Welcome to AmaWaterways

Looking ahead to 2027, I am delighted to invite you to explore the rivers of the world with us — on thoughtfully designed journeys that immerse our guests in the culture, history and spirit of each destination.

At AmaWaterways, river cruising is more than a way to travel; it is a way to connect. Connect to the beautiful landscapes, to the vibrant local cultures and, above all, to the people we meet along the way: from the communities we visit to our incredible crew on board, whose attentiveness and warmth make every sailing truly memorable. Whether gliding along the romantic Danube, discovering the charms of the Mekong, or cruising the storied Magdalena River through the heart of Colombia, each itinerary offers a personalised and enriching experience.

I am honoured to build on the legacy of our pioneering founders, Rudi Schreiner, Kristin Karst and the late Jimmy Murphy, whose European heritage, vision and values continue to guide and inspire us.

As you explore this brochure, I hope you feel the care and excitement behind these itineraries. We look forward to welcoming you on board and sharing the magic of discovering the world — one river, one village, one unforgettable experience at a time.

Warmly,

Catherine Powell, CEO

The Distinctive Waterways of France

Rich in natural beauty and steeped in fascinating history, France offers guests a chance to delight in stunning scenery and indulge in local culinary delights and experiences.

Starting with The Seine, which has captured the imaginations of poets and painters for centuries, France's second largest waterway flows through the heart of Paris and continues westward through Normandy and beyond.

THE RHÔNE AND SAÔNE

These rivers pass through several wine-producing areas and historic towns, showcasing their prominent role in the development of France.

THE GARONNE, DORDOGNE & GIRONDE ESTUARY

In southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde Estuary that naturally divides the famous Bordeaux region into its Left and Right banks. Guests are drawn to this region by its wine and tantalising gastronomic delights.

Paris & Normandy

7 nights roundtrip Paris, add 2 nights in Paris pre-cruise

Paris always sizzles while Normandy beckons with its stunning coastline, incredible food and artistic beauty. Monet’s Gardens and the charming harbour town of Honfleur, will inspire you the same way as they inspired the great Impressionists. For inspiration of a different kind, witness the site of Joan of Arc’s historic martyrdom, or travel to the unforgettable beaches of Normandy where Allied forces landed during WWII’s D-Day invasion. Relive the grandeur of royalty at Château de Bizy, once referred to as “the Versailles of Normandy.”

Our Award-Winning Fleet Deck Plans

With fewer guests on board, we're able to offer an array of amenities on our beautiful ships. When you're not off exploring another stunning destination, take some time to unwind, relax and rejuvenate.

Soak up some rays or take a dip in our refreshing pool with a swim-up bar as we pass by centuries-old castles, charming villages and other breathtaking scenery. Stay fit on holiday by hitting the treadmill or lift some weights while cruising from one destination to the next. After a day of immersive shore experiences, return to the ship and treat yourself to a bit of pampering with a soothing massage.

CHOOSE YOUR VIEW

All staterooms on AmaWaterways' fleet of ships are outside rooms, meaning you can see your surroundings, no matter which room you choose. Our ships are not identical, so we recommend finding the deck plan of your chosen ship to determine the stateroom that suits you best.

Booking and Sale Terms & Conditions

Your contract is with AmaWaterways Limited of Suite A, Abbots Place, Walnut Tree Close, Guildford, Surrey GU1 4RW, company number 10184331. These booking conditions, together with our Privacy Policy, Passenger Ticket Contract (which governs the cruise and travel itself) and the written information we brought to your attention before we confirmed your booking, set out the conditions of the contract between you and AmaWaterways Limited and our contractual commitments to each other.

Definitions

- (a) References within the booking conditions to “departure dates” mean the date the services we have agreed to provide commence.
- (b) References to “you” and “your” mean the persons named in the booking (including any person or persons added or substituted subsequently).
- (c) “We” “Us” and “Our” mean AmaWaterways Limited.
- (d) References to “arrangements”, “travel arrangements” or “holiday” mean the services we have agreed to provide under your booking with us.

1 Your Holiday Contract

1.1 When you make your booking you agree that you have authority to accept and do accept on behalf of yourself and each person named in your booking, the terms of these Booking Conditions. The person making the booking (“the party leader”) must be at least 18 years of age and authorised to do so by all persons named in the booking and the parent or guardian of any party members under the age of 18 years when the booking is made. The party leader on behalf of themselves and each member of the party consents to the use of information in accordance with our Privacy Policy.

