

A dramatic landscape photograph of a fjord. On the left, a massive, dark, craggy mountain face rises steeply from the water. In the center, a sharp mountain peak is visible in the distance, partially shrouded in mist. On the right, another steep mountain slope descends towards the water, with a small waterfall visible near the bottom. The water in the foreground is dark and textured with small waves. The sky is a pale, clear blue.

Discover Asia, Australia, and New Zealand – the Crystal way

KOMODO ISLAND, INDONESIA

With a mix of thrilling ports, leisurely sea days, and unparalleled service, Crystal makes sailing in these captivating regions effortless.

There are few better or more seamless ways to experience the vastness of Asia, Australia, and New Zealand than aboard one of our voyages, where the journey is every bit as rewarding as the destinations themselves. From Japan's lantern-lit temples and Vietnam's emerald bays to Australia's sun-drenched coastlines and New Zealand's cinematic fjords, every itinerary brings new wonders.

The beauty of cruising in these regions lies in their diversity. One morning might begin gazing at Singapore's gleaming skyline, another with sunrise over Uluru or a stroll beneath the cherry blossoms framing Kyoto's ancient shrines. We offer thoughtfully curated shore experiences – some in partnership with our sister brand, leading travel experts Abercrombie & Kent – to ensure that you'll connect with each destination beyond the postcard moments.

Our elegant ships are small enough to access ports beyond the reach of larger vessels, taking you away from the crowds and to lesser-known destinations. We also design our itineraries to include a number of late departures plus overnight stays so that you can linger longer and experience even more.

Of course, given the considerable distances to be covered, there are plenty of days at sea, too, and many guests count these among their favorite parts of the whole cruise. Life on board a Crystal ship is a refined yet relaxed experience. Our famously warm and intuitive crew anticipate your every need, while our industry-leading space-to-guest ratio ensures there's plenty of room for everyone.

We pride ourselves on our enrichment program, so you'll hear from expert speakers along the way and can join in a range of classes and activities, from golf clinics to art and technology lessons. Keep active on our pickleball courts or by strolling around our signature promenade deck, or simply relax by the pool or enjoy a treatment at our serene spa.

Come evening, our bars buzz with convivial conversation as guests gather for cocktails and live music before dinner in one of our world-class restaurants, which include the only Nobu at sea plus menus created by the Michelin-caliber Alajmo brothers. Then it's on to a dazzling show before returning to your sumptuous guest room or suite, where your butler is on hand to assist with anything you might need. ♦

Now we enjoy two more sea days as we head to Adamstown, the only settlement on the volcanic quartet of Pitcairn Islands, home to a community of 35 people who are largely descended from the 18th-century mutineers from *HMS Bounty*. We come next to French Polynesia, first to the coral island of Raroia, renowned for pearl farming, and then two islands that will delight divers: Fakarava and Rangiroa. Finally, we arrive at Papeete, Tahiti, the swaying palms welcoming us for our overnight stay in paradise.
