Dear World Traveller,

There is a particular pleasure in returning to Europe – the first step ashore, the salt air, the promenade already in motion. Not to see it again, but to see it differently. What once felt familiar begins to uncover new layers: subtle nuances, unspoken connections, a deeper sense of how places live and evolve over time. Remarkable, too, is what remains unchanged.

Our 2026-2028 Europe Collection has been created with this in mind. These voyages invite you to explore widely and return thoughtfully – to the rivieras and old quarters of the Mediterranean and to the capitals and villages of Scandinavia and Northern Europe. You might follow the season south, to ports that quietly emerge beyond the height of summer, or cross oceans along routes that have linked continents for centuries. Whether over 10 days or across several weeks on a Grand Voyage, each journey offers the opportunity to experience Europe with renewed depth.

This collection also welcomes the 2027-2028 inaugural season of *Oceania Sonata*, our newest ship, a natural and beautiful evolution of our fleet. Across all of our intimate, luxurious ships, life on board unfolds with a familiar sense of calm and ease. The unhurried, adults-only environment invites relaxed conversation on deck and time gathered around the table where meals are enjoyed at their own pace. Woven throughout the experience is our trademark brand of genuine hospitality. Every interaction with our officers and crew reflects gracious attention and care, ensuring you feel at home throughout your voyage. At the heart of it all, The Finest Cuisine at Sea® expresses our long-held belief that the culinary experience is part of the journey itself – guided by craft, shaped by global perspective and designed to be savoured.

From the moment you step on board, Your World Included™ makes travel feel effortless, with a curated collection of amenities including gourmet speciality dining, gratuities, unlimited WiFi and more. In addition, you may choose one of two options: a Shore Excursion Credit or Wine and Beer by the Glass during lunch and dinner, a simple way to further tailor your voyage.

To return to Europe is to experience it more fully with each visit. Across enduring favourites and fresh new destinations, these voyages reveal it in ways that linger.

We look forward to welcoming you on board soon.

Warm regards,

JASON MONTAGUE | *Chief Luxury Officer, Oceania Cruises*

BALTIC, SCANDINAVIA & NORTHERN EUROPE

STORIED *landscapes*

Shaped by heritage and natural beauty, the Baltic, Scandinavia and Northern Europe region brings together medieval quarters and capital cities set within landscapes where forests give way to expansive coastlines. Here, seafaring traditions continue to shape local life, alongside a deep-rooted sense of history. In cities such as Tallinn, Riga and Stockholm, the past is present amid cobbled streets and centuries-old architecture, while modern design defines the contemporary culture of Copenhagen and Helsinki. In Oslo, nature is woven into everyday life, and throughout, local markets, cafés and waterfronts offer a window into daily rhythms. Beyond the cities, Norway's fjords, Iceland's volcanic landscapes and the Scottish Highlands reveal scenery that is both dramatic and diverse. Together, these destinations convey the depth and variety of this part of the world, where each place is shaped by its surroundings and a strong sense of character.

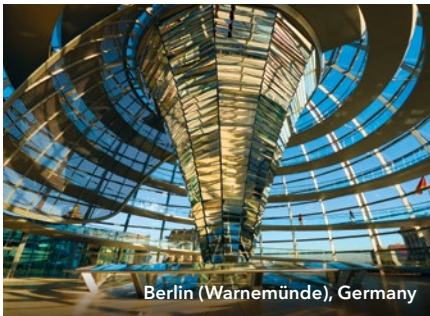

Scan QR code to view all Baltic, Scandinavia & Northern Europe voyages and pricing.

LUSH COUNTRYSIDES *and enduring towns*

Visit Scandinavia's storybook towns and celebrated capitals, then roam the historic landscapes of England, Scotland, Ireland and Wales, with castles and countryside that reflect an enduring heritage. Explore Norway's fjord country or the boutique ports lining the shores of Iceland, where dramatic scenery and quiet harbours offer a different perspective. Along the way, discover remote islands that feel largely unchanged by time. Overnight stays and late-evening departures offer more time to experience each destination - whether enjoying an evening cruise along a quaint waterway, a carriage ride through historic streets or a stop at a local pub for a pint of ale.

TRANSOCEANIC VOYAGES

ENDURING *crossings*

Our transoceanic voyages follow a different pace, balancing exploration of diverse ports of call with open-ended days at sea. The history, culture and flavours of the Western Mediterranean are complemented by visits to remote islands in the Atlantic Ocean and across the Caribbean, with stretches of open ocean between regions. Days at sea invite you to spend each moment as you wish. You might visit Aquamar® Spa + Vitality Center, attend a talk by a Guest Speaker, join a sommelier-led wine tasting or take part in a trivia session. Of course, your favourite way to spend the day may simply be relaxing on deck while taking in views of the sea.

THE BEST *of both worlds*

While days at sea offer time to enjoy the ship's amenities and enrichment, a range of ports adds dimension to the journey. Across the Western Mediterranean, Atlantic Ocean and the Caribbean, marquee destinations such as Barcelona, Marseille and Bermuda are complemented by boutique ports that provide natural additions to your travel diary – Granada in Spain, Ponta Delgada and Horta in the Azores, and Arrecife in the Canary Islands. Together, they introduce contrast, with time ashore offering opportunities to explore local culture and settings, balanced by longer stretches at sea.

GRAND VOYAGES

UNHURRIED *passages*

Our Grand Voyages are designed for travellers who appreciate time as much as place. Spanning regions and oceans, these journeys offer a more considered way to experience the world – one marked by continuity, balance and the freedom to travel without constraint. Days unfold at a measured pace, with time to settle into each destination and fully enjoy life at sea. Some voyages plumb a single European region in depth, while others connect the Mediterranean to Scandinavia, or extend beyond to the Atlantic and North America. Across each, a natural rhythm takes hold, creating space to experience each place more deeply, and the journey as a whole in greater perspective.