1.2 The party leader is responsible for making all payments due to us under the booking. All party members named within the booking are jointly and severally liable for all payments due under the booking.

1.3 A contract will exist as soon as we issue a booking confirmation invoice to the party leader or your travel agent. The contract is made in the terms of these booking conditions, which are governed by English law and the jurisdiction of the English Courts. You may choose the law and jurisdiction of Scotland or Northern Ireland if you are resident in Scotland or Northern Ireland and wish to do so.

1.4 Once you have received your booking confirmation invoice, please check this carefully together with all your other documents we or your travel agent have sent to you. If any of the information contained within any of these documents is incorrect or incomplete, please notify us immediately in writing as it may not be possible to make later changes to it. We cannot accept any liability for inaccuracies caused by the person making the booking, nor if we are not notified of any inaccuracies within 7 days of issue of the booking confirmation invoice.

1.5 We reserve the right to refuse to accept bookings at our absolute discretion without stating the reason for doing so.

1.6 When you book your holiday it may not be possible to confirm air or rail arrangements. Your confirmation invoice and/or ATOL certificate will set out the arrangements reserved for you and/or any provisional reservations or those arrangements we plan to reserve for you. Some airlines charge for luggage separately and some flights may be indirect. Travel arrangements, including but not limited to schedule and routing, may also be subject to change by airlines and/or rail operators at any time and without notice. We can accept no liability for such changes.

1.7 We cannot confirm any specific airline or rail seat numbers and reserve the right to make changes to your flight and/or rail times but will notify you of any such changes as soon as possible.

1.8 All guests under the age of 18 are to be in a stateroom with an adult and must remain supervised at all times; their safety is the responsibility of the accompanying adult(s). In the case where a triple or quad occupancy stateroom is not available or not selected, children under the age of 10 at the time of embarkation may share a stateroom with two adults only in circumstances where the child is able to share the bed with the adults – no additional bed will be provided. Please be aware that balcony staterooms of any kind may be unsafe for minors if left unsupervised. There is a minimum age limit of 4 years old, unless otherwise agreed upon by AmaWaterways. On our Africa Safaris & Wildlife Cruise programme, due to safety precautions, there is a minimum age limit of 12 years old, unless otherwise agreed upon by AmaWaterways. AmaWaterways does not provide child-specific programmes or child-minding facilities.

1.9 Participants With Disabilities: Because the tours offered occur in various countries, accessible facilities may not be available on board or in many places visited on the cruises and cruise tours we offer. If guests have a disability and reasonable accommodation may enable them to use the services, guests are requested to let us know how they believe we can help. Guests are requested to inform us in writing, at time of or immediately after making the reservation, but in any event as early as possible, of any mobility impairment or other condition, whether physical, emotional or mental, which may require accommodation or use of an assistive device during the travel. A reasonable effort will be made to accommodate special needs, but we are not responsible for denial of service by Carriers, hotels, or other independent Suppliers. Depending on applicable law, a participant, who, due to impairment, is not self-sufficient, may need to travel with a companion who shall take responsibility for assistance needed during travel and in case of emergency. An individual with a disability that would result in a direct threat to the health and safety of others or to that individual may be excluded, if it is determined there is a significant risk that cannot be eliminated or reduced to an acceptable level by reasonable accommodations, policies, practices, procedures assistive devices or services. We shall have no liability to a participant relating to any condition, treatment, failure to inform us of an impairment, or resulting exclusion.

1.10 Due to medical safety guidelines, we are unable to accommodate passengers who will enter their 24th week of

pregnancy by the time of the cruise.

1.11 Medical doctors are not available on any vessel. If medical services are required, efforts to contact local medical providers will be made. A participant requiring such assistance is solely responsible for all related charges. We will not be responsible or liable for sufficiency of our efforts to reach medical providers, nor for the availability, delay, quality or other aspect of any such services. Participants are encouraged at time of booking and well before departure, to review their health and medical conditions and insurance and consult their health care and insurance providers regarding needs and scope of coverage for any incident or need that may occur during travel, and to obtain supplemental health and medical insurance for the travel, as needed.

1.12 Smoking is only permitted on the ship's Sun Deck in the designated smoking area.

2 Special Requests

2.1 If you have a special request, please advise us or your travel agent at the time of booking. We cannot guarantee that the request will be met and any failure to do so will not be a breach of contract on our part. We are unable to accept bookings which are conditional upon a special request being met and all bookings accepted by us will be treated as not being conditional on the provision of such.

