OUR 2026-27 FRONT COVER

This year's cover illustration is inspired by some of the remarkable experiences our guests can enjoy with us – from scenic cruising at sunrise or sunset to spotting puffins in the wild or watching a flamenco performance in Spain. The warm palette and expressive details evoke a feeling of romance and discovery, while our flagship, *Bolette*, sails towards new adventures in every scene, capturing the variety of places we visit across all four seasons.

WELCOME ABOARD

I'm incredibly proud to share our collection of carefully curated itineraries for 2026 and 2027. Among the highlights, our famous Fleet Meet returns for an unmissable day of festivities in Las Palmas, Gran Canaria – renowned for its sunshine, sweeping sand dunes and sangria by the sea.

We've timed three cruises around the Solar Eclipse for a truly unforgettable view from the ocean, and reintroduced much-loved sailings including the Scottish Isles, the Norwegian Fjords, and our 'You Choose Your Cruise' adventure, where each destination is voted for by you and your fellow guests.

Also featured are two longer Caribbean voyages perfect for rest and renewal, a secret Mystery Cruise created by one of our captains, itineraries designed to coincide with the Geminid Meteor Shower or Germany's festive Christmas markets, and an exciting new programme of fly-cruises to explore the beauty of the Mediterranean.

Perhaps most exciting of all, in January 2027, our adults only ship, *Borealis*, will embark on a very special World Cruise. Inspired by my own travel dreams and thoughtfully shaped by my talented itinerary planning team, it's a once-in-a-lifetime journey to Japan, Hawaii and beyond – a chance to experience the world in true Fred. Olsen style, with curiosity, warmth and care in every detail.

Looking ahead, I'm equally thrilled by the enhancements we're making across our fleet and to the guest experience, from vibrant new dining options to our more inclusive fares.

Whether you're joining us for the first time or returning as a valued guest, thank you for choosing to explore the world with us.

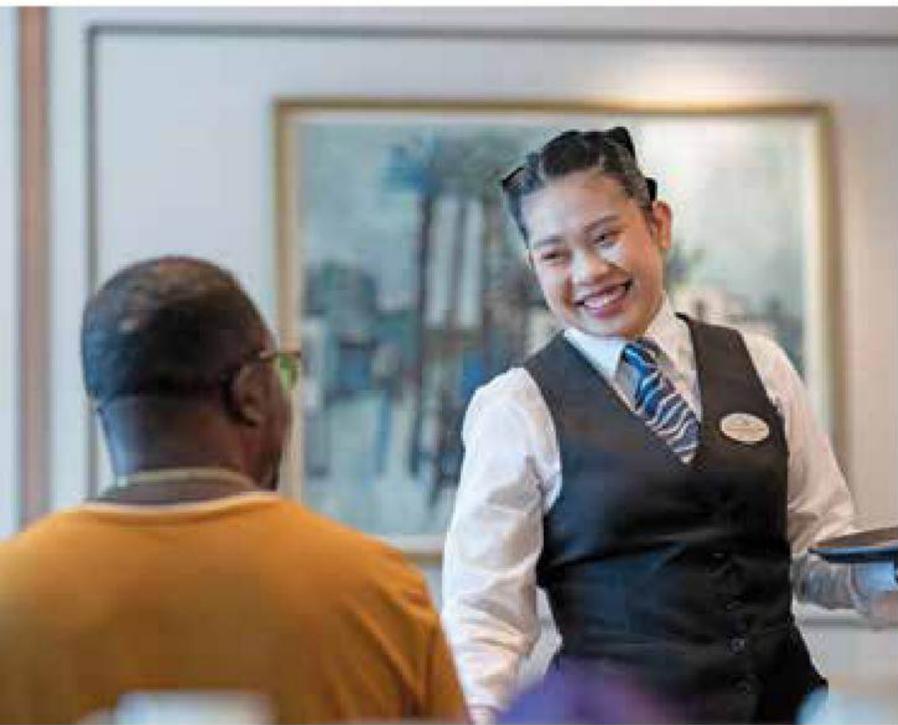

With warm wishes,

Samantha Stimpson
CEO, Fred. Olsen Cruise Lines

ABOUT US

At Fred. Olsen, we're a little different to the bigger cruise lines, and proudly so. Cruising, to us, is about enjoying the journey and seeing the world in comfort and style. It's also about choice – the freedom to explore your way. It's travel at its most rewarding: unhurried, carefully considered and full of character.

