I must down to the seas again, to the lonely sea and the sky,
And all I ask is a tall ship and a star to steer her by

And the wheel's kick and the wind's song and the white sail's shaking,
And a grey mist on the sea's face and a grey dawn breaking

I must down to the seas again, for the call of the running tide
Is a wild call and a clear call that may not be denied

And all I ask is a windy day with the white clouds flying,
And the flung spray and the blown spume, and the sea gulls crying

I must down to the seas again to the vagrant gypsy life,
To the gull's way and the whale's way where the wind's like a whetted knife

And all I ask is a merry yarn from a laughing fellow rover,
And quiet sleep and a sweet dream when the long trick's over

A Word from Eric & Marie

Let the wind guide you.

There is something profoundly moving about sailing under wind power. When the sails rise and catch the breeze, time slows.

A voyage aboard Star Clippers is not a cruise in the conventional sense, it's a return to the rhythm of the sea. We sail whenever the wind allows us to move with nature rather than against it. Life becomes simpler, more present and more real.

Each journey is an invitation to let go, to leave behind the hurried pace of everyday life and surrender to the timeless motion of the waves. Here, the days unfold gently: a sunrise over the open sea, a quiet anchorage in a secluded bay, the creak of rigging, the scent of salt and sun. All this has inspired our father, Mikael Krafft, to share his love of the ocean and the romance of a true sailing ship experience with countless guests for more than 30 years.

When autumn comes, the Caribbean welcomes us with its crystalline waters, perfect for swimming, snorkeling, or simply floating in the moment. Beyond the postcard beauty lie a vibrant cultural mosaic, unexpected encounters, and lush landscapes waiting to be explored.

In Central America, nature takes the lead. Tropical rainforests, small coastal villages; here, discovery becomes more adventurous. In Costa Rica and Panama, our routes trace the edges of spectacular national parks, where howler monkeys call from the trees and scarlet macaws glide across the sky. Sailing through the Panama Canal aboard a tall ship is a unique experience, a quiet meeting of sea, human craft, and the breath of the wind.

In the Mediterranean, our ships return to storied sailing routes but also set course for more hidden shores. In 2026, new ports join our itineraries: tucked-away harbors in Greece such as Milos, Sifnos, Gythio, and Ouranoupoli, and in Italy's Puglia region with Monopoli, Otranto, and Barletta. Still ever-present: preserved islands, charming coastal towns, iconic sites, and new discoveries that reveal the soul of the Mediterranean, far from the well-worn paths.

Wherever you choose to embark, the Mediterranean, the Caribbean, Central America, or across the Atlantic; a voyage with Star Clippers is a chance to reconnect with the sea, with yourself, with the quiet joy of contemplation.

To those returning on board, thank you for continuing this adventure with us. To those sailing with us for the first time, welcome to the world of wind and sail, a world we look forward to sharing with you.

Until then, we wish you fair winds and a following sea.

Eric & Marie Krafft

Atypical Cruises

With Star Clippers, you are embarking on an authentic and magical sailing voyage. You will never get the sensation that there's not enough time, and there are no tight timelines to stress you out.

You are free to determine how to spend your time on board—full of daily activities or just peaceful relaxation. Take advantage of the complimentary water sports and enjoy the warm seas. Watch the bartender mix delightful cocktails in the Tropical Bar and chat with newfound friends about your day. Up on deck, do not miss the incredible sail-away, where the Captain artfully instructs the crew to raise the massive, majestic sails while Vangelis plays in the background.

A WORLD OF SAILING DESTINATIONS

Star Clippers will take you to the most attractive destinations in the world. Set sail for 3-14 nights in the Caribbean, Central America, Western Mediterranean, Croatia and Greek Islands. Visiting pristine ports that are untouched and unique, this will be a trip of a lifetime.

SOFT ENTERTAINMENT

In various destinations that we visit, we invite local performers on board to entertain our guests with an authentic taste of their music and arts. In addition, we have a piano on every ship and a very talented entertainer who can play your favorite tunes or spin the latest musical hits. Or just enjoy the camaraderie of your fellow shipmates, take part in a guest & a crew talent show or dress up to join in the fun on a pirate special evening or our white night and such activities as mast-climbing, sail-raising, star gazing, ship navigation or photo tenders.

