# CHART THE GOLDEN AGES

Itinerary

*Eras of Exploration* follows the great arcs of human discovery, from ancient empires to seafaring kingdoms, and from golden ages to modern marvels.

Your passage begins deep within South America, sailing along the Amazon before descending to the ice-bound majesty of Antarctica. From there, follow the path of the early Polynesians across the South Pacific, stepping ashore on islands shaped by myth and migration. Explore Australia's wild coastlines before heading north to Southeast Asia, where ancient temples and modern skylines share the same horizon.

Cross into the Indian Ocean to discover the domes, deserts and dynasties of India and Arabia — from the sandstone cities of Petra to the sacred banks of the Nile. Finally, sail into the Mediterranean, where each port offers a page from history and where this journey culminates in the Eternal City.

OVERNIGHT IN PORT

A photograph of a middle-aged couple on the deck of a cruise ship. The man is wearing a light blue button-down shirt and blue trousers, and the woman is wearing a beige top and matching trousers. They are both smiling and looking at each other. In the background, a coastal city with white buildings is visible across the water. A decorative graphic of a branch with leaves is overlaid on the right side of the image. A white rectangular box with a small diamond shape at the top center contains the text.
