Discover Alaska — the Crystal way

JUNEAU

Enjoy one of the world's *last great wildernesses*
in *supreme* comfort and style.

To embark on an Alaska cruise is to venture to one of the world's last great wildernesses, where nature reigns supreme. Ice calves with a crash from colossal glaciers, whales breach the frigid waters, and bears feast on migrating salmon. The beauty of "the Great Land" lies in its unpredictability: you never quite know what you will witness. But one thing is for certain – such experiences can't be rushed. That's why discerning travelers opt for the Crystal difference when planning their Alaskan adventures.

Our itineraries are curated to allow guests to immerse themselves fully in their surroundings, settling into an unhurried pace and letting the demands of modern life melt away. Rather than maximizing port calls and cramming in activity, we allow substantial time for scenic cruising, gliding by impressive formations such as the Hubbard Glacier and sailing awe-inspiring passages like the labyrinthine Seymour Narrows, part of the Inside Passage, and the glacier-framed Tracy Arm Fjord.

On shore, we offer exclusive excursions that give you unrivalled access to local sights. We are the only cruise line

to offer a private visit to Sitka Lighthouse, for example, where you will meet the family who live there and enjoy a traditional Alaskan meal. Our flexible itineraries mean we can offer longer voyages, including 10- and 11-night sailings, which provide the opportunity to explore more off-the-beaten-track routes, visiting a combination of heavyweight hotspots and lesser-visited ports for authentic cultural encounters and prime wildlife watching.

Aboard Crystal, the journey *is* the destination. Pull back your curtain each morning to a new scene: sparkling fjords, snow-capped mountains, pine-fringed islets... is that a bald eagle overhead? Take breakfast on your veranda and sip coffee in the crisp air. This is your sanctuary at sea, where your personal butler anticipates your every need and crew members greet you by name. When night falls, take your pick of world-class dining options and settle in for an elegant evening of live music and dazzling performances.

Crystal guests enjoy some of the most space per passenger at sea, so settle in and make yourself perfectly at home – we'll take care of the rest. ♦

SERENITY

You will never forget this extraordinary close-up view of the 49th state. Our journey begins in Seward, where you can hike to the fjords and dine on fresh halibut. Next comes a true highlight: the mesmerizing sight of the Hubbard Glacier, the longest tidewater glacier in North America – watch in awe as huge chunks of ice calve into the glittering waters. Now we head for Skagway, with its Gold Rush-era buildings, then Icy Strait Point, for the thrills and spills of the world's largest ziprider and other outdoor activities. Alaska's original capital, Sitka, is next, where the onion-shaped dome of Saint Michael's is a visual reminder of the days when this was Russian territory. Onwards to Wrangell, home to the Tlingit people and 8,000-year-old rock carvings. Then we enter Canadian waters, passing through the spectacular Seymour Narrows before arriving in the lively city of Vancouver.