NAUTICAL EVENTS & ACTIVITIES

Muster up your sense of adventure and climb the mast to the "Crow's Nest" (almost 20 metres in the air) for spectacular panoramic views. Or relax in the bowsprit at the front of the ship, suspended over the ocean, with dolphins swimming below you in the Caribbean. Join a team of guests and use your strength to assist in pulling up a sail. Knot tying and navigation classes that have evolved from Star Clippers' sailing tradition, are also yours for the taking. These fun and different activities plus the laid-back casual ambience of Star Clippers create the not-to-be-missed overall sailing experience what makes our guests come back again and again.

FINE CUISINE

Start the day with a continental breakfast with croissants and pastries, or a full breakfast with fresh fruits and eggs cooked to perfection. Enjoy a savory lunch in the dining room, or maybe a festive barbecue on shore. In the afternoon, an impressive array of snacks is available in the Tropical Bar to tide you over until dinner time. No suit required: dinner is a feast to behold, designed to indulge your senses. Each course on our *à la carte* menu, which changes nightly, is thoughtfully and professionally prepared. Open seating dining is available on all of our ships, allowing you to dine at the time that suits you best and gives you the option to choose sitting with new friends, or our Officers, or just on your own. No formal attire is needed, as casual elegance is acceptable day and night.

HOTEL STAYS & TRANSFERS

There are many benefits to booking a pre or post hotel stay with your sailing adventure. It takes the stress away when flying in to meet your ship; it gives you additional time to immerse yourself in the port of departure; while allowing you to get acclimated to the time and climate. Not to mention that a pre or post hotel stay extends your vacation time and will undoubtedly enhance your overall experience! We have negotiated special rates on hotels and transfers to/from our homeports to help our guests spend longer time at their chosen destination.

You could relax on the sun-kissed beaches of St. Maarten, Grenada or Barbados, explore national parks of Costa Rica, delve deeper into the historic heritage of our Mediterranean ports of call, and much more. Take advantage of a pre or post hotel or book a transfer from the airport or your hotel to the ship and vice versa. Visit our website or contact our reservation department for more information.

Caribbean

You may think you know the Caribbean, but visiting this gorgeous part of the globe on board one of our tall ships allows for a completely fresh perspective.

Standing on deck, watching the sails rise while the sunset turns the sky from blue to gold is an experience you won't find on other cruise ships, and one you'll never forget. Two of our ships, *Royal Clipper* and *Star Flyer*, spend the winter season sailing the Caribbean Sea visiting well-known islands like St. Barts and Barbados as well as off-the-beaten path gems like Bequia and Nevis. On *Star Flyer*, you'll have a choice of itineraries visiting either the Leeward Islands, sailing south, or the Treasure Islands, sailing west, departing from beautiful St. Maarten. *Royal Clipper* sails from Barbados, heading north to the Windward Islands or west to the Grenadine Islands.

The opportunity to attend special events while in the Caribbean make these sailings all the more appealing. *Royal Clipper* calls on exotic Martinique during their Mardi Gras festivities, allowing guests to experience the magic of this island's French-meets-Caribbean culture. Serious sailing fans will want to check out our Super Yacht itineraries on *Star Flyer*, which put guests in St. Barts during the popular Bucket Regatta. If you haven't yet experienced the thrill of sailing alongside a Star Clippers ship while on board another, there are plenty of opportunities available.

Several times each season, *Royal Clipper* and *Star Flyer* meet-up and engage in an exhilarating sailing race through the Caribbean waters. You can feel the excitement as you stand on deck cheering on your ship! In 2026, *Star Clipper* will visit more unique Caribbean ports on 10- and 11-nights sailings from Grenada, Jamaica, and Antigua.

No matter which itinerary you choose, opportunities for immersive activities abound.

Those looking to take advantage of the area's clear turquoise waters will love snorkeling at Tobago Cays' Marine Park, or swimming with the rays at Stingray City in Antigua. History buffs can explore a variety of UNESCO-listed sites such as historic Willemstad in Curacao and Brimstone Hill Fortress in St. Kitts. Just looking to relax and enjoy the view? Have your camera ready as you sail past famous landmarks like the Pitons in St. Lucia, or simply spend the day strolling through picturesque islands like Martinique and enjoy its charming French culture.

Central America

With an expansive rain forest and beaches flanking both the Pacific Ocean and Caribbean Sea, Costa Rica is one of the most biodiverse countries in the world.

In fact, this small country boasts nearly half a million species of plants and animals inhabiting less than 20,000 square miles. The lush natural environment translates to plenty of opportunities for unique exploration, including kayaking through the fascinating mangrove forests, getting a birds-eye view on a canopy forest tour, or simply combing the pristine beaches for shells.

