Explore over 900 destinations across all seven continents on board small ships that set the standard for elite ocean travel. From faraway frontiers to historical havens, voyages with Silversea® are defined by infinite exploration, the best service at sea, all-inclusive indulgences, incomparable culinary experiences, and intimate ships that yield grand discoveries. Here's to finding fresh perspectives in unfamiliar places. To meeting fellow travelers who share your passion for exploration. To Finding More.

UNMATCHED ACCESS TO THE WORLD

Silversea unlocks more places than any other travel brand, with journeys to over 900 destinations. From the glacier-carved fjords of Antarctica to lantern-lit harbors in Asia, sun-dappled shores in the Mediterranean, and beyond, our intimate ships go where few can. Glide into ports unreachable by larger vessels, explore farther with Combination Voyages, and arrive in time for the world's most unforgettable events.

SERVICE THAT'S SECOND TO NONE

Service on a Silversea voyage is as personal as it is intuitive. On board, butlers anticipate your every need, bartenders recall your favorite cocktails, and each interaction reflects our pride in the art of hospitality. A ratio of nearly one crew member for every guest ensures your journey feels tailored to you, while a bespoke pillow menu or a hot bath drawn after a day of discovery make even the smallest details memorable.

EVERYTHING THAT MATTERS, INCLUDED

All-inclusive means more with Silversea. Destination-inspired dining, premium beverages, complimentary Wi-Fi, a cutting-edge fitness center, and engaging experiences that inspire and entertain are all part of your voyage. Unwind in the Otium Spa as you glide past glaciers. Expand your perspective with guest lectures after exploring ruins. And delight in brilliant performances that bring local culture from shore to ship.

DINING DEFINED BY DISCOVERY

With ten exquisite restaurant concepts, Silversea offers more dining options than any other small-ship cruise line. From French gastronomy to Pan-Asian fusion, each meal brings destinations to life, while our S.A.L.T. Sea And Land Taste® program reflects your voyage through locally inspired menus. Complementing every culinary experience, our ships' vibrant bars and lounges encourage conversations over handcrafted cocktails.

SMALL SHIPS, ENDLESS WONDER

The world feels larger when you sail on ships this intimate. Our all-suite fleet offers fewer than 365 suites per ship — all ocean-facing and most with private verandas — creating a rare sense of personal space and serenity at sea. Spanning four distinct classes, it's the youngest and most innovative fleet in the industry. Each ship brings style, comfort, and luxury to the world's farthest reaches.
