# New arrivals

Titan has been blazing trails in the travel industry since 1978, forever innovating and adding new adventures and ideas. Here's a taste of what's new this year.

## Ancient Greece and an idyllic Aegean Cruise

Sail through crystal-clear waters to idyllic islands. Soak up the sun on quiet beaches. Wander through quaint fishing villages. Uncover some of the best-preserved archaeological sites in the Mediterranean. And unwind in beautiful spots like Santorini and Mykonos, where the views are unforgettable.

See page 66

## Berlin, Dresden and the magnificent Harz Mountains

Beginning in Berlin, we'll explore both sides of this once-divided city. In Dresden, we'll admire opulent architecture and watch Meissen's world-famous porcelain craftsmen at work. Weaving our way through Saxony, we'll discover storybook castles, before finishing up in the beautiful Harz Mountains, home to half-timbered towns and heritage steam trains.

See pages 100-101

## Natural Beauty of the Dalmatian Islands Cruise

There'll be postcard pretty towns, walks through rosemary and sage-scented villages, step-back-in-time moments watching age-old crafts and customs, and the chance to taste locally made wine in the warm Croatian sunshine. Back on our stylish small ship, we'll stop to swim in sparkling blue bays and watch the stars twinkling overhead in some of Europe's darkest skies.

# More effortless

Dreaming of sailing along the crystal-clear Adriatic from island to island in Croatia? Perhaps sipping full bodied reds in the rolling vineyards of Tuscany. All are incredible holidays, but they're trips that would take a lot of time and effort to plan if you were DIY-ing. With us, it's all done for you, opening up a world of truly hassle-free travel.

'Just had a fantastic week on the Amalfi coast. The trips to Sorrento, Pompeii, Positano, Amalfi and Capri were wonderful, while our tour manager, Michele, was second to none.'

**Titan customer**

★ Trustpilot

In my eyes, the best bit about travelling with Titan is the fact that we do all the hard work for you. We ensure that all the must-see sights are covered, but also that some of the lesser-known gems are included - nothing gets forgotten, so all you have to do is enjoy the experience.

**Alison, Product Manager**

First, we pull out all the stops to create truly unique itineraries, with every aspect carefully considered to create a trip that really wows. Then the detail kicks in, working out the route you'll take to a particular sight, researching the restaurants you might stop at for lunch. Hours of planning go into each trip - as departure dates approach, we're always busy behind the scenes, confirming hotel rooms and pre-booking tickets and passes ready for our travellers. Planning each tour to perfection and always going the extra mile is something we take pride in. We love nothing more than our customers telling us just how effortless their trip was.

## More experiences

When we promise you'll see and do more on our tours, we're not just talking about big, must-see sights but also intimate, first-hand experiences, like exploring Dracula's Castle in Romania after dark on a private tour or sitting down to a home-cooked meal with local villagers in Turkey. We also create special itineraries and departures for small group, solo and Cruise & Tour fans, because we know different types of people like to travel in different sorts of ways.

Our award-winning small group tours have all the same ingredients as our other escorted itineraries, but with a maximum of 24 down to as few as 14 guests. It's a unique way to travel - from being more flexible to being able to visit places that just aren't accessible in larger groups.

Travelling in a small group gives travellers the opportunity to become more immersed in local culture and traditions through meeting and interacting with the people who know the destination best - the locals.

**Phil Ellis**  
Product Manager

Although you can travel solo on any of our tours, Solo tours are departures reserved exclusively for those travelling by themselves. We aim to keep single supplements as low as possible, and never add an extra charge for our VIP transfers.

There's something special about our Solos tours. Everyone's there for the same reason: to see the world in good company, knowing every little detail has been taken care of. Lots of people make lifelong friends, or go on to travel together again.

**Alison Porter**  
Product Manager

Unique to Titan, these destination-rich itineraries combine the effortless adventure of an escorted tour with the luxury of a cruise. Think the glittering Italian Lakes combined with the jagged mountain peaks of Switzerland. Or an all-encompassing trip to Norway by land, sea and rail. These are the ultimate adventures.

To arrange all of these wonderful destinations independently in one trip would be complex and costly. These Cruise & Tour holidays are unique to Titan, crafted with the expertise, care and detail that our customers have come to expect from us.

**Andy Squirrel**  
Chief Commercial Officer

## More flexible

We've been perfecting effortless adventures for 45 years, so we know one size doesn't fit all. That's why on most tours you can add things like extensions, excursions, local flights and cabin upgrades, and some tours offer variable durations too. This flexibility means you can see more or slow the pace on free days, spoil yourself with a bit of luxury, or even choose a longer or shorter version of the same tour.

### Longer or shorter tours

Like to stay away longer, or see more while you're away? No problem. On many itineraries you can add extra nights and stay on independently at the end of the tour. Some tours even have extended itineraries. For example, you can now add another seven days to our Southern Shores of Lake Garda and extensively explore the northern shores, too. As one of our most popular trips, we want to make it - and many others in the collection - easy and accessible for as many people as possible. You'll find more details of tour variations on the holiday pages of this brochure or on our website.

### Free time on tour

Most itineraries include several mornings, afternoons or even full days at leisure when you can up the tempo or take some down time. This time is yours to do as you please, whether that's heading out to explore independently, joining an optional excursion, or just relaxing at the hotel. Your tour manager is there to offer help or advice.

### Flight options

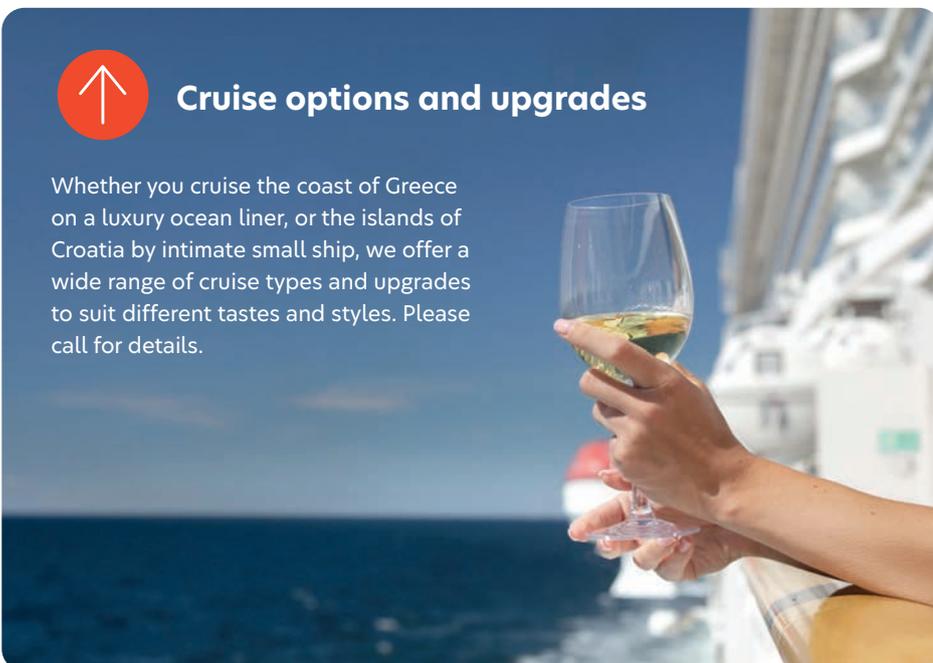

Your choices aren't limited to what happens on tour. On longer flights you can upgrade for more space and comfort, and on many of our European tours, you can now get regional flights from local airports\*, so it's even easier to get away. And if you've an early start or late flight back, why not let us book you into an airport hotel? Please call for details.

\*Subject to availability

### Cruise options and upgrades

Whether you cruise the coast of Greece on a luxury ocean liner, or the islands of Croatia by intimate small ship, we offer a wide range of cruise types and upgrades to suit different tastes and styles. Please call for details.

### And lastly... Flexi Deposit

Don't forget, our Flexi Deposit means you can make unlimited free changes to your holiday until final payment is due, so there's no drama if your plans change.

Valid on new bookings. Fees may apply for non-refundable flights or higher deposit tours - please ask one of our travel advisors for full details

Although the places we visit are magical, by far the best thing about being a tour manager is the people. To start with a group of strangers and watch as they become a group of friends travelling together, this is what makes this job the best in the world.

**Jeremy Luton, Tour Manager**

## More knowledgeable

From the local historian we'll introduce you to in Valletta, Malta's ancient capital, to the tour manager who gives you an insight into Iceland's quirky culture and customs, you'll have expertise on hand, every step of the way.

### Tour managers

Tour managers are the people who can really make a holiday - and that's why our tour managers score on average 9/10 by our customers. Something of which we're extremely proud about. Some of our customers even base their holiday choice around their favourite tour manager's schedule.

We personally select each of our tour managers and put them through our Excellence Programme to ensure they're among the best in the business. They're

there to keep everything running smoothly and safely, but also help you get the most out of your time away. They'll be there when you need them, on hand with hints, tips, help and advice throughout your trip.

### Local guides

On some tours or excursions, you'll also have local guides to give you extra insight into your destination. Their in-depth knowledge can transport you anywhere from ancient Athens to the Alpine meadows of Switzerland.

## More awards

As a travel company, the highest praise we can get comes from those who take our holidays. That's why we're proud to still be the most decorated touring company at the British Travel Awards (voted by the public) for the past seven years, making us the UK's most awarded escorted tour operator.

## More reassuring

When you book a holiday with us we want to make sure you can do so with confidence. Plus, with Titan's Protection Promise you'll have peace of mind when you choose to travel with us. We'll update you with any significant changes to entry requirements, and we'll send you up-to-date information on all aspects of your holiday around two weeks before your departure date. This will include the best sources of information for staying well informed.

### Happiness guarantee

Love your tour or your money back. We're so confident you'll love every moment of your Titan tour we promise to bring you home and refund your money if you don't. We call it our Happiness Guarantee, and it's one more thing we do to make sure you feel confident and secure when you book with us. For more information visit [www.titantravel.co.uk/protection-promise](http://www.titantravel.co.uk/protection-promise).

### Our Price Promise

This means you'll never be charged more than what you initially paid. Additionally, if you need to change your booking, our Flexi Deposit allows you to transfer to a new date or tour without any extra fees, as long as changes are made before your final balance is due.

### Book with confidence

Our holidays include ABTA and, where flights are included, ATOL protection, and are provided in accordance with the Package Travel Arrangements Regulations 2018. For further details, see our website. All package and flight holidays sold by ABTA members are fully financially protected in the event of bankruptcy - meaning that you'll be able to continue your holiday as planned or get your money back. ## The right pace

To help you choose the right holiday for you, our escorted tours have been graded from 1-4, based on the suitability and pace of the holiday:

### Grade 1: Leisurely

You'll be based at just one hotel for the entire holiday. A combination of included excursions and free days makes this ideal for those seeking a relaxed experience.

### Grade 2: Easy going

These holidays are perfect for those who want to take it easy but also want to enjoy longer-day excursions across multiple locations, including guided walking tours and safaris.

### Grade 3: Active explorer

A good level of fitness is required. You'll be staying in multiple locations in destinations that have varying standards. These holidays are not suitable for those with significant mobility issues.

### Grade 4: Adventurer

Some of our most active holidays are at this grade. Be prepared to be on your feet walking and standing for extended periods on potentially challenging terrain.

Please note: This is a guide only. Please be aware that for each level you should also be comfortably able to manage the requirements set out in the lower levels. For cruising, this guide refers to the onboard experience and included excursions only. For more information on whether a holiday is suitable for you, please call our travel advisors on 0800 988 5800 or see online for full suitability pace guide [www.titantravel.co.uk/faqs](http://www.titantravel.co.uk/faqs).

Rolling hills draped with grapevines, honey-stone houses glowing in the sunshine and fields speckled with silvery olive trees - rural Tuscany really is a picture-perfect sight. On this relaxed tour, we'll combine the countryside with the region's historic towns and cities, from Renaissance Florence to the 'medieval Manhattan' of San Gimignano. Over a leisurely eight days, we'll see Siena's shell-shaped piazza, sample superb wines in the heart of Chianti, walk Lucca's city walls and tour the home of Tuscany's most famous opera composer, Giacomo Puccini.

**Day 1 UK - Florence - Montecatini Terme.** Titan's VIP door-to-door travel service collects you from home for your flight to Florence. Our tour begins in Montecatini Terme, a spa town in the heart of Tuscany - we'll head straight to our hotel here.

**Day 2 Florence.** Today we'll take the train to Tuscany's beautiful capital city: Florence. Known as the 'cradle of the Renaissance', its streets are filled with incredible architecture, from the green and white marble façade of the Duomo (and the spectacular dome that crowns it) to the Romanesque grandeur of the Palazzo Vecchio.

A guided walking tour will lead us to some of the highlights, including the cathedral, the imposing Basilica di Santa Croce, and the Piazza della Signoria - the historical heart of Florence's social and political scene.

The afternoon is at leisure for you to discover more of this wonderful city. Perhaps admire the vast collection of artworks in the Uffizi or Accademia galleries, or cross the Arno to visit the treasure-filled Pitti Palace, once the home of the powerful Medici family.

**Day 3 Lucca - Pisa - Torre del Lago.** Nestled in the countryside midway between Pisa and Florence is the lovely little city of Lucca. Its pretty piazzas (especially the oval-shaped Piazza dell'Anfiteatro) and cobbled, café-lined streets are perfect for exploring on foot. If you're feeling energetic, climb the 230 stone steps to the top of Torre Guinigi, where you'll find a shady hanging garden of holm oaks and views across the terracotta rooftops and out to the Apuan Alps and Apennines. For something flatter, walk along the Renaissance walls that wrap around the city - they stretch for four kilometres.

Siena

After a morning in Lucca, we'll head to Pisa, where we'll stop off to have a look at the famous Leaning Tower. Then, we'll head to the lakeside town of Torre del Lago, where we'll pay a visit to the Villa Puccini Museum. This art nouveau villa was once home to Giacomo Puccini, and its serene setting inspired some of his most famous operas, including La Bohème, Tosca and Madame Butterfly.

**Day 4 San Gimignano - Siena.** UNESCO-listed San Gimignano is a classic Tuscan town: a jumble of honey-hued stone buildings clustered on a hilltop, surrounded by vineyards and groves of olive and cypress trees. But look up and you'll see the sky punctuated by 14 medieval towers. These ancient 'skyscrapers' were built by wealthy families to flaunt their power - once upon a time there were more than 70 of them soaring above the town.

As we make our way towards Siena, our base for the rest of our Tuscany tour, we'll pause for a stroll around the medieval walled town of Monteriggioni.

**Day 5 Siena.** ☀️ We'll spend this morning uncovering Siena's layers of history, from its Etruscan roots through its medieval 'golden age' to the 17th century, when the city's world-famous horse race - il Palio - first took place. We'll stand in the Piazza del Campo, one of Europe's greatest medieval squares (and the setting for the twice-yearly Palio), and tour the grand cathedral, a masterpiece of Gothic and Romanesque architecture.

After our guided Siena tour, the rest of the day is at leisure. Perhaps visit the Palazzo Pubblico and climb Torre del Mangia for views across the city, before rewarding your efforts with a scoop of gelato in one of the cafes skirting the Piazza del Campo. If you're an art lover, you'll want to stop by the Pinoteca Nazionale, with its fine collection of Renaissance paintings.

**Day 6 Chianti.** We'll head into the heart of 'wine country' today, as we discover the delights of Chianti. We'll slowly wind our way through the hills, stopping for a delicious Italian lunch at a lovely village restaurant. We'll round off our tour of Chianti with a tasting at a winery.

**Day 7 Siena.** ☀️ Today is free for you to relax or explore as you wish. Our optional excursion takes you to the Val d'Orcia Terre Senesi, where you'll visit a peaceful abbey and admire the lunar-like clay landscapes of the Crete Senesi. You'll then continue to the Renaissance city of Pienza, where you'll sample locally made pecorino cheese.

**Day 8 Siena - Florence - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

**Day 4 Cefalù - Palermo.** We'll spend some time in the pretty beach town of Cefalù on our way to Palermo. Wander its narrow lanes, or perhaps treat yourself to a gelato to enjoy by the sandy beach. We arrive later in Palermo for two nights.

**Day 5 Palermo - Monreale.** This morning, we'll take a guided tour of bustling Palermo, including a stop at the Palatine Chapel and the cathedral. We'll then travel to Monreale to visit the magnificent cathedral, famed for its Byzantine mosaics.

**Day 6 Erice - Selinunte - Agrigento.** Our first stop today is Erice and Maria Grammatico's bakery, to try her famous pasticcini (soft almond biscuits) - we'll wash them down with a glass of liqueur. We then continue, passing Trapani's ancient salt pans, before Selinunte for a guided tour of this fascinating Greek archaeological site. In the evening we check into our hotel in Agrigento.