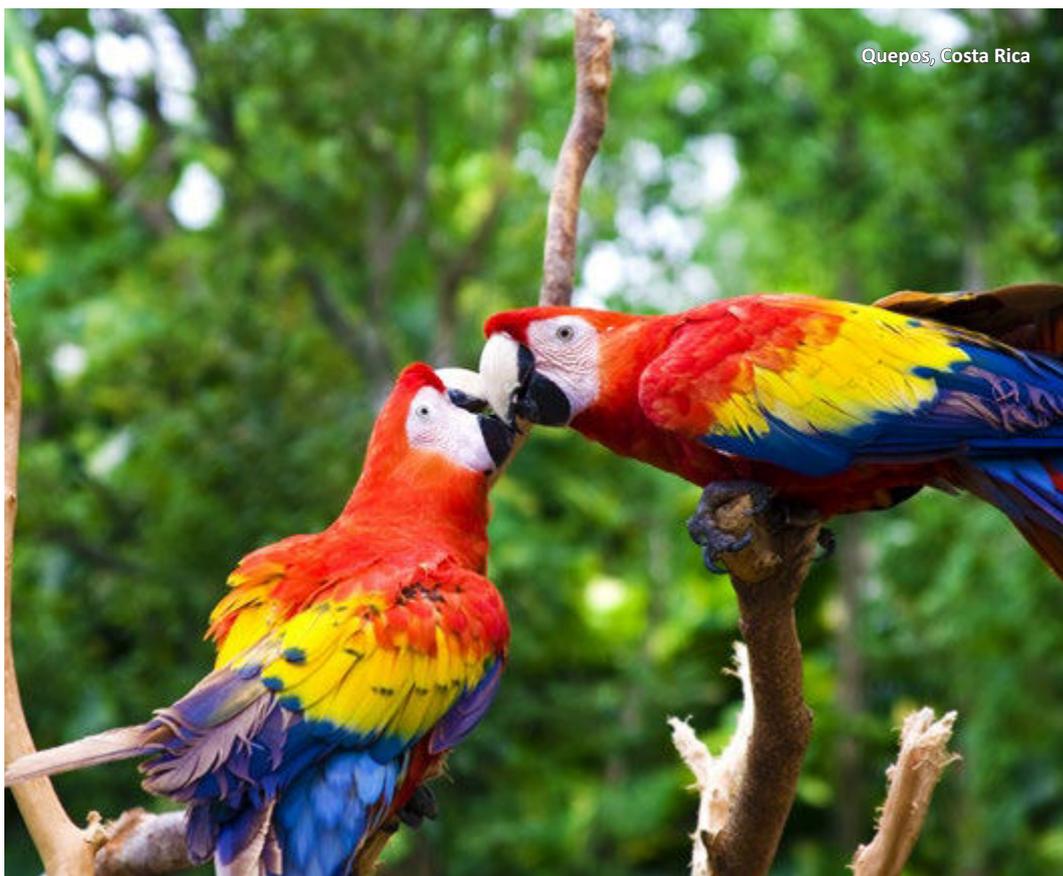

On Star Clipper, seven-day sailings round trip out of Puerto Caldera call on favorite Costa Rican towns as well as ports in Panama, depending on which itinerary you choose. The port town of Quepos, located near the magnificent Manuel Antonio National Park, allows guests the opportunities to encounter monkeys, sloths, and nearly 450 species of birds that call the park home.

The pristine beaches of Isla Tortuga are perfect for snorkeling or taking a refreshing dip in its crystal-clear turquoise waters. For a closer encounter with nature, explore the Curu Reserve, home to an

incredible variety of wildlife, including over 200 birds species, cupuchin and howler monkeys, sloths and anteaters.

Sailings between Balboa, Panama, and Costa Rica offer a deeper dive into this intriguing country. The uninhabited Isla Iguana is a wildlife reserve located on Panama's Pacific coast where guests can watch the colorful frigate birds fly in formation and visit expansive coral reefs containing more than 500 marine species including rare olive ridley sea turtles. Travelers looking for the "deserted island" moment will love Isla San Jose in the Pearl Islands, a 44 kilometer slice of paradise.

With more than 800 miles of coastline and spectacular coral reefs, Costa Rica offers incredible opportunities for snorkelling. Star Clippers' water sports program allows guests to borrow snorkelling equipment for the duration of the sailing, which they can use to their hearts content.

Panama Canal

Built over 100 years ago connecting the Pacific and Atlantic oceans, the canal offers an enthralling historical sojourn among the wildlife, flora and fauna.

