We are renowned for...

Out-of-this-world value

We believe that an out-of-this-world holiday shouldn't have to cost the earth. Instead, we're passionate about high value across our fleet, be it value for time, money or experience. That's why, alongside our jam-packed itineraries and bucket-list experiences, we offer value-conscious cruise packages (with more inclusions than the rest) that feature the best of our recently refurbished fleet - from award winning bars, lounges and restaurants, to slices of heaven in the form of spas, pools and spaces to take in the view.

A mix of iconic and hidden-gem destinations

Our speciality is designing itineraries with an irresistible mix of iconic and hidden-gem destinations - and wherever we sail, our curated itineraries are full of unmissable moments. However you vacation, we invite you to set the pace - with a three and four-night cruise that offers the experience at a faster tempo, or a 7 to 14-night voyage that's more relaxed.

Onboard cultural experiences

Our 'Tread like a local' approach

Our immersive itineraries are destination focused and designed for the culturally curious. Because we homeport in one of the two dreamy regions that we spend our time exploring, we pride ourselves on unique, locally-inspired shore excursions that tread beyond the tourist path - experiences that only those with a deep understanding of the local landscape can offer. Onboard, our activities and cultural experiences are crafted by the expertise of our crew, intended to connect with local culture and bring guests ever closer to the shores we sail alongside.

We are proudly known for...

Making the most of every moment you share with us

Thanks to the regional expertise of our captains, officers, and our boutique fleet of small-mid-sized ships, we prioritize as many ports as possible, from landmark cities to less travelled ports that are accessible to only a few. Your time is precious, so whether our days features one port or two, late stays or longer days, our flexible itineraries ensure you experience as much as possible, for as long as possible.

Feel at home wherever

As is our heritage and custom, we welcome friends and strangers with open arms. Our small-mid-sized ships mean our hospitality feels effortlessly attentive, with a multi-lingual, multicultural crew always on hand to offer a personalised experience that will make you feel at home from the moment you step onboard.

**The warmest
welcome,
always**

Your questions answered

Why we updated our inclusions?

The new **Celestyal One** fare structure has been launched as a direct response to feedback, with the aim of offering enhanced simplicity, flexibility and choice. It allows guests to tailor their onboard experience while ensuring exceptional value for essentials like WiFi, gratuities and dining options without predefined inclusions.

CelestyalPay provides a flexible way for guests to enjoy the services they most desire.

Why we decided to remove drinks packages?

The goal with **Celestyal One** is simplicity, giving guests the flexibility to manage their drinks through **CelestyalPay**. This new structure offers both freedom and value, making it more adaptable to various preferences onboard.

Does the new package offer better value?

Absolutely. The new fare includes essentials like WiFi and unlimited soft drinks with meals. **CelestyalPay** also allows preloading with a bonus, offering better control over expenses. With more complimentary dining options such as the poolside Greek Deli or Pizza Oven, the simplified fare reflects our focus on making our cruises easy and enjoyable. **Celestyal One** will be our sole fare, with complimentary WiFi, meals and soft drinks throughout the day, and even more included dining options than before. When it comes to extra beverages from the bar and specialty dining, guests can either add the charges to their account as they go or prepay using **CelestyalPay** and get an added bonus from us. It makes it easy to spend on any extra tasty dining and drinks with the beep of your room card, as and when it suits them.

How will guests know the balance of their 'CelestyalPay' account?

Guests can check their **CelestyalPay** balance via our onboard systems, and our staff will assist with top-ups as needed. Guests can add funds at any time by approaching the front desk, ensuring they always have access to the services they desire.

Your questions answered

Can 'CelestyalPay' be used for all other onboard costs including shore excursions, spa, retail etc.?

For now, **CelestyalPay** is a pre-purchased specialty food and drink tab, which is boosted in value by Celestyal for any amounts pre-paid before sailing (and on the first day of the cruise). This may include specialty restaurants such as our Asian fusion restaurant Pink Moon, our steak and seafood restaurants Grill Seekers, specialty cocktails from our multiple award-winning Alchemy cocktail menu or a personalised smoothie from Fig & Olive. **CelestyalPay** cannot be used for shore excursions, spa services, or other onboard experiences.

How much will a house beer / wine / cocktail / coffee cost?

Beverage prices are competitive with house beer starting from 6€*, cocktails from 15€* and wines by the glass from 6.5€*.

CelestyalPay offers pre-purchase bonuses, providing additional value for guests who prefer to pay ahead. Complimentary filter coffee and tea will be available from drinks stations in the main dining restaurants during normal daytime opening hours, and barista poured specialty coffee is available from Café Nation with prices for a Cappuccino from 5€*.

*18% service charge applies to all non complimentary food and beverages.

How we plan to support guests who aren't tech savvy?

Our crew will help guests, ensuring they are comfortable with **CelestyalPay** and any enquiries can be handled directly at the front desk. The onboard experience should be much more seamless, by having one sole fare, guests will now have access to many more complimentary food and beverage outlets and then they can just show their keycard for any top-up treats.

Explaining the 'unlimited' mini bar concept in the Stargazer Penthouse Suite?

The 'unlimited' mini bar is a luxury feature allowing unrestricted access to stocked beverages throughout the stay, unique to this suite. The mini bar will be refilled daily for exclusive use of our penthouse guests who may prefer to enjoy the expansive suite and balcony views with a drink from their bar before enjoying our onboard entertainment and dining venues. It is the perfect space to enjoy the views of our glorious destinations.