SMALLER SHIPS, REFINED TRADITIONS

Our ships are smaller, warmer and full of charm. With space to relax and thoughtful touches throughout, they offer a more personal way to cruise. We've preserved the timeless pleasures of sea travel, but shaped them for today, with comfort, character and a relaxed sense of occasion.

SERVICE WITH GENUINE WARMTH

What sets us apart is our crew. From the moment you step on board, you'll be greeted with warmth, care and a level of attention that feels refreshingly genuine. They take the time to get to know you, from your name to your favourite drink.

CURATED JOURNEYS, NOT JUST CRUISES

We design our itineraries to blend iconic destinations with lesser-known gems, creating journeys that enrich and inspire. Whether you're seeking famous sights or quiet corners, our sailings are carefully curated to help you explore the world in a more thoughtful and rewarding way.

ALWAYS IN THE BEST OF COMPANY

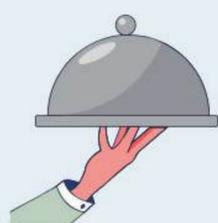

Our story began in Norway, where time on the water is part of daily life. It's a heritage we're proud of, one that shapes our respect for the sea, our love of exploration and the warm welcome you'll find on board. We live by the saying 'i det beste selskap' – 'in the best of company' – and that's precisely how we want you to feel when you sail with us: relaxed, valued and part of something truly special.

ITINERARIES TO INSPIRE

CAREFULLY CURATED JOURNEYS

Long before your cruise sets sail, our journey planners are already charting new courses, fuelled by curiosity and a passion for exploring the world. Unlike many other cruise lines, we don't churn out the same old routes. Instead, we delve into cultural calendars and natural wonders, taking our guests to a mix of iconic landmarks and lesser-known treasures to create itineraries that go beyond the destination.

With our smaller ships, we sail closer, linger longer, and even plan the scenic bits in between – fjords, coastlines and waterways that are just as memorable as the ports themselves.

SAIL FROM A PORT NEAR YOU

Most of our cruises sail from the UK, offering the convenience of joining your ship close to home. Whether it's Liverpool, Newcastle, Rosyth (for Edinburgh), Southampton or Portsmouth, there's a Fred. Olsen departure point within easy reach. And with our trusted partners providing everything from baggage handling to car parking, we're here to help make your journey as easy as possible. For more information on getting to and from your departure port, visit fredolsencruises.com

OR FLY STRAIGHT TO THE HEART OF THE ACTION

We also offer a selection of fly-cruises that let you step straight into the Mediterranean warmth. Our fly-cruises return for 2026, taking in Corsica, the Adriatic, Greece, the French Riviera, the Amalfi Coast and more – shorter getaways designed to maximise your time ashore. With so much included, and our team on hand to help you every step of the way, fly-cruising with us is refreshingly simple. See page 76 for more information.

HIGHLIGHTS FOR 2026-27

Standout sailings for 2026 include our famous fleet reunion, this time in sun-soaked Las Palmas, Gran Canaria. We've brought back guest favourites too, from the dramatic Scottish Isles and the fjords of Norway to our 'You Choose Your Cruise' sailing, where you and your fellow travellers vote for each port as you go.

We also have three cruises timed to catch the Solar Eclipse, a 31-night Caribbean voyage for those seeking total relaxation, a secret Mystery Cruise designed by one of our very own captains, and itineraries that coincide with the Geminid Meteor Shower or Germany's festive Christmas markets. For those craving something truly extraordinary, 2027 brings a not-to-be-missed World Cruise calling at Japan, Hawaii and beyond.

SMALLER BUT SPACIOUS

Each of our ships is smaller by design, carrying fewer guests with a high guest-to-space ratio that's among the best at sea. That means a calmer, more comfortable on-board experience, with room to stretch out by the pool, find a quiet spot to read, or enjoy scenic cruising without the crowds. And with fewer guests, getting ashore is quicker and easier, too.

CHARACTER IN EVERY CORNER

Our ships are full of personality, charm and warmth. You'll find wide-open decks to enjoy the fresh air, panoramic lounges perfect for taking in scenic views, and restful spaces for quiet moments. Enjoy everything from comfortable bars and lounges to beautiful restaurants, a theatre and a library, plus the wonderful art collection personally curated by Fred. Olsen, reflecting his deep passion for art.