It is one of the few engineering wonders of the world and a must-see. Two Panama Canal sailings at the beginning and end of the season allow guests to experience the awe-inspiring feat of engineering firsthand. These 14-night journeys travel between

Bridgetown, Barbados, and Balboa, Panama with ports of call in Aruba, Grenada and Columbia, among others. Along the way, our ships visit numerous Dutch speaking islands as well as the Colombian calls of Cartagena and Santa Marta.

Mediterranean

Verrazzano. Columbus. Marco Polo. Let the wind carry you in the wake of these famous explorers as you sail the Mediterranean, the cradle of western civilization and the home waters to the most lauded of seamen.

Long ago, these Eastern Mediterranean islands and ports were the landing places for an endless tide of invaders from far off lands. From ancient Phoenicia, Persia, the Peloponnesus, Imperial Rome and Constantinople they came. Followed by waves of European Crusader knights, Genoan mariners, Venetian merchants and turbaned Turkish troops of the Ottoman Empire. They stormed ashore to conquer, only to be vanquished by time and absorbed into the dry volcanic earth.

All that remains are their stone ruins, ghostly shapes wrapped in myth and mystery. Today the sun-spangled seas bordered by Greece, Turkey, Italy, Croatia and the Dalmatian Coasts are inviting playgrounds for pleasure seekers. Join us as we explore a yachtsman's paradise on forgotten islands where white-washed sands invite sun worshippers to bask under Helios' gaze, or fortress-like rocks where ancient monasteries cling like mountain climbers on towering cliffs.

Natural beauty and 4,000 years of history converge in Italy, Sicily, France, Portugal, Spain and the islands of the Mediterranean. The taste of sweet green olive oil and fresh ripe tomatoes, the sound of carefree children laughing on sun drenched beaches, the sight of myriad yachts at anchor in picturesque harbours.

These are but a few sights and scenes of the Western Mediterranean. Replete with sparkling capitals, ancient civilizations and cultured ambience, it is an incredibly vivid world of mythical lands and tranquil seas, soaring mountains, medieval villages, private coves and sun struck beaches. Wherever you may wander, you will discover the special magic of the Mediterranean that has enchanted travellers for millennia.

Rate & Early Booking Discount Conditions

Rates: All our prices are in Euro, per person sharing a twin/double cabin. There are a limited number of three berth cabins available. See our third passenger rate which is a fixed rate not subject to any discounts.

Port Charges: Must be added to all rates and are subject to change at any time. No discounts apply.

Single Supplement Rates: A single supplement fare is available at 150% of the published cruise tariff for categories 2-6 selected in the season in which the passengers are travelling. It is available at 200% for category 1 cabins, Deluxe Suites and the Owner's Cabin or Suites. Single space is capacity controlled. 25% discount available on selected dates, go to page 15 to find our solo special offer.

Guaranteed Single: A guaranteed single rate is a special rate for a passenger wishing to sail alone in the cabin. This is a fixed rate whereby Star Clippers will choose and assign the cabin from any cabin category upon embarkation. This rate is based on availability and is capacity controlled. No other discount is applicable on this rate.

Back to Back Cruises: If you wish to sail 1 or more consecutive cruises, they will be discounted by 5%. This discount is combinable with Early Booking Discount and is valid for all categories except guaranteed single.

Children's rates: Children's discounts may be available for children under 18 years, when travelling with full paying adults on certain selected sailings and subject to space availability. For more information, please request information from your Travel Professional at time of booking.

Early Booking Discount (EBD): is subject to availability and does not apply to Guaranteed Single bookings or Children's Rates. EBD is subject to occupancy levels and may be withdrawn at anytime. Availability of EBD will be confirmed at time of booking. Early booking discounts do not apply to port charges. At times, EBD booking deadlines may be extended. Please ask your Travel professional at the time of booking.

Holiday Information

Cruise Documents: When boarding, all passengers must have their cruise ticket, passport, that is valid at least six months beyond the end of your cruise, or ID and visas (where necessary). We recommend that travel documents be kept with hand luggage.

Your cabin: Your cabin is ingeniously designed for comfort and efficiency, with private bathroom, air-conditioning, region TV/free multimedia DVD player, hairdryer and is equipped with a private safe located inside the closet. Operating instructions are posted on the inside of the closet door. Because each passenger is responsible for items kept in his/her stateroom, it is recommended to place items of special value in the complimentary safe. All cabins are non-smoking.

