Barrier Reef Snorkel

Harvest Caye, Belize

Snorkel the azure waters adjacent to Belize's Barrier Reef, one of the world's largest living barrier reefs. It has a shallow water entry, well suited for beginners and intermediate snorkellers. This location is teeming with multitudes of colourful reef fish and beautiful coral formations intermingled with sponges, sea fans and delicate sea anemones. Possible sightings of spotted eagle rays and schools of larger fish are quite common as well.

Frequently Asked Questions

All guests please visit ncl.com for further details, related forms and internet links.

Before You Cruise

What do I have to consider when choosing a travel date and stateroom?

When deciding on your travel date, you should take into account any circumstances or events that may have an influence on your cruise experience, for example school holidays, spring break, local public holidays, special sports events, etc. When choosing your stateroom please consider whether you'd like to have for example an oceanview, open balcony or enclosed balcony. Also please consider that some staterooms – especially those on lower decks – may be slightly noisier than others due to the operation of the engines. The same applies to staterooms close to nightclubs, lifts or staircases, kitchen galleys, fitness centres, kids and teens facilities and when tender boats are in operation (for details see deck plans on ncl.com).

What is a guarantee stateroom?

A Guarantee stateroom (GTY) is one where there is no stateroom number assigned at the time of booking. A stateroom may be assigned any time after final payment has been received, up to the day of sailing. A Guarantee stateroom guarantees you a stateroom in the category you have paid for (Inside, Oceanview, etc.). It does not guarantee deck, location or specific bed arrangements. No changes will be made once a stateroom has been assigned.

What shall I pack?

The atmosphere on our modern ships is neither too dressy, nor too casual. In fact, you'll find that there are really only two types of attire you'll need. The atmosphere in the mid-ship main dining room, the buffet and most of our speciality restaurants is contemporary, so cruise casual attire is perfect. If you choose the more sophisticated atmosphere of the aft main dining room or select speciality restaurants, we ask you to wear smart casual attire.

Norwegian's Night Out is the perfect opportunity to get dressed up for an evening of cocktails, fine dining and great entertainment. You may also want to pack all-white for our iconic H2GLOW Party. And we recommend packing a sweater/pashmina too as some guests find the air conditioning a bit chilly.

As all your suitcases are collected the night before we return home, don't forget to bring an overnight bag for prescriptions and need-to-have items.

How many suitcases can I take?

Each guest is allowed up to two pieces of checked luggage, each with a 23 kg maximum. If travelling by air, remember that airlines have their own checked baggage and hand luggage restrictions, so please check these before travel. Airlines and NCL have limited liability for any loss or damage under international convention, so be sure all baggage and personal belongings are properly insured. Suitcases should be tagged. Medicines in their original containers, jewellery, fragile items, valuables and important documents should be carried in your hand luggage. If you are bringing your wheelchair, check with your airline for any restrictions they may have.

Which items are not permitted on board?

Guests are not allowed to bring any intoxicating liquors/beverages, travel irons, firearms, weapons of any kind, ammunition, explosive substances or any goods of a dangerous nature on board. Animals of any kind are not allowed on board, except service or guide animals, provided the guest notifies NCL prior to the cruise of their intention to bring such an animal and complies with all applicable conditions. Such guests must also agree to take sole responsibility for any expense, damage, injuries or losses associated with or caused by such an animal.

What are passport and visa requirements?

Guests are responsible for ensuring they fulfil all passport, visa and all other entry requirements for all countries visited during the cruise and when travelling to and from the port of embarkation/disembarkation. You must ensure that all your travel documents (physical and electronic), including your passport, visas / visa waivers and any other entry requirements, evidence of any health related requirement are in order, meet all applicable requirements and are valid for travel. All costs incurred in meeting all requirements applicable to your cruise must be paid by you. Passport, visa and other entry requirements vary by destination and may change at short notice. The latest information is shown on our website ncl.com. We cannot accept any liability and cancellation charges will apply, if you are refused entry onto any

flight or into any country, or decide not to travel, due to failure (or inability) on your part to obtain and carry all required documentation or to otherwise comply with all applicable requirements. Likewise it is not our responsibility if you suffer any difficulties or incur any costs as a result of not having the correct documentation. If failure to have any necessary documents results in fines, surcharges or other financial penalty, costs or expenses being incurred by us, you will be responsible for reimbursing us accordingly.