2.2 Special dietary requests must be provided to us at time of reservation. An effort will be made to meet the request, but we cannot assure the request can be accommodated. We cannot guarantee that the request will be met and any failure to do so will not be a breach of contract on our part. We are unable to accept bookings which are conditional upon a special request being met and all bookings accepted by us will be treated as not being conditional on the provision of such.

3 Financial Protection

3.1 We provide financial security for package holidays which include flights, by way of our ATOL (Air Travel Organisers Licence) granted by the Civil Aviation Authority (CAA), CAA House, 49-59 Kingsway, London WC2B 6TE. Our ATOL number is 11232.

3.2 When you buy a flight inclusive holiday from us you will receive an ATOL certificate from us or your travel agent. This lists the flight, accommodation and/or other services that are financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL certificate, will provide you with the services listed on the ATOL certificate (or a suitable alternative). In some cases where neither we or the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer, where applicable).

3.3 If we, or the suppliers identified on your ATOL certificate, are unable to provide services listed (or a suitable alternative through an alternative ATOL holder or otherwise) for reasons of insolvency, the trustees of the Air Travel Trust may make payment to (or confer a benefit on) you under the ATOL scheme. You must agree that in return for such payment or benefit you must assign absolutely to those trustees any claims which you have or may have arising out of or relating to non-provision of the services, including any claim against us, the travel agent (or your credit card issuer, where applicable). You also agree that any such claim may be reassigned to another body, if that body has paid the sums you have claimed under the ATOL scheme.

3.4 For further information, visit the ATOL website at www.atol.org.uk

3.5 The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL scheme. Please ask us to confirm what protection may apply to your booking. ATOL protection is primarily for customers who book and pay in the United Kingdom.

3.6 We provide full insolvency protection for our package holidays which do not include flights by way of a bond held by ABTA Ltd of 30 Park Street, London SE1 9EQ, telephone: 0203 7588779, email: customerprotection@abta.co.uk. Our ABTA membership no. is Y6393. Please visit www.abta.com for further information.

4 Holiday Price

4.1 We reserve the right to alter the prices of any of the holidays shown on our website. You will be advised of the current price of the holiday you wish to book before your contract is confirmed.

4.2 To confirm a reservation we require payment of a cruise deposit, along with deposit/s based on itineraries and products selected. You will be advised of the deposit amount specific to your package at time of booking. Deposits for specific products are listed along with their accompanying cancellation fees in Section 6 below. The balance of the price of your travel arrangements must be paid by the date shown on your booking confirmation invoice; usually 90 days before the commencement of AmaWaterways services. For bookings made within the balance due date, the total price of your holiday is payable at the time of booking. If the deposit and/or the balance is not paid in time we reserve the right to cancel your travel arrangements, subject to fees as outlined in our cancellation terms (Section 6). Any monies paid to any travel agent in relation to your booking are held by the travel agent on our behalf at all times.

4.3 Unless stated otherwise, the price of your holiday includes all of the component parts described within your booking confirmation invoice. Included within the voyage fare on each booking: all port charges and local taxes (where applicable) for all regions, plus gratuities onboard and ashore for all regions except Southern Africa.

4.4 Not included in the price of your holiday is travel insurance, passport and visa fees, additional baggage charges and any food or drink or additional excursions or activities which are not confirmed as being part of your holiday arrangements. Additionally, any items or services purchased on board, unless specifically stated.

4.5 Changes in the cost of the following mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure date.

- The price of transportation resulting from the cost of fuel or other power sources;
- The level of taxes or fees applicable to the holiday imposed by third parties not directly involved in the performance of your holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; or
- The exchange rates relevant to your package.

4.6 You may be charged for the amount of any increase in accordance with this clause plus the administration charge of £1 per person. However, if this means that you have to pay an increase of more than 8% of the total price of your confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements) you will have the option of

- (i) accepting the price increase and paying the requested amount
- (ii) accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price) or
- (iii) cancelling your holiday booking and receiving a full refund of all monies paid to us, except for any amendment charges and/or additional services or travel arrangements which do not form part of your package. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days of the issue date printed on your final invoice.