**Day 7 Valley of the Temples - Piazza Armerina - Giardini Naxos.** We start our day with one of the highlights - a guided visit of the nearby Valle dei Templi, a collection of classic Greek temples scattered across a valley of almond trees.

We stop at the private estate of Geracello for a delicious lunch of local produce. We'll head east to Piazza Armerina, for a guided tour of the Roman villa reveals an incredible floor mosaic. We then continue to Giardini Naxos.

**Day 8 Taormina.** Our walking tour shows us the sights of the cliffside town of Taormina. You have the rest of the afternoon free.

**Day 9 Mount Etna.** This morning we take a drive to the slopes of Etna. After a short walk, there'll be free time to explore this fascinating area with your tour manager and on your own. Be sure to bring a camera - on a clear day, the views from here are spectacular.

Later, we visit a local winery for a cellar visit and included wine-paired lunch.

**Day 10 Giardini Naxos - Catania - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

## Mount Etna

Enjoy stunning views from Europe's largest and most active volcano. Mighty Mount Etna has a recorded history of eruptions dating back to 1500 BC. Constant low-level emissions mean that explosive eruptions are infrequent, but the richly fertile soil and tourist fascination make it Sicily's single biggest source of income.

## The Valley of the Temples

Recognised with UNESCO World Heritage status in 1998, Agrigento's Valley of the Temples is a globally significant archaeological site. Here are the ruins of the great temples of ancient Akragas, one of the leading cities of Magna Graecia during the so-called 'Golden Age' of Ancient Greece and lauded by the lyric poet Pindar as the "most beautiful of mortal cities" - amongst them the temples of Hera, Heracles (Hercules), Zeus, Castor and Pollux. The temples and their picturesque setting have inspired countless generations of artists and writers from Virgil to Goethe, Alexander Dumas to E M Forster.

Do as much or as little as you like on this laid-back holiday to Giardini Naxos, one of Sicily's best beach resorts. Over the course of a week, we'll meander through Taormina's winding lanes, discover Syracuse's baroque beauty and spend a morning at Radicepura Garden Festival, Sicily's answer to the Chelsea Flower Show. We'll also allow plenty of time to slow down and enjoy 'la dolce far niente' - the sweetness of doing nothing.

**Day 1 UK - Catania - Giardini Naxos.** Titan's VIP door-to-door travel service collects you from home for your flight to Sicily. On arrival, we transfer to Giardini Naxos, a lovely coastal resort in Sicily's north-east corner.

**Day 2 Taormina.** ☺ After a leisurely start, we'll head off to Taormina. This pretty town perches on the clifftops just above Giardini Naxos - have a look down from one of the viewpoints and you might even spot our hotel.

A local guide will take us on a walking tour of the town, introducing us to the highlights (and a few hidden gems as well). It's a great way to get your bearings and work out what you might like to come back and see more of during the rest of the week.

**Day 3 Giardini Naxos.** ☺ You've got the day to relax at the hotel or explore the small town of Giardini Naxos.

If you fancy heading back up to Taormina, the bus stop is a five-minute walk from the hotel. Go for lunch at a trattoria hidden in the backstreets or maybe treat yourself to a fruity granita (Sicilian-style sorbet), traditionally enjoyed with a flaky brioche pastry.

The buzzing Corso Umberto I is Taormina's main street, running between the town's two gates, Porta Messina and Porta Catania. It's lined with designer boutiques and gift shops displaying handmade lace, colourful artworks and Sicilian delicacies.

After you've had a wander, relax in Piazza IX Aprile, with its checkerboard floor, baroque church and Etna views; or in the pretty Villa Comunale gardens. For a flavour of Sicily's Greek history (and more fantastic views), the Teatro Antico di Taormina is well worth a visit.

Piazza del Duomo,  
Ortigia

Cannoli

**Day 4 Radicepura Garden Festival - Acireale.**

The botanical gardens at Radicepura play host to a biennial festival that celebrates garden design and landscape architecture.

We'll spend the morning enjoying a guided tour around some of the beautifully created gardens. Admire all sorts of Mediterranean plants and flowers, breathe in the scent of herbs and fruit trees, and look out for the quirky artworks dotted throughout.

While we're here, we'll pause for a tasting experience of some locally produced drinks. After free time in nearby Acireale, a baroque town set on a hillside, our route back to Giardini Naxos takes us via the seaside town of Aci Castello, where you'll have time for a wander and perhaps an espresso at one of the cafés.

**Day 5 Giardini Naxos.** ☺ Enjoy another free day today, or join us for an optional trip to Mount Etna. As well as stepping on the crunchy cooled lava of this mighty volcano, you'll enjoy lunch and a volcanic wine tasting at a local winery. Then you'll visit a local beekeeper and taste their delicious honey.

**Day 6 Syracuse.** Today, we'll journey down the coast towards Syracuse. We'll make our way to Ortigia, the old part of the city and one of Sicily's loveliest spots. Set on an island that juts out into the Ionian Sea, it was first settled by the Greeks some 2,700 years ago.

A local guide will lead us through the maze of narrow streets, lined with countless cafés, restaurants and - of course - gelaterias. We'll emerge onto Piazza del Duomo, edged by beautiful baroque palazzi all carved from creamy local limestone. As the name suggests, the square's centrepiece is its Duomo - our guide will show us its treasures.

After some free time, we'll enjoy a harbour boat trip to allow us to admire Ortigia from the water.

**Day 7 Giardini Naxos.** ☺ Your final full day in Sicily is at leisure. Relax by the pool or on the beach, or go for a stroll along the seafront. Alternatively, catch the bus up to Taormina to pick up a few last-minute souvenirs and gifts - maybe a bottle of Etna wine or a colourfully painted ceramic plate.

**Day 8 Giardini Naxos - Catania - UK.** Today we depart for the airport and your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

This 11-day trip is southern Italy and Sicily in shades of sepia. Travelling through Puglia and Calabria with a ferry crossing over to Sicily, we explore the sun-warmed piazzas and palazzi of cobbled hilltop towns, wander ancient amphitheatres, and unearth architectural treasures - such as the 10,000-year-old 'sassi' cave dwellings of Matera and the kiln-shaped stone 'trulli' of Alberobello. We'll top off our trip with a 'The Godfather' Sicilian village and a walk beneath the summit of restless Mount Etna - the highest active volcano in Europe.

**Day 1 UK - Bari - Alberobello.** Titan's VIP door-to-door travel service collects you from home for your flight to Bari. On arrival, we transfer to our hotel in Alberobello, Puglia.

**Day 2 Alberobello - Martina Franca - Ostuni.** Today starts with a tour of the remarkable zona dei trulli in the old town of Alberobello. This UNESCO World Heritage Site is made up of 1,500 'trulli' - white painted houses with dry-stone conical roofs that date back to the 14th century, only found in southern Puglia.

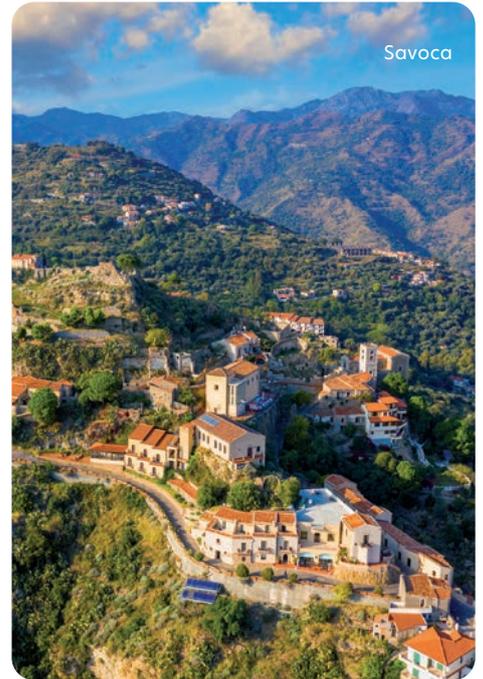

Next, we visit the historic town of Martina Franca in the Apulian hills, to wander through the sun-dappled piazzas, baroque churches and palazzos of the old town. Rising above a patchwork of olive groves, cypress trees and the glittering waters of the Adriatic, we continue up to Ostuni. The 'Citta Bianca' (White City) sweeps down the hillside in a labyrinth of narrow alleyways and staircases, with pretty gardens, painted doorways and tiny Fiats and scooters parked on the cobbles. Our exploration will involve some uphill walking.

**Day 3 Lecce.** Today we continue exploring this beautiful corner of southern Italy with a trip to Lecce. The old town is a masterpiece of creamy-coloured stone and intricate baroque façades, adorned with crouching gargoyles and ornate stained glass. We'll visit the cathedral and then an aristocratic mansion - where we'll enjoy aperitivo.

**Day 4 Matera - Altomonte.** Our journey south to the Calabria region will be lengthy yet fascinating, stopping in the ancient troglodyte city of Matera. Thought to be the oldest city in the world after Aleppo and Jericho, the cave houses or 'Sassi' were inhabited in some form for close to 10,000 years. Matera was given UNESCO status in 1993 and today, the caves are museums, boutique hotels and filming locations for Hollywood blockbusters.

Our hotel in Altomonte is popular for local weddings and on these occasions we'll have the use of a private restaurant and terrace.

Alberobello

**Day 5 Altomonte.** ☺ This morning we take an orientation walk around Altomonte, a town known for its gorgeous churches, romantic stone squares and fabulous views. The perfect wedding picture backdrop, it's known as the 'Wedding City' for the sheer number of couples that choose to marry here. The afternoon is free to explore the town independently.

**Day 6 Altomonte.** ☺ The whole day is free to spend as you please.

**Day 7 Giardini Naxos.** Today we drive south to the coastal city of Reggio Calabria or the 'toe' of Italy, separated from Sicily by the narrow Strait of Messina. Before we board the ferry for the short crossing, we visit the National Archaeological Museum - home to two full-size Greek bronzes of bearded warriors from around 450 BC, known as the Riace Warriors.

Our first taste of Sicily is the scenic drive to the town of Giardini Naxos at the foot of Mount Etna.

**Day 8 Giardini Naxos.** ☺ Spend the day at leisure.

**Day 9 Savoca - Taormina.** Even if you're not a film fan, you can't fail to be wowed by this morning's visit to Savoca. This small medieval village shot to big screen fame when it featured in the 1972 film, 'The Godfather'. There'll be free time to explore and soak up the rustic charms and cinematic scenery.

Afterwards we visit the town of Taormina, perched on a rocky hilltop. The crumbling Corinthian columns, arches, and amphitheatre of the ancient Greek theatre are staggering and the old town is a treasure trove of painted villas and tiled squares.

**Day 10 Mount Etna's Slopes.** We head about halfway up the largest active volcano in Europe to the Rifugio Sapienza, where it's an easy walk across the dried lava to the smaller Silvestri Crateri. After a short stop we head to a Sicilian winery for a tour and tasting. Accompanied by local appetisers of salami, olives and bread, we'll taste four local wines made using grapes from vines grown in the volcanic soil.

**Day 11 Giardini Naxos - Catania - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

Savour every flavour of Italy on our all-encompassing two-week tour, from the cultural highlights of the north to the carefree coasts in the south. Starting in the marshland-turned-masterpiece Venice, we'll sweep through the lyrical landscapes of the Italian countryside. Stopping in ancient Rome and Sicily, sipping a glass of red overlooking beautiful Siena, seeing the ruins of Pompeii - you'll be indulging in the Italian way of life faster than you can say 'buongiorno'.

**Day 1 UK - Venice - Bassano del Grappa.** Titan's VIP door-to-door travel service collects you from home for your flight to Venice. We transfer to our hotel in Bassano del Grappa.

**Days 2-3 Venice - Bassano del Grappa.** ☺ We'll whizz into Venice on a local train, for a guided walk that takes us to the main sights, including the Piazza San Marco and the Bridge of Sighs. Afterwards, you're free to explore independently, or you may have pre-booked an optional visit to the Doge's Palace. On our second day in the area, you're free to explore on your own. Or, there's an optional trip to the old university town of Vicenza, including a guided tour, entrance to the grappa museum and a grappa tasting.

**Day 4 Ferrara - Bologna - Montecatini Terme or Pistoia.** Today, we travel into the region of Emilia-Romagna en route to Tuscany. We'll visit Ferrara, one of the greatest walled cities in Italy. And we'll stop by the regional capital Bologna, renowned for its food (though the porticoed red-brick buildings and ancient university are also worth a mention).

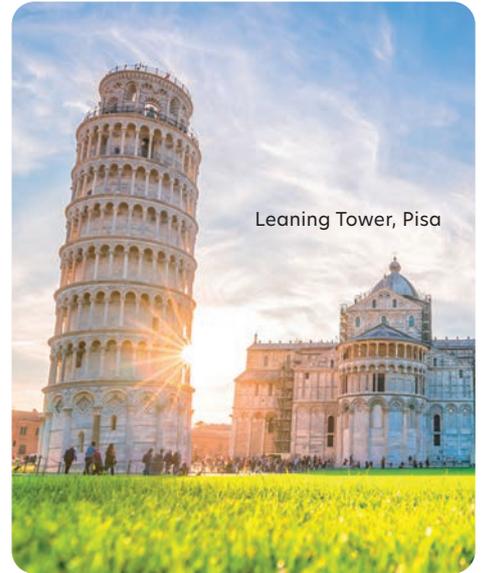

**Day 5 Florence.** ☺ A local train whisks us to Florence from our base in Montecatini Terme. A guided walking tour reveals the city's highlights and includes entrance to the Basilica di Santa Croce, the burial place of some of the most eminent Italians. The afternoon is free in Florence to make your own discoveries, before returning to the hotel.

**Day 6 Pisa - Lucca.** Pisa and Lucca are on the itinerary today, as we head off on a full-day excursion. Pisa's Miracle Square (a UNESCO World Heritage Site) is where you'll find the famous Leaning Tower, as well as the shiny white marble cathedral and baptistery.

In the walled medieval town of Lucca, we take a guided walk to Piazza del Mercato. It's also known as Piazza dell'Anfiteatro - once upon a time, a Roman amphitheatre stood here (which explains the piazza's oval shape).

Venice

Leaning Tower, Pisa

**Day 7 Siena - Rome.** After some time this morning to explore the 'contrade' (districts) of Siena, one of Italy's most beautiful medieval cities, we wend our way south towards Rome. Along the way, we'll quench our thirst with a wine tasting in one of the best grape-growing areas of Tuscany. We'll arrive into Rome late afternoon.

**Days 8-9 Rome.** ☺ Our introduction to Rome includes a guided walk, the Roman Forum and Palatine Hill, and entrance to the Colosseum. Spend the following morning exploring on your own.

On the afternoon of day 9 we'll visit the world-renowned Vatican and Sistine Chapel and see iconic artworks, including those of Michelangelo.

**Day 10 Pompeii - Salerno.** Our tour today takes us to Pompeii. This wealthy town was buried and frozen in time in AD 79, by a massive eruption of Mount Vesuvius. This is undoubtedly Europe's most compelling archaeological site. We'll then continue on to Salerno.

**Day 10 Sorrento - Gragnano.** We head to Sorrento on the Gulf of Naples, for some free time

to explore. Continue to a Gragnano pasta factory for a demonstration.

**Day 12 Giardini Naxos, Sicily.** We'll make our way south from Naples through Calabria - the 'toe' of Italy - right down to Sicily. We'll make a stop in Cosenza and then a short sea crossing from Reggio di Calabria takes us across to Messina on Sicily's north-eastern tip.

With countryside that's blanketed with olive groves, a collection of historic cities and fairytale towns, and a coastline stretching for 800-odd kilometres, Puglia is a rich region filled with simple pleasures. We'll spend eight days winding through its quiet landscapes, discovering baroque Lecce (the 'Florence of the South') and the traditional trulli houses of Alberobello. We'll even stretch into the neighbouring region of Basilicata to visit Matera and explore its ancient cave dwellings.

**Day 1 UK - Bari - Otranto.** Titan's VIP door-to-door travel service collects you from home for your flight to Bari. On arrival we transfer to our hotel in Otranto.

**Day 2 Lecce - Otranto.** This morning, we'll enjoy a guided tour of Lecce, known as the 'Florence of the South' for its baroque architecture. After admiring its honey-stone palazzi and stopping for a delicious takeaway from a bakery, we'll make our way back to Otranto for time to explore.

**Day 3 Ostuni - Cisternino - Alberobello.** This morning we travel to Ostuni, a city which has been occupied since the Stone Age.

Commonly known as 'the white city', Ostuni's hilltop citadel is encased in white walls and surrounded by white-painted architecture. The 15th-century cathedral is distinctive for the green, yellow and white slate tiles that encase it and the nearby buildings.

