Nobody shows you Norway like we do

At Hurtigruten, we've spent over 130 years sailing Norway's coastline - and we're proud to offer the most flexible and immersive way to experience our home.

Step aboard a Hurtigruten ship and you'll be our honoured guest as we show you the best of Norway, our home. Voyagers have trusted us since 1893 - and nobody knows the coast like we do.

Our sailings are shaped by a simple philosophy: Norway, your way. Whether you join us for a few days or a few weeks, there's a journey to match your pace and sense of adventure. With routes stretching from the southern fjords to the Arctic archipelago of Svalbard, and the chance to combine voyages with scenic rail journeys and land tours, we help you discover Norway on your terms.

Generations of experience mean we know how to bring you closer. Our small ships sail sheltered waterways few others can reach,

calling at remote villages, quiet harbours and narrow straits that are inaccessible to larger vessels. This is Norway, up close.

On board, your experience is comfortable, peaceful and distinctly Norwegian. Instead of casinos or stage shows, the real show is Norway itself. Expect fresh local cuisine, cosy cabins and fascinating lectures from our Expedition Teams.

A Hurtigruten voyage isn't just about seeing Norway - it's about understanding it. This is our home, and we're proud to share it with you.

A different kind of cruise

Away from the crowds, close to the coast.
Discover a way of travelling that's true to
Norway, the place we call home.

Closer to the coast

Our cruises don't sail far out to sea, bypassing the coastline and docking in mega-terminals built for megaships.

Our cruises are different. We sail through the landscape, not past it.

Through narrow fjords and between skerries, where the sea feels like a part of the land. Past villages where houses hug the shoreline and people wave from their *solvegg* (sun wall). And into the heart of some of Norway's most intriguing coastal cities, where everyday life plays out on fishing boats and working harbours, just as it always has.

When you sail with us, you get close enough to see the Arctic Circle monument standing on its rocky perch. Close enough to watch a Sea Eagle tip its wings in salute as it glides over an islet. And when the ship turns into the Trollfjord – through a

gap so tight you'll want to hold your breath – you'll feel like the fjord sides are close enough to touch. It's as much about the skill of our Norwegian crew that makes the route possible as it is about the thrill of the Norwegian coastal scenery.

A sailing less staged

On board our small ships, there are no casinos. No cabarets. No captain's dinners with formal dress codes.

Life with us is more intimate, more meaningful. A quieter kind of richness. One where you can read by a window. Share a drink with your fellow travellers as a lighthouse flickers by. Listen to a story from someone in the crew, learn from a lecture, or just let the landscape do the talking.

Here, the star of the show is Norway. And you're not just watching it. You're in it.

HUGGING THE COAST

Bigger cruise ships often sail established routes miles offshore, missing out on many of the fjords and small coastal communities that make our coastline so special.

Hurtigruten is different. Our small ships dock at tiny villages and sail as close as 500 metres to the shoreline – and sometimes just 20-30 metres from towering cliffs – so you always feel connected to the beautiful landscapes and daily life along the coast.

1 Hurtigruten guest = 6 passengers on a large ship*

*Based on the average guest capacity of a large cruise ship, generally defined as a vessel carrying 2,500 to 3,499 passengers

A very enjoyable and relaxing experience. Food very good. Our cabin was lovely. The crew members were universally friendly and helpful. On board lectures were interesting and informative, also the excursions that we chose to do were very good. So overall, an excellent holiday.

Barbara Young

I really enjoyed my cruise from Bergen to Kirkenes and back. My Arctic Superior cabin was very comfortable and the food and was excellent. The crew were all very friendly and helpful. The daily briefings were also very good. I got off the ship at all stops of over 30 mins and really enjoyed exploring all the towns and villages. The Sea Eagle safari excursion was excellent.

Trusted Customer

Excellent as always!! I have travelled so many times with Hurtigruten and it's always fabulous! I upgraded my room to a mini suite and it was perfect. The most comfortable bed, lovely little extras such as chocolates and water. A lovely Christmas star on the window and a great cosy sofa!!

The receptionist on MS Nordkapp was so professional and friendly, remembered by name each time our paths crossed on board!

Michael Oswald Stallybrass

We did the round trip Bergen-Kirkenes-Bergen over midsummer, and seeing the sun at midnight! Our experience exceeded our expectations.

Fantastic scenery. Great excursions, and the expedition team on board were superb. And the Coastal Kitchen was excellent.

Jean Cragg MBE

Very well organised. Staff were excellent. Food was amazing. As a first time traveller, I was very impressed with the organisation and attention to detail.

Linda Meichan

Never thought I would enjoy a cruise but Hurtigruten have got it just right. Comfortable interior, spacious deck area, with the scenery being the star of the show.

of Norwegians and

We are Norway

Let us take you on a journey along the coast that has inspired us for generations.

When you join us on board, you'll soon realise Hurtigruten is woven into the very fabric of Norway. Since our beginnings as a steamship company in the 19th century, we've been part of Norwegian coastal life bringing mail, cargo, passengers and dreams to communities small and large. People have grown up watching our ships pass by, steady as the tides, a reassuring sight for generations.

We believe that when you choose to visit our country you deserve to

be treated like an honoured guest. That's why we take you to places that we love, like hidden fjords and tucked-away villages. We tell you our stories, show you the natural wonders that inspire us, and share with you the best local foods fresh from our seas, farms and mountains.

And we know what we're doing. Our skilled captains and navigators have known the coast since childhood, just as many of our chefs grew up eating the dishes you'll enjoy on board. You'll see

crew members getting on and off at our ports of call – home to them – and you'll also feel like a part of it all.

Norway flows through our veins, it's in our hearts and souls, and it's why voyagers have continued to put their trust in us since the very start.

about our history

A VISION OF BRINGING PEOPLE TOGETHER

Rock, snow, steep mountains – these were the obstacles that cut Norwegians off from one another for much of the year until 1893. In that year, a captain and entrepreneur in Vesterålen named **Richard With** revolutionised transport along Norway's challenging coast when he launched the '*hurtig* (fast) *ruten* (route)'. Sailing to places others couldn't reach, With's legacy of bringing people together on the Norwegian coast continues to this day.