4.7 Should the price of your holiday go down due to the changes mentioned above, then any refund due will be paid to you. However, please note that travel arrangements that are purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

5 If You Change Your Booking

5.1 If, after we have issued a booking confirmation invoice to you, you wish to change your travel arrangements, we will do our best to make these changes, although it may not always be possible to do so. Your request to change your booking must be made in writing by the party leader. You will be asked to pay an administration charge of £25 per person, plus any costs we may incur in making this alteration. If travel arrangements are changed, price may be reassessed based on current prices on the date you make the change. The price may not be the same as when you first made your booking. Changing your booking to a different itinerary or sailing date constitutes a cancellation and rebooking; see section below.

5.2 If you or any member of your party is prevented from travelling, that person may transfer their place to someone else subject to the following conditions:

- a) That person is introduced by you and satisfies the conditions applicable to the booked holiday;
- b) We are notified in writing of the request for transfer not later than 32 days before departure;
- c) You pay the outstanding balance payment, and the amendment fee of £25 per person transferring, as well as any additional fees, charges and other costs arising from the transfer;
- d) The transferee agrees to these booking conditions, and all of the terms of the Contract between us.
- e) Charges amounting to the full cost of any transferred flight and a replacement flight will be imposed in the event of any transfer.
- 5.3 You and the transferee will remain jointly and severally liable for the payment of all sums. If you are unable to find a replacement, the cancellation charges set out in clause 6.1 will apply in order to cover our estimated costs. Otherwise, no refunds will be given to passengers not travelling or for any unused service.

5.4 Any discount you received when you made your original booking may be altered or reduced when changes are made if this discount had subsequently been altered, reduced or withdrawn.

5.5 If you have paid accommodation supplements and the number of people in your accommodation changes you may have to pay extra.

5.6 Any changes to your dates of travel, airport, transportation, destination, accommodation or length of travel must apply to all members of your booking.

5.7 If you wish to make a name change to a booking including a flight and/or rail journey booked through AmaWaterways, and such change is not permitted by the airline/ rail operator, it may be necessary to cancel your ticket for all guests and for you to pay the full cost of another ticket, which may not be the aboard the same service or at the same.

6 If You Cancel Your Booking

6.1 If you, or any member of your party, cancel your travel arrangements at any time, written notification from the person who made the booking must be received by us at our registered office or by email at amares-intl@amawaterways.com. Cancellation notifications must state clearly and correctly each guest's name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. Since we incur costs in cancelling your travel arrangements, the following cancellation charges will be payable by you. The cancellation charge is a percentage calculated on basis of the total costs payable by the person cancelling not refundable in the event of cancellation. For ease of reference, deposit amounts (clause 4.2) are listed on the following page.

6.3 A change in sailing date, the substitution of a participant (outside of the terms shown in 5.2) or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. A reduction in occupancy is subject to single supplement charge.

6.4 You have the right to cancel your holiday before departure without paying a cancellation charge in the event of “unavoidable and extraordinary circumstances” occurring at your holiday destination or its immediate vicinity and which significantly affects the performance of the holiday or which significantly affects transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any compensation. This applies only where the relevant unavoidable and extraordinary circumstances are reasonably likely to continue during the period of your booked travel arrangements. As such, the right to cancel under this clause may not be exercised more than 30 days before travel.

7 If We Change or Cancel Your Booking

7.1 Once your booking has been confirmed we will make every effort to provide you with the booked travel arrangements. Occasionally, it may be necessary to amend or cancel whole or part of your holiday. We will notify you or your travel agent of any cancellation or significant alteration as soon as we reasonably can.

7.2 Independent travel arrangements (e.g. flights, airport parking, car hire, etc) that you may arrange separately do not form part of our contract with you. Should we need to make changes to your travel arrangements, we will not be liable for any amendment or cancellation charges incurred by you in respect of any such independent travel arrangements, nor any other independent purchases made in relation to your holiday.

7.3 If, before the start of your holiday, we are constrained by circumstances beyond our control to make a major change to your holiday, we will offer you the choice of either

- (a) accepting the changed arrangements
- (b) accepting an offer for an alternative holiday with comparable facilities from us, if available (we will refund you any price difference if the alternative is of a lower value) or
- (c) cancel your booking completely in which case we will refund you all monies paid by you. Please note that the above options are not available where any change made is a minor one. A major change may include change to a lower standard of accommodation, a change of flight or rail times of more than 12 hours, a change of UK departure location (save the changes between London airports) or a significant change of destination of cruise itinerary. This applies only to travel booked with AmaWaterways.