The United States Visa Waiver Programme (VWP) enables eligible citizens and nationals of designated countries to travel to the U.S. for tourism and business stays of 90 days or less without first obtaining a visa. Travellers who do not qualify for the VWP must obtain a visa to travel to the U.S. Should you need to obtain a visa, please be sure to apply for a multiple entry visa. The Electronic System for Travel Authorisation (ESTA) is effective for citizens and eligible nationals of VWP countries to apply for advance authorisation to travel to the United States under the VWP. ESTA stipulates that all Visa Waiver Programme travellers are required to obtain via the internet (<https://esta.cbp.dhs.gov>) an electronic travel authorisation prior to boarding a carrier to travel by air or sea to the U.S. under the VWP. Most British / EU citizens will qualify for the VWP but there are exceptions including for anyone who has visited Cuba.

ESTA authorisations are valid for multiple entries within two years (or less if the passport expires during this period). Please note that U.S. authorities will charge a fee of US\$40 per person (status: November 2025) for travel authorisation. This fee has to be paid by credit or debit card or PayPal during the application process. Additional information regarding the VWP and ESTA is available at www.cbp.gov/esta. For U.S.-bound Atlantic Crossings, we strongly advise guests to print out their ESTA before travelling, as this is a requirement at check-in before you can board the ship. All travellers (including children) must have an e-Passport to use the Visa Waiver Programme. An e-Passport, denoted by the respective symbol, is an enhanced secure passport with an embedded electronic chip. E-Passports are issued by the proper passport issuing authority and must meet international standards for securing and storing information corresponding to the passport and bearer. More information can be found on www.cbp.gov/. Please be aware that immigration and visa regulations are subject to change. For current information, please visit <https://travel.state.gov/content/travel/en/us-visas.html> or check with your travel agent and the respective embassies or consulates. The information above refers to the status at the time of printing. It is assumed that the traveller is a citizen of a Visa Waiver Programme country. For all citizens of non-Visa Waiver Programme countries, you will have to check the applicable requirements between your state and the U.S. Government and whether you have to apply for a special tourist visa with the U.S. embassy of your home state. Please consider that the application for a visa could take up to three months. To check participation of your state in the Visa Waiver Programme please refer to <https://www.cbp.gov/travel/international-visitors/visa-waiver-program>.

Similar to the U.S. VWP, since 15 October 2016, Canada requires visa-exempt foreign nationals who fly to or via Canada to obtain an Electronic Travel Authorisation (eTA) prior to travel for a fee of CAD\$ 7 per person (status: October 2025). The eTA is valid for multiple entries within five years (or less if the passport expires during this period). For information please visit www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada.html.

Effective 1 October 2019, travellers to New Zealand must have a New Zealand Electronic Travel Authority (NZeTA), which can be requested through the NZeTA mobile app (cost NZ\$ 17) or the Immigration NZ website (cost NZ\$ 23) and is valid for two years. You must also pay an International Visitor Conservation and Tourism Levy (IVL) at the same time as your NZeTA (cost NZ\$100.) (status: October 2025). All travellers who are not citizens of a VWP country please check your individual passport and immigration / visa requirements with your travel agent and the respective embassies or consulates. Personal circumstances cannot be considered. We will try within our means to inform you of the applicable requirements.

During most cruises, NCL personnel will need to retain your passport. You therefore must carry a second government-issued photo ID with you at all times. It is the sole responsibility of the guest to provide all necessary documentation. Guests are not entitled to a refund if entry into any country or boarding is denied by immigration officials or NCL personnel for lack of proper documents. The American Transportation Security Administration (TSA) has implemented the Secure Flight Programme for international air traffic. This

programme intends to reduce the instances of misidentification of the authorised travel passengers to the U.S. as well as to enhance the security of air travel. Within this programme, all airlines commit to transmit the following Secure Flight Passenger Data (SFPD) from travellers who are arriving in and/or departing from the U.S. to the U.S. Department of Homeland Security: Full name as per valid government-issued passport (including middle name, initials, etc.), date of birth, gender and Redress Number (if applicable). Therefore, we ask all guests to check their confirmation carefully. In case of any incorrect data appearing on the confirmation please contact our reservations department. If there is no client data available at the time of booking, NCL will use the data from the Online Check-In. For further information on the Secure Flight Programme please visit www.tsa.gov/secureflight. Providing the Secure Flight Data does not release you from the obligation to apply for the advanced authorisation to travel to the U.S. under the ESTA programme or to obtain a visa if the VWP does not apply to your visit. Guests are responsible for ensuring they are in possession of all relevant documentation and visas for the entire cruise itinerary including all ports of call. Customs allowances may vary depending on the itinerary. Please check on board, with your Ministry of Foreign Affairs or with the respective customs authorities for the most up-to-date information. Guests are responsible for ensuring they are in possession of all relevant documentation and visas for the entire cruise itinerary including all ports of call or they may be denied boarding. Guests will not be able to board the vessel without having first completed the certification form.