SAILING UNDER THE NORWEGIAN FLAG

Our ships proudly sail under the Norwegian flag, not under distant flags of convenience. This means we are held to Norway's highest standards of safety, environmental regulation and care for our employees. For our guests, it means every voyage is rooted in integrity.

See Norway alongside
the people who call
it their home

Welcome to our home

Our crew don't just work here.
This coastline is their home.

Many of the captains and crew you'll meet when you sail with us are from the very places we call at.

"I grew up near Lofoten and would see the ships pass," says Ann Kristin, a waiter on MS Trollfjord. "For me, working onboard is like a paid holiday. I love seeing our guests reconnect with nature in our tranquil corner of the world."

Our crew is not only knowledgeable; they're proud to share what they know with you. And our Expedition Teams are always here to help you get the most out of your voyage.

Pause to chat with almost anyone working on our ships and you'll likely hear a fascinating detail about life along Norway's coast. Captain Kai Albrigtsen, for example, was born and raised in Stokmarknes. Today, he commands MS Finnmarken.

"As Hurtigruten is a major part of the area's identity, it was never a question for me what to become," he says. "I decided to be a part of this history and started as a galley boy in 1980. My first ship is now the centrepiece of the Hurtigruten Museum in Stokmarknes. It's great to have my first ship nearly in my backyard!"

This familiarity means we know exactly when to pause to watch a whale (and arrive at our next port on time). When conditions are right to slip into impossibly narrow fjords. And when to dim the deck lights so you can see the aurora.

This is what it's like to travel with us. You're welcomed into Norway at every turn, by the people who call it home.

"My passion for Norway shapes every story I tell and every experience I share. It's not just about showing guests the beauty of this country; it's about helping them feel it, understand it and carry a piece of it with them."

Seasons of inspiration

Experience Norway's coast as it transforms with the seasons, each one revealing a different kind of magic.

Most travellers come to Norway during summer, drawn by the glow of the Midnight Sun and the richness of our green landscapes. Yet the other three seasons on the coast are just as captivating, each with its own character, elegance and light. To miss them is to miss out on so much of the beauty we Norwegians would love to share with you.

Hurtigruten is almost unique in sailing Norway's coast through all four seasons. To journey with us is to witness the land's shifting soul: spring awakening in a rush of green, summer glowing in the Midnight Sun, autumn burning in colours of fire, and winter hushed beneath skies alive with the silent Northern Lights. Each season holds its own magic – and with us, you can experience them all.

Our comfortable ships
are designed to help
you unwind

"There's something almost organic
about the relationship between the
ships and the places they go to.
You feel a deeper connection."

- Bruce Railton, guest

Small ships. Big experiences.

Life on board our small ships is comfortable, informal and unfailingly friendly.

A genuine smile from the reception crew, a cheerful wave from a waiter, a sociable “*hei*” from a fellow guest – as soon as you set foot on our ships, you’ll feel relaxed and welcome.

Think of our fleet as your floating home from home. Whether you’re looking to rest, dine or drink, you’ll find the perfect spot among our variety of cabins, restaurants and bars.

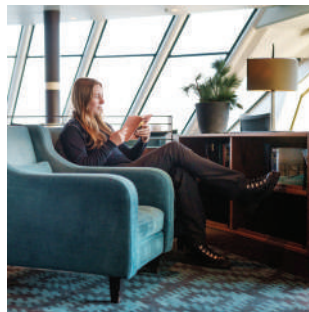

There’s no staged entertainment or formal dress code. Just good company, interesting talks from the Expedition Team and those ever-changing views.

Whether you’re on a Signature or Original voyage, Norway is the star of the show, and your front-row seat is always waiting. Watch the coast scroll by from a *koselig* lounge or a sauna with floor-to-ceiling windows* on deck, from an outdoor hot tub*, or from the quiet of your suite.

You’ll meet people from all over the world, along with a local crew who know this coast like home. And while we don’t want to spoil the mood by mentioning it, it’s reassuring to know that world-class medical care is never far away.

Guests tell us they feel consistently well looked after on board – and the feedback shows it, with scores for food, cleaning and hospitality consistently over 9 out of 10.

1. They love the friendly, attentive service in our restaurants and bars
2. Our crew makes them feel welcome, relaxed and at home
3. Food on board is a real highlight – fresh, local and full of flavour
4. Our spotless ships help them unwind at sea, where cleanliness matters most.

Caring for our coast

Looking after Norway's coast has always been part of our journey.

When it comes to sustainability, we know the cruise industry has work to do. That's why we're determined to play our part in finding solutions and making every voyage a little better for Norway's coast.

From the very beginning, our ships connected isolated communities, carrying more than people and cargo – we carried daily life. Today, that same coastline remains our compass, but also our responsibility.

We've invested €100 million to upgrade our fleet to reduce emissions. We were among the first to abandon heavy fuel oil, to ban unnecessary single-use plastics, and to pioneer hybrid-electric ships. Now we're developing Sea Zero: a state-of-the-art passenger ship designed to sail emission-free in normal operations. We aim to launch in 2030.

Closer to home, every ship carries water filtration systems to protect the seas we sail in. And through the Hurtigruten Foundation, we support local projects from beach cleans to community initiatives along the coast.

When you choose to sail with us – even through small steps like our Green Stay option – you're helping to safeguard Norway's coast for generations to come.

The Made in Norway marque is only awarded to companies that can demonstrate their sustainability efforts.

SEA ZERO - OUR NEXT CHAPTER IN CLEANER SAILING

Sea Zero is our most ambitious journey yet: the world's first ship designed to sail Norway's coast without emissions in normal operations. In partnership with scientists, innovators and Norway's maritime sector, we're developing a vessel that draws on sun, wind and sea through

advanced sail technology, large batteries and streamlined design. Early tests show 40-50% energy savings compared to today's ships, with sails alone cutting 10-15%. With Sea Zero, we look to a future of protecting the wild beauty we've been entrusted with.

"The future of cruising? Norway's Hurtigruten unveils radical zero-emission ship design."