We enjoy an olive oil tasting before travelling on to Alberobello, with a break to stretch our legs in Cisternino, a historic whitewashed town.

**Day 4 Castellana Caves - Alberobello.** We drive to the Castellana Caves, a series of limestone caverns accidentally discovered in 1938. A guide will accompany you as you descend to explore the caves.

We also visit Alberobello (there's a 15-minute walk to the town from the coach). Dozens of quirky trulli - circular, conical-roofed houses - can be found in and around the town. We visit a winery here for a wine tasting accompanied by some local products.

Dinner this evening will be at a local masseria.

Matera

**Day 5 Bari.** We travel to the old port city of Bari. The Romanesque Basilica di San Nicola is dedicated to St Nicholas, or Father Christmas, and was built to house his remains (which still lie in the crypt). There is free time for lunch, before an included visit to Castel del Monte in the afternoon.

Castel del Monte was built by Frederick II in the mid-13th century. Most probably intended as a hunting lodge, it crowns a medieval hilltop village.

**Day 6 Martina Franca & Taranto.** Today we leave Alberobello and make our way to the pretty hilltop town of Martina Franca. We'll have time to wander the whitewashed alleyways, leading to attractive piazzas and baroque wonders. We also enjoy exploring the Marta Archaeological Museum in Taranto, with a guided tour. We then transfer to our hotel in Matera.

**Day 7 Matera.** Today we travel to the 2019 European Capital of Culture, Matera, famous for its 'sassi' - neighbourhoods of ancient cave dwellings. Monks first created this maze of living spaces and churches as they sought refuge from infidels at the end of the first millennium. Miraculously, they are still largely intact.

After our morning guided tour of the rock church and caves, we have an afternoon at leisure in Matera.

**Day 8 Matera - Bari - UK.** Transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

### Castellana Caves

Located some 40km from Bari are the remarkable Castellana Caves. Accessed by way of a huge vertical tunnel, this 3km-long cave network features bizarre, multi-coloured rock formations, underground caverns and lakes. Perhaps the most striking chamber is the White Cave, a gleaming showcase of pure white speleothems, stalactites, stalagmites, helictites and calcite crystals.

Circled by white sandy beaches and deep emerald waters, there's no denying Sardinia is a Mediterranean paradise. But dig a little deeper below the surface and you'll discover there's also a treasure trove of cultural and archaeological gems to be admired. Explore ancient city ruins and medieval centres. Dip your toes in crystal clear waters and sip wine and taste local specialities at an authentic agriturismo. It's true what's been said: Sardinia is different.

**Day 1 UK - Cagliari.** Titan's VIP door-to-door travel service collects you from home for your flight to Cagliari. On arrival, we'll transfer to our hotel.

**Day 2 Cagliari.** ☀ Cagliari, the island's capital is golden-hued and tree-lined with traces of its rich past everywhere you go. Today, we'll become acquainted on a guided tour and take in some of the highlights including the old city ramparts, the old town and the cathedral of Santa Maria. We'll also stop by San Benedetto Market, to taste some local products.

The rest of the afternoon is free, interrupted only for an ice cream tasting at a local gelateria.

**Day 3 Barumini - Aymerich Park - Laconi - Oristano.** Our first stop is Barumini, where a local guide will escort us on a tour of the Su Nuraxi complex of Nuraghi, Megalithic stone structures unique to Sardinia.

We continue to Aymerich Park, a botanical paradise of rare plants. If you're the outdoorsy type, you'll love wandering around this natural oasis discovering exotic plants and the ruins of medieval buildings. In nearby Laconi we'll have some leisure time - maybe stroll in the Palazzo Aymerich, host to the Museum of Prehistoric Sardinian Statues, then end the day in Oristano.

**Day 4 Tharros - Bosa - Alghero.** This morning, we'll visit the Ruins of Tharros; a Carthaginian and Roman port originally built by the Phoenicians. The site enjoys a glorious position on the seafront of the Sinis Peninsula.

By the afternoon, we will arrive in Bosa, one of Sardinia's most beautiful towns. You'll notice it from a distance; the rainbow houses stacked on a steep hillside are instantly recognisable.

We'll stop by the tiny museum-village of Tinnura, famous for the art of weaving, murals and Malvasia wine (don't worry, we won't leave without a tasting).

Bosa

**Day 5 Alghero.** ☀️ Sat prettily on the northwest seafront, the one-time Catalan colony of Alghero is one of the island's most beautiful medieval cities. The historic centre is a tight web of cobbled streets and Spanish-style piazzas, which slope towards the harbour and sweeping bay. We'll enjoy a guided walk, taking in Santa Maria Cathedral, San Francesco church and the tower of Porta Terra.

This afternoon you can explore further, or join our optional boat trip to the Nettuno caves (Neptune's grotto) in Capo Caccia.

We arrive in Alghero and we'll have a special dinner this evening at an authentic agriturismo (farm) for a real taste of the rural life as well as some mirto (local liqueur).

**Day 6 Castelsardo - Aggius - Golfo di Marinella.**

Today we journey towards the famed Costa Smeralda, visiting the Romantic-era Basilica di Saccargia en route. Its tall, dark bell tower has punctuated the plain of Saccargia since the 12th century and we'll learn of its legends.

We continue to the 13th-century Aragonese stronghold of Castelsardo. Imagine steep, winding streets, rugged defensive towers and women sitting in doorways weaving elaborate baskets. It's little wonder it has been listed as one of Italy's most beautiful villages.

Then, we stop to stretch our legs in the deeply traditional village of Aggius, a huddle of granite houses clustered around a historic centre.

**Day 7 Costa Smeralda.** Named for its brilliant blue-green waters, Costa Smeralda (Emerald Coast) is the poster girl for the entire island and Porto Cervo is the glitzy heart. We stay just north of all the bustle and glamour, where the famously clear waters lap at the local sandy beaches.

This morning we'll make our way to a traditional Sardinian farm (stazzu) for a tour of the property that's also involved in honey making. We'll get an introduction into their methods followed by a lovely lunch of local products. We then head to the glamorous village of Porto Cervo. Meander along the boutique-lined avenues and watch the yachts bobbing in the sparkling marina.

**Day 8 Golfo di Marinella.** ☀️ Today is free to spend as you please in this small seaside village. You'll find a variety of cafés, seafood restaurants and interesting shops to while away your time. Or spend the day on the beach as the turquoise waves lap at your feet.

**Day 9 Golfo di Marinella - Olbia - UK.** Transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

A masterclass in scenery and in winemaking, Portugal's Douro Valley is a tapestry of meandering rivers and undulating hillsides, quilted into tightly woven vineyards and dotted with whitewashed quintas. Starting in Porto, we explore tiled mansions and cobbled squares, ducking across the river into the cellar doors of Vila Nova de Gaia, the centre of Portugal's port industry. Travelling on the river and by train and road we spend wonderful days exploring the historic wineries, rustic villages, and medieval towns of the Douro Valley.

**Day 1 UK - Porto - Santo Tirso.** Titan's VIP door-to-door travel service collects you from home for your flight to Porto. On arrival, we transfer inland to Santo Tirso.

**Day 2 Porto and Vila Nova de Gaia.** This morning we travel into Porto for a guided tour of the city that lends its name to both the country and the wine. Porto is a treasure of a city - historical, charismatic, and eclectic - where forget-me-not-blue tiled façades rub shoulders with colourful street art. We explore pockets of old Porto (including the cathedral) and UNESCO-listed Ribeira, the riverfront historic quarter lined with painted townhouses, jumbled cobbled alleyways and grand neoclassical buildings.

In the afternoon when the sun is firmly over the yard arm, we cross the river to Vila Nova de Gaia, the centre of Portugal's port industry. There are 60 wine lodges in total, with names familiar to anyone who's ever perused the top shelf of a British pub. We visit a wine lodge to learn about the history, processes, and production.

**Day 3 Amarante - Lamego - Tabuaço.** Travelling inland towards the heart of the Douro Region, we make some spectacular stops along the way. We'll visit the renowned Quinta da Aveleda, before heading to the honey-coloured medieval town of Amarante. There's time to walk across the Ponte São Gonçal bridge, where heroic locals fought off the French in the Napoleonic wars, and shop for souvenirs, embroidery, and linens in the main street.

Driving into the vine-covered hills of the Douro Alto, we stop for a guided walk of the medieval town of Lamego. The jewel in its crown is the Nossa Senhora dos Rémedios, a beautiful rococo and baroque church with sweeping steps decked in azulejos (Portuguese tiles). We then continue to our hotel in Tabuaço, a village surrounded by the terraces, vines, and slopes of the Douro Valley.

Porto

**Day 4 Douro River Cruise - Pinhão.** We head to Pinhão, a pretty village on the curve of the river where there's time to explore independently and grab some lunch before boarding our river cruise. Draped across the riverbanks like a patchwork emerald quilt, we spend a lazy afternoon sipping wine and cruising past the pine-forests and wine terraces of the Douro Region, a UNESCO World Heritage Site with an excellent vintage, boasting over 2,000 years of winemaking.

On our way back, we'll make a stop at the Quinta de São Luiz for the chance to taste some of their products.

**Day 5 Régua - Pocinho - Carvalhal.** There are few experiences more idyllic than drinking wine in the sun-drenched vineyards of the Douro Valley. But the area has even more in its wheelhouse, including its scenic railway. Leaving the town of Régua, we trundle our way through the valley as the landscape reveals perfectly plaited vineyards. Disembarking in Pocinho, we travel through pretty medieval villages to Carvalhal, a quiet village on the edge of the valley.

**Day 6 Carvalhal.** ☺ Today is at leisure to enjoy the spa and pool at the hotel. Or you can choose to take an optional tour around the narrow streets, white balconied buildings and bell towers of Viseu, including entrance to its excellent museum. Changing hands through Roman, Visigoth and Moorish occupation, with the occasional raids from Spanish Castilian troops, today it's a peaceful and laid back city with beautiful flower-filled squares and churches.

**Day 7 Carvalhal.** ☺ Today is free or you can choose an optional excursion to Vila Real's stunning Palacio do Mateus. A near perfect example of baroque architecture, if the ornate balustrade and elaborate spires look familiar, it's because the palace image features on the distinctive flask-shaped bottles of Mateus wine. You'll continue to the Quinta da Pacheca for a guided tour and wine tasting experience.

**Day 8 Carvalhal - Porto - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

## Madeira Uncovered Funchal and Beyond

8 DAYS FROM £1,595 per person based on two sharing, 16 October 2025

### We love...

Breathing in the scent of tropical flowers at Funchal's Botanical Garden, set in the grounds of a quinta (estate) that once belonged to the Reid family.

If you like your holidays to feature gloriously colourful gardens, subtropical sunshine, panoramic mountain views and local wine, then Madeira really is a find. This excellent-value week includes a fascinating island day tour, and leaves you time to follow the 'levada' paths that cross its volcanic landscapes and verdant forests.

**Day 1 UK - Funchal.** Titan's VIP door-to-door travel service collects you from home for your flight to Madeira.

**Day 2 Funchal.** ☺ Enjoy a tour of Funchal, including a guided walk through the colourful market; a visit to the renowned Botanical Gardens; and a tasting of local wines at Madeira Wine Company. Enjoy the afternoon at leisure.

**Day 3 Funchal.** ☺ Today you are at leisure to explore Funchal. The City Hall, remodelled to the revivalist style of the 1940s, is a beautiful building. Maybe take a cable car up to Monte from the Old Town or the Botanical Gardens. The Jardim Tropical Monte Palace is a tranquil gem with koi-filled lakes and roaming peacocks.

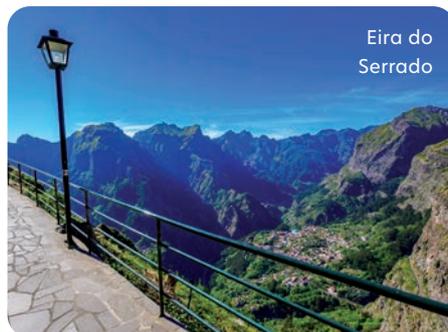

**Day 4 Island Tour.** A full-day tour of the island, including Pico da Torre for beautiful views over Camara de Lobos' dazzling bay and Cabo Girao, the world's second highest cliff. On to Ribeira Brava, one of the island's first parishes, and through the jagged mountains to Encumeada, where the views are simply stunning if vertigo inducive. Travel north on a scenic drive through Chao dos Louros to Sao Vicente, set where a beautiful valley meets the sea, before returning south to Funchal.

**Day 5 Funchal.** ☺ Today is free for you to spend as you wish, or take an optional excursion to Pico do Arieiro.

**Day 6 Eira do Serrado - Monte.** This morning we travel to Eira do Serrado. Far below is the isolated village of Nun's Valley, where nuns once took refuge from the pirates. Travel on to Monte to visit Our Lady of Monte Church. The most important pilgrimage site in Madeira, with lively processions held every August. It contains the austere tomb of Charles I of Habsburg and a revered statue of Our Lady of Monte.

**Day 7 Funchal.** ☺ Today is at leisure, or join an optional excursion to the southeast coast of the island.

**Day 8 Funchal - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

Bookended by the Gothic cathedrals and tapas bars of Valencia to the north, and the gleaming architecture of Salobreña, this 15-day tour covers culture, cities and coast. As we travel through the provinces of Valencia, Murcia and Andalusia, we see the architectural landscape change from crumbling fortified cities to whitewashed Mediterranean towns - with a fill of Roman ruins, quaint mountain villages and plenty of golden beaches in between.

**Day 1 UK - Valencia/Alicante - Albir.** Titan's VIP door-to-door travel service collects you from home for your flight to Valencia or Alicante. On arrival, we transfer to our hotel in Albir.

**Days 2-4 Albir.** ☀️ Located on a quiet stretch of the sun-washed Costa Blanca, the small town of Albir has classic Spanish 'wish you were here' good looks - with a wide palm-lined promenade, golden Blue Flag beach, and Mediterranean waters. Over the next three days we head out on two included excursions, with plenty of free time to stroll down to the beach or relax by the hotel's two pools.

The first included excursion is to the Valencian village of Guadalest - a terracotta-roofed village that clings to the mountainside beneath a precariously perched white tower. We'll explore cobbled streets, pretty squares and artisan shops. The second included excursion takes us to Valencia. Flanked by two city gates, our guided tour takes us to the old town and into a maze of narrow streets, museums and boutiques. We visit the Gothic Valencia Cathedral, UNESCO-listed Silk Exchange and art nouveau Mercado Colon.

Guadalest

Valencia

**Day 5 Albir - Murcia - Águilas.** Today we leave the Costa Blanca and drive south to Águilas in the province of Murcia. On the way we stop at the city of the same name. Built by the Moors in the 9th century, over 500 years of Islamic rule has left its architectural mark on the city. We take a guided tour past Moorish, Gothic, Renaissance, and baroque buildings - including the city's elaborate centrepiece, the Cathedral of Murcia.

After lunch in a local restaurant, we continue to our seafront hotel just outside Águilas - an ancient Roman port known for its baths, 18th-century castle, and rocky seabed providing crystal-clear conditions for snorkellers and scuba divers.

**Days 6-10 Águilas.** ☺ Striking the balance between city and beach, over the following five days we explore with three included excursions. Our first is an orientation walk around Águilas to get our bearings. The second takes us inland to Lorca - an ancient sun-faded city at the foot of the Sierra del Caño. Another full-day excursion backtracks along the coast to Cartagena, a sandcastle-coloured ancient city wrapped around a deep blue harbour. Originally a Roman military port in the 3rd century BC, we visit the town's archaeological masterpiece - the Roman amphitheatre unearthed in 1988, and the Castillo de la Concepción - a 12th-century Moorish fort built on the site of a Roman temple.

**Day 11 Águilas - Salobreña.** Crossing over from Murcia into Andalucía, we start to see the architectural landscape change - with sand-coloured Moorish towns giving way to whitewashed Mediterranean villages.

On our way to our hotel near Salobreña we stop at Mojácar - a white hilltop village dotted with pastel shutters and fuchsia bougainvillea, and Sorbas - a mountaintop town built on a flat plateau where stone houses hug the edge of a steep ravine. After lunch at a local restaurant in Sorbas, we continue to Salobreña. We stay a few miles away in a clifftop hotel with stunning views across the Mediterranean.

**Days 12-14 Salobreña.** ☺ The next three days are a mix of free time and included excursions. The first is an orientation walk of Salobreña. Known as the 'Jewel of the Costa Tropical', Salobreña stretches out in a sea of blinding white buildings and sugar cane plantations up to a weathered Moorish fort. The second is to the Lecrin Valley - an area of outstanding natural beauty home to quaint white hamlets, woven farmland and meandering blue rivers. Our final excursion is to Granada and its Royal Chapel (Capilla Real), the burial place of Queen Isabella I and King Ferdinand.

