

ULTRA-LUXURY RIVER & OCEAN JOURNEYS

An exclusive collaboration between Uniworld and Seabourn

2026 Collection Now Fully Sold Out

CELEBRATING THE 50TH ANNIVERSARY OF UNIWORLD IN 2026

At Uniworld, everything we create begins with our guests. Over recent years, we have seen a growing desire for journeys that go further, stay longer and offer a deeper sense of connection to the destinations visited, all without compromising on comfort, service or ease. Travellers are increasingly seeking experiences that blend different styles of travel into one seamless journey, and it was this insight that inspired us to do something truly different.

In 2026, in partnership with Seabourn, we introduced an **industry first**: a carefully curated combination of ultra-luxury river and ocean cruising in a single, all-inclusive itinerary. The response exceeded all expectations, with the inaugural collection selling out within weeks of launch. It was a clear affirmation that our guests were ready for a new way to explore the world in luxury.

Building on that success, I am delighted to present our 2027 collection of Seabourn and Uniworld combination journeys. These new itineraries continue to unite the boutique elegance of Uniworld's river cruising aboard S.S. *La Venezia* with the refined ocean experience of *Seabourn Ovation*, offering even greater choice while maintaining the intimacy, personalised service and thoughtful design that define both brands. Each journey has been crafted to deliver cultural depth, relaxed exploration and exceptional comfort, from Venice's storied waterways to the character-rich ports of the Mediterranean.

This partnership brings together two cruise lines that share the same values: all-inclusive luxury, exceptional service, intimate ships and an unwavering commitment to the guest experience. I am incredibly proud of what we have created together and look forward to welcoming you on board in 2027 for what promises to be an unforgettable journey.

Warmest regards,

Ellen Bettridge

BRAND NEW FOR 2027

Experience the Best of Luxury River & Ocean Cruising with Two Brand-New Itineraries

Following the phenomenal success of the inaugural 2026 collection, which sold out within weeks of launch, our exclusive partnership with Seabourn returns for 2027 with two brand-new combination itineraries. These new journeys offer guests a fresh opportunity to experience this highly sought-after collaboration between two esteemed luxury cruise lines.

Both brand-new journeys bring together the very best of luxury river and ocean cruising, pairing Uniworld's S.S. *La Venezia* with Seabourn Ovation. Guests can choose how they wish to travel in 2027, with *The Wonders of the Adriatic & the Venetian Lagoon* beginning aboard *Seabourn Ovation* before continuing on board S.S. *La Venezia*, while *The Best of Italy, Croatia & Malta* starts aboard S.S. *La Venezia* and then transitions to *Seabourn Ovation* for the ocean sailing. Both journeys now include an additional night, offering even more time to enjoy the experience in ultra-luxury.

For 2027, Seabourn Ovation delivers an elevated ocean experience, offering all-suite accommodation with a private veranda in every suite. Generous public spaces, refined dining and attentive service create a luxurious, yacht-like atmosphere, while retaining the boutique feel that defines the Seabourn experience. Despite her increased scale compared to the 2026 sailing, Seabourn Ovation remains small by ocean-cruise standards, allowing access to smaller, character-rich ports that larger ships cannot reach. Highlights include the dramatic Bay of Kotor in Montenegro, the historic harbour of Hvar in Croatia and the neoclassical streets of Nafplion in Greece, alongside other carefully selected destinations.

In addition, the lead-in cabin categories for both itineraries have been enhanced for 2027. Guests will enjoy a Deluxe cabin aboard Uniworld's S.S. *La Venezia*, combined with a Veranda Suite V1 on board *Seabourn Ovation*, further elevating the overall journey experience.

Departing in June, both itineraries are perfectly timed to experience the region at its best, with long days, warm seas and some of the Mediterranean's most captivating coastlines.
