Tall Ship Cruises That Dreams Are Made Of

CARIBBEAN • CENTRAL AMERICA • PANAMA CANAL • OCEAN CROSSINGS

We are proud to unveil our Winter 2027/28 collection of sailings, inviting you to discover the sun-drenched beauty of the Caribbean and Central America in truly unforgettable style. Guided by the wind and thoughtfully designed itineraries, our tall ship voyages blend the timeless romance of traditional clipper sailing with the comfort and refinement of a private yacht experience.

In November 2027, Royal Clipper, Star Clipper and Star Flyer embark on their spectacular westbound Atlantic crossings. Departing from Las Palmas or Lisbon, these extraordinary journeys evoke the golden age of sail, where unhurried days unfold beneath billowing canvas as you journey towards warmer, tropical horizons.

From St John's, Antigua, Star Clipper offers a longer, more leisurely voyage over Christmas, perfect for embracing the festive season at sea. With ideal trade winds guiding the way, your sailing adventure begins in authentic style, calling at elegant and unspoilt destinations including Gustavia in St Barts, as well as the idyllic shores of Norman Island, Jost Van Dyke, Tortola, St Kitts, Dominica, Îles des Saintes and Guadeloupe. Ring in the New Year in true style with a spectacular 12-night sailing, seamlessly combining two voyages from Antigua and exploring the Caribbean's most captivating islands.

For those seeking something truly iconic, Star Clipper also sails from the historic port of Colón on a remarkable 9-night journey through the Panama Canal to Costa Rica's Puerto Caldera. Along the way, discover extraordinary natural treasures, from the coral-rich waters of Isla Iguana to the pristine beauty of Coiba National Park and the marine haven of Parida Island in the Gulf of Chiriquí, offering unforgettable encounters with vibrant wildlife.

Meanwhile, Star Flyer departs from St Maarten with extended festive sailings, combining relaxed exploration with exceptional sailing conditions. Highlights include the secluded beaches of Norman Island and the breathtaking passage through the Sir Francis Drake Channel, renowned for its steady trade winds and calm waters.

Aboard Royal Clipper - the world's largest square rigger in service - you can once again experience the much-loved Windward and Grenadine itineraries. Swim, snorkel or enjoy watersports directly from the ship's Marina Platform in picturesque anchorages such as Rodney Bay, Falmouth Harbour and Tobago Cays, where turquoise waters and tranquil surroundings await. Celebrate the festive season, where extended Caribbean voyages weave through emerald isles and hidden coves - from Dominica and Iles des Saintes to vibrant Barbados. These leisurely sailings blend iconic ports like St. Lucia and Grenada with idyllic beach stops across the Grenadines, creating a relaxed, sun-drenched escape perfect for celebrating the holidays at sea.

We look forward to welcoming you aboard our magnificent tall ships for an unforgettable Winter 2027/28 voyage.

Ocean Crossings

There is something rare about crossing an ocean under sail. Days stretch out, the noise of the world falls away, and life settles into the steady rhythm of sea and sky. An *Atlantic Crossing* aboard *Royal Clipper*, *Star Clipper* or *Star Flyer* is not simply a voyage from one place to another, but a chance to experience travel in its purest form. Mornings open onto endless horizons, afternoons drift by with wind and water, and evenings glow with possibility. Far from the usual pace of modern life, each day feels calmer, simpler and spacious. Unhurried, elemental and quietly unforgettable.