Will I need travel insurance?

NCL's liability is limited by international conventions and EU regulations, as well as its terms and conditions of carriage. Guests are required to purchase adequate and appropriate holiday insurance to cover as a minimum all travel, cancellation, curtailment, medical and repatriation liabilities.

What are NCL's age requirements?

All requirements stated below apply at the time of embarkation. Infants sailing on board NCL vessel must be at least six months of age. However, for voyages that have three or more consecutive days at sea, the infant must be at least 12 months old.

When on board, a minor is defined as an individual under 18 years of age at the time of embarkation. A young adult is defined as an individual between the ages of 18 and 20.

Company policy states that on itineraries that include a port of call in the United States of America, Canada, or Asia, guests under 21 years of age must be accompanied in the same, connecting, or side by side stateroom by a guest who is 21 years of age or older at the time of embarkation (staterooms opposite of each other are not applicable under this policy). For all other cruises this requirement applies to all guests under 18 years of age with the exception of guests who are citizens of the United States of America, Canada or Asia. For guests under the age of 18 travelling with an accompanying adult who is not the minor's parent or legal guardian, a Parent/Guardian Release Form is available at: ncl.com/ParentGuardianForm, which authorises the minor's travel and further authorises medical treatment in case of an emergency and must be given to an NCL representative at the pier during check-in. Failure to present the completed form at embarkation may result in boarding being denied, with no refund provided.

On cruises that include a Canadian port of call, guests under 18 travelling with a single parent have to provide a letter of approval (preferably notarised) from the parent not travelling. Note: Two people under the age of 21 may travel together in the same stateroom if they are a married couple and provide proof of marriage to an NCL representative at the pier before embarkation.

Children under 16 years of age are not allowed to enter the fitness centre. The minimum age for use of the Casino and the Thermal Spa (sauna, steam room, hot tubs) is 18. Some bars and lounges on some of our ships, for example Spice H2O, are adult only (18 and over). Lifeguards monitor the family pools during scheduled pool hours. However, it is strongly recommended that all children under 12 have adult supervision at all times. The safety of all children (up to the age of 18) is the responsibility of their parent(s) or other accompanying adult(s) irrespective of whether a lifeguard is on duty. For safety reasons children must not be left unattended on board when their parents or other accompanying adults go ashore.

The vessel is subject to local regulations and the minimum ages may be superseded by this.

What about guests with reduced mobility, disabilities, medical conditions or allergies and special dietary requirements?

We welcome guests with additional needs. The information you are provided with about your holiday (which may be on our website, in our brochures or elsewhere) before you make your booking

104 Frequently Asked Questions

will include a general indication of the suitability of the holiday for someone with reduced mobility. However, reduced mobility of course means different things to different individuals, as we fully appreciate that individual capabilities, restrictions and requirements will vary considerably. If you suffer from reduced mobility or any medical condition, disability or significant allergy which may affect your holiday, please give us full details before booking so that we can provide you with precise information as to the suitability of the holiday taking into account your specific needs. Guests who have significant mobility impairments should travel with someone who will take responsibility for any assistance needed during the cruise and in the event of an emergency. Any assistance provided by NCL, its team members or service providers does not form part of the contracted services unless agreed differently in writing or where required by legal regulations (for example, in accordance with EU regulation 1107/2006 dated 5 July 2006 on the rights of disabled persons and persons with reduced mobility when travelling by air and EU regulation 1177/2010 dated 24 November 2010 concerning the rights of passengers when travelling by sea). Any special requirements which we have accepted will be specifically confirmed as accepted on your confirmation invoice. Unless and until specifically confirmed as accepted, all special requests and requirements are subject to availability and do not form part of the contracted services.