Summer selection

The long, light summer days mean we can offer you many exciting excursions. You might, for example, want to go dog sledding on wheels, fish for king crabs in deep blue Arctic waters, or perhaps explore Tromsø on an e-bike.

Or maybe you're the type who likes to take a sauna and then jump into frigid water, or try your hand at SUP boarding, or hike Senja under the golden glow of the Midnight Sun. With our summer excursions, there's really something for everyone.

Trusted partners

When you step off the ship you'll be greeted by our trusted local partners who'll be ready to welcome you on your excursion. We've built up relationships often over many years of cooperation, so whether you're off on a birdwatching safari, hunting for fossils in Svalbard – or something else entirely – you know you're in the best of hands.

Examples of excursions:

- Explore from Longyearbyen on a wheeled dogsled
- See Lofoten at water level on a sea kayak tour
- Follow a sauna in Træna's oldest boathouse with an Arctic dip
- Hop on an electric bike and discover Tromsø like a local
- Don your hiking boots and take in sublime Senja during the golden hour

Feel the rhythm of the coast

Original voyages let you step into daily life on the coast as it unfolds.

On an Original voyage, you experience the rhythm of everyday life along Norway's coast. Known as 'The World's Most Beautiful Voyage', the Coastal Express is a working lifeline, carrying cargo, locals and travellers steady as the tides, just as it has since 1893. Feel part of daily life as it happens at each of the 34 picturesque ports and on board among travellers and crew, in every season. When you choose Original, you don't just cruise Norway's legendary coast. You live it.

VOYAGES

Original charm

Travel like a local on our Coastal Express fleet, as familiar to Norwegians as the coastline itself.

Our Coastal Express ships lull you into the easy rhythm of life at sea. Everything on board, from the panoramic windows to the Scandi-style interiors, places coastal life at the heart of your cruise.

Life here is friendly and informal. Stand on deck when we dock to watch locals reunite, vital cargo being unloaded, and fresh, local ingredients being brought on board. You might see friends playing board games in the lounge, couples chatting in the sauna,

or knitting groups helping to fix someone's dropped stitch in the onboard bakery – small moments of connection that feel as much a part of the journey as the ports themselves.

Whether you're soaking in the bubbling outdoor hot tubs, listening to a talk in the lecture hall or reading a book in your cosy cabin, you'll feel something we Norwegians call *koselig* – a warm, contented sense of belonging.

Original VOYAGES

A journey of flavours

A relaxed dining experience that takes you even closer to the coast, in every sense.

On an Original voyage, the coast comes aboard with you. At 15 stops along the coast, you'll see crates from local farms, fisheries and bakeries wheeled up the gangway. Not long after, you'll taste their contents in everything from Torget restaurant's seasonal set menus and buffet to Brygga's relaxed bistro favourites.

In Kysten, these fine ingredients are transformed into exquisite fine dining by our most skilful chefs. For a moment of indulgence perfectly paired with the magic of

your voyage, watch fishing villages drift past the Explorer Bar's panoramic windows as you sip spirits made from pure Norwegian glacial water, or sparkling wine aged on the bed of the Arctic Ocean.

Wherever you choose to dine, warm service and ever-changing views are always part of the experience. Each morsel connects you to the coast, the people and the rhythm of the journey. Nothing staged. Nothing rushed. Just real food, served with a view.

The Coastal Express – Northbound

BERGEN - KIRKENES

Take a week to explore Norway's biggest coastal towns and cities on the northbound leg of The Coastal Express. The voyage is a window into the history, culture and everyday life in Norway's largest coastal communities, as well as the quiet fishing villages we pause at along the way.

Departing from Bergen, Norway's second city, you'll sail past cathedrals, bustling harbours and historic quarters. Cross the Arctic

Circle, round the northernmost tip of mainland Europe and disembark in Kirkenes – closer to Svalbard than Oslo.

In spring or autumn, your ship also sails into the Hjørundfjord, hidden in the Sunnmøre Alps. In summer, you cruise the UNESCO-listed Geirangerfjord.

Extend your time in Norway

From spectacular railway journeys to ice sculpted hotels, add a day or two before or after your voyage to experience more of Norway's wonders – available on both Signature and Original voyages.

NORWAY IN A NUTSHELL

Take the scenic train from either Bergen or Oslo to the mountain station at Myrdal. There, you'll transfer to the Flåm Mountain Railway, one of the most beautiful train journeys in the world, including a photo-stop at Kjosfossen waterfall.

Once in the fjord-side village of Flåm, drop into the Flåm Railway Museum before an electric boat brings you out onto Aurlandsfjord

for a two-hour cruise to UNESCO-listed Nærøfjord. The mountains that flank the fjords range between 1,400 and 1,600 metres high, creating a truly spectacular landscape.

Disembark the boat at Gudvangen where a bus will carry you through Nærøydalen valley. The driver will take the mountain road that leads to the village of Voss where you'll catch the train back to Bergen or Oslo.

SOGNEFJORD IN A NUTSHELL

Similar to the Norway in a Nutshell programme, this tour also includes a train from either Bergen or Oslo to Myrdal, and then the Flåm Mountain Railway with a photo-stop at Kjosfossen waterfall.

You'll visit the Railway Museum in Flåm before joining a cruise that starts from Aurlandsfjord, an arm of Sognefjord, Norway's longest fjord. The cruise then takes you through most of Sognefjord, giving you front-row seats to the so-called 'King of Fjords' and the surrounding mountains which tower some 2,000 metres tall.

Exiting Sognefjord, the boat will travel out into open sea, and hug the coast south to Bergen. Those headed to Norway's capital can then take the train from Bergen to Oslo.

Superior comfort
and an intimate sailing
experience

Your sanctuary at sea

Feel cosy, warm and calm on board our ships,
whichever type of voyage you choose.

You'll feel a sense of Norwegian cosiness – or *koselig* – in the interiors of our ships. Natural materials, comforting colours, soft lighting and thoughtful décor create a homely ambience. Expect woollen bed throws, feather pillows and supremely comfortable mattresses in many cabins, while shared spaces invite quiet moments of peace and reflection.

