About the village

Burley is an area of true outstanding natural beauty. A contrast of colourful heathlands, mighty oaks, beeches and lofty pines. Ponies and cattle roam freely around the village. Famous for its white witch Sybil Leek, a history of smuggling and stories of a local dragon. The village has easy parking, modern toilets and plenty of tea rooms pubs and quaint shops. It's an ideal base for walking, cycling, wagon rides and deer safaris (seasonal)