We have a limited number of staterooms per ship that are wheelchair accessible with grab rails in the bathrooms, lower sinks and toilets, shower seats, raised beds, adjustable hanging rods in wardrobes, tilting mirrors and extra wide doors for easy access. If you do use a wheelchair, you must bring your own and it must be collapsible. If you do not wish to bring your own wheelchair on board, please contact our U.S.-based supplier Scootaround on 001 888 441 7575 to arrange delivery of one to the ship. All wheelchairs and scooters must be stored in your stateroom; they cannot be left in the hallway or any other public area.

When a ship is unable to dock, guests are taken ashore on smaller boats called tenders (see separate point Tender Ports). Some guests with limited mobility may find it difficult to embark or disembark the ship at certain times whilst in dock or tendering. To ensure the safety of our guests and crew, wheelchairs may not be used to transfer from the ship to a tender. Guests in wheelchairs may consequently not be able to participate in certain activities or shore excursions in tender ports.

NCL can only accept certain types of wheelchairs on board. Please see [ncl.com/about/accessible-cruising](#) for further information. All guests who require medical equipment to be brought on board must advise NCL before sailing. Failure to do so may result in equipment not being cleared before departure.

Guests who need oxygen or require oxygen therapy are welcome on all NCL ships; however, you must supply your own oxygen. U.S.-based Scootaround is the only company allowed to deliver and supply oxygen to NCL ships. Let us know at the time of booking that you'll be bringing oxygen on board, then contact Scootaround on 001 888 441 7575 to arrange delivery to the ship.

Any physical challenge or medical condition that requires special treatment or attention must be reported to NCL at the time of booking. For certain conditions we ask for medical declaration and liability forms. Due to unpredictable circumstances at sea, NCL must reserve the right to refuse or revoke passage to anyone who, based upon objective standards, is in a physical or mental condition that jeopardises the safe operation of the vessel, who poses a direct threat to the health or safety of others or who may require care beyond that which NCL can provide.

For guests with diabetes, refrigerators suitable for storing insulin are available in all staterooms except Studios (categories TI).

If you are on a low calorie diet, breakfast, lunch and dinner menus feature low calorie, haute cuisine dishes. Sugar-free and fat-free desserts are also available. Gluten-free, lactose-free, sodium-free, Kosher and dairy-free diets can also be catered for and must be requested at least three months before your cruise. For further information visit [ncl.com](#).

If you have a significant allergy you must take appropriate precautions to protect yourself whilst on holiday. It is your responsibility to ensure that any food you are intending to consume does not include anything to which you are allergic at the time you order this.

What if I'm pregnant?

NCL will make every effort to accommodate you. However, to ensure your medical safety you must complete all travel before the 24th week of pregnancy. A medical certificate establishing your due date and fitness to travel is required prior to the cruise. Please be aware that NCL will not be liable if you are denied boarding at the port nor will

we be responsible or liable for any complications of pregnancy that occur during the cruise.

Which vaccinations might be necessary?

NCL will inform you at the time of booking about officially required immunisations necessary for entry into the countries visited during your cruise as well as on board our fleet. Vaccination and other health requirements/recommendations are subject to change at any time for any destination, including at short or no notice. Please also check with your GP surgery, local travel clinic and the National Travel Health Network and Centre <https://travelhealthpro.org.uk> not less than six weeks prior to departure and also closer to departure to ensure that you are aware of and can meet the necessary requirements and have the latest information. For further information please visit [ncl.com/cruise-faq/what-vaccines-will-be-accepted](#).

What is online check-in?

In order to comply with government regulations covering departure manifests, be sure to register online through our website ([ncl.com](#)) after you have paid in full and before you leave on your NCL holiday. We strongly recommend that guests complete their Online Check-In at least three days before sailing, as otherwise they may be subject to an extended check-in procedure at the cruise terminal or may even be denied boarding.

Discounts are non-transferable and cannot be summed up to be used in certain ports only. 3rd and 4th guests pay taxes only: available on select sailings, valid for guests three and four in the stateroom. Guests sailing in the Luxurious Suites and The Haven Suites benefit from all applicable choices already included in the cruise fare. There are certain additional facilities and activities not included in the base fare, nor in any of the Free at Sea™ packages and are therefore chargeable. These include, but are not limited to, certain exclusive alcoholic beverages, drinks from the mini-bar, speciality coffees, bottled water or in carton, the convenience charge for room service orders (not applicable to The Haven and Suite guests with butler service), spa and beauty treatments, use of the spa facilities (not applicable to Spa staterooms), bowling alleys, race track and laser tag, casino play, full shore excursions, certain fitness classes, certain onboard seminars, dry cleaning and laundry, purchases in our shops on board as well as from Dolce Gelato on Breakaway-Class and Prima Class ships, Coco's, speciality cakes and pastries, photographs, ship-to-shore-phone, e-mail and internet above the included minutes, faxes as well as gratuities and personal expenses.