7.4 If we make a significant change or cancel less than 78 days before departure (other than for reason of non-payment of travel arrangements by you or events beyond our control (paragraph 8 below) we will also pay you compensation as detailed below:

Period of Notice We Give To You Before Departure	Compensation to Each Full Fare Passenger
79+ Days	£0
78-43 Days	£10

a significant change whether you wish to: (a) accept a proposed change or (b) cancel your booking and receive a refund. If you have not notified us within 7 days, we will write to you again to obtain confirmation of your choice of the options above. If you fail to respond within a further 7 days, we will cancel your booking and refund all payments made by or on behalf of you.

7.5 Please note that compensation referred to at 7.4 above and the options referred to at 7.3 above do not apply to any minor changes.

8 Events Beyond Our Control

Please note that compensation will not be payable, and we will accept no liability beyond offering you the options above where:

- (a) we are constrained to make a significant change or cancel your booking as a result of unusual and unforeseeable circumstances beyond our control. These circumstances will usually include but are not limited to, war, threat of war, riots, civil disturbances, terrorist activity and its consequences, industrial disputes, any failure to secure flying rights, natural and nuclear disaster, fire, epidemics, health risks and pandemics and unavoidable and unforeseeable technical problems with transport reasons beyond our control or that of our suppliers, closed or congested airports or ports, hurricanes and other actual or potential severe weather conditions, and any other similar events; or
- (b) we cancel as a result of your failure to comply with any of the requirements of these booking conditions entitling us to cancel; or
- (c) we make a significant change or cancel your arrangements more than 14 weeks before departure; or
- (d) where the change or cancellation by us arises out of alterations to the confirmed booking request by you.

9 Post Departure Changes

9.1 If we are unable to provide a significant proportion of the holiday services that you have booked with us after your departure, we will, where possible, make alternative arrangements for you at no extra charge.

9.2 Please note that for travel booked with AmaWaterways a change in the time of your departure or return flight by 12 hours or less or a change of your UK departure airport between London airports are not regarded as major changes.

9.3 A change of accommodation to an equivalent or higher standard is also not regarded as significant nor are alterations to your itinerary which do not materially affect your holiday.

10 Delayed Return

10.1 In accordance with the Package Travel and Linked Travel Arrangements Regulations 2018, where it is impossible for you to return to your departure point on the return date of your package due to “unavoidable and extraordinary circumstances” we shall provide you with the necessary accommodation for a period not exceeding 3 nights per person. Where possible, this accommodation shall be of comparable standard to the accommodation booked by you under the package. For the purposes of this clause, examples of “unavoidable and extraordinary circumstances” include warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to, or from, the travel destination.

10.2 The limitation of costs for 3 nights' accommodation referred to above does not apply to persons with reduced mobility as defined by Article 2 of Regulation (EC) 1107/2006 and does not apply to persons of reduced mobility travelling by air and any other person accompanying them, pregnant women and unaccompanied minors as well as persons in need of specific medical assistance, provided that you have notified us of their needs at least 48 hours prior to departure.

11 Our Liability to You

11.1 We agree to perform and provide the travel arrangements which make up your booking with reasonable skill and care. If the contract you have with us is not performed or is improperly performed by us or any of our suppliers, we

will pay you appropriate compensation if this has affected your enjoyment of your holiday. We will not be liable for any failure in the performance of the contract with you if this is due to: -

- a) The fault of yourself and/or another member of your party;
 - b) A third party unconnected with the provision of the travel arrangements and where failure is unforeseeable or unavoidable;
 - c) Unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised;
 - d) An event which neither we nor our suppliers, even with all due care, could have foreseen or forestalled.
- 11.2 Our liability to you and any member of your party, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your booking. Our liability will also be limited in accordance with and/or in an identical manner to the contractual terms of the suppliers we use in the provision of your holiday arrangements form part of your contract with us. These terms are incorporated into this contract as are;

a) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail, and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation you can claim for death, injury, delay to passengers, and loss, damage and delay to luggage.

11.3 We will not accept responsibility for any services which do not form part of your contract with us. These may include any excursion purchased during the course of your holiday and any additional services or facilities which we have not agreed to arrange or provide as part of our contract with you.

11.4 You must inform us, without undue delay, taking into account the circumstances of the case, of any lack of conformity which you perceive during the performance of a travel service included in your package travel contract.

11.5 If we are found liable for loss and/or damage to your luggage or personal possessions (including money) our maximum liability to you is limited to £1,000 per person unless a lower limitation applies under this contract or by virtue of international conventions.

