A guided tour of Dubrovnik's World Heritage-listed fortress begins at the impressive Pile Gate, which has stood guard at the entry of this unique walled city for centuries. Within the ancient fortifications, wander through narrow limestone alleys and marble-paved boulevards to see the grand Gothic-Renaissance Rector's Palace, the Dominican and Franciscan Monasteries, and the inspiring Sponza Palace before returning to your ship for lunch. Later, set sail for Korčula, where you will join a guided tour. Explore the city's maze of cobblestone, medieval streets and elegant squares flanked by palaces of the old nobility. This Old Town may not be as well-known as Dubrovnik, but it is every bit as rewarding for those lucky enough to visit. BL

Day 6. Zadar, Rab After breakfast, enjoy a relaxing day sailing to the island of Rab. This afternoon, you are free to wander the white-walled harbour foreshore. This evening, dine at one of the island's restaurants and try a rapsko sočivo, a traditional stew that originated in Rab. BL

OCEAN CRUISING

Vast landscapes and centuries of history await along Northern Europe's shores. Trace the rugged Highlands of Scotland, sail between Norway's glacial-carved fjords, and witness Iceland's volcanic islands rising from the sea — all from the comfort of your Holland America Line ship.

SCOTLAND'S HIGHLAND TREASURES

Across Scotland's striking shores and storied Highlands, explore South Queensferry, a historic harbour steeped in tales of medieval ferry crossings and coastal life. Just beyond lies Invergordon, a gateway to the Scottish Highlands, where sweeping glens open onto mist-shrouded lochs and windswept farmland, with opportunities to explore majestic castles, whisky distilleries and serene waterways once whispered about by Highland clans. Storied streets await in Edinburgh, while panoramic vistas across glens reveal why Scotland's landscapes have captured the imagination of poets, painters and adventurers for centuries.

EXPLORE ICELAND'S FIERY ISLES

Explore one of Iceland's most dramatic island landscapes on a Travelmarvel Ocean Cruise. Step ashore in the Westman Islands, dominated by the Eldfell volcanic cone, born from a dramatic eruption in 1973 that reshaped the community and forged new land from fire and lava. Discover the compelling story of this event at the acclaimed Eldheimar Museum. Beyond its fiery past, Heimaey is a haven for wildlife and dramatic seascapes. From puffin colonies nesting along jagged cliffs to sweeping ocean views reflecting Iceland's elemental spirit, the island offers a rare blend of geology, nature and resilient island culture.

THE MAJESTIC FJORDS OF NORWAY

Weave your way through Norway's legendary fjords, where glacial forces have carved some of the world's most dramatic waterways. Cruise beneath sheer rock faces and cascading waterfalls along Hardangerfjord, a region famed for its fruit-growing valleys and the striking five-tiered Vøringsfossen cascade. See fjords such as Sognefjord – Norway's longest and deepest – reaching far into the Scandinavian interior, framed by emerald waters, forested slopes and quiet villages. Glide across these mirrored waterways aboard your ship, winding through hidden inlets and narrow channels, and experience Norway's fjords from a perspective only the water can reveal.

HOLLAND AMERICA LINE

Aboard Holland America Line's MS Zuiderdam and its newest ship, MS Rotterdam, enjoy gourmet cuisine, award-winning service, and superbly appointed staterooms and suites. Dance the night away at B.B. King's Blues Club, relive rock classics at the Rolling Stone Lounge, or be captivated by performances on the World Stage, the ship's largest theatre with a two-story panoramic LED screen. Learn about each region with the exclusive EXC® Talk lecture series, and savour globally inspired dishes across the ship's onboard restaurants. With amenities like pickleball courts, onboard shopping, and fitness and wellness facilities, every moment aboard your ship is relaxed, comfortable and designed for ease.

RAIL TOURING

Climb aboard and experience Europe's finest rail adventures. There's something truly special about discovering the continent by rail — witnessing breathtaking landscapes and majestic scenery from the comfort of iconic trains.

STUNNING SCANDINAVIA

Set out on a rail adventure through Scandinavia's dramatic north aboard high-speed trains, from Copenhagen to Stockholm and onward to Oslo. Travel on one of Norway's most celebrated railways, the Bergen Railway, which climbs from sea level onto the vast Hardangervidda Plateau, crossing Europe's highest mainline railway and revealing sweeping views of rugged plateaus and fjord-cut valleys. Board the Flåm Railway, one of the steepest standard-gauge railways in the world, descending past tight hairpin bends and dramatic waterfalls to the fjord-side village of Flåm.

SCOTTISH HIGHLANDS

From Edinburgh, the journey north traverses iconic engineering marvels such as the Forth Bridge, a UNESCO World Heritage Site spanning the Firth of Forth, and the Tay Bridge along Scotland's rugged east coast. Take the famous Kyle of Lochalsh line through mirrored lochs and craggy peaks to the Highlands' western edge. No rail journey here is quite as legendary as The Jacobite steam train — celebrated for its appearance as the Hogwarts Express — steaming across the iconic Glenfinnan Viaduct with windows framed by soaring mountains and the glassy waters of Loch Shiel.

ALPINE WONDERS

Switzerland's railways are masterpieces of precision and scenery. Board the Jungfrau Railway from Grindelwald to Jungfraujoch, where the route weaves through the mountains to reveal sweeping views of the Aletsch Glacier and the Bernese Alps. On the GoldenPass Express, travel across alpine valleys past lakeside villages, then follow the historic Gotthard Panorama Express route along dramatic gorges and mountain passes. Settle into the slow elegance of the Glacier Express, whose panoramic carriages glide across the Landwasser Viaduct, over deep ravines and high passes as the Rhine Valley unfolds outside your window. Equally spectacular is the Bernina Express, winding from St. Moritz to Tirano across the Bernina Range and the iconic Brusio Spiral Viaduct, linking Swiss alpine tradition with Italian warmth.

Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents or employees of Travelmarvel. Travelmarvel is not responsible for the conduct of the independent providers or their agents or for any ramifications of that conduct. Travelmarvel accepts no responsibility for any death, injury, illness, loss, damage, detention, or delay beyond its control. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in our terms and conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended. To the full extent permitted by law, Travelmarvel's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused.

Force Majeure
Force Majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not have been reasonably prevented by Travelmarvel. For a non-exhaustive list of examples of Force Majeure events, please see our full Terms and Conditions.

Termination of Booking Contract or Change of Travel Arrangements Due to Force Majeure
If Travelmarvel, in its reasonable opinion, considers that any Force Majeure event prevents Travelmarvel (directly, or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Case of Force Majeure
If Travelmarvel cancels or changes your travel arrangements in any way due to a Force Majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the Force Majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a Force Majeure event. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

Medical Assistance
Travelmarvel does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all medical fees.

Gratuities
Gratuities for the land portion of your tour, shore excursions, and on board your cruise are included in the tour price. Gratuities cannot be redeemed for cash.