Beyond comfort, our small ships have soul – a warmth and intimacy that make every voyage feel deeply personal. We know that Norway is the real star of the journey, but we also want you to experience the understated premium feeling Scandinavia is known for. That's why stepping aboard feels less like boarding a ship, and more like entering your own sanctuary at sea.

Expedition Suite

Only located on the upper decks, these spacious premium suites are the best our ships have to offer. All boast large windows with splendid views of the coast.

Arctic Superior

Enjoy an outside window with these bigger cabins which are usually situated on the upper or middle decks. Most have views of the passing scenery.

Polar Outside

Found on most decks, this category of cabin comes with a window or small porthole. Some cabins look out onto the mid-level walking deck.

Polar Inside

Similar in size to Polar Outside cabins, just without the window. Cabins may have single beds that can be combined into a double, or with one bed converting into a sofa.

MS NORDLYS

MS Nordlys is named after the Northern Lights. Her interior design is similarly inspired by the aurora, with swirling patterns and design motifs reflecting nature's artwork.

A hybrid electric propulsion system, installed in 2025, means MS Nordlys can sail silently and without emissions for parts of the journey.

MS RICHARD WITH

It's only right that one of our ships should bear the name of our founder Captain Richard With. Thanks to his vision and entrepreneurship, we are The Original Norwegian Coastal Express, helping coastal communities survive and thrive.

In 2022, MS Richard With underwent an engine upgrade, switching to greener, more efficient hybrid-electric propulsion systems.

MS VESTERÅLEN

Named after our very first coastal steamship from 1893, MS Vesterålen may be the smallest ship in our fleet, but she's packed with charm and character. Freshly refurbished in 2025, and with just 124 cabins and suites, the onboard experience is warm and intimate with cosy lounges and bright décor.

Please note: due to the smaller size, MS Vesterålen has fewer facilities than other Coastal Express ships.

THE WIND AND THE WAVES

The timings above are only approximate. Everything depends on the weather and the sea conditions at the time.

There may be times when it's not all plain sailing and we have to change the schedule or skip over certain ports. That's just part of the adventure of being at sea.

SHORT STOPS

At the ports where we only dock for 10 minutes, it may not be possible to get off the ship.

But you can still enjoy the sight of everyday life on the pier: cargo being loaded or unloaded, family and friends welcoming one of our local guests home.

TERMS AND CONDITIONS

TRUST US TO KEEP YOU SAFE

We always do our best to keep to our sailing schedule, but sometimes the sea or weather on the Norwegian coast has other plans.

When the wind is too wild or the fog is too thick, your safety comes first for us. Every time. Even if that means we have to change our itinerary or cancel excursions at the last minute.

WILDLIFE IS A SURPRISE

The Norwegian coast is a natural habitat, and we can't control what wildlife you get to see on your voyage with us. A lot depends on the season, migration patterns, and pure luck.

You might see Sea Eagles, seals, or whales. But you also might not. It's the excitement of not knowing that makes the times they do appear feel even more special.

NORTHERN LIGHTS PROMISE TERMS & CONDITIONS

Subject to the following 'Terms and Conditions' in 2026/27/28

This offer applies to all new bookings for voyages of 11 days or more along the Norwegian coast aboard The Original Coastal Express and The North Cape Line. It applies to North Cape Line and Coastal Express voyages departing between 20 September 2026 - 31 March 2027 and 20 September 2027 - 21 March 2028.

A Northern Lights occurrence is defined as a sighting from the ship which is recorded by the ship's deck officers and which is announced to passengers on board. Northern Lights will be announced to your cabin or in another way as decided by the Master. An occurrence can last anything from a few minutes to a matter of hours, and the ship's decision as to whether the Northern Lights occurred is final.

We announce occurrences of the Northern Lights on board the ship and you have the option of announcements direct to your cabin or suite. We hope that you will experience seeing the Northern Lights whilst on your voyage with us of 11 days or more, but we cannot be held responsible if you don't.

We promise that in the event of there being no Northern Lights occurrence as defined above, you will receive a 6 day Original Coastal Express Classic Voyage, departing between 20 September and 31 March in an unspecified inside twin cabin on a full-board basis free of charge. You may upgrade to another grade of cabin subject to additional costs and availability. Please note that upgrading to suites with this offer may not be available.

We reserve the right to withdraw or amend the offer at any time. Please check at the time of booking as to the current status of the offer. The offer must be claimed and booked within 28 days from your return date. A choice of departure dates will be given.

The offer excludes flights, transfers, all onboard expenses, excursions, and luggage handling. The offer does not apply to re-scheduled or cancelled cruises. Bookings are non-transferable, non-changeable, and have no cash value. This offer is not combinable with claims for compensation, refunds or price reductions

1. YOUR CONTRACT

These Booking Terms and Conditions together with our privacy policy, the information contained in your brochure and any other written information that we brought to your attention before we confirmed your booking, form the basis of your contract with Hurtigruten Ltd whose registered office is at MYO Bankside, The Forge, 133 Park Street, London, SE1 9EAY (Company No: 02865967), a company wholly owned by Hurtigruten Global Sales AS.

When you book an air package holiday or sailing with us the contract between us will exist as soon as you or your travel agent asks us to confirm your booking. We then become responsible to provide you with the voyage arrangements or air package holiday you have booked and you become responsible to pay for them, in each case subject to these terms and conditions. You will also become responsible to pay for any additional arrangements made by us on your behalf including International Flights not included in any air package, optional excursions, travel insurance or other arrangements requested by you and booked.

When you make a booking you guarantee you have the authority to accept and do accept on behalf of your party the terms of these booking conditions and accept responsibility for making all payments to us for all members of the party.

Furthermore, you consent to our use of your personal data in accordance with our Privacy Policy and you are authorised on behalf of all persons named on the booking to disclose their personal details to us, including where applicable, special categories of data (such as information on health conditions or disabilities and dietary requirements). We are unable to accept provisional or conditional bookings. We will send all documents and other information to you and you will be responsible for ensuring that all other members of the party are kept fully informed.

For Security reasons all adult passengers are required to provide contact information, including phone number and email. We will not issue travel documents before we have received this information.

