements with the Tour Operator were made. If you are already abroad in the unlikely event of our being unable to provide your holiday due to G Adventures Limited's insolvency or company failure.

Please go to www.abta.com for a copy of the guide to ABTA's scheme of Financial Protection or contact ABTA at ABTA Ltd, 30 Park Street, London, SE1 9EQ, 0203 758 8173, or consumerprotection@abta.co.uk. Certain G Adventures services, e.g. accommodation only, flight only or holidays set outside the UK, may not be protected under this scheme. You should check with G Adventures Limited to see if this protection applies to your booking.

16. TRAVEL DOCUMENTS

It is your responsibility to obtain and to have in your possession all the required documentation and identification required for entry, departure and travel to each country or region. This includes a valid passport and all travel documents required by the relevant governmental authorities including visas, permits and certificates, and is not limited to vaccination or medical certificates and insurance policies. You must have a passport that is valid 6 months after the last date of travel with the Tour Operator as set out on the itinerary. You accept full responsibility for obtaining all such documents, visas and permits prior to the start of the Tour, and you are solely responsible for the full amount of costs incurred as a result of missing or defective documentation. You agree that you are responsible for the full amount of any loss or expense incurred by the Tour Operator that is a direct result of your failure to secure or be in possession of proper travel documentation. The Tour Operator does not provide advice on travel documents and makes no representations or warranties, or undertakes or completes any of the information provided on visas, vaccinations, climate, clothing, baggage, or special equipment and you agree that the Tour Operator is not responsible for any errors or omissions in this information.

17. FLEXIBILITY & UNUSED SERVICES

You acknowledge that the nature of adventure travel requires flexibility and acknowledge that you will permit reasonable alterations to products, services or itineraries by the Tour Operator. The route, schedules, accommodations, activities, amenities, and other information are subject to change without notice due to unforeseeable circumstances or events outside the control of the Tour Operator (including but not limited to Force Majeure, illness, safety concerns, flight cancellations, flight restrictions, border closures and entry or border difficulties). No reimbursements, discounts or refunds will be provided for services that are missed or unused from departure due to no fault of the Tour Operator, including your removal from a Tour because of your negligence or breach of these Terms.

18. CHANGES MADE BY YOU & TRANSFERS OF BOOKING

Changes made by you: you wish to change any part of your booking after your confirmation invoice has been issued, you must inform the Tour Operator in writing as soon as possible. The Tour Operator will not be liable for any changes to the booking. You are responsible for ensuring that information provided to the Tour Operator is accurate and up-to-date. Any changes to your name on any booking are subject to the Tour Operator's approval. Any changes to a booking depend on availability and are subject to the Tour Operator's approval and these Terms. Any extra costs incurred for making the change will be charged to you along with an administrative fee, and you should be aware that these costs may increase the closer to the departure date that changes are made. Cancellation of any Tour, product or service included in a booking will not be considered a change for purposes of this section and will be governed by the applicable cancellation terms. No changes are permitted to a booking made within 10 days of the departure date of the first product or service on the applicable booking. Where the Tour Operator is unable to assist you and you do not wish to proceed with the original booking the Tour Operator will treat this as a cancellation by you. A cancellation fee may be payable.

Transfer of booking: if you or any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- a) that person is introduced by you and satisfies all the conditions applicable to the holiday;
- b) that the transfer is notified not less than 7 days before departure;
- c) you pay any outstanding balance payment, an amendment fee of GBP£50 or EUR€50 (according to the currency of your booking) per person transferring, as well as any additional fees, charges or other costs arising from the transfer; and
- d) he transfers agree to these booking conditions and all other terms of the contract between us.

You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out in clause 13 will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

Important note: Certain arrangements may require a longer notice period or may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

19. ACCEPTANCE OF RISK

You acknowledge that adventure travel and the products and services offered by the Tour Operator involve a significant amount of risk to your health and safety. By travelling with the Tour Operator you acknowledge that you have considered any potential risks to health and safety. You hereby assume responsibility for all such risks. This includes but is not limited to the activities and causes of action arising from any losses, damages or injuries or death resulting from risks inherent in travel, including adventure travel specifically, visiting foreign destinations, and participating in adventurous activities such as those included in the itinerary or otherwise offered by the Tour Operator. The Tour Operator requires that you confirm your assumption of this responsibility by completing the participant waiver (the "Waiver") prior to departing on your holiday. A Waiver is available at <http://www.gadventures.com/terms-conditions/participant-waiver/>

You acknowledge that the degree and nature of personal risk involved depends on the products or services (and the location(s) in which a product or service operates, and that there may be a significant degree of personal risk involved in participating, particularly participating in physical activities, travel to remote locations, carriage by watercraft, participation in "extreme sports" or other high-risk activities, or travel to countries with developing infrastructure. Standards of hygiene, accommodation and transport in certain countries where Tours take place are often lower than the standards you may reasonably expect in your country or region. You agree that the Tour Operator is not responsible for providing information or guidance with respect to local customs, weather conditions, safety specific concerns, physical challenges, safety effects in any locations where a Tour, product or service is operated. You acknowledge you have considered the potential risks, dangers and challenges and your own personal capabilities and needs, and you expressly assume the risks associated with travel under such conditions.

You must at all times strictly comply with all applicable laws and regulations of all countries and regions. Should you breach the above or comply with any illegal act when on Tour or, if in the opinion of the Tour Operator (acting

Elevate your adventure

Whether you want to add on extra experiences, or insurance for any “oops” situations that might happen, check out all the ways we can build the perfect adventure for you.

Optional Activities

From dune-buggy rides to local cooking classes, we've got loads of optional activities you can pre-book — all of which meet the same standard of awesomeness you expect from G Adventures. Look for the "Personalize Your Experience" callout on our trip pages to see some of the optional activities you can add.

Arrival transfer

Who wants to have to flag down taxis or wrangle local transit after a six-hour flight? We can help arrange your airport transfer at your destination so you can get to your hotel that much easier.

My Own Room

If you're travelling solo and, instead of us pairing you up with a same-sex roommate, would prefer a room all to yourself, My Own Room can make it happen. Add it onto your trip for extra personal space and the gloriousness of your own private washroom.

Travel insurance

If there's one thing any sage traveller will recommend, it's to purchase travel insurance. We can find you the best coverage for your tour requirements and budget. Get just what you need by booking with us before you go.

Day Tours

If you've got time for an extra day of adventure before or after your bigger trip, our Day Tours are the perfect option. Over the course of one epic day, you'll explore the city you're in and the surrounding area in classic G Adventures style. Don't worry, we'd be happy to help you book your pre- or post-trip accommodation at your start or end hotel, too. You'll find our Day Tours under the "Personalize Your Experience" callout on our trip pages.