11.6 Where you have booked a “cruise only” holiday we do not accept liability for the costs of flights and/or any other travel arrangements in the event of changes being made to the scheduled departure or arrival times or locations of the cruise vessel.

12 Assistance by Us During the Course of Your Booking

If your contract with us is not performed or is improperly performed by us as a result of a failing attributable to a third party unconnected with the provision of holiday services, or as a result of failures due to unusual or unforeseeable circumstances beyond our control the consequence of which could not have been avoided even with all due care, or as a result of an event which we or our suppliers, even with all due care, could not have foreseen or forestalled, and you suffer injury or other material loss, we will offer to provide you with prompt assistance as is reasonable in the circumstances. If you or any member of your party suffers during the course of your holiday any difficulty as a result of any activity which does not form part of your contracted holiday arrangements, we will offer you prompt assistance without undue delay. Such assistance may include assisting you in making communications and helping you to find alternative travel arrangements. If the difficulty is caused intentionally by you or as a result of your negligence, we may charge a reasonable fee for that assistance which will not exceed the actual cost incurred by us. All assistance (financial or otherwise) is subject to our reasonable discretion and subject to you notifying us promptly of your need. If you are entitled to have any costs and expenses arising from such an incident met by or from any insurance policy or if you recover any costs and expenses relating to the incident from a third party, you must repay us the costs and expenses we have incurred in assisting you.

13 Documentation, Passport, Visa, Immigration and Health Requirements

13.1 In order to verify that we have the correct booking information on file for our guests, we kindly ask that you complete our pre-registration process upon deposit or no later than the final payment date. You may visit our website to complete this process at: www.amawaterways.co.uk/check-in By checking in, you can:

- Ensure that personal information is correct on all necessary travel documents
- Provide important emergency contact information
- Complete health questionnaire as required
- Inform us of any special occasions
- Sign up for shore excursions

13.2 Only after receipt of full payment, and the completion of the online pre-registration process, will access to Digital Travel Documents (including airline and/or rail confirmation information, if applicable) be provided, via email, approximately 3-4 weeks prior to departure.

13.3 The passport and visa requirements of you and your party, together with any other immigration requirements, are your responsibility and you should check these with the relevant embassies and/or consulates prior to travel. We are not in a position to obtain or verify the accuracy or completeness of any participant's visa or other required documentation. We do not accept any responsibility if your travel is restricted or affected if you have not complied with the relevant requirements in force prior to and at the time of travel. Guests should be aware entry requirements may change without prior notice. A valid passport is required for each participant. Passports must be valid for at least six months after the scheduled return date to your home country, unless stated otherwise.

13.4 For Africa & Egypt itineraries we require passport information at the time of deposit, and for travel to Asia, we require passport information prior to, or at, final payment due date. For certain itineraries, empty pages may be required within your passport for visa and/or immigration requirements. Ensuring these requirements are met is your responsibility and you should check these with the relevant embassies and/or consulates prior to travel. We do not accept any responsibility if you cannot travel if you have not complied with the relevant requirements in force

prior to, and at the time of, travel.

13.5 It is also your responsibility to check all compulsory and recommended health requirements, including vaccinations, prior to travel and to ensure that you are in possession of any necessary vaccination certificates and other health documentation. The costs of obtaining any such documentation are your responsibility and we are unable to accept any responsibility or liability if your travel arrangements are affected as a result of the failure to do so by yourself or any member of your party.

13.6 You must provide us with full details of any existing medical conditions, allergies or disabilities that may affect your travel arrangements (including, in particular, any accommodation requirements) at the time of booking. If in our reasonable opinion your chosen travel arrangements are not suitable for your medical condition or disability or you are not travelling with someone who can provide all assistance you may reasonably require, we have the right to refuse to accept the booking. If you do not give us full details of your medical condition or disability we may also cancel the booking if in our reasonable opinion, the travel arrangements are not suitable, or you are not travelling with someone who can provide all assistance reasonably required. If we cancel your booking as a result of this, the cancellation charges set out in Clause 6.1 above will apply.

13.7 Information on foreign travel is provided and regularly updated by the Foreign and Commonwealth Office. Details can be found at www.gov.uk/foreign-travel-advice and www.gov.uk/knownbeforeyougo

13.8 If we are required or asked to reissue tickets that have been lost, destroyed or stolen and we agree to do so, any charges incurred as a result of this will be payable by you.