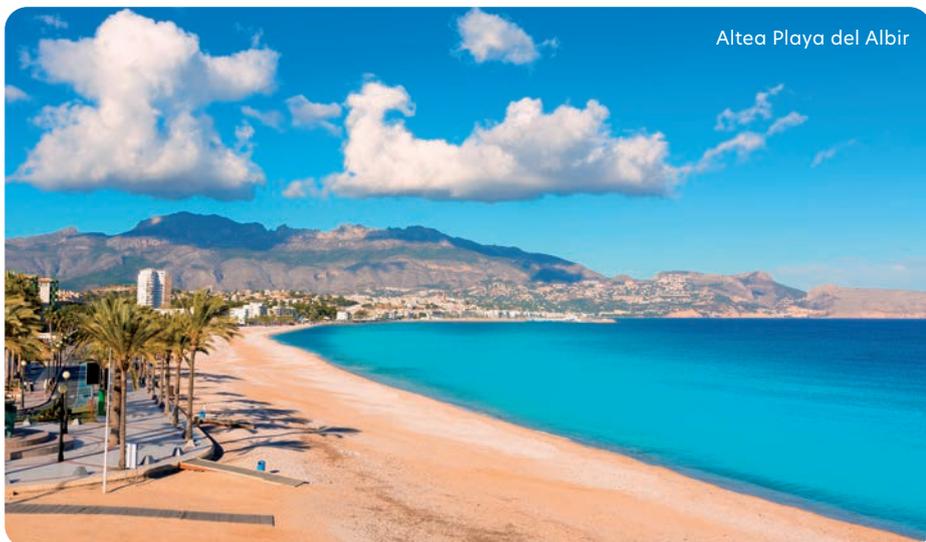

**Day 15 Salobreña - Málaga - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

A heady mix of cultures and faiths, dramatic mountain ranges and glorious sunshine make Andalucía a joy to explore. Join us as we tour Granada's Alhambra (the Red Castle), an intricate fortified palace with centuries of reinvention. Step inside the Mezquita at Cordoba and witness this intriguing mosque-cathedral's cool, graceful beauty. Marvel at Seville Cathedral's epic proportions and Gothic intricacy. Explore Ronda, a fine example of Andalucía's whitewashed villages (pueblos blancos). And sample some of Andalucía in a bottle with a tasting of sherry in Jerez.

**Day 1 UK - Málaga - Granada.** Titan's VIP door-to-door travel service collects you from home for your flight to Málaga. On arrival, we'll transfer to our hotel in Granada.

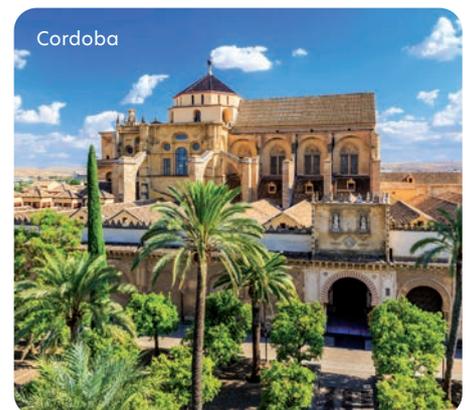

**Day 2 Granada.** Granada is an historic and distinctive city with splendid Renaissance, baroque and neo-classical monuments, which have inspired travellers over the years. Today we take a tour of the spectacular Alhambra Palace, known as the 'Red Castle' for its russet-coloured stone. The only medieval Arab palace still in existence, it is recognised as one of the Wonders of the World. We also visit the exquisite Generalife Gardens, home of the summer palace.

*Please note there is a considerable amount of walking involved today.*

**Day 3 Cordoba.** We'll head to Cordoba for a two-night stay. On the way, we'll stop in the outskirts of the city at the ruins of Medina Azahara. This once impressive city palace was

built for Abd-al Rahman III in the 10th century and the vast archaeological site still retains remnants of tiled borders and paintings. We'll take a guided tour, before continuing on to our hotel.

Cordoba

Ronda

**Day 4 Cordoba.** We'll explore Cordoba today, one of Europe's most important cities in the 11th century, where Muslims, Christians and Jews lived in harmony. Its distinctive landmark, the Mezquita, is one of the largest mosque-cathedrals in the world and remains one of the great wonders and curiosities of Spain. Some of the most beautiful churches and squares can be found in the oldest part of the city, where the styles of Gothic and Mudejar come together. We take a guided tour including a visit to the Mezquita.

**Day 5 Carmona - Seville.** Heading for the capital of Andalusia, Seville, we'll stop along the way in the captivating hilltop town of Carmona.

On arrival in Seville, a guided tour includes the Alcazar, a former Arabic palace and fortress, and the cathedral, the burial place of Columbus. The cathedral shares the same site as the Great Mosque and we'll also see the old Jewish quarter, Maria Luisa Park, and Plaza de Espana.

**Day 6 Seville.** ☺ Today is free to make the most of Seville. In the evening, there's an option to watch a flamenco show.

**Day 7 Jerez.** ☺ We head to Jerez, whose wealth has been derived from its locally produced sherry. We'll visit a bodega for a tasting accompanied by some tapas. The town is equally famous for its equestrian activities and breeds fine examples of Arabian and Andalusian horses. It's also the birthplace of many flamenco singers. Your afternoon is free to explore, maybe wander through the charming small squares such as the Plaza de la Asuncion. Or spend more time expanding your sherry knowledge.

**Day 8 Ronda.** Visit Ronda, one of Andalusia's fascinating whitewashed villages, in its stunning location.

Taking in the views from the imposing Bellver Castle. Outside, you'll be looking over Palma and the glittering Mediterranean Sea; inside, you'll be admiring stunning statue displays.

Delve deeper into the real charms of the Balearics' biggest island, from medieval Alcúdia and Formentor's pine-fringed shoreline, to an antique, narrow-gauge train ride through the mountains to Sóller. You'll stay at homely Hotel Bon Sol, set on a pretty cliff side, above Illetas' sandy cove.

**Day 1 UK - Palma - Illetas.** Titan's VIP door-to-door travel service collects you from home for your flight to Palma. On arrival, we transfer to Illetas, our base for the week.

**Day 2 Palma.** ☀️ This morning we explore Palma on an included half-day tour, visiting the impressive cathedral and even more impressive palace. Discover the historical centre with a guided walk followed by our included tour of nearby Bellver Castle.

**Day 3 Illetas.** ☀️ Spend today relaxing; perhaps wander around the pretty streets of Illetas and browse the boutique shops or go for a paddle in the inviting blue waters of the bay.

**Day 4 Alcúdia - Formentor - Puerto Pollensa.** We have a full day to look forward to, starting with a visit to the old medieval fortified town of Alcúdia, where there'll be free time to explore. At Formentor we'll have time to enjoy a walk along the fantastic beach, before a boat ride to Puerto Pollensa. This quaint resort provided the setting for Agatha Christie's 'Problem at Pollensa Bay'.

**Days 5-6 Illetas.** ☀️ Two days at leisure for shopping, to further explore the surrounding areas, or to simply enjoy the comforts and facilities of our hotel.

**Day 7 Sóller and Valldemossa.** An adventure of nostalgia awaits today, as we journey aboard an antique narrow-gauge train from Palma to the Port of Sóller. This thriving port was once isolated from the rest of the island by mountains until El Tren de Sóller was built in the early 20th century. We'll cross these mountains, via numerous bridges, an impressive viaduct and 13 tunnels. We'll then head into Sóller itself by tram to explore. There'll also be a stop in the medieval town of Valldemossa, home to the Carthusian monastery where Frédéric Chopin stayed in 1838.

**Day 8 Illetas - Palma - UK.** Transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

Crete is one of the most beautiful, interesting and diverse Greek islands to explore. Stroll along the harbour - guarded by a Venetian fortress - of its capital, Heraklion. Look out across the Lasithi Plateau, dotted with white-sailed windmills, then peek into the cave where Zeus is said to have been born. Sit back as the rugged, mountainous landscape of western Crete slides by, and enjoy a drink with new friends in one of charming Rethymnon's harbourside bars.

**Day 1 UK - Heraklion - Hersonissos.** Titan's VIP door-to-door travel service collects you from home for your flight to Heraklion. On arrival, we transfer to Hersonissos.

**Day 2 Heraklion.** We head for the dynamic capital of Crete today, the fifth largest city in Greece. Its inner harbour is guarded by the well-preserved Venetian fortress of Rocca al Mare and the bustling city has a rich cultural history, some of which can be seen in the Archaeological Museum. After a guided tour, it's a delight to explore its streets of cafés and small shops.

**Day 3 Lasithi Plateau.** We journey to the Lasithi Plateau, famous for its centuries-old, white-sailed windmills. Our first stop is Avdou where we'll visit an olive oil mill to see how olive oil is made before tasting the final product. Then it's on to the monastery of Panagia Kera for a guided visit, before visiting Tzermiado, one of the prettiest villages on the whole plateau. We'll then stop for

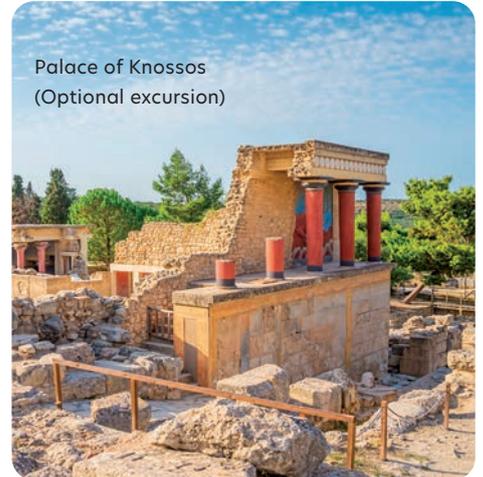

coffee and to stretch our legs at Krasi, an old mountain village whose central square boasts famous stone fountains and a plane tree thought to be 2,400 years old.

Heraklion

Hersonissos

Palace of Knossos  
(Optional excursion)

Rethymnon

**Day 4 Hersonissos.** ☺ The island of Crete is well known for its ancient Minoan past and the power of this civilisation is illustrated on an optional visit to the Palace of Knossos. Visit the vast Minoan Palace, believed to be more than 4,000 years old. The complex has a number of buildings on four levels and most of what remains belongs to those built after 1700 BC. In Greek mythology, it is said that the Palace was the home of King Minos, whose wife bore the Minotaur who was imprisoned within the labyrinth and slain by Theseus.

**Day 5 Hersonissos.** ☺ Spend your day at leisure enjoying Hersonissos' small sandy beaches, excellent shopping facilities, and sightseeing boat trips. The main centre has plenty of relaxing cafés and Greek tavernas from where you can watch the world go by. Or learn more about Crete's folk traditions and culture at Lychnostatis Open Air Museum.

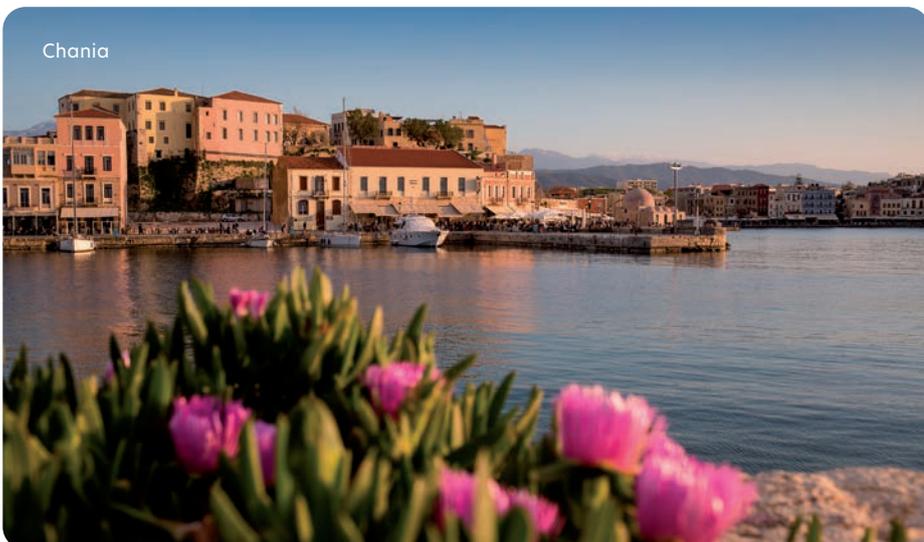

**Day 6 West Crete.** The wild and rugged landscape of western Crete, including snow-capped mountains, delightful villages and beautiful coastlines, are highlighted on today's excursion. We visit Chania for a guided tour, the former capital, known as the 'Little Venice' of Crete is

home to a street devoted almost entirely to leather goods. There's also a beautiful Venetian harbour, which was the location for some of the scenes from the film Zorba the Greek.

We continue to Rethymnon, Crete's third-largest town, on the north coast. Known as the 'City of Scholars', the old part of the town has numerous Venetian palazzos, Turkish houses with wooden balconies and a number of small 18th-century mosques. After a tour, there'll be free time to wander the old streets of the town, or perhaps spend time in a harbourside coffee bar.

**Day 7 Hersonissos.** ☺ There's more time today to relax in your surroundings, or perhaps join an optional excursion to visit the island of Spinalonga. The island has had a varied past, from Venetian rule in the 16th century to the setting for a leper colony four centuries later - a subject covered in Victoria Hislop's 2005 novel 'The Island'. It's now an uninhabited island skirted with small pebble beaches.

**Day 8 Hersonissos - Heraklion - UK.** Transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

This sailing adventure takes us to the lesser-known islands, national parks and ancient walled cities of the north Dalmatian coast. Along the way we sail between the uninhabited islands of the Kornati archipelago, marvel at the tumbling cascades of Krka waterfalls and tick off an array of UNESCO wonders - including the Venetian charms of Zadar, the Roman ruins of Split and the medieval beauty of Trogir. Awash with days cruising on sun-bleached decks, this is the perfect balance of relaxation and discovery.

**Day 1 UK - Split - Trogir (overnight).** Titan's VIP door-to-door travel service collects you from home for your flight to Split. On arrival, we transfer by coach to Trogir and board our ship MV Amorena (4★).

Krka National Park

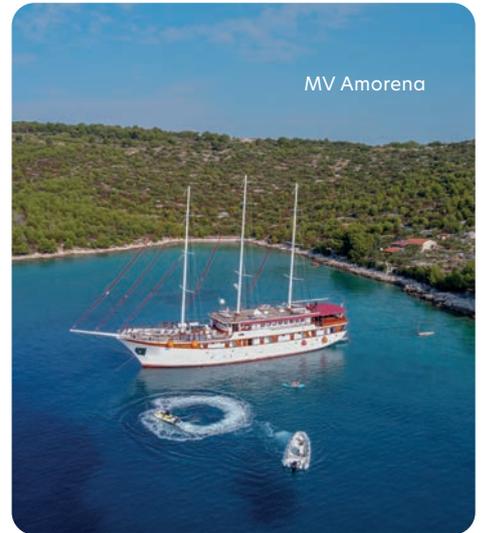

**Day 2 Krka National Park - Skradin (overnight).** Today we start our journey up the north Dalmatian coast. Where the Krka River flows into the Adriatic, we sail inland - weaving our way beneath steep limestone cliffs and craggy bays to the pretty town of Skradin. The jumping off point for Krka National Park, one of eight national parks in Croatia, Skradin is full of charm - with red-roofed houses, a harbour lined with bobbing sail boats and a backdrop of forested hills.

On arrival we go on a guided walk to the famous Krka waterfalls - a beautiful landscape of seven waterfalls and emerald-green lakes. Carved into the limestone karsts over millennia by the rushing waters of the Krka River, the area is considered a natural phenomenon and has UNESCO status. We stay moored overnight in Skradin.

**Day 3 Šibenik - Zadar (overnight).** Sailing out of the channel, we stop at the historic town of Šibenik for a guided tour. Terracotta-topped houses, elegant Renaissance buildings and Gothic churches stack up on the hillside above the port.

Kornati Islands

MV Amorena

We stop to admire architectural gems, including the Bishop's Palace, Ducal Palace and the town's crowning and UNESCO-listed glory - the 15th-century cathedral. Surrounded by 71 carved faces and topped by a Renaissance dome that dominates the town's romantic silhouette, the cathedral is thought to be the world's largest stone-built church.

Continuing up the coast, we arrive in the ancient city of Zadar where we moor for the night.

