OUR **STORY**

NEARLY A CENTURY OF EXPERIENCE CRAFTING UNFORGETTABLE JOURNEYS WORLDWIDE.

Choosing an Avalon Waterways cruise means travelling with a company built on decades of passion, innovation, and family dedication. It all began in 1928 on the scenic shores of Lake Lugano, Switzerland, when Antonio Mantegazza, inspired by the beauty of his homeland, used his family's humble rowboat to ferry goods and dreamt of sharing the world with travellers.

From those early beginnings, the vision grew—transitioning from boat rides to motorcoach tours across Europe, and then offering first-class guided tours. Led by three generations of the Mantegazza family, the Globus family of brands expanded to include value tours with Cosmos and, in 2004, launched Avalon Waterways, setting a new standard in luxury river cruising.

Today, Avalon Waterways continues this proud legacy, blending Swiss precision with heartfelt dedication to deliver immersive river cruise experiences. With nearly 100 years of expertise and a commitment to excellence, Avalon invites travellers to discover the world's most iconic rivers with ease, comfort, and once-in-a-lifetime memories.

1928
GLOBUS WAS BORN
Founded in Lugano, Switzerland by Antonio Mantegazza, who began transporting travellers across Lake Lugano in a rowboat, sharing stories of the local sights.

1930
THE FIRST MOTORCOACH
Antonio purchased his first motorcoach, launching the modern motorcoach touring business known today. Mantegazza called his business Globus Viaggi.

1950
WORLD FIRST
Globus grew from Swiss day trips to Italian holidays with the help of Werner Albek. The company unveiled the world's first multi-country European touring holiday.

1961
COSMOS WAS CREATED
Globus launched Cosmos, offering affordable, value-priced European touring for the cost-conscious traveller.

1980
WORLD'S MOST POPULAR
Globus became one of the world's most popular tour operators, offering holidays in Australia, New Zealand, Canada, Europe, Africa, the South Pacific, Asia, and South America.

2004
AVALON IS LAUNCHED
Globus introduced Avalon Waterways, adding river cruising to its range of travel styles.

2011
AVALON LAUNCHES FIRST SUITE SHIP
Avalon's launch of the first Suite Ship quickly led to a fleet of Suite Ships, elevating river cruising. Globus continued to innovate, taking travellers beyond landmarks to undiscovered towns and coasts without crowds.

TODAY
STILL A FAMILY
Still proudly family owned and operated, continuing the tradition of exceptional service.

THE RIVER IS WIDE, **SO ARE YOUR VIEWS!**

It's hard to know where Avalon's award-winning Panorama Suites℠ end and the views begin! That's because no other river cruise fleet offers you a view of the world like Avalon Suite Ships. Featuring the widest-opening, wall-to-wall, floor-to-ceiling panoramic windows in river cruising, our Avalon Panorama Suites are designed with river cruising's only Open–Air Balcony℠, with living space that's 30% larger than the industry standard. And you'll never have to choose between lying in bed and seeing the view because, unlike other river cruise cabin designs which face the wall, Avalon's Comfort Collection Beds℠ actually face the view—so you can stretch out and watch the world go by. Think of it as a view with a room!

BAR MENU

SMALLER SHIPS. **BIGGER SPACES.**

SET SAIL IN SPACIOUS STYLE

When it comes to river cruising, bigger isn't better—unless it means larger space for you! With an average of just 160 guests on board, Avalon gives you up to 15% more space with more room to roam, relax, and revel in the views! And our 3:1 guest-to-crew ratio means personalised service that caters to your preferences. Our Panorama Suites are 30% larger than the industry standard, featuring wall-to-wall, floor-to-ceiling views with Open-Air Balconies. The magic of river cruising is all about more space, fewer crowds, and a front-row seat to the world's picture-perfect panoramas. On shore, you'll explore with more elbow room thanks to our smaller group excursions with your choice of Classic, Active, or Discovery experiences. Come aboard to see the difference with Avalon!

PACK YOUR **PASSIONS.**

MORE YOU IN VIEW.

The greatest days are the ones where we wake to a wide-open agenda, a world of possibilities, and a blank canvas to colour outside the lines. Each Avalon cruise invites you to pack your passions to unlock an exciting menu of included Avalon Choice Classic, Active, and Discovery excursions. Whether your passion is history, mystery, culture, or cuisine, Avalon cruisers can be choosers with smaller group sizes for up-close and personal experiences.

LIGHTHOUSE PROJECT™

RIVER CRUISING **THAT CARES.**

Avalon cruises with a conscience – and a clear commitment to doing better. Through our Lighthouse Project, we support a culture of responsible travel across three key pillars: Planet, People and Places.

We've partnered with Trees4Travel to offset carbon emissions on cruises by planting trees on behalf of every guest – more than 300,000 and counting. Our ships are free of single-use plastics, 95% paperless, lit by LEDs and stocked with locally sourced food. Onboard, guests will see our impact in the details – like the hand-sewn bags from Landmine Design, a social enterprise supporting women in Cambodia.

These efforts – and more – have earned Avalon the prestigious Green Award across our entire Suite Ship fleet. We're not just sailing through the world. We're helping take care of it.