14 Denied Boarding Regulations and Transportation Delays

14.1 If any flight you have booked is cancelled or delayed, your flight ticket is downgraded, or boarding is denied by your airline in circumstances which would entitle you to claim compensation against the airline under EC Regulation No 261/2004 – the Denied Boarding Regulations 2004, you must pursue the airline for the compensation due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If your airline does not comply with these rules you should complain to the Civil Aviation Authority on 0330 022 1500 www.caa.co.uk.

14.2 Unfortunately, flight or other transport delays sometimes occur. Depending on the length of the delay and surrounding circumstances, the carrier concerned should provide refreshments when and where appropriate. We are generally not in a position to provide any assistance in the event of flight or other transportation delays and cannot accept any liability except where expressly stated in these Booking Conditions.

15 Insurance

15.1 You may wish to take out suitable insurance for all your needs before you travel. We cannot be held responsible for any costs you may incur as a result of failing to do so.

15.2 If you take part in activities whilst travelling that have been organised and arranged independently of us, participation is at your own risk and it is your responsibility to ensure that you have obtained the relevant insurance.

16 Your Responsibilities and Behaviour Whilst on Holiday

16.1 As part of your booking with us, you are accepting liability for any loss or damage caused by you or any member of your party during the course of your holiday. Payment for any loss or damage must be made to us or our supplier at the time that it occurs or as soon as is reasonably practicable thereafter. If the cost of the loss or damage is not known at the time, we will reasonably estimate it. If the cost of replacement or repair exceeds the estimate paid, you must pay the difference and if it is less, the difference will be refunded to you. You will also be responsible for, and agree to indemnify us, in respect of any claim subsequently made against us and all costs incurred by us (including our own and any other party's full legal costs) arising from your actions.

16.2 You are also responsible for the behaviour of yourself and other members of your party. We can refuse to accept you as a customer or refuse to continue dealing with you and/or any other member/s of your party by terminating your travel arrangements if yours or their behaviour is or is likely to be, in our reasonable opinion or in the reasonable opinion of our suppliers, disruptive, upsetting or dangerous to yourself or anyone else, or if you or any member of your party have caused or are likely to cause damage to property. In these circumstances, we will not pay any refund, compensation or other sum whatsoever or any costs or expenses incurred by you if we have to terminate your travel arrangements due to such unacceptable behaviour. In this situation we will have no further responsibility for you or any other member of your party (including any return travel arrangements). If your behaviour means that you are not able to board your outward flight, we will treat your booking as cancelled from that moment and you will have to pay the full cancellation charges referred to in Clause 6.1 above.

17 **Excursions and Activities and Resort Information**
Excursions, tours or other activities that you book or pay for whilst you are on holiday do not form part of the travel arrangements provided by us. Your contract will be with the operator or provider of that excursion, tour or activity and not with us. We are not responsible for the provision of the excursion, tour or activity or anything that may happen during the course of its provision by the operator. We do not accept any liability in relation to any such excursion, tour or activity and these Booking Conditions do not apply to them.

18 Mooring, Docking and Adverse Weather Water Conditions

Occasionally, changes to your itinerary may be necessary due to adverse weather conditions, high or low water levels, mooring restrictions and lock closures. In some instances, it may be necessary in the interests of safety for sundeck access to be restricted or closed. In addition, it may sometimes be necessary for vessels to dock alongside each other resulting in partially or totally obstructed views. Unfortunately, these are events outside of our control and we can accept no liability for them.

19 Local Charges & Tourist Taxes

Unless we have stated that a local service or facility is included or complimentary in our accommodation description, you may be asked to pay a charge locally. For example, room services (e.g. minibar), health and beauty treatments, snacks/drinks etc.

20 Local Health & Safety Standards

You should be aware that it is the standards and health and safety requirements of the country in which the services which make up your travel arrangements are provided which apply and not those of the United Kingdom. These standards will be different to those of the United Kingdom and may sometimes be lower.

21 Our Website, Brochure and Advertising

The information contained in our website, brochure and advertising material is our responsibility and to the best of our knowledge and belief it is correct at the time of publication. Occasionally errors may occur, and information may change, and you must therefore check all the details of your travel arrangements at the time of booking.

22 If You Have a Complaint

22.1 In the unlikely event that you have cause to complain during the course of your travel arrangements with us, you must bring it to our attention immediately. If your complaint is not resolved then you must repeat your complaint in writing within 28 days of the end of your travel arrangements with us by writing to us at our Registered Office or emailing us at customerrelations-intl@amawaterways.com. You must provide any booking reference and all other relevant information to enable us to fully investigate your complaint. We are unable to accept liability for any complaints which do not involve death, personal injury or illness and which are not made in accordance with this procedure.