**Day 4 Zadar - Telascica (overnight).** Croatia's longest continually occupied city openly tells the story of its past, as 16th-century Venetian fortifications sit alongside 9th-century Byzantine churches, ancient Roman forums, and 1960s modernist flats. Referred to as the 'Dresden of the Adriatic', the city was heavily bombed in WWII by the Allies - destroying up to 80% of its buildings. Many have been beautifully and sympathetically restored, but the architectural landscape of the city bears both its scars and its spirit. On a guided tour we weave our way through the streets of the old town, stopping to admire the Morska vrata (Sea Gate), the Romanesque-style St Chrysogonus Church and baroque St Simeon Church.

Back on board, we sail to the bay of Telascica on the island of Dugi Otok and dock overnight.

**Day 5 Kornati National Park - Vodice - Zlarin (overnight).** Today we set sail through the Kornati Islands - an archipelago of over 140 uninhabited desert-like islands and islets, peppered with caves and grottoes and wrapped in otherworldly blue waters.

Camera batteries fully exhausted, we sail to Vodice - a popular seaside town where we'll briefly step ashore before cruising south to the island of Zlarin where we moor for the night.

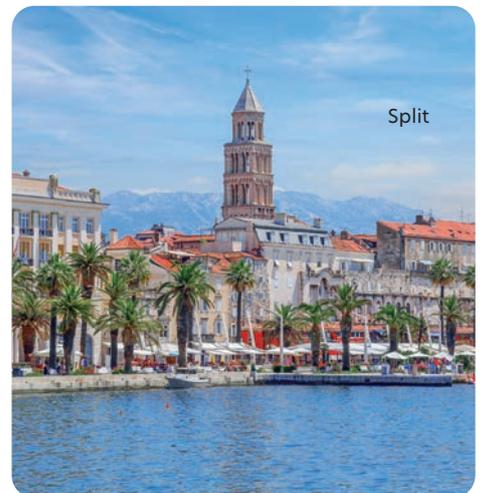

**Day 6 Primošten - Split (overnight).** On our way south to Split, we sail past picturesque Primošten. With crystal-clear waters, golden beaches and a sun-faded old town clinging to the coastline - Primošten is the manifestation of Mediterranean charm.

Arriving in Split, we step ashore for a guided walking tour. Croatia's second largest city started out life in AD 295 as the retirement palace for the Roman emperor, Diocletian. UNESCO-listed Diocletian's Palace still stands at the heart of the old town and houses some of the best-preserved Roman ruins in the world.

Over the centuries, the city expanded into a maze of narrow medieval streets and Gothic archways scattered with Roman ruins. There's free time to wander Split's waterfront or stroll to one of the city's squares. We stay moored here tonight.

**Day 7 Trogir (overnight).** Sailing back to where we started, we'll arrive in Trogir. Linked by bridges to the mainland, this beautiful city's wide seafront promenade of classic Venetian façades hides a maze-like old town of medieval streets dotted with churches and Renaissance buildings. We head out on a guided tour of the UNESCO-listed old town past Romanesque-style cathedrals, Venetian palaces and Benedictine monasteries, before returning to the ship for our final night and farewell dinner.

**Day 8 Trogir - Split - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

Bookended by the medieval-walled city of Dubrovnik and the stylish city of Split, we spend a week cruising along the forest-draped bays, hidden beaches and rustic fishing villages of the Dalmatian coast. On board our comfortable ship, we moor up in cosy harbours to explore some of the Adriatic's most famous islands - including Hvar, Korčula, Brač and Mljet. Discovering Roman ruins, Gothic cathedrals and jumbled old towns, we return each time to the sun deck, Jacuzzi and en suite compact cabins of our ship.

**Day 1 UK - Dubrovnik - Sipan (overnight).** Titan's VIP door-to-door travel service collects you from home for your flight to Dubrovnik. On arrival, we transfer to the port and board our ship MV Liberty (4\*). Lord Byron famously described Dubrovnik as the 'Pearl of the Adriatic'. Knowing we'll be back to explore in a few days, we watch from the decks as the famous terracotta rooftops and medieval ramparts of Croatia's most enchanting city retreat behind us.

Cruising north beneath the pine-shrouded hillsides of the Dubrovnik Riviera, we arrive at Sipan - the largest of the Elafiti Islands and a peaceful retreat covered by olive groves and vineyards. We moor for the night opposite Sipanska Luka - a horseshoe-shaped lagoon with stone houses and colourful fishing boats.

**Day 2 Korčula (overnight).** Today we cruise past the Pelješac Peninsula - a slender stretch of vineyard-covered land that juts out from the mainland to almost touch the shores of our next destination, the island of Korčula. The island is said to be the birthplace of explorer Marco Polo. Whether true or not, the Venetian-style buildings, Renaissance colonnades and palm-dotted waterfront of Korčula Town make it another jewel on the Dalmatian coast.

Arriving late afternoon, we moor up for the night - going ashore on a guided tour to explore the cobbled alleyways, churches and clock towers that jostle for space inside the city's medieval walls. Known as the 'wine island' there's free time to sample the local goods before heading back to the boat for the night.

Korčula

**Day 3 Makarska - Pučišća (overnight).** Continuing to hug the Dalmatian coast, we stop at Makarska - a popular beach town sandwiched between a palm-lined promenade and the slopes of the Biokovo mountains. We arrive at the island of Brač by late afternoon, a much sleepier island than its neighbour, Hvar. We moor in Pučišća for the night, often listed as one of the prettiest villages in Europe and the centre for the island's century-old craft - stone carving. There'll be time to explore the scenic streets and squares and visit the stonemasonry school for a demonstration.

**Day 4 Split (overnight).** We continue our voyage to Split, Croatia's second biggest city that spreads out in layers from the waterfront through an old town tangle of ancient alleys and Roman ruins, communist-era Brutalist blocks and circling mountains beyond.

Starting out life in AD 295, the city grew out of the now UNESCO-listed Diocletian's Palace - home to some of the best-preserved Roman ruins in the world. It's now a 1,700-year-old treasure trove of Roman, Venetian, Ottoman and Byzantine influences, which we'll see on our guided tour.

**Day 5 Hvar (overnight).** Heading south we cross to Hvar, Croatia's sunniest island that needs little introduction, with yacht-filled azure waters and polished marble streets. Arriving mid-afternoon, we take a short walking tour of the 13th-century walled city, passing by Gothic churches and café lined piazzas. There's free time to explore,

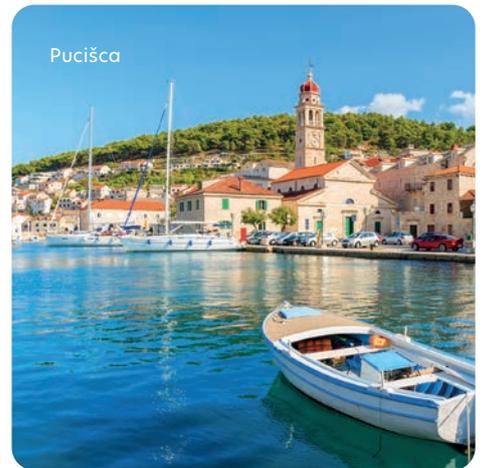

perhaps climb up to the Spanish Fortress for sweeping views. Or maybe walk along the seafront to the 15th-century Franciscan monastery, home to an impressive mural of the Last Supper.

**Day 6 Mljet (overnight).** Today we sail to Mljet. Carpeted in thick forest and dotted with lakes and vineyards, this is one of the Adriatic's most alluring islands. With scenery that sparked Greek epics, it's said that Mljet is the paradise island of Ogyia in Homer's Odyssey. We moor here tonight, wrapped in the peace and tranquillity of Mljet's pine-shrouded slopes.

**Day 7 Dubrovnik (overnight).** Passing by hidden coves and wooded inlets, we cruise between the Elafati islands on our way to UNESCO-listed Dubrovnik. Circled by grand city walls, bastions, towers and fortifications, the old town is a maze of white-stone houses, sun-burnished orange roofs and baroque churches. On today's guided tour we'll pass by Sponza Palace, one of the few buildings that survived the 1667 earthquake that destroyed much of the city. Like walking through a medieval filmset, we also visit Dubrovnik Cathedral, Rector's Palace and Onofrio's Fountain.

We enjoy our final night on board with a farewell dinner.

**Day 8 Dubrovnik - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

Known for their healing Mediterranean climate, ruggedly beautiful landscapes and translucent waters - the Kvarner Islands in northern Croatia manifest the laid-back Mediterranean lifestyle perfectly. Dotted with olive groves, vineyards and forest-backed beaches, we sail between all four of the islands - stepping ashore to explore sleepy hilltop villages, weave our way through the medieval alleyways of small coastal towns, and toast the beauty of the Adriatic with cold glasses of Žlahtina - the local straw-coloured white wine.

**Day 1 UK - Zagreb - Opatija (overnight).** Titan's VIP door-to-door travel service collects you from home for your flight to Zagreb. On arrival we transfer to the Opatija Riviera where we board MV Dalmatia (3\*).

**Day 2 Opatija - Cres (overnight).** We sail this morning to Cres. One of the largest of Croatia's 718 islands, Cres is also one of the least developed with its thick forests, olive groves and rocky hilltop villages. Adding to its undiscovered and remote charm, the island is also home to 80 breeding pairs of rare griffon vultures - which we keep watch for as we skirt the island's rugged shoreline.

We moor up in Cres Town, jumping ashore for a guided walking tour. Cres may only have 3,000 permanent residents, but it has a heavyweight history - with buildings, churches and ruins cataloguing its Roman, Byzantine and Venetian occupation. We stay moored here for the night.

#### Day 3 Cres - Susak - Mali Lošinj (overnight).

We sail this morning to Susak, one of the smallest of Croatia's inhabited islands - just 4 sq km in size. Weather permitting, we'll take a short walk on this car free island, carpeted in herbs and trees, and circled by golden sandy beaches - it's a true taste of unspoiled Croatian island life.

Then we sail east to the island of Mali Lošinj, whose crystal-clear waters were felt to give the island unique healing powers. A health resort for the Habsburg Royal Family in the 19th century, 200 years later the island is having a wellness revival, with travellers visiting for the clean water, medicinal herbs and warm climate. We dock in the main town of Mali Lošinj. Remnants of its grand Venetian past, the pastel-painted facades and sun-faded clocktowers make it one of the prettiest harbours in the Adriatic. We go ashore to explore the town and take a guided tour of the Garden of Fine Scents - a walled garden of over 250 species of herbs and medicinal plants that naturally grow on the island.

Opatija

**Day 4 Mali Lošinj - Ilovik - Rab (overnight).**

Sailing onwards this morning, we head towards the small island of Ilovik. We'll make a short visit after lunch (weather permitting). We'll then spend the rest of the day making our way to Rab, the greenest and best known of the Kvarner Islands. Rab fits the archetypal Adriatic paradise perfectly - jade green waters, verdant hillsides and a red-roofed old town that looks straight out of a story book. We moor here overnight.

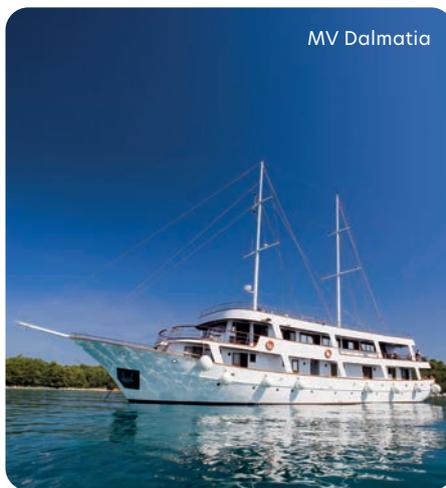

**Day 5 Rab (overnight).** Dominated by four bell towers, Rab's ancient walled town bears the beauty of its changing hands over the years - with Byzantine churches, elegant Italianate mansions and Romanesque towers to explore. After a walking tour, the afternoon is free to wander independently or soak up the city's crumbling Venetian charms from the ship. Perhaps visit the House of Rab Cake, home of the delicious spiral-shaped cake made mainly from almonds and Maraschino liqueur, first served in 1177 to Pope Alexander III.

**Day 6 Rab - Krk (overnight).** We head towards the former prisoner island of Goli Otok this morning where we'll make a short visit (weather permitting) and explore a little before continuing to Krk. Here, we enjoy a guided walking tour of the old town - now a familiar but still magical mix of Venetian buildings, Franciscan and Benedictine monasteries and fortified castles.

We then travel by coach to Vrbnik, a medieval hilltop village whose silhouette is defined by its soaring Renaissance bell tower. As well as being one of the most picturesque villages in Croatia, Vrbnik is also known for Žlahtina - a white wine grape grown exclusively on the island. We tour a family-run winery and sample some of the goods before heading back to Krk Town where we stay moored for the night.

**Day 7 Krk - Opatija (overnight).** Our ship sails towards Opatija, a summer resort town built in the 19th century for Habsburg royalty. We enjoy a walking tour and learn about the town's interesting past and our ship remains in port overnight.

**Day 8 Opatija - Zagreb - UK.** We transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

On the way back we make a stop in pretty Lumbarda. Then, in the depths of winding Korcula old town streets, we stop at Konoba tavern to taste some local sweets.

**Day 3 Korcula.** Korcula has a long history of producing fantastic-quality, organic goods and its honey and wine is no exception. Watch on and learn about honey production during a demonstration at OPG Komparac; an outstanding local producer. Then enjoy a tasting and a wander around the herb garden.

At a family-run winery, we'll learn about the wine of the island - from vine to glass. We'll also have a chance to taste three varieties, including Grk; a dry white wine native to Lumbarda.

**Day 4 Korcula.**  You might like to spend time exploring Korcula Town under your own steam. Alternatively, you could join our optional excursion to the forest-shrouded island of Mljet, to see two sparkling-blue saltwater lakes and enjoy a stroll through the lush pine woods or swim, before you sail out to explore the islet in the middle of the lake.

Korcula

**Day 5 Korcula.** ☺ Today is yours to spend at leisure. Perhaps pop down to enjoy the sea breeze on the pebbly beach. There's also a small shuttle boat that runs from the hotel jetty to the old town.

On our last evening on Korcula, we enjoy a traditional Dalmatian dinner.

**Day 6 Dubrovnik - Tivat.** Today we wave goodbye to Korcula and Croatia as we journey to Montenegro. We'll stop on the way, though, to take in the beauty of UNESCO-listed Dubrovnik and explore this terracotta-topped city on a brief highlights tour - before we cross the border into Montenegro.

We arrive in Tivat, located in the central part of the Bay of Kotor. With sparkling super-yachts loafing in the marina, Tivat has air of elegance and glamour. We'll check into our hotel, located in the heart of Tivat and just a stone's throw from the seashore, and enjoy a local snack on the terrace.

**Day 7 Budva - Sveti Stefan.** We journey to Budva today, one of the oldest settlements in the Balkans. En route, we'll stop to take in views of the fabled island of Sveti Stefan. Once the capital city of the Pastrovici community, it's now home to a luxury resort - a one-time favourite of Elizabeth Taylor and Sophia Loren.

We continue to picturesque Budva. The Old Town lies on a little island, linked to the mainland by a thin peninsula. 15th-century ramparts surround it and some of the best beaches in Montenegro line its shores. You'll have some free time to explore its romantic lanes.

**Day 8 Kotor - Gospa od Skrpjela - Perast.** Kotor is a fascinating and historic UNESCO-listed town perfectly placed in a spectacular bay. It's a medieval labyrinth of churches, museums, squares dotted with alfresco eateries, and Venetian palaces. Our guide will bring the history to life, before we take to the water to visit the little island of Gospa od Skrpjela (Our Lady of the Rocks) and the small town of Perast.

**Day 9 Tivat.** ☺ Today is yours to spend as you please. You might like to wander along the pretty promenade for shopping and ice cream. Alternatively, you could join our optional excursion to Lake Skadar.

**Day 10 Njegusi Village.** On our final day in Montenegro, we take the drive up to the mountain town of Cetinje for some sightseeing before continuing to Njegusi village, the birthplace of Petrovic-Njegos. We'll get a taste for the local life, too, with snacks and drinks in a traditional Montenegrin house.

**Day 11 Tivat - UK.** Transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

From the ancient streets of Ephesus and the storied halls of Istanbul's Topkapı Palace, to poignant World War I battlefields, our tour brings Turkey's fascinating past to life. Starting with a city break in Istanbul, we'll then sweep southwards to Gallipoli and eastwards along the Turkish Riviera. It's not all about history, though. This is a chance to really experience Turkey, too - sip proper Turkish coffee, enjoy lunch with locals, and learn to prepare traditional dishes. Get ready for a true taste of Turkey.

