The Soul of *The Gauguin*

Service from the Heart

Our guests often tell us it is the exceptional service and exacting attention to detail that they remember most about their voyages with us—the heartfelt *maeva* (welcome) and the genuine warmth of a staff dedicated to creating an unforgettable experience. Key among this hospitality—and unique to Paul Gauguin Cruises—are Les Gauguines (ladies) and Les Gauguins (gentlemen), local Tahitians who live aboard ship as hosts, entertainers, and storytellers, bringing the culture of each island into focus. This authentic destination immersion extends to the local entertainers who come aboard to share their stories, songs, and dances, and to the guides ashore who host excursions both on land as well as above and below the water line.

ENRICHING EXPERIENCES

- » **Les Gauguines** and **Les Gauguins** proudly share insight into their **unique cultural heritage**, from the art of tying a *pareo* and the finesse of making a *tiare lei* to the cultural importance of tattoos and more
- » **Culinary presentations** hosted by our award-winning chefs
- » Enrichment program featuring presentations by **local naturalists** and **guest experts**
- » We invite local performers on board to entertain you with Polynesian dance and singing
- » A **crew-to-guest ratio of 1:1.5**—among the highest at sea—provides exceptional service

Destination Immersion and Undersea Discovery

The *Gauguin* Experience embraces the true spirit of French Polynesia with engaging opportunities for adventure tailored to all ages. As the only luxury line in the region to offer complimentary activities for kids ages six to 15, our dedicated Moana Explorer Program helps foster reverence and respect for the culture and eco-systems here through interactive learning both on and off the ship. And for those who love to breathe underwater, our optional PADI SCUBA program offers some of the best diving in the world, with Certification courses offered on board too.
