Discover the Baltics and Northern Europe – the *Crystal* way

COPENHAGEN, DENMARK

From *dynamic* cities to remote communities, traveling with Crystal is to immerse yourself in this *enchanted* region on land *and* at sea.

Cool, creative cities meet dramatic landscapes sculpted over centuries by wind and water in this dynamic region. One day you can be looking at Rembrandts hanging on a museum wall; on another you might be meeting remote fishing communities who live on the wildest fringes of the Earth. This is a place that rewards deeper discovery – and that’s why Crystal is the choice of discerning travelers.

We spend longer in ports, including late departures and overnight calls, which allows for unhurried exploration and meaningful encounters. Whether you want to take in Amsterdam’s lively nightlife or enjoy dinner in one of Copenhagen’s innovative Michelin-starred restaurants, our itineraries offer you flexibility and choice.

We foster immersion in this fascinating region on board, too, with a carefully curated program of enrichment. We invite expert speakers to join us on every voyage to provide their insights on the topics woven into the fabric of the destinations we visit, including art, history, archaeology, and politics. With Crystal, you go far beyond merely scratching the surface of a place.

In addition to the blockbuster cities that are a highlight of any sailing in the Baltics and Northern Europe, our elegant ships are small enough to be able to reach smaller ports that are off the beaten path. But our industry-leading space-to-guest ratio ensures you’ll never feel crowded: there’s always a pool lounge waiting for you and a seat in every restaurant at a time that suits. Our crew are famed for their service so don’t be surprised if your favorite drink magically appears in front of you.

After a busy day of sightseeing and activity, you can indulge in a soothing treatment in our serene spa, listen to live music over a sumptuous afternoon tea in the elegant Palm Court, or simply find a quiet nook in which to enjoy a few chapters of your book. Those who like to keep busy will find themselves spoiled for choice, with golf nets, pickleball courts, art and technology classes, and more.

And as day turns into night – or not, as sometimes happens when we sail in the land of the midnight sun – you can enjoy world-class dining, including the only Nobu restaurant at sea, dazzling entertainment, a sophisticated casino, and live music until late. This is cruising, Crystal style. ♦
