Travel by panoramic coach on a tour that offers fascinating insights on the lives of those who make the sometimes-harsh landscape of Iceland's Westfjords their home. You'll drive through the streets of Isafjordur and out along the coastal road for a tour of wondrously remote Bolungarvik, and stop at the outdoor Ósvör Museum, where a century-old fisherman's hut has been restored. Next, you'll find yourself up amidst breathtaking views of the magnificent mountains of the Djup, the largest of the West Fjords and the Buna River. Then, you'll stop to admire a beautiful, stepped waterfall in Tunguskogur and take an opportunity to taste the freshest, clearest mountain water you may ever have encountered. Back in Isafjordur, you'll stop in at the Maritime and Folk Museum, which calls one of the town's oldest and best-preserved houses its home.

Appreciate the many highlights of alluring Santorini, visiting a quaint village clinging to rugged cliffs, strolling through a traditional hamlet and savouring local specialities in an inviting taverna. Travel to Oia, a charming village built on the dramatically steep slope of a now-submerged caldera and view pastel-coloured mansions and homes nestled into niches hewn into the volcanic rock. Stroll along Oia's narrow, cobbled streets during time on your own and admire the stunning views of the azure Aegean Sea. You'll ascend the rocky caldera wall to reach Pyrgos village, the highest village on the island and rejoice in breathtaking views. Here, you'll see remains of a Venetian castle sitting atop a nearby hill and take a guided walking tour through labyrinthine lanes to a unique, circle-shaped taverna, where you'll enjoy local favourites and magnificent views of the island, the caldera's rim, and the sea. Following your tour, return to Fira near the striking Orthodox Metropolitan Cathedral and choose to remain in town for sightseeing or shopping, if you wish.

FEATURED SHORE EXCURSION

Komodo Trekking and Pink Beach | Komodo, Indonesia

Look for Komodo Dragons while following a guide through a forest of tamarind and palm trees and relax on a pink sand beach along the island's southern shore. The dragons are massive lizards that can weigh more than 300 pounds and grow more than 10 feet long. See one in the wild and it will leave a lasting impression. The atmosphere on Pink Beach, which you will reach by boat, will be totally different, as it couldn't be more serene and relaxing. The lovely pink sand isn't a result of the island's volcanic formation, but rather from fragments of red coral that wash ashore and blend with the natural white sand, turning it pink. This idyllic beach offers the perfect setting to unwind, with its shallow waters, ideal for a refreshing swim and ample space to simply bask in the sun.

SAMPLE CULINARY CLASS

Most Requested Red Ginger

Our famed restaurant Red Ginger is the inspiration for our class devoted to Asian cuisine. In this class, you will explore two diverse cuisines: Chinese and Thai. You will master classic Asian ingredients as well as fundamental cooking techniques such as knife skills, mise en place and high-heat cooking. You will also learn how to work with rice paper and pad Thai noodles.