A confirmation invoice which you should check as soon as you receive it will be sent on receipt of your deposit. If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge and additional costs (see clauses 6 and 7 below) which may be as much as the whole of the original price of your arrangements. Only one invoice and one set of documents will be issued. No verbal amendments may be made by either party to these written booking conditions; any change must be in writing signed by the Chief Executive of Hurtigruten Global Sales AS.

If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate and a confirmation. Upon receipt, if you believe that any details on the ATOL Certificate or confirmation or any other document are wrong you must advise us immediately.

If you book your holiday through a travel agent all communication must be through that agent. Please quote your booking reference number in all communications.

You are responsible for complying with any visa or other entry requirements for you or any of your party who are not full European Union Passport Holders.

2. YOUR FINANCIAL PROTECTION

We provide financial security for flight inclusive Packages and ATOL protected flights. We do this by way of a bond held in favour of the Civil Aviation Authority (www.caa.co.uk; 45-59 Kingsway, London WC2B 6TE) under ATOL number 3584.

When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. The price of our flight inclusive Arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to Customers who book and pay in the United Kingdom.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL Scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We provide financial security for holidays not including flights by way of a bond held with ABTA (www.abta.com; 30 Park Street, London SE1 9EQ).

If you book Arrangements other than an ATOL protected flight or Package from us, your monies will not be financially protected. Please ask us for further details.

3. PAYMENT

Once you have asked us to confirm your booking the total price of the arrangements you have booked is due and is payable as follows:

(i) If you book more than 90 days before your scheduled departure date, a non-refundable deposit of 25% is due. The balance is due 90 days before your scheduled departure date. No second invoice will be sent. Travel documents will be issued 7 to 14 days prior to departure.

(ii) If you book less than 90 days before your scheduled departure date the full price is payable when you book.

Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by cash, bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above – you should allow 5 working days for clearance from the time we receive it).

Bookings made within 90 days of departure require full payment at the time of booking and no refund is made if cancelled.

Your booking may be cancelled if we do not receive payment by the due date (we will not normally send reminders) and cancellation charges as set out under 'If You Cancel' (see below) will be payable by you.

4. FITNESS TO TRAVEL ON THE SHIP, PREGNANCY, DISABILITY OR REDUCED MOBILITY, MEDICAL/MOBILITY EQUIPMENT

In order to ensure that the Carrier is able to carry passengers safely and in accordance with applicable safety requirements established by international, EU or national law or in order to meet safety requirements established by competent authorities including the ships flag state every Passenger warrants that he/she is fit to travel by sea and that his/her conduct or condition will not impair the safety of the ship or inconvenience the other passengers. Information on the trip's/holiday's general suitability for persons with reduced mobility is provided in the sales and marketing material for the trip/holiday and specific information is available upon request.

We reserve the right to require any Passenger to produce medical evidence of fitness to travel in order to assess whether that Passenger can be carried safely in accordance with applicable international, EU or national law. If we consider it necessary, we are entitled to administer a health questionnaire prior to boarding.

If it appears to us, the Master or the Company's nominated medical representative that a Passenger is for any reason unfit to travel, likely to endanger safety, or likely to be refused permission to land at any port, or likely to render the Carrier liable for Passenger maintenance, support or repatriation, then the Carrier or the Master shall have the right to take any of the following courses:

(i) Refuse to embark the Passenger at any port;

(ii) Disembark the Passenger at any port;

(iii) Transfer the Passenger to another berth or cabin;

(iv) If the Company's nominated medical representative considers it advisable, to place or confine him/her or to transfer the Passenger to a health facility at any port, at the Passenger's expense;

(v) To administer first aid and administer any drug, medicine or other substance or to admit and/or confine the Passenger to a hospital or other similar institution

at any port provided that the ship's nominated medical representative and/or Master considers that any such steps are necessary.

Where a Passenger is refused embarkation as a result of safety and/or fitness to travel, neither we nor the carrier shall be liable for any loss or expense occasioned to the passenger thereby, nor shall the passenger be entitled to any compensation from the Carrier.

Passengers who need assistance and/or have special requests or need special facilities or equipment with regard to accommodation, seating or services required or need to bring medical equipment must notify us at the time of booking. If there are any particular conditions, disabled or reduced mobility which require personal care or supervision then such personal care or supervision must be organised by the passenger and at the passenger's expense. Those passengers confined to wheelchairs must furnish their own standard size foldable wheelchairs but needn't be accompanied by a travelling companion. Unless we and or the Carrier agree otherwise and in writing Passengers are limited to bringing 2 items of such mobility or medical equipment on board per cabin with a total value not exceeding £2,200. All equipment must be capable of being carried safely and must be declared before the sailing. The Carrier may decline to carry such equipment where it is not safe to do so or where it has not been notified in time to enable a risk assessment to be carried out.

Pregnant women are welcome onboard our cruises, however, we recommend seeking medical advice prior to travel at any stage of the pregnancy. For the sake of the mother and baby, a medical certificate may also be needed at certain stages of the pregnancy.

Up to 4 weeks before the due date: A medical certificate is not needed.
Between 2-4 weeks before the due date: A medical certificate is needed to travel with us.

Less than 2 weeks before the due date: For the sake of the mother-to-be and the baby, pregnant mothers are not permitted to travel with us less than 2 weeks before the due date.

5. A - PRICES

All Voyage prices shown in this brochure are in pounds sterling and are per person based on full occupancy of the cabin accommodation unless otherwise stated.

Single/Sole occupancy of cabins with more than one berth is at our discretion as single/sole use of multiple berth cabins will be limited.

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. You will be advised of the current price of the voyage or air package holiday you wish to book before your contract is confirmed. The price of your confirmed holidays is subject at all times to variations in:

(i) the price of transportation resulting from the cost of fuel or other power sources;

(ii) the level of taxes or fees applicable to the holiday imposed by third parties not directly involved in the performance of your holiday, including tourist taxes, landing

taxes or embarkation or disembarkation fees at ports and airports; or
(iii) the exchange rates relevant to your package.