**Day 1 UK - Istanbul.** Titan's VIP door-to-door travel service collects you from home for your flight to Istanbul.

**Day 2 Istanbul.** A full-day city tour introduces us to the sights and sounds of Istanbul. We'll travel back thousands of years as we visit Sultanahmet Meydanı, once the sporting and social heart of Constantinople and admire the vast Blue Mosque. We'll also visit the Sunken Cistern, an atmospheric underground reservoir built in the 6th century and held up by more than 300 columns.

**Day 3 Istanbul.** ☕ This morning, we'll pay a visit to Süleymaniye Mosque. One of the mosque's outbuildings is home to a display of 14th and 15th-century books, manuscripts and orders of the sultans. Although it's not open to the public, we'll have private access to view the collection.

Next, we'll make our way to Misir Carsisi, the Egyptian Spice Bazaar, where spices, herbs and dried teas have been sold since the 17th century, and where many locals still shop today.

Later, we'll tour the UNESCO-listed Topkapı Palace Museum. Once home to Ottoman sultans, it's now filled with treasures including fine art, jewel-encrusted swords and the exquisite Spoonmaker's Diamond. The complex is as much an attraction as the exhibits though, with peaceful gardens and opulent décor.

The afternoon is free to explore Istanbul at your own pace. If you like, join our optional Bosphorus cruise.

**Day 4 Gallipoli - Canakkale.** A five-hour drive alongside the Sea of Marmara will bring us to the Gallipoli peninsula. This area is steeped in history, so our guide will talk us through the importance of the Dardanelles strait and the part it played during the First World War as we go.

Arriving at Gallipoli, we'll tour the battlefields, scene of the aborted Allied invasion of 1915, visiting Cape Helles, Suvla Bay and Anzac Cove. We'll then cross the strait to Canakkale.

Grand Bazaar

Celsus Library, Ephesus

**Days 5-6 Troy - Pergamon - Kusadasi.** 🕒 It's a long but rewarding drive of around six hours today. We'll visit Troy to uncover 4,000 years of history as you stroll around the archaeological site, immortalised in Homer's epic, 'The Iliad'.

For lunch, we'll head to the nearby village of Bergama. Splitting into smaller groups, we'll visit local houses, chatting with our hosts as we enjoy a delicious home-cooked meal. We'll continue to the Greco-Roman city of Pergamon, admiring its acropolis, temples and 10,000-seat theatre. From here, we drive south to Kusadasi, when the following day is free to relax.

**Day 7 Ephesus - Pamukkale.** Ephesus is first on our agenda today. We'll see the famous façade of the Celsus Library, mosaicked pedestrian walkways and roads scored with ruts from chariot wheels. We'll also stop at the House of the Virgin Mary, just outside Ephesus, where Mary was believed to have spent her final years.

Lunch will be a picnic in the gardens of a cooperative in nearby Selcuk. Get involved with the cooking if you like, or sit back and enjoy your surroundings. While we're here, you'll have the chance to see how traditional carpets are hand-woven.

After lunch, we'll continue to our hotel in Pamukkale.

**Day 8 Pamukkale - Antalya.** An optional sunrise hot air balloon flight will show you this spectacular landscape from above. Later this morning, explore Pamukkale-Hierapolis, a spa and wellness resort popular with the Romans. See the necropolis and 2nd-century theatre, and photograph the white travertine terraces, filled with pools of mineral-rich water.

We'll continue to Antalya, a historic port city where we'll conclude our tour.

You'll take several amazing journeys on cogwheel and regional trains to get a true sense of the country and its unforgettable panoramas. You'll see the silhouette of the Matterhorn come into view, stroll around the elegant city of Brig, lay your head in the famous resort of Zermatt and sail the length of beautiful Lake Lucerne. Breathtaking.

**Day 1 UK - Zurich - Lucerne.** Titan's VIP door-to-door travel service collects you from home for your flight to Zurich. On arrival, transfer to your hotel in Lucerne. This evening enjoy dinner at a local folklore show.

**Day 2 Lucerne - Mount Rigi.** After a walking tour of the charming city, we'll sail across Lake Lucerne to Brunnen for a train to Arth Goldau where we board a cogwheel train for the climb to the top of Rigi Kulm, Mount Rigi's highest peak. From the top, we'll enjoy sweeping views of the glistening lakes and mountains below. Once you've had your fill of the sights, we'll take the cogwheel down to Vitznau where we'll return across the beautiful lake to Lucerne.

**Day 3 Lucerne - Locarno.** Board a paddle steamer to sail the length of Lake Lucerne, edged by the Alps which become even more impressive as we head south. At Flüelen, we meet the train to continue our panoramic journey on the Gotthard Panorama Express route, twisting up steep inclines through wonderful mountain scenery and the Gotthard tunnel, before descending past Lake Maggiore to Locarno.

Later, our train journey continues to Zermatt.

**Day 6 Gornergrat.** Today we take an included excursion to Gornergrat. Our day starts by travelling on Europe's highest cogwheel train over dramatic bridges, past rocky ravines and through forests, to the summit of the Gornergrat, at 3,089m above sea level.

Once at the top, we have free time to take in the magnificent views over the jagged Matterhorn and the surrounding mountains, a breathtaking place to take lunch. Later, we return to the cogwheel train to make the beautiful journey back past mountain lakes to Zermatt, in time for dinner at the hotel.

**Day 7 Zermatt - Vevey, Montreux Riviera.** Another day of wonderful scenery awaits. We take a leisurely route, by train, to Montreux via Brig and Spiez, to appreciate glorious views as the track navigates the natural bends and inclines of the UNESCO World Cultural Heritage Region of Jungfrau-Aletsch.

En route we cross the Kander viaduct, pass the beautiful mountain Lake Oeschinen, and enjoy views over the spectacular Lötschen Valley. The last part of the journey, from Zweisimmen, is possibly the most spectacular, where the line is at its narrowest and the view over Lake Geneva is remarkable.

Wonderful architecture spanning the centuries, vast imperial palaces, ancient castles and churches and a fascinatingly rich cultural heritage. This trio of fine central European cities are brimming with delights. We begin by exploring Prague, including the famous 14th-century Charles Bridge, adorned with baroque statues. In Vienna, we visit treasures including the world-renowned State Opera and Schönbrunn Palace. Finally, in Budapest, we tour both sides of the Danube, including the immense Buda Castle and beautiful Parliament buildings.

**Day 1 UK - Prague.** Titan's VIP door-to-door travel service collects you from home for your flight to Prague.

**Day 2 Prague.**  You'll become convinced that Prague is one of Europe's most attractive cities on our guided tour this morning. Prague Castle is a fantastic monument to Czech history, displaying its story through the complex of architectural styles that's accumulated within its walls since the 9th century. This afternoon is at leisure for further sightseeing.

**Day 3 Prague.**  Today is at leisure. Perhaps admire the city's magnificent baroque and Romanesque architecture or simply enjoy the views from the banks of the River Vltava. You'll also notice the city has a fine cultural tradition going back centuries - Haydn, Beethoven, Liszt and Mozart all spent time in Prague; and it was here that Figaro was first acclaimed and Don Giovanni received its first performance.

**Day 4 Vienna.** We journey through endless rolling vistas and dense forest today as we travel to the imperial grandeur of Vienna.

**Day 5 Vienna.** Soak up the sights of Vienna on a sightseeing tour. Renowned for its fine buildings, our tour includes views of the lavish, terraced gardens of Prince Eugene's Belvedere Palace, the State Opera, the sprawling Hofburg residence of Emperor Franz Joseph, and the Parliament buildings.

**Day 6 Vienna.**  This morning we visit Schönbrunn Palace, a building of architectural splendour, commissioned as a summer residence by Emperor Leopold I for his son Josef I. Marie Antoinette, the Queen of France, spent her childhood there; and it's said that Mozart astonished the court with his musical performance at the tender age of six.

Budapest

Decorated in the Rococo style of the 18th century, the apartments are adorned with frescoes, crystal chandeliers, priceless tapestries, and furniture. In the courtyard stands the Wagenburg Museum, showing numerous coaches and sleighs from the Imperial era.

We return to the city centre, where the remainder of the day is free to further explore this fascinating and historic city.

**Day 7 Vienna - Bratislava - Budapest.** We journey to Bratislava for free time in Slovakia's capital. It has many fine buildings - its baroque and rococo palaces are as elegant as any in Vienna.

Late afternoon, we arrive in the beautiful city of Budapest. The plains of Pest are divided from the hilly area of Buda by the scenic River Danube, which inspired writers, artists and musicians for centuries. In Buda, Gellert Hill affords a wonderful view of the city, river and mountains. On the Pest side are the Parliament buildings and the National Museum, which contain remarkable treasures including the oldest skull yet found in Europe and Liszt's gold baton.

**Day 8 Budapest.** ☺ Join our local guide this morning for a tour of Budapest's fascinating sights and history. We'll take the funicular to visit the Fisherman's Bastion, Matthias Church and the Royal Castle on the Buda side, before crossing the Danube at the Margarete Bridge. In Pest, we'll see St Stephen's Basilica, the Parliament buildings, City Park and Heroes' Square. The afternoon is at leisure to explore further.

**Day 9 Budapest.** ☺ Explore the city independently today. Perhaps visit the bustling market hall, or relax and people watch with a coffee in Vörösmarty Square. The city takes on a different perspective at night, so we've arranged a wonderful cruise along the River Danube, regarded locally as the main thoroughfare.

**Day 10 Budapest - UK.** Transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

**Day 1 UK - Reykjavik - Hella.** Titan's VIP door-to-door travel service collects you from home for your flight to Reykjavik. On arrival our search for the Northern Lights begins as we head out into the countryside.

**Day 2 Hella - Vik - Skogar.** Today we travel through the farmlands and mountains of southern Iceland, the region where one of the best-known of the 13th-century heroic prose, Njal's Saga, is set. The Seljalandsfoss and Skogarfoss waterfalls and the little village of Vik, with its black-sand beach, are among the highlights. Just off the coast you'll see the dramatic Reynisdrangar sea-stacks, which legend says are petrified trolls. We'll stop at Skogar to visit the Folk Museum with its collection of restored turf-roofed houses, and pass the Solheimajokull glacier. Before returning

to Hella, we'll visit the fascinating LAVA Centre to learn all about the earthquakes and volcanoes that have made Iceland what it is.

**Day 3 Hella - Gullfoss - Thingvellir - Reykjavik.** We enjoy a tour of Iceland's 'Golden Circle' today, taking in some of the country's most impressive natural wonders and historic sites. We see the magnificent two-tiered Golden Falls at Gullfoss and the thermal area of Great Geysir with its numerous hot springs, fumaroles and geysers. Strokkur geyser erupts every 10 minutes or so, reaching up to 30 metres in height.

We also visit Thingvellir, site of the world's first democratic parliament, the Althing, which first met here in 930. Thingvellir National Park is a UNESCO World Heritage Site, and the dramatic canyon running through the park is the dividing fault line between two of Earth's tectonic plates. Later, we continue to Reykjavik.

**Day 4 Reykjavik - Blue Lagoon.** This morning we take a trip to the Reykjanes Peninsula and the famous Blue Lagoon, set in the middle of a black lava field, where you can immerse yourself in the warm, mineral-rich geothermal water. Enjoy a sightseeing tour of Reykjavik this afternoon. The old town centre, Parliament House and National Museum are just some of the stops on the itinerary. We also visit the Aurora Reykjavik, a museum where we learn a little more about the Northern Lights.

**Day 5 Reykjavik - UK.** Transfer to the airport for your return flight to the UK. Upon arrival, your Titan vehicle will be waiting for the journey home.

### We love...

Travelling through the mountains on the famous Flåm railway, before boarding eco-friendly boats for a cruise along the fjords. You'll hear nothing but the skimming of water and the sound of the birds.

The classic image of Norway is a tranquil fjord flanked by steep mountains. On this fantastic tour you'll experience just that, plus thriving Oslo, where you can learn of Viking ships, the art of Edvard Munch and the country's folk history perhaps. We also visit Heddal stave church, ride the vertiginous Flåm Railway and stroll along Bergen's historic harbour.

**Day 1 UK - Oslo.** Titan's VIP door-to-door travel service collects you from home for your flight to Oslo.

**Day 5 Flåm Railway.** Today we board the spectacular Flåm Railway to Flåm. This 20km-long track is one of the world's steepest and most spectacular railway lines, taking you through magnificent scenery of mountains and waterfalls. On reaching Flåm, we transfer to the port for a cruise on the placid waters of stunning Aurlandsfjord and UNESCO-listed Nærøfjord - Europe's narrowest fjord is contained within unbelievably steep mountains.

8 DAYS FROM £1,595 per person based on two sharing, 15 September 2025

### We love...

Wandering through 14 acres of tranquil botanic gardens at Samarès Manor.

Blending British and French influences, Jersey is as intriguing as it is relaxed. We'll explore the island from our base in historic St Helier. Highlights include a visit to pretty Bouley Bay, and a cream tea and wine tasting at a local vineyard. Plus, there are days at leisure to sightsee at your own pace.

**Day 1 St Helier.** Titan's VIP door-to-door travel service collects you from home for your flight to Jersey. On arrival, we'll transfer the short distance to St Helier and our hotel.

**Day 2 Bouley Bay - Gorey.** Our first stop of the day is Bouley Bay, home of the legendary Black Dog - a myth created by smugglers to keep local folk away from the bay and their clandestine activities. We then continue to Gorey. Its castle was built to protect Jersey against the French in the early 13th century, when King John lost his rule over territories in Normandy.

**Day 3 St Helier.** ☺ You're free today. There are several worthy gardens and parks to enjoy including the Howard Davis Park and Les Jardins de la Mer, complete with a water maze.

Alternatively, a shuttle bus can transport you to the Jersey War Tunnels. Originally intended to be a barracks and ammunition store for the occupying forces during World War II, it is now a thought provoking museum to this dark era.

#### Day 4 Samarès Manor Botanic Gardens.

☺ Our destination today is Samarès Manor and its tranquil botanic gardens. Originally created in the 1920s, today they showcase 14 acres of gardens home to unique plant collections. We'll have time to wander through the Japanese garden, the walled garden with its beehives or the fragrant herb garden. There's also a plant centre, museum, shop and restaurant to fill your time.

**Day 5 St Brelade's Bay - St Mary.** We embark on our second full-day exploration of the island. We'll make a stop at St Matthew's Church, famous for the glasswork on the font, altar and cross, created by René Lalique and thought to be his greatest achievement.

We'll also call in at the Eric Young Orchid Foundation before heading for the north coast. The day then includes stops at La Mare Vineyard for a wine tasting and cream tea, Jersey Pearl centre, and Corbiere Lighthouse for a photo stop.

**Days 6-7 St Helier.** ☺ Further time to relax and enjoy this lovely island. Perhaps visit the world-famous Jersey Zoo and Wildlife Conservation Centre.

**Day 8 St Helier.** Transfer to the airport for the return flight. Upon arrival, your Titan vehicle will be waiting for the journey home.

# General information

We want your holiday to be as smooth and enjoyable as possible. The information provided should be read alongside the enclosed Useful Information for your destination(s) and/or the cruise line you're sailing with. Please take the time to review it before your departure.

If you need any further advice before your trip, we're happy to help. You can email us at [aftersales@titantravel.co.uk](mailto:aftersales@titantravel.co.uk) or call us on 0800 988 5811 (if you've booked through a travel agent, please contact them directly).

## Key Rights

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore, you will benefit from certain rights applying to packages, full details of which can be found on our website under 'Your Key Rights' <https://www.titantravel.co.uk/key-rights>.

We are Saga Travel Group (UK) Limited and will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, we have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that we become insolvent.

Your booking is subject to our booking conditions and as soon as we issue our holiday confirmation to you, a contract will exist between us. Our latest booking conditions can be found on our website <https://www.titantravel.co.uk/booking-conditions> and a copy will also be sent with your holiday confirmation.

## Passports

It's essential that you check whether you're in possession of a valid passport before you make your holiday booking and allow sufficient time for any applications to be processed.

If your passport is endorsed in any way, you should check immigration requirements with the relevant embassy or consulate of the country to be visited. You should also be aware that if your passport contains previous entry or visa stamps of certain countries you may encounter problems when visiting other countries - e.g. a passport indicating you have previously travelled to Israel may not be accepted by a number of Arab countries. We recommend that you have at least three blank pages in your passport to cover potential immigration formalities which may be required in some countries.

### For British citizens only

The UK government recommends you ensure that on the date of travel you have at least six months left on your passport and that it is less than ten years old. If your passport doesn't meet these requirements, you may not be able to travel. Whilst premium and fast track options are available, standard passport renewals can take up to ten weeks.

We recommend you regularly familiarise yourself with the latest requirements, which can be found on the Entry Requirement pages for each country on the UK Foreign, Commonwealth & Development Office website [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice). We're unable to accept any responsibility if you cannot travel because you have not complied with any passport requirements.