CONSTANTLY EVOLVING, CONTINUOUSLY IMPROVING

We're continually evolving our fleet to enhance your experience, from introducing new dining concepts and upgrading décor to creating exciting new spaces on board. For 2026, we're making further enhancements across our three ships, based on the things our guests tell us they value most – more choice, more comfort and more moments to enjoy.

YOUR CRUISE, YOUR WAY

Whether you prefer a peaceful spot with a good book or a full day of activities and entertainment, life on board offers plenty of choice, all in the warm, welcoming atmosphere of our smaller ships.

MOMENTS OF ENTERTAINMENT

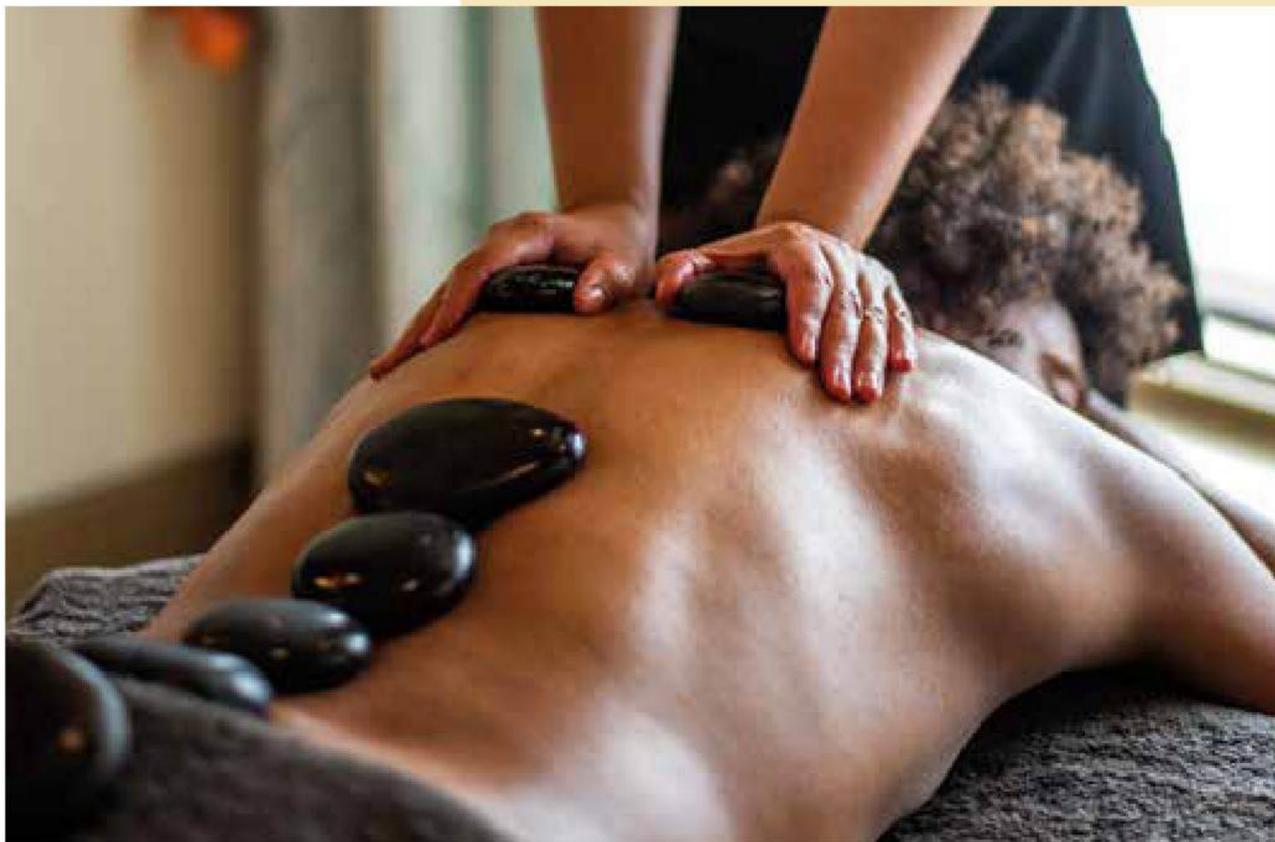

The entertainment on board is varied, vibrant and thoughtfully designed with our guests in mind. By day, you can take part in guest speaker talks, quizzes, deck games and card tournaments. In the evening, experience shows by our resident Theatre Company, performances by professional artists, comedians and illusionists, or classical recitals and live music from soloists, singers and bands.