You will be charged for the amount of any increase in accordance with this clause and, where this is necessary, we will notify you of the relevant adjustments by issuing a new invoice. However, if this means that you have to pay an increase of more than 8% of the total price of your confirmed holiday (excluding any amendment charges and/or additional services or travel arrangements), you will have the option of accepting the price increase and paying the requested amount, accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any amendment charges and/or additional services or travel arrangements not forming part of your package. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date on your new invoice. As Hurtigruten is a member of ABTA, Hurtigruten will absorb an amount equal to 2% of the holiday cost before passing on any surcharge.

Should the price of your voyage or air package holiday go down due to changes above then any refund due will be paid to you, less an administration fee of £50 per person

Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual or other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

5. B - VOYAGE AND AIR PACKAGE HOLIDAY

Prices Do Not Include:

- Travel Insurance
- Luggage Handling
- International Flights except where included in the Air Package Holiday Price
- Optional Excursions
- Gratuities

Optional Excursions booked before you travel or local excursions or other activities that you may choose to book and pay for whilst on holiday are not part of your voyage or air package holiday arrangements provided by us nor are we agents for the provider of the service. For any excursion or other activity you book before departure or with which you are assisted in arranging whilst on holiday, your contract will solely be with the supplier of the excursion or activity and not with Hurtigruten. We are not responsible for the provision of your excursion or activity or for anything that happens during the course of its provision by the supplier.

6. IF YOU CHANGE OR TRANSFER YOUR BOOKING

If you wish to change your travel arrangements after they have been confirmed we will do our utmost to help but it may not always be possible. Any request for changes to be made must be in writing by the person who made the booking or your travel agent. You will be asked to pay an administration charge of £50 per person and any further cost

we incur in making this alteration. NB: most airlines will charge a fee for ticket changes. Costs may increase the closer to the departure date that changes are made. For example, the transfer within 60 days of departure of arrangements involving a scheduled flight will mean the cancellation and re-booking of this flight and a significant additional charge.

If you change the number of people in your party, the price of the arrangements will be recalculated for the new party size e.g. this may mean that accommodation is under-occupied and each member of the party may have to pay an increased price.

Any increase in price caused by changes you have requested is not a cancellation charge even though it may arise because a member of your party has cancelled. Any change by you to your confirmed arrangements after departure is in all cases subject to availability and any relevant costs.

Transfer of Booking: If any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- that person is introduced by you and satisfies all the conditions applicable to the Arrangements;
- we are notified no less than 7 days before departure;
- you pay any outstanding balance payment, an administration fee of £60 per person as well as any additional fees, charges or other costs arising from the transfer; and
- the transferee agrees to these booking conditions and all other requirements applicable to the holiday booking.

You and the transferee remain jointly and severally liable for payment of all sums.

If you are unable to find a replacement, cancellation charges as set out will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

7. IF YOU CANCEL BEFORE DEPARTURE

You, or any member of your party, may cancel your travel arrangements at any time. Written confirmation from the person who made the booking or your travel agent must be received by us via email or our offices. For postal cancellations, we recommend recorded delivery. Cancellation takes effect the day we receive your letter or email. Since we incur costs in relation to your arrangements from the time we confirm your booking you will have to pay the applicable cancellation charges as shown in the table below (which also applies if we cancel because you have failed to make payments on time - see 'Payment' section) together with the cost of any air fare for which we have had to pay at the time of the booking and will be payable immediately on cancellation.

NORWEGIAN COASTAL VOYAGES:

| When the cancellation letter is received by us before departure | Charges as a % of the total holiday cost (excl. insurance premiums) |
|---|---|
| - 90 or more days | 25% |
| - 60-89 days | 40% |
| - 28-59 days | 70% |
| - 14-27 days | 90% |
| - Less than 14 days | 100% |

TERMS AND CONDITIONS

If you have to cancel for a reason covered by your travel insurance you may be able to reclaim the cancellation charges, less applicable excess. Insurance premiums are not refundable.

8. IF YOU CANCEL DUE TO FORCE MAJEURE

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of unavoidable and extraordinary circumstances occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or which significantly affects transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any compensation. Please see clause 10 for more information on Force Majeure.

9. IF WE CHANGE OR CANCEL YOUR BOOKING

We reserve the right to change any of the details, and correct any errors in this brochure or invoices at any time. If changes are made before you have made your booking we will advise you before we confirm your arrangements.

We reserve the right in any circumstances to cancel your travel arrangements (for example if a minimum number of participants for a particular travel arrangements not reached, we may have to cancel it) and to change airline, aircraft types, vessels and itineraries without liability for any subsequent loss. Even after we have confirmed your booking we may have to cancel or make alterations to your booking but we will not cancel your travel arrangements less than 60 days before your departure except for reasons of force majeure or failure by you to pay the final balance in full. Most alterations will be minor and while we will do our best to notify you or your travel agent of any changes as soon as reasonably possible if there is time before your departure, we will have no other liability to you.

Occasionally we may have to make a significant change to your confirmed arrangements. If we have to make a Significant Change we will notify you as soon as possible and you may either:

- accept the Significant Change and the contract between us will then be varied to incorporate the change; or
- take alternative arrangements altogether (subject to availability). If the alternative arrangements selected are a lower price than those originally confirmed the difference will (if already paid) be refunded to you; or
- withdraw from the booking completely in which case we will, as soon as possible, refund all money paid to us.

You must inform us of your decision as soon as reasonably possible and not later than 7 days of being informed of the alteration. If you choose (a) or (b) above, you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, as per the amount shown in Scale A below. If you choose (c) we will pay you compensation shown in Scale B below. In all cases we will have no liability for any other or greater compensation or for expenses or losses incurred.

Period before departure date notification given by us. Credit/

Compensation per fare-paying passenger (excluding infants)*

| | Scale A | Scale B |
|-------------------|---------|---------|
| 0-7 days | £50 | £25 |
| 8-14 days | £40 | £20 |
| 15-28 days | £30 | £15 |
| 29-42 days | £20 | £10 |
| 43-59 days | £10 | £5 |
| More than 60 days | | Nil |

*The compensation shown above applies to full fare paying adults only. Children or others travelling at concessionary rates will receive compensation pro rata based on the concessionary price against the full adult price as shown on the confirmation.