**Travel to a non-EU country** - Some countries require at least six months validity beyond your planned date of return travel. You should check the expiry date on your passport and view the FCDO travel advice for the destination(s) you're visiting for confirmation of the specific rules.

**Travel to an EU country** - Your passport must have a 'date of issue' less than 10 years before the date you arrive - if you renewed your passport before 1 October 2018, it may have a date of issue that is more than 10 years ago. Your passport must have an 'expiry date' at least 3 months after the day you plan to return home.

### For all other Nationalities

Holders of a British Subject passport and Non-British Citizens should check immigration requirements with the relevant embassy or consulate of the country to be visited, as should customers with Dual Nationality/Renounced Citizenship.

## Visas / Entry Requirements

Electronic visas are increasingly required for foreign travel. British Citizens should refer to the Entry Requirement pages for each country on the UK Foreign, Commonwealth & Development Office website [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice). Citizens of other countries should check entry requirements with the relevant embassy or consulate of the country to be visited.

Visas can be obtained in one of two ways:

### Direct with the relevant consulate/embassy of the country you are visiting

This will be the cheapest way to obtain your visa, but you must ensure you visit the official site, as other similar websites will charge you more.

### With a specialist visa provider

Our recommended visa supplier is CIBT Visas. By obtaining your visa this way you can be assured of support and assistance throughout the application process, should you need it. They will also verify you have completed the application correctly before it is submitted. You will pay a service charge if you obtain your visa this way, discounted providing you use the link provided below. You'll be dealing with CIBT direct and, whilst we recommend them, we will not be held responsible for any delays or problems encountered. CIBT is also unable to assist with visa applications that have already been started with a consulate/embassy. CIBT Visas <https://cibtvisas.co.uk/titantravel> or telephone 0207 593 6209

Please note: If you require the address of your first hotel for the purposes of your visa application, please consult your holiday confirmation invoice or visit [www.titantravel.co.uk/mytitan](http://www.titantravel.co.uk/mytitan) for details. If you have booked through a travel agent, please contact them.

Some travellers including those with certain serious communicable illnesses, criminal records, previous deportations, visa overstays, and other problems may not be eligible by law to enter certain countries. Such travellers must check with the embassy or consulate of the country to be visited to ascertain if they are eligible to apply for a special restricted visa.

## Health & vaccination requirements

Latest information can be found on the Health pages for each country on the UK Foreign, Commonwealth & Development Office website [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice) and at <https://travelhealthpro.org.uk/>. Requirements can change without notice. We strongly recommend that if you are concerned about any health issues you should consult your GP.

## Medical Information, Mobility and Assistance

It is of the utmost importance that you read and understand your responsibilities under the **medical information** and **mobility and assistance** sections of our booking conditions. You must declare all physical and mental health or mobility conditions that affect you or anyone travelling in your party and be aware that our staff will not assist with any personal care or support such as pushing wheelchairs.

## Accommodation

Accommodation is provided in twin or double-bedded rooms, most of which include a private bath or shower and toilet. In some cases - particularly in cruise ship cabins - facilities may be limited to a shower and toilet only. In rainforest, safari, and desert locations, accommodation may be in lodges or campsites, where standards can vary, and toilet facilities may not always be en suite. Please note that while we provide details of guest room facilities in our brochures, we can't guarantee that all rooms will include the listed amenities. Additionally, the images featured in our brochures are for illustrative purposes only.

**Single rooms** - Even though single rooms carry a supplement, they're not always the same size as twin or double rooms, especially in Europe, where the age and character of many hotels play a role. Single rooms may also be located in different areas of the hotel compared to twin or double rooms. Please note that paying a single supplement does not guarantee a twin or double room for single occupancy unless specifically stated.

**Triple rooms** - When booking a triple room, the third person is required to either share an existing bed or use an extra bed, which may be a camp-style bed or a sofa bed. Adding an extra bed may make the accommodation feel cramped, and rooms with three beds may not be available at all hotels. If bed sharing is unsuitable and an additional single room needs to be booked, this will incur an extra charge.

**Disruption** - There may be redevelopment, expansion, building or roadworks taking place in the vicinity of your hotel during your holiday, which could result in unavoidable noise. Unfortunately, this may occur without prior notice to us. However, if we become aware of any impending work that might cause a disturbance, we will make every effort to inform you as soon as possible. If you do have a complaint at your hotel or for any other service, you must tell your tour manager, local representative or hotel staff immediately so they can try and solve the problem on the spot. Additionally, where a hotel features a swimming pool, its availability is determined at the hotelier's discretion and is often seasonal. Availability may be affected by weather conditions or essential maintenance, which are circumstances beyond our control.

**Quality/Star rating** - The hotel ratings we provide are based on official local standards. These standards can vary significantly, so the ratings should be considered in comparison to other hotels within the same country, rather than against UK standards.

## Coaches

The type and size of coach provided will be suitable for the group size. Single travellers may be seated next to another single traveller. While we try to provide coaches with toilets onboard wherever possible, we regret that this facility cannot be guaranteed (particularly for smaller groups in smaller vehicles). Additionally, in certain parts of

the world, the toilet may have to remain locked at the discretion of the driver if disposal points are not easily accessible. Regular comfort stops will be made for the convenience of all passengers. Wi-Fi on board coaches (where fitted) is only suitable for light internet browsing, and availability can vary depending on the strength of the local mobile network signal.

## Flight seating

Seating – While we always communicate your seat preferences to airlines in advance, we can't guarantee that your choice of seats will be available or that seats together can always be secured. This may be due to operational changes such as a late change of aircraft type.

## Meals

Where meals are included in a holiday, they may be a set menu or a buffet arrangement. As part of a group booking, included meals are typically eaten together at a designated time. If a choice of menu is offered, you may be required to make your selection in advance.

For vegetarian meals or special dietary requirements, the availability and variety may vary depending on the destination. The standard of breakfast in other countries may differ from that in the UK. In some locations, an additional charge may apply for items such as fruit juice or hot dishes. A continental breakfast typically includes tea or coffee, rolls, and jam, while a buffet breakfast generally offers tea or coffee, a selection of breads, rolls, or croissants, cereals, fruit, cheeses, and cold meats.

If you have any food allergies that could impact your health, please inform us at the time of booking or as soon as possible. It is your responsibility to take precautions, avoid foods that may trigger your allergies, and enquire about ingredients when necessary. For more information, please refer to our booking conditions.

## Pre-bookable excursions on our escorted tours

For your convenience, our most popular optional excursions can be pre-booked and paid for prior to your departure. The operation of excursions can be subject to minimum numbers and suitable weather conditions. If a pre-booked excursion is cancelled for operational reasons you'll receive a full refund on your return home.

## Rail travel

Luggage handling at train stations is generally not included, and porters or trolleys may not always be readily available. Please be aware that you're responsible for your own luggage and will need to carry it between the station entrance and the train. We recommend using wheeled suitcases for ease of transport. Customers travelling on overnight services should note that accommodations are compact; and twin berths typically consist of bunk beds.

## VIP door-to-door travel service

**If your holiday includes this service,** you'll be advised of your pick-up time in your final holiday documents. On rare occasions we may have to amend these times and reserve the right to do so. However, we'll always endeavour to provide at least five days' notice. Our expert team have carefully planned your journey to ensure you will arrive on time. Comfort stops can be requested with your driver. We reserve the right to select the mode of transport for your journey. If you're

travelling in an electric vehicle, charging stops may be required on longer journeys. Any motor vehicles could be shared with up to 5 other passengers.

Only one suitcase and one standard piece of hand luggage per person is included. Each item that you check in for your flight must not exceed a maximum size of 158cms/62ins (sum of length, width and height). Therefore, please ensure you notify us as soon as possible if you wish to take more than one suitcase and a piece of hand luggage each, or any walking aid/collapsible wheelchair (and haven't already informed us).

Your luggage will remain your responsibility, so please make sure you check with your driver that all your bags have been loaded and removed from the vehicle.

Please note that if you make your own international flight arrangements and join one of our holidays in the destination, our VIP door-to-door travel service will not apply.

## Weather conditions/ National and local holidays

Local weather conditions can impact our holidays in all countries. Similarly, local conditions or road closures may require us to take alternative routes. In such cases, this may result in us being unable to visit a region or sight normally included in the itinerary. During local and national holidays certain facilities and museums may be unavailable, and some hotels may be busier than normal with local families.

## Overseas standards

It's important to recognise that in certain countries standards and customs may differ from those we're accustomed to. Restaurants and hotel services may vary, roads can sometimes be little more than bumpy tracks, transport facilities may differ, and poverty may be more evident. Energy conservation measures may mean that hotels are required to limit services such as air-conditioning, water, and electricity. The legal and safety requirements in some countries are of a lower standard than the UK. Please visit the UK Foreign, Commonwealth & Development Office website [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice) for more information.

## Privacy and data

We want all our customers to enjoy completely successful holidays. However, anyone with a medical condition, disability or a dietary/religious requirement must be aware that information supplied to us will be shared with other companies and individuals who supply the various parts of your travel arrangements. Depending on your choice of holiday, some of the suppliers may be based outside the UK, where data protection controls may not be as stringent. However, we'll not share this information with any party that is not responsible for your travel arrangements.

## Escorted touring price promise

We know many customers like to plan early to secure their preferred holiday and date, in fact, we strongly recommend this, as availability becomes more limited closer to departure. While our holidays prices will vary from time to time, our price promise guarantees that once you've booked, we'll never increase the price of your holiday. We won't surcharge you, even if costs rise. Plus, our Flexi Deposit means that if your plans need to change, you can transfer your booking to a new date or holiday, fee-free, up until your final balance is due.

## Safety

Your safety and security are our top priority. In the event that the Foreign, Commonwealth & Development Office advising against travel to a certain country, we would act on this guidance. However, we do recommend that you check their travel advice before you make a booking at [www.gov.uk/foreign-travel-advice](http://www.gov.uk/foreign-travel-advice). While we take every precaution in looking after you on holiday, your responsibility for your personal safety and welfare and the care of your possessions remains as it would at home. Extra care should be taken when walking around cities, especially at night, and we recommend you stay in well-lit, populated areas. It is also wise to avoid carrying valuables or wearing expensive jewellery.

## Special requests

These should be advised at the time of booking. While we endeavour to meet these requests, they are subject to availability with our suppliers and can't be guaranteed. We can't accept bookings that are conditional upon a special request being met.

## Travelling with children

We can't accept bookings for children younger than 12 years on the date of departure, as our holidays are not suitable. Single parents or other adults travelling with children (under 18 years) should be aware that some countries require documentary evidence of parental responsibility before allowing lone parents to enter the country or, in some cases, before permitting the children to leave the country.

# Booking conditions

Your contract is with Saga Travel Group (UK) Limited ('Titan' or 'we' or 'our' or 'us'). We set out below an explanation of the conditions that apply when you book a holiday with us. It is important that you read these conditions together with the holiday and cruise information in our brochure, as they not only define our obligations to you but also impose some important commitments upon you. If any part of these booking conditions is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity will not affect the other provisions which shall remain in full force and effect.

## 1. Your holiday contract

When you make a booking, you guarantee that you have the authority to accept, and do accept on behalf of your party, the terms of these booking conditions. A contract will exist as soon as we issue our Holiday confirmation. It is your responsibility to provide accurate details at the time of booking, including ensuring passenger details exactly match passport details. It is also your responsibility to check that the information on the Holiday confirmation and ATOL Certificate (if relevant) is correct and includes details of everything you have booked (including flights, hotels and other services). If any of the passenger or holiday details on the Holiday confirmation or ATOL Certificate (if relevant) are incorrect or incomplete, you must notify us immediately. We will pass on any additional charges incurred as a result of any details not being correct. We reserve the right to refuse to accept and/or not proceed with any booking at any time at our sole discretion. This contract is governed by English law and the jurisdiction of the English courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you live there and wish to do so. A complaint may be referred to arbitration - see section 11.

## 2. Your financial protection and peace of mind

We provide full financial protection for our package holidays.

**2.1** For flight-based holidays this is through our Air Travel Organiser's Licence number 11746 issued by the CAA of Aviation House, Beehive Ring Road, Crawley, West Sussex, RH6 0YR, www.caa.co.uk, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the nonprovision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

**2.2** When you buy a package holiday that doesn't include a flight or you receive an ATOL Certificate but all the parts of your trip are not listed on it, financial protection for your package holiday or the parts that are not ATOL protected is provided by way of a bond held by ABTA - The Travel Association of 30 Park Street, London, SE1 9EQ, www.abta.com. You agree to accept that in the event of our insolvency, ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original booking. You also agree to accept that in circumstances where the travel service supplier provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid. Please note that items not purchased through Saga Travel Group (UK) Limited will not be protected.

## 3. Your holiday price

**Price:** Advertised prices may have changed by the time you book your holiday. We will notify you of the current price prior to any booking. We reserve the right to alter the price of any holiday, introduce supplements or correct pricing errors at any time.

After you've made a booking, the price of your holiday is secure and will not change. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place. Titan reserves the right not to be legally bound in the case of incorrect pricing and acknowledgement of such an error does not mean acceptance of it.

**Local taxes:** Please note that local taxes are not included within the holiday package price and where necessary these will need to be paid locally by you.

**Optional ad hoc services:** We provide you with the option to specifically request extras which are in addition to or adaptations of our standard packages. Prices for optional ad hoc services such as extensions, extra accommodation, upgrades and domestic flights ('ad hoc' services) can vary depending on when you book. Please note that adding an ad hoc service may result in additional non-refundable charges to our standard packages due to changes in flight dates, changes to our standard allocated accommodation periods and additional costs passed to us from third party suppliers. You will be notified of the total price of your holiday prior to booking, along with any additional or higher non-refundable deposit amount payable. Please note that where a flight upgrade has been booked and there is a change of airline prior to your departure date it may not be possible to offer an equivalent upgrade or there may be an additional cost payable (we will refund you the difference if the upgrade with the new airline is of a lower

value). In this situation, we will offer you the opportunity to revert to economy class and refund you the cost of the upgrade, pay any additional costs for the equivalent upgrade or cancel with a full refund of all monies paid. Compensation will not be payable.

## 4. Seamless travel from door to door

**VIP door-to-door travel service:** The majority of Titan's VIP door-to-door transfers are not exclusive to one booking. Journeys may be undertaken via additional addresses and may involve a change of vehicle. For journeys of less than 100 miles, we may deviate from your direct route by up to 30 minutes. For journeys over 100 miles, we may deviate from your direct route by up to 60 minutes. VIP door-to-door transfers are available within mainland UK. This will either be a road transfer from your home to a London airport, or a road transfer to a regional airport for a connecting flight, as determined by us and to be advised at time of booking. Connecting flights are subject to schedules and availability. In the Scottish Islands and Sark where vehicle access is restricted we invite guests to nominate a mainland address for their pick up. At busy times of the year, we supplement this service with carefully selected, private chauffeur driven vehicles which offer the same standard transfers.

**International flights from regional airports:** If you choose to fly internationally from a regional airport, flights are subject to schedules and availability. Applicable supplements will be quoted once flight schedules become available, which may be after your initial booking date. Additional or higher non-refundable deposits may be payable for flights with low-cost airlines. Due to differing flight schedules, we may arrange a separate or private transfer from the airport to your first hotel (and from your last hotel to the airport).

## 5. Group sizes

Your holiday will be cancelled if the minimum number of customers is not reached. For Small Group Tours & Ocean Cruises the minimum number of customers is 10 and for Standard Tours and River Cruises the minimum number of customers is 20. If the minimum number is not reached, we will inform you or your travel agent in advance of your balance due date and you will have the option to move to an alternative date or holiday (additional costs may apply) or receive a full refund of all monies paid. See section 10 for information relating to cancellation for any other reason.

## 6. Paying for your holiday

Unless specified otherwise, when you make your booking, you must pay a deposit amount per person of £250 for short haul holidays and £395 for long haul. Please note some holidays and flights with low-cost airlines may require an additional or higher non-refundable deposit. You'll be advised any additional or higher non-refundable deposits at the time of booking. The balance of the price of your travel arrangements must be paid at least 75 days before your departure date, or as advised at the time of booking and stated on our Holiday confirmation. Unless you're otherwise advised, bookings made after the balance due date (as set out above) must be paid in full at the time of booking and we cannot confirm your booking until full payment is received. If the deposit and/or balance is not paid in time, we reserve the right to cancel your travel arrangements. If the balance is not paid in time, we'll retain your deposit.

**Low deposit offers:** Occasionally, we may promote low deposit offers for a specified time period. Please note some holidays may require an additional or higher non-refundable deposit. These exceptions will be advised at the time of the booking.