Personal funds and credit cards: Each passenger will receive a personalised identification card that will be used to charge services and products provided on board the ship. The identification cards must be presented each time a passenger boards the ship. Passengers are advised to carry their identification card with them at all times. Each account can be settled in cash Euros or credit cards on the final day of the cruise. The following credit cards are accepted on board: Visa, Mastercard, American Express.

Electrical Appliances: Star Clipper and Star Flyer ships provide passengers with 110-volt (American and European plugs). Royal Clipper has 220-volt (European plug). Each cabin is equipped with 2 hairdryers.

Telephone communications / E-mails: Cabins are equipped with a direct dial telephone that passengers can use while at sea. On Royal Clipper, all calls will be billed to their on board account. On Star Clipper and Star Flyer a credit card may be used directly. Should someone wish to contact a passenger at sea, they may do so by calling the Star Clippers' office and the information will be forwarded to the ship. Please note that telephone and internet communication during Ocean Crossings cannot be guaranteed. Wifi information is available from the Purser's office. Internet rates will be charged to passengers' on board account.

Languages: Daily programmes, announcements and menus are available in three languages: English, German and French, but English remains the main language on board. All our excursions are led by English-speaking guides.

Watersports: All passengers have access to a watersports programme which includes: snorkelling, kayaking, Laser sailing, water-skiing, paddle boards and windsurfing (where possible, subject to weather conditions and local authorities).

Please note: all watersports are complimentary except for scuba diving. Star Clippers takes no responsibilities for scuba diving. Certified divers should contact local dive operators.

Gratuities/Tipping policy: Gratuities on board the ship are not included in the cruise fare and are at the sole discretion of each individual passenger based on the level of services performed. We suggest 10 Euros per person, per night on board: 70 Euros for a 7 night cruise.

Children: Children are welcome on board Star Clippers. We regret that we are unable to accept children on board aged under 6 months, minimum 1 year during ocean crossings. While there is no structured programme providing supervision and care for young children, they are invited to participate in shipboard activities suited to their ability. Children under the age of 18 must be accompanied by an adult. Children occupying cabins as the third person will be charged the third person rate when availability permits.

Special Occasions: Passengers celebrating a birthday, anniversary, honeymoon or other special occasion during their cruise should advise their travel professional or Star Clippers at the time of booking.

Weddings: Confirmation Wedding Ceremonies may be held on board officiated by the Captain. Couples must be legally married prior to boarding and must provide recent (within three months) proof of marriage. Requests to be made through your Travel Professional or Star Clippers.

Honeymoon Package: Complimentary champagne and an assortment of sweet treats will be placed in your cabin. This is valid to all honeymooners who have proof of marriage within 6 months of their sailing date by showing their certificate.

Dining: There are no pre-set seating arrangements, so you may sit where you wish. Attire is a matter of your own personal good taste. In the evening, gentlemen should wear long trousers, shirts with collars and sleeves: jackets are optional. Menus will feature international cuisine and some local specialities: your catering steward will be happy to recommend a wine from our wine list to complement your meal. Room service available on Royal Clipper (suite only).

Meals are generally scheduled as follows:

6.30 to 10.30am	Continental style breakfast or coffee, tea, pastries and juices in the Piano Bar.
8.00 to 10.00am	Breakfast buffet in the dining room.
12.00 to 2.00pm	Lunch buffet on board.
5.00 to 6.00pm	Hors d'oeuvres available in the Tropical Bar or Piano Bar
7.30 to 10.00pm	Dinner <i>à la carte</i> in the dining room.
11.30 to 12.30pm	Midnight snack.

Sometimes a deck lunch or beach barbecue will be organised.

Sloop Shop: It is located on the Clipper Deck aft of the Dining Room. Head here when you need toothpaste, sunscreen, and all those other day-to-day items you can't do without. We also have a tasteful selection of cruise wear, souvenirs and gifts. If you need something and you don't see it displayed, please ask. We might just have it.

Ship's store hours: 8.30am to 9.00pm except on embarkation day (subject to change).

Captain Nemo Lounge: On the Royal Clipper, The Captain Nemo Lounge, our Health and Beauty Centre is open from 8am to 8pm. Services offered include massages, facial and body treatments.

Wet landings: Please note that when ship is moored offshore, passengers will be transferred by shuttle or zodiac. This may involve a beach landing.

N.B: Please note that no smoking is allowed inside the ship or on the aft deck. However, there are designated smoking areas in the Tropical Bar and on the Sun Deck.

The ships will sail whenever possible, although engines may be used if a lack of wind and to keep to scheduled itineraries.