The speciality restaurants have a cover charge (see [ncl.com](#) for details, cover charge per restaurant will differ). A 20% gratuity and speciality dining service charge applies (does not apply to Free at Sea™ speciality dining package).

Restrictions and charges may be imposed by local authorities whilst in port or within territorial waters. For example some countries require the payment of VAT locally and/or restrict the sale of alcohol and of tax free goods. We will do our best to advise you of any such charges in advance of your cruise.

For example, in order to comply with Spanish and Italian tax regulations we are required to charge Spanish/Italian VAT on applicable retail items purchased on board cruises from/to Barcelona, Venice (Trieste) and Rome (Civitavecchia), as well as on all other cruises whilst the ship is in Spanish or Italian waters.

Please note that for cruises to/from Australia, Australian VAT has to

be charged for all entertainment, drink and dining packages, spa and wellness treatments as well as shore excursions and further additional services (both if pre-booked and purchased on board).

Please note that the information provided in this paragraph is correct at the time of going to print but is subject to change.

Are there other charges that may be imposed locally that cannot be paid in advance?

Certain ports of call and sailings are required to pay local taxes and/or VAT depending on consumption of goods, purchases and some activities whilst onboard ship and whilst sailing between ports. These will be advised onboard via the freestyle daily, notifications at the order points and by onboard staff and will be added to onboard accounts. Examples of these charges are 4.275% G&T tax* on sailings in Hawai'i, or VAT on sailings in Spain and Italy. (*subject to change as deemed by the local authority. Status: October 2025).

How to honour good service.

We are confident that you will enjoy your NCL cruise experience and that our entire crew will provide you with the standard of service for which we are known. A discretionary service charge will be automatically added per guest per day (for guests three years and older) to your shipboard account for all staterooms. The cost will be confirmed prior to booking. Services charges vary by stateroom, for full details see [ncl.com](#). This charge will be shared among those staff members, including the restaurant staff, stateroom stewards and other behind-the-scenes staff who provide services that enhance your overall cruise experience.

These service charges can be paid in advance of your cruise. If you have any concerns about the service you receive during your cruise, please let our onboard Guest Services Desk staff know right away, so we can address any issues in a timely manner. In the unlikely event that we can't resolve your issue, you can have the service charge adjusted on board. Where your service charge has been pre-paid before departure, refunds are not available on board and you must apply for a refund, if applicable, after you return home by writing to our Guest Relations department.

Certain staff positions (e.g., concierge, butler, youth programme staff and beverage service) provide service on an individual basis to only some guests and do not benefit from the overall service charge. We encourage those guests to acknowledge good service from these staff members with appropriate gratuities.

Additionally, there is a 20% gratuity and spa service charge added for all spa and salon services, as well as a 20% gratuity and beverage service charge added for all beverage purchases and a 20% gratuity and speciality service charge added to all speciality restaurant dining and entertainment-based dining (does not apply to Free at Sea™ dining and drinks packages).

On board

When can I board the ship?

Please be advised that our current guidance on embarkation day is all guests must be onboard the ship no later than two (2) hours prior to the departure time noted on their cruise document or they will not be permitted to sail. NCL is constantly reviewing health and safety measures. As a result, the advice given on embarkation time may be subject to change and will be communicated for each sailing including but not limited to specific embarkation windows or an earlier embarkation time cut off.

Boarding Time in Ports of Call: In all ports of call, it is also the guest's responsibility to be back on board the ship no later than one hour prior to the ship's scheduled departure time. Please be aware that shipboard time may differ from the port of call and it is the guest's responsibility to follow the shipboard time. In the event a guest misses the ship, it will be the guest's responsibility to pay all expenses incurred to re-join the ship.

What about currency and how do I pay for my extras on board?

The currency used on board our ships is US\$. We've made paying for onboard expenses very easy. When you check in you open a shipboard account by registering a major credit card such as VISA®, MasterCard® or American Express®. Please be advised that an initial, as well as multiple holds, will be placed on your card account based on your onboard purchases. This will reduce the amount of available credit on the card. After settling your onboard account, these card holds may remain on your account for up to 30 days after the cruise ends. Authorisation-hold releases are solely within the discretion of your lending institution. If you prefer to pay by cash or traveller's cheques, a suggested deposit for a 7-day cruise is US\$ 300 per person,

US\$ 150 per person for cruises up to 6 days or US\$ 450 per person for cruises of 8 days and more at check-in (subject to change). Then, you simply sign for your personal expenses as you go and they will be charged to your account.