IMPORTANT NOTE: We will not pay you compensation in the following circumstances:

- where we make a change that is not a Significant Change;
- where we make a Significant Change or cancel your arrangements more than 60 days before departure;
- where we have to cancel your arrangements as a result of your failure to make full payment on time;
- where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;
- where we are forced to cancel or change your arrangements due to Force Majeure (see clause 10).

Please note: where arrangements with a higher price than the original arrangements are offered by us and accepted by you, the difference in price will be deducted from any compensation payable. In no case will we pay compensation if the arrangements offered by us and accepted by you are of a higher price than those originally booked by you and in the same location where no additional payment is made by you.

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will make alternative arrangements for you at no extra charge and, if appropriate in all the circumstances, will pay you reasonable compensation.

A flight or ship delay does not constitute a change to holiday arrangements.

10. FORCE MAJEURE

Except where otherwise expressly stated in these Booking Conditions we are unable to accept liability or pay compensation where the performance or prompt performance of our contractual obligation is prevented or affected by reason of circumstances amounting to 'force majeure' i.e. any event which we or the supplier(s) of the service(s) could not, even with due care foresee or avoid. Such events may include, but are not limited to, war, threat of war or civil commotions, riots, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather, fire, flood, drought, government action, airport and port regulations and closures, technical transportation problems, maintenance to vessels, scheduling of transport and similar events outside our control.

11. COMPLAINT PROCEDURE

If there is a problem during your holiday, you must report it on board immediately or to the relevant airline, ground handler,

hotelier or other supplier, so that prompt efforts can be made to resolve the problem. In the unlikely event that a problem cannot be resolved at the time and you wish to complain, you must send us full written details within 28 days of your return.

Failure to take either or both of these steps will prejudice our ability to resolve your problem and / or investigate it fully. In consequence, any right to compensation you may have will be extinguished or, at the very least, substantially reduced.

Where the port of embarkation for your sailing is in the EU then any complaints relating to EU Regulation 1177/2010 on Passenger Rights when travelling by Sea and Inland waterways must be made to us in writing no later than 2 months after return from travel or the date on which the service complained of was performed. We will provide a final reply within 2 months. You must supply full details to enable us to deal with your complaint.

Please note that we offer an Alternative Dispute Resolution service through our ABTA membership. Please see clause 12 for further details. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

12. ABTA

We are a Member of ABTA, membership number V7545. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

13. OUR LIABILITY TO YOU

(i) We will accept responsibility for those arrangements we agree to provide or arrange for you as an 'organiser' under the Package Travel, Package Holidays and Package Tours Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations) as set out below. Subject to these booking conditions, if we or our suppliers perform or arrange your contracted holiday arrangements negligently, taking into consideration all relevant factors, we will pay you reasonable compensation. The level of such compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(ii) Where death and or personal injury and or loss of or damage to property occurs during carriage by air or by sea then liability and the extent of damages recoverable will be dealt with by International Conventions as set out in paragraphs (v) and (vi) and not otherwise.

(iii) As set out in these booking conditions we limit the maximum amount we may

have to pay you for any claims you may make against us which do not involve personal injury, illness or death. Except where loss of and/or damage to luggage or personal possessions is concerned if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 13 (vi) below.

(iv) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier or hotel keeper concerned would have to pay under the international convention or regulation which applies to the travel arrangements or hotel stay in question. (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens convention for international travel by sea).

Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request. We do not have any liability to you by virtue of the Regulation 261/2004 which applies solely to the operating carrier. Any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier; any sums you receive from the carrier will be deducted from any amount due from ourselves.

(v) Travel by sea is governed by the provisions of the Convention Relating to the Carriage of Passengers and their Luggage by Sea 1974 as amended in 1976 ("The Athens Convention") and where applicable from 1 January 2013 EU Regulation 392/2009 relating to the Liability of carriers of passengers by sea in the event of accidents ("EU Regulation 392/2009"). For the purposes of the Athens Convention and EU Regulation 392/2009 we are the Contracting Carrier.

The Athens Convention and EU Regulation 392/2009 limit the Carriers' liability for death or personal injury or loss or damage to luggage and makes special provision for valuables. It is presumed that luggage has been delivered to you undamaged unless written notice is given by us and/or the performing Carrier.

a) in the case of apparent damage, before or at the time of disembarkation or redelivery; or

b) in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.

Damages for cabin luggage payable by the Carrier are limited up to the Athens Convention limit of 833 SDRs or 2250 SDRs if EU Regulation 392/2009 applies. Limits shall be reduced in proportion to any contributory negligence by the Client and by the maximum deductible specified in Article 8(4) of the Athens Convention or EU Regulation 392/2009.

In so far as we may be liable to a Client in respect of claims arising out of carriage by sea, we shall be entitled to all the rights, defences, immunities and limitations available, respectively, to the actual carrier and under the relevant Conventions and nothing in these Booking Conditions shall be deemed as a surrender thereof. To the extent that any provision in these Booking Conditions is made null and void by the Athens Convention or EU Regulation 392/2009 or any legislation compulsorily applicable or is otherwise unenforceable, it shall be void to that extent but not further.

Any liability in respect of death and personal injury and loss of and damage to luggage which we may incur to you shall always be subject to the limits of liability contained in the Athens Convention or EU Regulation 392/2009 for death/personal injury of 46,666 Special Drawing Rights (SDR) or 300,000 SDR under Athens Convention or 400,000 SDRs under EU Regulation 392/2009 except in the case of liability for war or terrorism 250,000 SDRs. We are not liable for valuables, monies or other securities including jewellery and watches. If they have been deposited with the reception desk on the ship for safe keeping and a receipt issued then in those limited circumstances the Carriers liability will be as set out in the Athens Convention or EU Regulation 392/2009. The use of safes on board a Vessel is not a deposit with the ship or with the company under the Athens Convention or EU Regulation 392/2009 or otherwise. The limits are 1200 SDRs pursuant to Athens or 3,375 SDRs pursuant to EU Regulation 392/2009.