TIME TO UNWIND

Life on board can be truly relaxing. Take time out on our open decks, enjoy a dip in the pool, or indulge in a treatment at The Atlantis Spa with our specialist beauticians, hair stylists and therapists. Each ship also has a quiet library – perfect for catching up on the latest read from our Book Club – and cosy corners for coffee and conversation. For active relaxation, try yoga or Pilates in our ocean-view fitness centres.

ENRICHMENT AT SEA

Feed your curiosity with inspiring enrichment talks, arts and crafts workshops, cooking demos and dance lessons. Join behind-the-scenes ship tours or learn from our officers about navigation and chart-reading. On selected cruises, you can stargaze with astronomy experts from Go Stargazing or look out for marine life with nature specialists ORCA and Ocean Wildlife Encounters, who join us on board to record sightings of the world's ocean wildlife as part of their vital conservation work. To see which cruises they'll be joining us on in 2026, look out for their logo on the itinerary pages within this brochure.

TRAVEL INSURANCE & VISAS

Having appropriate cruise insurance cover that includes repatriation at sea is a requirement for booking your holiday with us. Knowing you have comprehensive cover means you can relax and concentrate on planning the rest of your holiday. To help, we've provided three top tips for organising your cover.

Tip one:

ENSURE YOU HAVE THE RIGHT COVER

To avoid any pitfalls, it's best to ensure your cover is specific to cruise holidays. Also, declaring all pre-existing medical conditions to your insurer will reduce your potential for financial consequences.

Tip two:

AVOID POTENTIAL LOOPHOLES

It is tempting to save money and opt for the cheapest holiday insurance. However, many policies have loopholes that will not provide cover for the exact circumstance in the claim. Be sure to investigate that's covered in your policy.

Tip three:

PURCHASE YOUR COVER EARLY

We advise you to get insurance organised for your forthcoming cruise as soon as you have booked. This will give you peace of mind that you are covered and protect your non-refundable deposit.

Our recommended supplier:

HOLIDAY EXTRAS

A cruise is a holiday unlike any other, and as such, it pays to be covered for all of its unique aspects. We have found that – from many years of working together – Holiday Extras provide excellent insurance cover for Fred. Olsen guests, with insurance policies that have specifically tailored cruise benefits.

For a quote, or to buy a policy, please give Holiday Extras' dedicated insurance specialists a call on **0333 188 1337**, quoting **FOBR1**, or visit holidayextras.co.uk/fred

VISAS

Visa and health requirements can change at any time. It is your responsibility to ensure that you check with a professionally qualified source and comply with such requirements. UK passport holders will need visas for certain Fred. Olsen cruise holidays and will be advised at the time of booking. Your cruise booking information will also detail any requirements applicable to your holiday, or we'll be in touch to update you.

IT'S EASY TO BOOK WITH FRED. OLSEN

Once you have chosen your cruise, you only need to take a few steps before you can begin looking forward to your holiday.

1. We need just a few details to confirm your booking

Your full name as it appears on your passport; date of birth; home address; e-mail address and contact telephone number are all details we will need when you book. Please also have this information for any guests travelling with you.

2. Don't forget your cruise insurance and to check if visas are needed

Please ensure you have appropriate cruise insurance cover; it's a mandatory requirement for sailing with us. Visas may be required for your chosen region. We've provided some helpful information for this on the opposite page.

3. Non-refundable deposit

Cruises are secured by a non-refundable deposit (or non-refundable full payment if booking a last-minute Saver Fare). The deposit is typically set at 15% of the cruise cost (this varies when booking close to your departure date, and when booking cruises more than 27 nights in duration).

4. We will send confirmation straight away

There's a little more information we will require before you travel, such as your passport, emergency contact and insurance details, and naturally final payment is needed ahead of your cruise. We will send details of this with your confirmation invoice as soon as you make your booking.

CONTACT US

Book online 24 hours a day at fredolsencruises.com, contact your travel agent or call our cruise consultants on 03301 623 548. Please see our website for the opening hours of our Reservations Team.

These are available on our website, www.fredolsencruises.com/legal/terms-and-conditions and on request. You must read them carefully and inform Fred.