Personal cheques, debit cards or currencies other than the US\$ cannot be accepted on board. Any excess deposit will be refunded at the end of the cruise in US\$. Please also keep in mind that it's always worth having a small amount of local currency for immediate expenses on arrival at your destination and for any purchases you make at your ports of call. Most major credit cards are accepted in the ports we visit.

Is there a doctor on board?

A doctor and nurse are on each ship to provide medical care and services at customary charges. Please note that the medical facilities are designed to provide basic medical care and guests may have to be evacuated at their own expense in the event of serious illness. Please be aware that there is no dentist on board. NCL does not have the equipment on board to assist guests with any type of dialysis treatment. NCL has its own charging system similar to shoreside facilities in the U.S. and we do follow standard medical care, so please ensure you have appropriate travel insurance.

Can I smoke on board?

We want you to be comfortable on board, so staterooms and public areas throughout all our ships are smoke-free. If you smoke cigarettes, you can do so in the Casino (players only). If you prefer pipes or cigars, you can smoke in the Cigar Bar or designated smoking lounge. Also, you can smoke cigarettes, pipes and cigars in outdoor public guest spaces and open decks where designated by the appropriate signage. Please be aware that electronic cigarettes cannot be used in public areas where there is a no smoking policy in force. Smoking inside your stateroom or on your balcony will result in a US\$ 250 cleaning charge being added to your onboard account. Please note that some countries have imposed a ban on electronic cigarettes.

What about alcohol consumption and wine corkage?

On itineraries that include ports of call in the U.S., Canada or Asia, guests must be 21 years of age or older to purchase or consume alcohol. Within the Premium Beverage Package (either as part of Free at Sea™ or purchased separately) alcoholic beverages are only included for guests 21 years of age and older in these destinations. On all other itineraries this regulation applies to guests aged 18 years and above. On itineraries that include ports of call in the U.S., Canada or Asia and with the exception of Alaska and Hawai'i itineraries, NCL permits young adults between 18 and 20 years of age to purchase and personally consume wine and beer only while on board and with the consent of an accompanying parent. Authorisation will be given only when the accompanying parent completes the Young Adult Alcoholic Beverage Waiver form. This form can be obtained and completed at the Guest Services Desk on embarkation. The vessel is subject to local regulations and the minimum ages may be superseded by this.

All guests are prohibited from bringing alcohol on board our ships with the exception of champagne and wine. If you purchase any alcohol at one of our ports of call or in our onboard shops, we will safely store your purchase(s) and on the final night of the cruise it will be available for pickup in a designated area. Please note that for wine and champagne brought on board by you, a corkage fee will apply if consumed on board.

NCL encourages the responsible consumption of alcohol and accordingly reserves the right to permanently or temporarily revoke the drinking privileges of any guest who violates NCL's Guest Code of Conduct or who is deemed a danger to himself, herself or others by vessel management. Continued abuse of alcohol while sailing and/or violation of NCL's alcohol policy may result in immediate disembarkation.

How do I get ashore?

In most ports your ship docks right alongside the quay and you simply walk ashore. At a few ports listed in the overview below (status: August 2023), we drop anchor at sea and you go ashore in the ship's small boats – called tenders – which offer a complimentary shuttle service to and from the port.

Please note that if you are not booked on one of our shore excursions, where we guarantee a convenient pickup and drop-off right at the pier, reaching the closest city centre may involve taking local public transport or a non-complimentary shuttle service.

Sometimes we use tenders to get you ashore in other ports when we may not be able to berth due to unforeseen circumstances.

What happens on the last day of my cruise?

When the ship has been cleared, you will proceed through customs and immigration and continue with your independent arrangements. Please ensure that you have arranged for an adequate flight time considering customs and immigration procedures (approx. 2 hours) and the transfer time to the airport. In some ports you can take advantage of our "Easy Walk-Off". This means you can leave the ship as soon as it is cleared by local authorities, carrying all your luggage off the vessel.

Further questions?

For further and updated information please refer to: ncl.com

All NCL ships are fully stabilised for the smoothest possible cruising.