(vi) Where there is any loss of or damage to property including luggage which is not covered by any international convention and where liability is not limited by reference to any enactment, terms of conditions, then any legal liability that we may have for any such losses or damage will not exceed £500 per guest.

(vii) You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out in clause 11 above. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

(viii) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description: (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or (b) relate to any business.

(ix) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

14. YOUR RESPONSIBILITIES AND INDEMNITY

When you book arrangements with us you accept responsibility for the proper conduct of yourself and your party. If your actions or omissions cause damage to any property in the provision of the contracted arrangements, or cause delay or diversion to any flight or other means of transportation, you agree to fully indemnify us against any claim (including professional fees and legal costs) made against us by or on behalf of the owner of such property or the operator of the flight or other means of transportation. The Captain of an aircraft or Master of a ship has authority over the aircraft/ship and passengers at all times when they are boarding or on board. There will be no liability on our part, or that of any supplier, for any refund, compensation, or costs thus incurred. Additionally, we will have the right to recover full costs resulting from the incident from the passenger.

At any port or place we may refuse to embark or may disembark any passenger who, in the opinion of the ship's authorized personnel, might be excluded from landing at further destinations by local authorities or who may be suffering from any contagious or infectious disease, or whose presence may be detrimental to the wellbeing of passengers or crew. In cases of quarantine of the ship, or individual passengers (passengers may be required to remain in their cabin or as instructed by authorised personnel on board if they or any other occupant of the accommodation presents any symptoms or may be considered to put other passengers at risk) we will not be liable for expenses thus caused and in such cases as above there will be no entitlement to any refund or compensation and we will have no liability for costs incurred as a result.

Your specific passport and visa and health requirements and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept responsibility if you cannot travel because you have not complied with the latest requirements. If you have made independent travel arrangements you accept responsibility for joining the ship in good time, regardless of any change to the sailing time or date, or to the itinerary. We are not able to refund monies paid to us, or any third party acting on our or your behalf, or make compensation or other payments where, for whatever reason, you fail to join the ship. Passengers going ashore are responsible for re-boarding the ship prior to departure from port.

We reserve the right to substitute another vessel for the scheduled vessel whether or not owned or operated by Hurtigruten. Any part of the travel arrangements and the voyage is subject to cancellation, delay, modification, or island/mainland visit cancellation for any reason, including medical disembarkation of crew or passengers or any other circumstances beyond our or our suppliers' control. You therefore acknowledge and agree that the scheduled itinerary for the voyage and the announced departure and arrival times are not guaranteed and we shall not be liable to passengers for any damages

or other claims in the event of any delay, changes in itinerary or inability to perform services by reason of any event or events beyond our or our suppliers' control.

15. INSURANCE

It is a condition of the contract with us that every member of the booking has travel insurance in force for the entire duration of the booking, covering at least the cancellation of the booking and providing medical cover for illness or injury and repatriation while overseas. Please provide us with the name of your insurer, together with their 24-hour emergency number when you book or as soon as possible.

16. TIMINGS, DELAYS & OTHER TRAVEL INFORMATION

Timings are estimates only and cannot be guaranteed, even if shown on tickets. They may be changed due to regulatory authority requirements, weather conditions, maintenance or technical reasons, and the ability of passengers to check in and board on time. Sometimes delays cannot be avoided but in such situations, in conjunction with our local agents or representatives, we will try to ensure your comfort during the course of any delay.

Where the port of embarkation is in the EU and the company reasonably expects the departure of a cruise to be delayed for more than 90 minutes beyond its scheduled departure time, passengers departing from port terminal shall be offered free of charge snacks, meals or refreshments as are appropriate given the waiting time, provided they are available and can reasonably be supplied. If the delay in departure necessitates a stay of one or more nights or a stay additional to that intended by the passenger where and when physically possible the Company shall, subject to the Package Travel Regulations 1992 and the EU Directive 2015/2302 on Package Travel (and subsequent UK regulations, offer passengers departing from port terminals free of charge adequate accommodation on board or ashore, and transport to and from the port terminal and place of accommodation in addition to the snacks, meals and refreshments previously referred to. The maximum amount that the company will pay for accommodation ashore and transport to and from the port terminal shall be equivalent to 80 Euros per person per night for a maximum of three nights. The company will not have an obligation to provide such accommodation ashore where the delay is caused by weather conditions endangering the safe operation of the ship.

Please note the existence of a "Community list" (available for inspection at https://ec.europa.eu/transport/modes/air/safety/air-ban_en) detailing air carriers that are subject to an operating ban with the EU Community.

17. PROMPT ASSISTANCE

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to you or a third party unconnected with the provision of the arrangements, or as a result of failures due to unusual and extraordinary circumstances, and you suffer an injury or other material loss, we will offer you such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and with distance

communications and finding alternative travel arrangements.

Where you experience a delay which is not owing to any failure by us, our employees or sub-contractors, this prompt assistance is likely to extend to providing help in locating refreshments, accommodation and communications but not paying for them. Any airline or other transport supplier may however pay for or provide refreshments and/ or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements.

18. VALIDITY OF TERMS AND CONDITIONS

These terms and conditions are valid from March 2025 and the details and prices may be superseded. Changes may occur after the date of release, and some hotel/ship facilities may become unavailable. While this brochure features photography and descriptions of local wildlife, there is no guarantee of sightings.

19. LAW AND JURISDICTION

Your contract shall be governed by English law and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so.

20. DATA PROTECTION

In order to process your booking and ensure your travel arrangements run smoothly and meet your requirements we, Hurtigruten Ltd, need to use the information you provide such as name, address, any special needs/ dietary requirements etc. We take full responsibility for ensuring that proper security measures are in place to protect your information. We must pass the information on to the relevant suppliers of your travel arrangements such as airlines, ships, hotels, transport companies etc. The information may also be provided to security or credit checking companies, public authorities such as customs/ immigration if required by them, or as required by law.

Additionally, where your holiday is outside the European Economic Area (EEA), controls on data protection in your destination may not be as strong as the legal requirements in this country.