**Refunds:** If you are entitled to any refund(s) relating to your booking, this will go to the lead passenger who made the booking, usually by the same payment method that was used to pay us. In the case of card payment, refund(s) will be made to the appropriate card account(s). Any fees incurred when making a payment will not be refunded unless we cause the cancellation. No refund is available after your departure date if you attend part of the holiday only, or vary or extend the holiday arrangements.

## 7. If you change your booking

If, after our Holiday confirmation has been issued, you wish to change your travel arrangements in any way, for example, your chosen departure date or accommodation, we will do our utmost to make these changes, but it may not always be possible. Any request for changes to be made must be from the **person who made the booking** or your travel agent. You will be asked to pay an administration charge of £25 per person, and any further cost we may incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should therefore contact us as soon as possible. Note: Certain travel arrangements (for example, flights with low-cost airlines) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements.

## Transferring your booking:

You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing at least 7 days before departure. Both you and the new traveller are responsible for paying all costs we incur in making the transfer.

## 8. If you cancel your holiday

You, or any member of your party, may cancel your travel arrangements at any time. Notification from the **person who made the booking** or your travel agent must be received at our offices and the cancellation will be **effective from the date it is received at our offices**. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as per the table at the end of these booking conditions, or as advised by your sales consultant (see also the exception below). Please note that any additional or higher non-refundable deposits paid will be included in the cancellation charges set out in the table at the end of these booking conditions or advised by your sales consultant. Should cancellation occur before your balance due date, the cancellation charge will, therefore, be loss of deposit plus any additional and/or higher non-refundable deposit paid. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by Unavoidable and Extraordinary Circumstances. **Unavoidable and Extraordinary Circumstances** means a situation that is, in our opinion, beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include, but are not limited to, war, threat of war, riots, civil strife, terrorist activity, Government action or restraint, industrial disputes, natural or nuclear disasters, fire, low or high water levels, adverse weather conditions including hurricanes, epidemics, health risks, unavoidable technical problems with transport, damage and accidents from machinery or engines and closed or congested

airports. In such circumstances, we will arrange for your booking to be terminated and for you to receive a full refund. We will observe advice provided by the UK Foreign, Commonwealth & Development Office.

(i) If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

(ii) If one person sharing a twin/double or triple room or cabin should cancel, the remaining participants would then be required to pay the relevant single supplement or forfeit the triple reduction.

## 9. If we change your booking

We plan the holiday arrangements many months in advance and, although unlikely, we may need to make changes. It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of **insignificant changes** include, but are not limited to, changes to airline carriers; changes to aircraft type; alterations of your onward/return flights which do not result in a change to date of departure; change of accommodation to another of the same or higher standard; flights becoming indirect; closure of hotel facilities for improvement; building works; changes to advertised amenities; changes to itineraries; changes to included and optional excursions and entertainment. Please note we will not pay compensation or offer alternative options if we make an insignificant change. If, before departure, we have to significantly alter any of the main characteristics of the travel services that make up your holiday package, you will have the rights set out below.

**9.1** We will contact you and you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one. If the alternative holiday is of a lower value, we will refund any price difference. If the alternative holiday is of a higher value, you will be required to pay the additional amount. We will tell you the procedure for making your choice. Please read any notification of changes carefully and respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

**9.2** If you choose to accept a refund, we will pay compensation as per the table at the end of these booking conditions except where the significant change is due to Unavoidable and Extraordinary Circumstances. This standard payment will not affect your statutory or other legal rights. Examples of **significant changes** include, but are not limited to, a significant change of resort or holiday duration, where your stay is for 3 nights or more; a change of accommodation to that of a lower category for 3 nights or more; a change in departure date; a change of departure airport (except between London airports, between Birmingham and East Midlands airports, between Sheffield, Doncaster, Manchester and Leeds Bradford airports, or between Liverpool and Manchester or between airports in Scotland) and your cruise being cancelled by the cruise company or shipping line.

Please note that we do not accept any responsibility or liability for any consequential loss or expenses you may incur from arrangements you have made with any other party or parties.

## 10. If we cancel your holiday

We reserve the right to cancel your booking. We will not cancel after the balance due date, except for **Unavoidable and Extraordinary Circumstances** or a failure by you to pay the final balance. If your holiday is cancelled (for reasons other than a failure by you to pay the final balance) you can either have a full refund of all monies paid or, where available, accept an offer of alternative comparable travel arrangements. We will refund any price difference if the alternative is of a lower value. In the event a refund is paid to you, we will pay compensation as per the table at the end of these booking conditions except where the cancellation is due to Unavoidable and Extraordinary Circumstances. This standard payment will not affect your statutory or other legal rights. Please note that we do not accept any responsibility or liability for any consequential loss or expenses you may incur from arrangements you have made with any other party or parties.

Alternatively, e-mail us at: customerservices@sagatourgroup.com, giving your booking reference and all other relevant information. This will assist us to quickly identify your concerns and speed up our response to you.

If you fail to follow the requirement to report your complaint in resort, we will have been deprived of the opportunity to investigate and rectify it and this may affect your rights under this booking. Please also see section 11 above on ABTA.

## 13. Additional assistance

If you're in difficulty whilst on holiday and ask us to help we will provide appropriate assistance, in particular by providing information on health services, local authorities and consular assistance; and helping you to find alternative arrangements and any necessary phone calls/emails. You must pay any costs we incur, if the difficulty is your fault.

## 14. Our liability to you

We are responsible for the proper performance of all travel services included in this package. You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, and this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any

failure to perform or improper performance of the travel services is due to: you or any member of your party; or a third party unconnected with the provision of the travel services in the package and is unforeseeable or unavoidable; or Unavoidable and Extraordinary Circumstances. Except in cases involving death, injury or illness, the liability of Titan and any company within the group of companies which Titan is part of (including its employees, agents and subcontractors) shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

- the contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; and*
- any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. Copies of the travel service contractual terms or the international conventions shall be provided on request. Under EU law (Regulation 261/2004), you have rights in some circumstances to a refund and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports and available from airlines. If you are unhappy with your airline's response you may complain to the Civil Aviation Authority (Telephone 020 7453 6888 or visit [www.caa.co.uk/passengers](http://www.caa.co.uk/passengers)). Please note that reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to us are due from us, any payment made to you by the airline or any other service provider will be deducted. You agree to assign to Titan any rights that you may have against a third party or person which have caused or contributed to our legal liability to you or which result in us incurring costs on your behalf. You agree that you will provide us and/or our insurers, with all reasonable assistance to pursue a claim against any third party or person.*

If it is impossible to ensure your return as scheduled due to Unavoidable and Extraordinary Circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday. Note: this entire section 14 does not apply to any separate contracts that you may enter into whilst on holiday (for example, for excursions, entertainment, amenities, activities, other tours, meals and other purchases).

#### 15. Your responsibilities

- Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.*
- You are responsible for the behaviour of yourself and your party. We reserve the right to refuse or cancel your booking or to remove you or a member of your party from any tour or holiday if, in our view, your demeanour or behaviour, or that of a member of your party, is disruptive, dangerous, antisocial or annoying to other people. In such an event, no compensation or refund will be payable and you will be liable to pay any additional expenses reasonably incurred in arranging the curtailment.*
- You are responsible for the carriage and care of your luggage throughout your holiday except for such times as it may be in the hands of an airline; where in such circumstances the airline's specific terms and conditions relating to the carriage of baggage will apply. Please ensure that your luggage is loaded on to all transport and be careful to take the correct luggage with you when you leave any mode of transport.*
- You must comply with the terms and conditions of the third party suppliers of any travel services that form part of the package. Failure by you to observe such terms and conditions which are incorporated into this contract and available upon request may affect any compensation or liability we may have towards you.*

#### 16. Medical Information

Before you book your holiday, you are responsible for ensuring that you declare to us any existing physical or mental health condition, disability or mobility restriction affecting you or a member of your party which may require assistance. If, in our reasonable opinion, your chosen travel arrangements are not suitable for you (or a member of your party), we reserve the right to decline your booking. After booking, you must contact us immediately if there are any changes or if you (or a member of your party) develop a new condition. This is essential for all bookings so that we can determine if your holiday arrangements remain suitable and includes the requirement to inform us if you need to bring any specialist equipment with you such as a wheelchair. If in doubt, you must consult with your doctor about your (or a member of your party's) fitness to travel. We reserve the right at any time to require you to produce medical evidence of your (or the relevant member of your party's) fitness to travel (including submission of a medical certificate certifying this).

For many suppliers, a risk assessment may need to be carried prior to your departure to confirm if your carriage is possible. If you do not inform us of such matters as set out above, we will not be liable if a transport provider refuses to accept you or any member of your party as a passenger. If you do not inform us at the time of booking of any physical or mental health condition, disability or mobility restriction, we reserve the right to cancel your booking when we find out the full details if, in our reasonable opinion, your travel arrangements are no longer suitable, in which case this will be treated as a cancellation by you and cancellation charges will apply as per section 8. If your holiday has already commenced, we will provide you and your party with appropriate assistance in accordance with section 13, but you must pay any costs we incur.

#### 17. Mobility and assistance

You must tell us about all physical or mental health conditions, disabilities, or mobility restrictions (as detailed in section 16). This will allow us to be able to advise on the suitability of our holidays

and, wherever possible, put in place arrangements to accommodate your needs. This could include securing assistance at airports and securing accessible hotel rooms but does NOT include our staff (including Tour Managers), our supplier's staff or other customers providing any kind of personal care (such as dressing, eating or toileting), pushing wheelchairs, assisting with embarking or disembarking coaches or trains, or porter luggage when this service is not included as part of your travel arrangements. If you require any of these services, you must travel with a fully able-bodied fare paying travelling companion who must take responsibility for any personal assistance required. Please note that some of our holidays include off-the-beaten track destinations where even the most basic facilities for disabled customers may be lacking. In addition, general standards in these destinations may be very different to those in the UK, and you should take your general comfort into consideration when reviewing the suitability of your travel arrangements.

#### Travel by ship:

The cruise ships we use have a limited number of cabins adapted for use by those with restricted mobility and are limited as to the number of disabled passengers or passengers with reduced mobility that they can carry. We reserve the right to refuse the carriage of any person if carrying such a passenger would breach any applicable safety requirement or law. We also reserve the right to refuse carriage if the design of the vessel and/or the port infrastructure and equipment would make carriage unsafe or not operationally feasible.

We reserve the right to require that a disabled passenger or a person of reduced mobility is accompanied by another fare paying person capable of providing assistance to ensure compliance with any applicable safety requirement or law or if the design of the vessel and/or the port infrastructure and equipment means that a disabled passenger or person of reduced mobility cannot be carried in a safe or operationally feasible manner without the assistance of another person. Please note that personal daily care cannot be provided by any member of the ship's staff.

Please advise us at the time of booking if you or any member of your party has reduced mobility, requires a specially adapted cabin or would require assistance in an emergency, or as soon as possible (and, in any event, at least 48 hours) before departure should there be a change in circumstances. This is essential for travel by sea or inland waterways, as a risk assessment may need to be carried out prior to your departure. If you do not inform us of such a condition, we will not be liable if an airline or cruise line refuses to accept you or any member of your party as a passenger.

#### Travel by air:

Under the law, if you are disabled or have difficulty moving around, you can receive assistance when you fly. This free service is available to anyone with mobility problems, for example, because of your disability, age or a temporary injury. To take full advantage of the service you need to book at least 48 hours in advance of your flight. Please contact us as soon as possible prior to your departure.

#### 18. Pregnancy

For cruises, women who are up to 24 weeks pregnant by the end of the holiday are required to provide a medical certificate of fitness to travel. We cannot carry passengers who will be 24 weeks or more pregnant at the end of the holiday. We reserve the right to request a medical certificate at any stage of pregnancy and to refuse travel if we and/or the Master of the ship are not satisfied that you will be safe during your holiday. The doctors aboard the ships (if any) may not be qualified to deliver babies on board, or to offer pre or postnatal treatment, and no responsibility is accepted by Titan in respect of the ability to provide such services or equipment.

For air travel, you are subject to the terms and conditions of your airline, who will have its own policies. Please let us know if you are pregnant or become pregnant prior to departure.

#### 19. Holiday Information

Delays: If you are delayed at point of departure, we will do our best to arrange meals plus accommodation on overnight delays. Any optional activities (for example, excursions, entertainment, activities, amenities, other tours), meals or other purchases ('Optional Extras') that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For all Optional Extras, your contract will be with the operator/supplier of the Optional Extra and not with us. We are not responsible for the provision of the Optional Extra or for anything that happens during the course of its provision by the operator/supplier. We cannot guarantee that the Optional Extras will be available during your holiday and they will only operate if a sufficient number of people wish to take part. Optional Extras are sold subject to the laws and the exclusive jurisdiction of the courts of the country or state where purchased. We have included them in brochures and on the website to illustrate your choice, not as a recommendation to take part. Tour managers and local representatives are instructed not to act as agents in booking any alternative activities other than those approved by us. Any assistance they may offer at your request does not imply that they have acted as an agent or that these activities have been approved and offered for sale by us.

Actual seat numbers on flights booked by us cannot be guaranteed as there may be changes for airline operational, safety or security reasons. However, the airline will where possible re-accommodate your seats together and match your seating preferences. Where this is not possible, we will refund any applicable seating charges paid to us for the flights affected.

We will advise you with your holiday confirmation of any vaccinations that are required as a condition of entry to the country(ies) that you are visiting. We recommend that you consult your doctor at least 12 weeks before departure, and they will advise you about any other vaccinations required. You may wish to refer to government health advice for your destination at [gov.uk/foreign-travel-advice](http://gov.uk/foreign-travel-advice) or call the 24-hour phone line 0845 850 2829 - calls cost 4p per minute with BT; other network prices may vary.

EU Banned Carriers List: In accordance with EU Directive (EC) no. 2111/2005, Article 9, we are required to bring to your attention the existence of a 'Community List' which contains details of air carriers that are subject to an operating ban within the EU Community. The Community list is available for inspection at: <https://ec.europa.eu/transport/modes/air/safety/air-ban>

#### 20. Insurance

A condition of your booking is that you're suitably insured for your trip. We strongly recommend this is purchased as close to your booking date as possible, to cover you for any unforeseen cancellations. You must notify us of your insurance details no later than 4 months prior to departure, failure to do so means we will not allow you to travel and will treat your holiday as cancelled with the applicable cancellation fee being charged. You must be adequately insured for all your needs to cover all contingencies such as medical expenses, repatriation, and baggage cover. While on holiday, should you choose to take part in any activity which can be deemed as being of a hazardous nature (for example, hang gliding, hot air ballooning, white-water rafting, etc.), it is essential to ensure that cover is provided under the terms of your travel insurance. If you are in doubt, you should contact your insurer. The organisers of some adventure activities that you may choose to take part in whilst on holiday may request that you sign a waiver of their liability for risks involved. We must draw your attention to the fact that by signing such a document you may well lose any rights to claim for damages in respect of death, injury, or loss of or damage to property even if negligence on the part of the activity organiser is proven to have occurred.

#### 21. Data Protection

Any personal data that you provide will be held securely and for the purpose you have provided it, in accordance with data protection legislation. We may need to disclose personal data to a third party including countries outside the European Economic Area (EEA) for the purpose of providing your holiday. In addition, your data may be disclosed to regulatory bodies or public authorities such as customs or immigration for the purposes of monitoring and/or enforcing compliance with any regulatory rules/codes; and it may be used for marketing, offering renewals, research and statistical purposes and crime prevention.

Where Titan has obtained your permission to do so, they will also contact you by post, telephone, email or other means to tell you about offers, products and services that may be of interest to you. At any time, you can opt out of receiving such information, revise the products you would like to hear about or change the method they use to communicate with you. You can update these preferences by calling 0800 988 5811. Where you provide information about another person, we accept it on the basis that you have their permission to give us access to their personal data (including any sensitive personal data) and that you have told them who we are and what we will use their data for, as set out above.

Please note: We are committed to the ongoing training of our staff and this may involve the recording of telephone conversations.

#### 22. Advance Registrations

You are able to secure your place on your desired holiday before the general release date with a refundable deposit of £50 per person. As soon as we are able to finalise your holiday plans, we will contact you to provide all the necessary details and collect any additional deposit. A contract will exist as soon as we issue our Holiday confirmation. Should you decide against travelling on this holiday prior to receiving our Holiday confirmation or if we are unable to confirm your chosen holiday, your deposit is fully refundable.

Please note: We are committed to the ongoing training of our staff and this may involve the recording of telephone conversations.

#### 23. Travel Agents

When you buy a flight-based holiday, all monies you pay to the travel agent are held by them on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by them, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by them on our behalf at all times.