22.2 We are a member of ABTA, membership no. Y6393. Through our membership we can offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with your holiday. Further information on the ABTA Code of Conduct and the arbitration scheme can be found at www.abta.com/consumer-services.

22.3 The arbitration scheme is arranged by ABTA and administered independently by the Centre for Effective Dispute Resolution. It provides a straightforward and inexpensive method of arbitration on documents alone with restricted liability in respect of costs. Full details will be provided on request or can be obtained from the ABTA website.

22.4 The scheme does not apply to claim for an amount greater than £5,000 per person and there is a limit of £25,000 per booking. It does not apply to claims in respect of physical injury or illness. The scheme can deal with compensation claims which include an element of minor injury or illness, subject to a limit of £1,500 per person that can be awarded by the arbitrator.

22.5 The application for arbitration and statement of claim must be received by CEDR Solve within 18 months from the date of return of the holiday. Outside this time limit, arbitration may still be available under the scheme if the company agrees but the ABTA code does not require such agreement.

22.6 For injury and illness claims, you may use the ABTA/CEDR Solve mediation procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. Details can be provided on request or from www.abta.com.

23 Data Protection

In order to process your booking and to make sure that your holiday arrangements run smoothly, we need to pass the information which you provide on to relevant suppliers such as airlines, transfer companies, hotels etc. The information which we provide may also be provided to credit checking companies and public authorities such as customs and immigration if required by law. Where your holiday is outside the European Economic Area (EEA), controls on data protection may not be as strong as they are in the UK. However, we will not pass your information on to any person who is not responsible for part of your holiday arrangements. If we cannot pass your information on to relevant suppliers, we cannot provide your booking, therefore in making this booking, you consent to your information being passed on to them. Your data controller is: AmaWaterways Ltd. You are entitled to a copy of your information held by us and if you would like to see this, please ask us. It may be necessary to make an administration charge for providing this to you.

YOUR KEY RIGHTS UNDER THE PACKAGE TRAVEL AND LINKED TRAVEL ARRANGEMENTS REGULATIONS 2018

General

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore, you will benefit from all EU rights applying to the packages. AmaWaterways Limited will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, AmaWaterways Limited has protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that it becomes insolvent.

KEY RIGHTS UNDER THE PACKAGE TRAVEL AND LINKED TRAVEL ARRANGEMENTS REGULATIONS 2018

- Travellers will receive all essential information about the package before concluding the package travel contract.
- There is always at least one trader who is liable for the proper performance of all the travel services included in the contract.

- Travellers are given an emergency telephone number or details of a contact point where they can get in touch with the organiser or the travel agent.

- Travellers may transfer the package to another person, on reasonable notice and possibly subject to additional costs.

- The price of the package may only be increased if specific costs rise (for instance fuel prices), and if expressly provided for in the contract, and in any event not later than 20 days before the start of the package. If the price increase exceeds 8% of the price of the package, the traveller may terminate the contract. If the organiser reserves the right to a price increase, the traveller has a right to a price reduction if there is a decrease in the relevant costs.

- Travellers may terminate the contract without paying any termination fee and get a full refund of any payments if any of the essential elements of the package, other than the price, has changed significantly. If before the start of the package the trader responsible for the package cancels the package, travellers are entitled to a refund and compensation where appropriate.

- Travellers may terminate the contract without paying any termination fee before the start of the package in the event of exceptional circumstances, for instance if there are serious security problems at the destination which are likely to affect the package.

- Additionally, travellers may at any time before the start of the package terminate the contract in return for an appropriate and justifiable termination fee.

- If, after the start of the package, significant elements of the package cannot be provided as agreed, suitable alternative arrangements will have to be offered to the traveller at no extra cost. Travellers may terminate the contract without paying any termination fee, where services are not performed in accordance with the contract and this substantially affects the performance of the package and the organiser fails to remedy the problem.

- Travellers are also entitled to a price reduction or compensation for damages or both where the travel services are not performed or are improperly performed.

- The organiser has to provide assistance if the traveller is in difficulty.

- If the organiser or the retailer becomes insolvent, payments will be refunded. If the organiser or, where applicable, the retailer becomes insolvent after the start of the package and if transport is included in the package, repatriation of the travellers is secured. AmaWaterways Limited has taken out insolvency protection with the following entities:
